GENERAL DEPARTMENT.

The Right Hon'ble the Governor in Council having sanctioned the publication of a weekly paper to be styled the "BOMBAY GOVERNMENT GAZETTE," notice is hereby given, that, after this day all advertisements and other public notices of the government, will be printed in the BOMBAY GOVERNMENT GAZETTE only; and all orders or other public notices, appearing in that paper, under the signature of the secretaries, or other public officers of the government, are hereby ordered and directed to be conformed to and obeyed accordingly. FORT WILLIAM,

THE 18TH MARCH, 1839.

The following Act is passed by the Honorable the President of the Council of India in Council, on the 18th March, 1839, with the assent of the Right Honorable the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

**ACT NO. IV. OF 1839.**

I. It is hereby enacted, that if any person shall, within the jurisdiction of the Court of Judicature of Prince of Wales' Island, Singapore and Malacca, steal the whole or any part of any growing tree, sapling or shrub, or any underwood, or the whole or any part of any pale, post or stile, or any growing cultivated plant, root, fruit, or vegetable production, or shall unlawfully and maliciously commit any damage, injury, or spoil to, or upon any real or personal property whatsoever of a private nature, every such offender, being convicted thereof before a Court of Quarter Session, shall for the first offence, forfeit and pay over and above the amount of the injury done, such sum of money, not exceeding two hundred Rupees, as to the Court of Quarter Session shall seem meet, and if any person so convicted shall afterwards be guilty of any of the said offences, and shall be convicted thereof in like manner, every such offender shall, for every such subsequent offence, be imprisoned with or without hard labor for such term not exceeding six calendar months, as the Court of Quarter Session shall think fit.

II. And it is hereby enacted, that every sum of money which shall be forfeited for the amount of any injury done (such amount in each case to be assessed by the Court of Quarter Session, but not to exceed two hundred Rupees,) shall be paid to the party aggrieved, if known, except when such party shall have been examined in proof of the offence. Provided always, that when several persons shall join in the commission of the same offence, and shall on conviction thereof, each be adjudged to forfeit a sum equivalent to the amount of the injury done, in every such case no further sum shall be paid to the party aggrieved, than that which shall be forfeited by one of such offenders only.

III. 1. Tenders for the conveyance of the Public Mails in wheeled conveyances between Panwell and Poona, (between the entrance of Panwell river and Poona, as soon as a road may be completed) to and from, will be received at this office till 12 o'clock on Wednesday the 1st of May next, when all tenders which may have been received, will be opened by the Post Master General. Parties interested are invited to attend, in person, or by Deputy, to witness the opening of the tenders; and the party whose tender may be accepted, must be prepared to commence operations on the 1st June following, when the present contract expires.

2. The average daily weight of the Mail, Outwards and Inwards, is 80 pounds, but the contractor must be prepared to carry five times that weight at least twice every Lunar month, or oftener, should the Post Master General have occasion to call for it, without receiving any Extra remuneration. Due notice will be given as to the particular periods when extra carriage is required.

The average daily weight of the public Bhangies, outwards and Inwards, is 40 pounds. It will be left optional with contractors to car-

ry them either in the same conveyance with the Letter Mails, or in a separate one. No part of the proceeds of Bhangies will be granted to contractors, nor will they be allowed to have any thing to do with them, further than their mere conveyance. They will be at liberty to carry passengers on their own account, and at their own rates of charge; and, as this is disconnected with the duties of the Post Office Department, the Post Master General cannot interfere in any disputes which may arise.

4. The Mails must be conveyed from Panwell to Poona, and vice versa, in 12 hours during the fair season; i. e. from the 1st of October till the 1st of June in each year, and in 13 hours during the remaining months. One hour more, respectively, will be allowed when the entrance of Panwell river becomes the extreme of the line.

5. No reward will be given for conveying the Mail in less time than is agreed on; and for any excess, contractors will subject themselves to penalties as follows, vizt.

1 hour .....	2 Rupees.
2 " .....	5 " "
3 " .....	10 " "
4 " .....	15 " "
5 " .....	25 " "

and if more, the contract will be liable to forfeiture, at the discretion of the Post Master General.

6. Contractors must be prepared to convey expresses, Outwards or Inwards, whenever called upon by the Post Master General, or the Post Master at Poona; and for every express so conveyed, provided it is done in the same time as is allowed for regular Mails, a sum of Rupees 25 will be granted, but it is expressly to be understood, that any excess of time will forfeit all claim to such sum.

7. The tenders received will be submitted for the final orders of Government, and will be liable to rejection without reasons being assigned.

8. Contractors will be required to deposit cash or Company's Paper to such amount as may be deemed requisite by the Post Master General, and a portion, or the whole of such deposit will be liable to forfeiture at the discretion of Government in case of non-fulfilment of contract.

9. Contractors wishing to resign their contract, must give 3 months previous notice to the Post Master General. In like manner Government shall have the power of dissolving the contract by giving the contractor 3 months previous notice. The period of contract is to extend for 3 years.

10. Contractors must further take into account the following points, and be prepared to conform to circumstances should any alteration be made in the line of road.

1st. The possibility of a road being opened from Dongery Bunder or Caranjah to near Chowke.

2nd. The same contingency with regard to Trombay.

11. Any further information on the subject may be obtained on application to the Post Master General.

Tenders for the same period for the conveyance of the Public Mails and Bhangies

between the General Post Office in the Fort, and Panwell (entrance of Panwell river so soon as a road is completed) to and from, are also invited. They must specify the time in the fair and monsoon seasons, and be subject to all the conditions of the above advertisement. Separate offers will be received, or for both water and land conveyance conjointly.
