III. Provided always, that it shall be competent to the said Governor General of India in Council, and to any authority thereunto empowered by the said Governor General in Council, to grant to any person or persons a license permitting such person or persons to convey letters by post for hire from place to place within the said Territories, and that it shall be lawful for any person or persons having such a license to convey letters in conformity with the terms of such license.

IV. And it is hereby enacted, that it shall be lawful for the said Governor General in Council, and for any authority which may have granted any such license as is described in the preceding Section, to revoke such license at pleasure.

V. And it is hereby enacted, that whoever otherwise than under the authority of the said Governor General in Council, or in conformity with the terms of such a license as is aforesaid, knowingly conveys any letter by post for hire from place to place within the said Territories, or receives any letter or packet of letters, in order to such conveyance, or delivers any letter according to its direction, knowing the same to have been so conveyed, or is accessory to such conveyance, receipt or delivery, shall be punished with fine not exceeding 50 Rs. for every letter so conveyed, received or delivered.

VI. And it is hereby enacted, that inland postage duties shall be levied on the conveyance of letters and packets by the Government Post, at the rates set forth in the Schedule marked A, which is annexed to this Act, and that the full postage shall be paid either on receipt or on delivery at the option of the sender, and that, if the thing conveyed be transferred from a Post Office in one Presidency to a Post Office in another Presidency, no additional charge shall be made on account of such transfer.

VII. And it is hereby enacted, that when there is a banghy established on a line of road, no person shall be entitled to demand that any letter or packet exceeding 12 tolas in weight shall be conveyed by the letter post on that line of road.

VIII. And it is hereby enacted, that when there is no banghy established on a line of road, letters and packets exceeding 12 tolas in weight and not exceeding 40 tolas in weight, shall be conveyed on that line of road by the letter post, and every such letter or packet shall be charged with the postage of a letter or packet of the same description of twelve tolas weight sent by letter post.

IX. And it is hereby enacted, that no packet of the description mentioned in Table 2 of Schedule A, shall contain any writing whatever other than writing which is necessarily part of the documents which such packet is stated to contain, by attestation on the cover of such packet, and that whoever shall send any such packet by the Government Post, knowing that it contains any writing not necessarily part of the documents which such packet is stated to contain by attestation on the cover, shall be punished with a fine of Fifty Rupees.

X. And it is hereby enacted, that no packet of the description mentioned in Table 3 of Schedule A, shall contain any writing whatever, except the direction on the cover, and that whoever shall send any such packet by the Government post, knowing that it contains any writing other than the direction on the cover, shall be punished with a fine of Fifty Rupees.

XI. And it is hereby enacted, that proof sheets marked as such may be sent by letter post at the rates set forth in Table 3 of Schedule A, provided they be brought to the Dispatching Office open, and be sealed in presence of the person in charge of such Office.

XII. And it is hereby enacted, that the said Governor General in Council shall frame a scale of distances as nearly as practicable, according to the distance by the nearest road between Post Office Stations, and that the rates of inland postage shall be calculated according to this scale.

XIII. And it is hereby enacted, that Steam Postage, according to such rates as may from time to time be fixed by the Governor General in Council, shall be levied on all letters and packets sent or received by any Government Steamer, and that such Steam Postage shall be in excess of any inland postage to which such letters or packets may be liable.

XIV. And it is hereby enacted, that Ship Postage, according to the rates fixed in Schedule B, annexed to this act, shall be levied on all letters or packets sent or received by Sea through any Government Post Office, and not liable to Steam Postage.

XV. And it is hereby enacted, that when any Vessel arrives by sea, at any place within the said Territories, at which there is a Government Post Office, the Commander of such Vessel shall, as speedily as possible, cause every letter and packet on board of such Vessel which is directed to that place, and which was not specially entrusted for separate delivery, to be delivered either at the Post Office or to some Officer of the Post Office authorized to receive the same; and that if there be on board any letter or packet directed to any other place, and not specially entrusted for separate delivery, the said Commander shall as speedily as possible, report the same to the Post Master General or Post Master of the place at which he has arrived, and shall act according to such directions as he may receive from such Post Master General or Post Master; and that the receipt of such Post Master General or Post Master shall discharge such Commander of all responsibility in respect of such letter or packet.

XVI. And it is hereby enacted, that every Commander of a Vessel who shall wilfully disobey any of the directions contained in the preceding Section, shall be punished with fine not exceeding 1,000 Rupees.

XVII. And it is hereby enacted, that for every letter or packet delivered by a Commander of a Ship, in conformity with the directions of Section XV. of this Act, the Officer in charge of the Post Office shall pay to the said Commander the sum of One Anna.

XIX. Provided always, that no payment shall be made to the Commander of any Vessel on account of the delivery of any letter or pack-

XXI. And it is hereby enacted, that whenever any letter or packet, the postage of which has not been paid, shall be delivered by any person employed by the Post Office, the person to whom it is delivered shall not be bound to pay the postage if he returns the letter or packet unopened, but if he opens the same, he shall be bound to pay the postage due thereon; provided always, that if the letter or packet shall appear to have been maliciously sent for the purpose of annoying the person to whom it is directed, the Post Master General or Post Master of the Office, from which the delivery took place, shall remit the said postage.

XXII. And it is hereby enacted, that every letter or packet which is rejected unopened by the person to whom it is directed, shall be returned by post to the sender, and that the said sender shall be bound to pay the return postage thereon, unless direct postage has already been paid thereon.

XXIII. XXIV. XXV. And it is hereby enacted, that all letters and packets which have remained three months unclaimed at any Post Office, shall be transmitted to the General Post Office of the Presidency.

XXVI. And it is hereby enacted, that, at intervals not exceeding three months, lists of all unclaimed letters and packets which are in the General Post Office of any Presidency, shall be published in the Official Gazette of that Presidency.

FORT WILLIAM,

THE 31ST JULY, 1837.

Resolution.—The Governor General in Council having again taken into consideration the several Provisions contained in the Draft of Act promulgated for general information on the 13th of March last, (published in the *Calcutta Gazette* of the 18th of the same month,) and having maturely weighed the several objections urged against the proposed enactment, is of opinion, that these objections are not of a nature to counterbalance the advantages which will thereby be

attained in the more speedy adjudication of Civil Claims and in the relief of the European Judges from functions which interfere with their primary duty of effectually superintending and controlling the general judicial administration. His Lordship in Council is unable to discern any good reason for interdicting the highest grade of Native Judges, who are already competent to try Suits to the extent of 5000 Rupees, from trying Suits involving a larger amount,—and, in a similar spirit of confidence in their efficiency, he deems it proper not to maintain the rule which precludes the Native Judges from adjudicating claims to which the Government or its Officers may be a party. His Lordship in Council is, however, satisfied, from the discussions which have passed on the subject, that it is expedient to provide for a direct appeal to the Court of Sudder Dewanny Adawlut from the decisions of the highest grade of Native Judges in Suits in which from the amount at issue, these Officers have not heretofore been competent to exercise jurisdiction.

2. The Governor General in Council is, at the same time, fully sensible of the justice and expediency of duly augmenting the allowances of the Native Judges when the public finances will permit, and thereby adding to the securities already existing for the faithful administration of justice. He has learned that, in the opinion of the best authorities, those allowances, as regards a provision for the ministerial establishments of the Native Judges, are generally inadequate, and they that are, in some cases fixed on a scale so low as urgently to require revision. Some improvement in the personal allowances and position of the highest and of the lowest grade of the Native Judges, is also found to be an object of high importance,—there not being at present, to the former class, the prospect of further honorable promotion and the number of the latter being so great, as, in frequent cases, to debar the most meritorious Servants from any but a very distant and uncertain chance of advancement. For the intermediate class of Native Judges, or the Sudder Ameens, who are greatly less numerous than the Moonsiffs, adequate means of reward are presented in the existing rules and practice respecting their promotion to the office of Principal Sudder Ameen, a promotion which will be much more valuable under the modification in the pay of that office now about to be introduced. Upon these grounds, His Lordship in Council has resolved to increase the allowances of the Native Judges by adding 200 Rupees per mensem to the Personal Salaries of one-fourth to be selected as a superior class according to merits and service, of the Principal Sudder Ameens, and 50 Rupees to the Personal Salaries of one-fourth, to be similarly selected, of the Moonsiffs, as well as to increase the allowances already received for the maintenance of Establishments by the Principal Sudder Ameens, Sudder Ameens, and Moonsiffs, by adding 50 Rupees per mensem to the allowances at present granted on that account, to the entire first class of Officers, and 30 Rupees per mensem to that received on the same account, by all of the two last named classes of Officers. By this measure, a large immediate increase of expenditure will be occasioned. But having in view the essential object of promoting the efficient and satisfactory administration of justice,—considering also the present less unfavorable condition and prospects of the Indian Finances, and the propriety of ap-

plying with prudence and caution, to purposes of pressing public improvement, the growing resources from enhancement in the Bengal Land Revenues and other sources,—and looking also to early equivalent reductions from measures now in progress in the Judicial Department of the Bengal Presidency, His Lordship in Council is prepared to sanction this addition to the Public Burthens. The opportunity of promulgating the subjoined Draft of Rules for expediting and improving the administration of Civil Justice, has also been taken to introduce certain Subsidiary Rules for regulating the costs of Suit and form of Appeal in certain cases, as well as, in connection with the main object of the Draft and of the Resolution now promulgated, for more efficiently securing the independence and respectability of the Ministerial Officers of the Native Judges' Establishments, by rendering the appointment and removal of those Officers subject to the confirmation of the European Judges.

The following Draft of a proposed Act was accordingly read in Council, on the 31st instant.

ACT No.—OF 1837.

I. It is hereby enacted, in modification of Sec. XVIII, Reg. V. 1831, of the Bengal Code, that from the day of , no Zillah or City Judge within the Territories subject to the Presidency of Fort William in Bengal, shall be precluded by reason of the amount or value of the property for the recovery of which a Suit is instituted, from referring that suit to any Principal Sudder Ameen.

II. And it is hereby enacted, that in all Suits which shall under the authority of this Act, be referred to a Principal Sudder Ameen, the Appeal from the decision of such Principal Sudder Ameen shall be direct to the Court of Sudder Dewanny Adawlut, and shall be conducted in all respects according to the same Rules as if it were an Appeal from the decision of a Zillah Judge to the said Court of Sudder Dewanny Adawlut.
