FORT WILLIAM,

THE 31ST JULY, 1837.

Resolution.—The Governor General in Council having again taken into consideration the several Provisions contained in the Draft of Act promulgated for general information on the 13th of March last, (published in the *Calcutta Gazette* of the 18th of the same month,) and having maturely weighed the several objections urged against the proposed enactment, is of opinion, that these objections are not of a nature to counterbalance the advantages which will thereby be attained in the more speedy adjudication of Civil Claims and in the relief of the European Judges from functions which interfere with their primary duty of effectually superintending and controlling the general judicial administration. His Lordship in Council is unable to discern any good reason for interdicting the highest grade of Native Judges, who are already competent to try Suits to the extent of 5000 Rupees, from trying Suits involving a larger amount,—and, in a similar spirit of confidence in their efficiency, he deems it proper not to maintain the rule which precludes the Native Judges from adjudicating claims to which the Government or its Officers may be a party. His Lordship in Council is, however, satisfied, from the discussions which have passed on the subject, that it is expedient to provide for a direct appeal to the Court of Sudder Dewanny Adawlut from the decisions of the highest grade of Native Judges in Suits in which from the amount at issue, these Officers have not heretofore been competent to exercise jurisdiction.

2. The Governor General in Council is, at the same time, fully sensible of the justice and expediency of duly augmenting the allowances of the Native Judges when the public finances will permit, and thereby adding to the securities already existing for the faithful administration of justice. He has learned that, in the opinion of the best authorities, those allowances, as regards a provision for the ministerial establishments of the Native Judges, are generally inadequate, and they that are, in some cases fixed on a scale so low as urgently to require revision. Some improvement in the personal allowances and position of the highest and of the lowest grade of the Native Judges, is also found to be an object of high importance,—there not being at present, to

the former class, the prospect of further honorable promotion and the number of the latter being so great, as, in frequent cases, to debar the most meritorious Servants from any but a very distant and uncertain chance of advancement. For the intermediate class of Native Judges, or the Sudder Ameens, who are greatly less numerous than the Moonsiffs, adequate means of reward are presented in the existing rules and practice respecting their promotion to the office of Principal Sudder Ameen, a promotion which will be much more valuable under the modification in the pay of that office now about to be introduced. Upon these grounds, His Lordship in Council has resolved to increase the allowances of the Native Judges by adding 200 Rupees per mensem to the Personal salaries of one-fourth to be selected as a superior class according to merits and service, of the Principal Sudder Ameens, and 50 Rupees to the Personal Salaries of one-fourth, to be similarly selected, of the Moonsiffs, as well as to increase the allowances already received for the maintenance of Establishments by the Principal Sudder Ameens, Sudder Ameens, and Moonsiffs, by adding 50 Rupees per mensem to the allowances at present granted on that account, to the entire first class of Officers, and 30 Rupees per mensem to that received on the same account, by all of the two last named classes of Officers. By this measure, a large immediate increase of expenditure will be occasioned. But having in view the essential object of promoting the efficient and satisfactory administration of justice,—considering also the present less unfavorable condition and prospects of the Indian Finances, and the propriety of applying with prudence and caution, to purposes of pressing public improvement, the growing resources from enhancement in the Bengal Land Revenues and other sources,—and looking also to early equivalent reductions from measures now in progress in the Judicial Department of the Bengal Presidency, His Lordship in Council is prepared to sanction this addition to the Public Burthens. The opportunity of promulgating the subjoined Draft of Rules for expediting and improving the administration of Civil Justice, has also been taken to introduce certain Subsidiary Rules for regulating the costs of Suit and form of Appeal in certain cases, as well as, in connection with the main object of the Draft and of the Resolution now promulgated, for more efficiently securing the independence and respectability of the Ministerial Officers of the Native Judges' Establishments, by rendering the appointment and removal of those Officers subject to the confirmation of the European Judges.

The following Draft of a proposed Act was accordingly read in Council, on the 31st instant.

ACT No.—OF 1837.

I. It is hereby enacted, in modification of Sec. XVIII. Reg. V. 1831, of the Bengal Code, (that from the day of . . . , no Zillah or City Judge within the Territories subject to the Presidency of Fort William in Bengal, shall be precluded by reason of the amount or value of the property for the recovery of which a Suit is instituted, from referring that suit to any Principal Sudder Ameen,

II. And it is hereby enacted, that in all Suits which shall under the authority of this Act, be referred to a Principal Sudder Ameen, the Appeal from the decision of such Principal Sudder Ameen shall be direct to the

Court of Sudder Dewanny Adawlut, and shall be conducted in all respects according to the same Rules as if it were an Appeal from the decision of a Zillah Judge to the said Court of Sudder Dewanny Adawlut.

II. And it is hereby enacted, that so much of Clause Second, Sec. XXI. Reg. VII. 1822, and Sec. XIX Reg. VIII. 1831, of the Bengal Code, as declares that Suits of the description therein referred to, shall not be cognizable by, or referable to, any Sudder Ameen or Moonsiff, be repealed.

IV. And it is hereby enacted, that it shall be competent to a Zillah or City Judge to refer for trial and decision any Suit preferred under the Provisions of Clause First, Sec. XXX. Reg. II. 1819, of the Bengal Code, to any Principal Sudder Ameen, any thing in the existing Regulations to the contrary notwithstanding.

V. And it is hereby enacted, that whenever a Zillah or City Judge, in the exercise of the discretion vested in him by Sec. VII. Reg. V. 1831, of the Bengal Code, shall refer for trial to a Sudder Ameen or Principal Sudder Ameen, a Suit within the competency of a Moonsiff to decide, such Suit shall be subject to the same rules in regard to Stamp Duties, and to the same rules in regard to Appeal as the said Suit would have been subjected to had it been received and tried by the Moonsiff in the first instance.

VI. Provided, however, that when any such Suit shall have been decided by a Principal Sudder Ameen, the Appeal from such decision shall lie to the Zillah or City Judge, and shall be tried by him only, and that the decision of the Zillah or City Judge on such appeal, shall be final, any thing in the existing Regulations to the contrary notwithstanding.

VII. And it is hereby enacted, that whenever a Zillah or City Judge shall refer for trial to a Principal Sudder Ameen a Suit within the competency of a Sudder Ameen to decide, such Suit shall be subject to the same rules in regard to Stamp duties, and to the same rules in regard to Appeal, as the said Suit would have been subjected to, had it been referred to, and tried by, the Sudder Ameen in the first instance.

VIII. And it is hereby enacted, that Clause First, Sec. XXV. Reg. V. 1831, of the Bengal Code, be repealed.

IX. And it is hereby enacted, that the rule contained in the Second Clause of the aforesaid Section, be extended to the Ministerial Officers of the Moonsiffs' Courts.

X. And it is hereby enacted, that all Officers of the Courts of the Moonsiffs, Sudder Ameen, and Principal Sudder Ameen, whose salaries shall exceed 10 Rupees per mensem, shall be held to be Ministerial Officers, and that such Officers shall be nominated and appointed by those Courts respectively, subject to the approval and confirmation of the Zillah and City Judges within whose jurisdictions the said Courts may be situated, and that no Ministerial Officer of the said Courts shall be removed without the sanction of the said Zillah and City Judges.

Ordered, that the Draft now read, be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 12th day of September next.

FORT WILLIAM.

THE 31ST JULY, 1837.

The following Draft of a proposed Act, published for general information in the Official Gazette of the 17th of May last, was read and re-considered under this date:

Act. No. — of 1837.

I. It is hereby enacted, that from the day of in every case in which any person is now required by any Regulation of any Presidency, or by any Act of the Indian Government to make Oath to the truth of any Statement made to any Collector of Sea or Land Customs, or of Town Duties, a written declaration subscribed by that person to the same effect with the Oath which that person is now required to make, shall be received by such Collector of Customs instead of such Oath.

II. And it is hereby enacted, that whoever in any written declaration made and subscribed under the authority of this Act instead of an Oath, shall knowingly state an untruth, shall be punished on conviction before a Magistrate with imprisonment for a term not exceeding one year, or fine, or both.

RESOLUTION.

It appears to His Lordship in Council, that the principle on which the Draft now under re-consideration has been framed, may with advantage be carried much further.

2. The Draft under consideration provides only for cases in which the law now requires Oaths to be taken before a Collector of Customs or of Town Duties. These are, however, by no means the only cases in which useless Oaths are imposed; and it appears to be indisputable that an Oath which is useless must be worse than useless. The Regulations of all the Presidencies now enjoin the taking of Oaths on many occasions, which are not so important as to justify the employment of a sanction, the efficacy of which, as experience has amply proved, is likely to be in proportion to its rarity.

3. In cases therefore in which the existing Regulations require the taking of Oaths, His Lordship in Council is inclined, with one important reservation, to grant to the Governments of the three Presidencies and to the Lieutenant Governor of the N. W. Provinces, the power of dispensing with those Oaths, and of requiring in their stead written declarations.

4. This dispensing power will not extend to Oaths which the law now requires to be taken in any stage of any judicial proceeding.

5. His Lordship in Council is perfectly satisfied that the high functionaries to whom he proposes to confide the power of dispensing with Oaths, will exercise that power in conformity with the intentions of the Legislature. In every part of India the judicial administration, the fiscal administration and the Police are so intermingled with each other, that it is not always easy to distinguish between them. Many proceedings which in their essential character are judicial, are not judicial in form; and it is evident that the propriety of taking evidence on Oath must depend, not on the form, but on the essential character of the proceeding. His Lordship in Council has no doubt that the law which is now published will, if it shall be finally enacted, be executed in the same spirit in which it has been framed, and that the Governments of the three Presidencies and the Lieutenant Governor of the N. W. Provinces will be particu-

larly careful not to dispense with any Oath which the law now imposes in any stage of any proceeding which is in substance judicial.

G. In conformity with these views, the following Draft of an Act has been prepared, and is herewith published for general information :

ACT No. — of 1837.

I. It is hereby enacted, that from the day of it shall be lawful for the Governor in Council of any Presidency of which there is a Council, and for the Governor of any Presidency of which there is no Council, to dispense with any Oath which by any Regulation of that Presidency or by any Act of the Governor General of India in Council is now required to be taken, and that it shall be lawful for the Lieutenant Governor of the N. W. Provinces to dispense with any Oath which by any Regulation or any Act of the Governor General of India in Council now in force within those Provinces is now required to be taken.

II. Provided always, that the dispensing power given by this Act shall not extend to any Oath now required by Law to be taken in any stage of any judicial proceeding.

III. And it is hereby enacted, that whenever any Oath is dispensed with, under the authority given by this Act, the person who but for such dispensation would have been legally required to take such Oath shall, in the presence of the functionary by whom, but for such dispensation such Oath would have been administered, make and subscribe a declaration in writing to the same effect with such Oath.

IV. And it is hereby enacted, that whoever shall, in any declaration made and subscribed according to the provisions of this Act, knowingly state any untruth such that if that untruth had been stated on Oath, the person stating it would have been guilty of Perjury, shall be punished with imprisonment for a term not exceeding one year, or fine, or both.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India, after the 19th day of September next.
