1. Tenders for the conveyance of the Public Mails in wheeled conveyances between Panwell and Poona, (between the entrance of Panwell river and Poona, as soon as a road may be completed) to and from, will be received at this office till 12 o'clock on Wednesday the 1st of May next; when all tenders which may have been received, will be opened by the Post Master General. Parties interested are invited to attend in person, or by Deputy, to witness the opening of the tenders; and the party whose tender may be accepted, must be prepared to commence operations on the 1st June following, when the present contract expires.

2. The average daily weight of the Mail, Outwards and Inwards, is 80 pounds, but the contractor must be prepared to carry five

times that weight at least twice every Lunar month, or oftener, should the Post Master General have occasion to call for it, without receiving any Extra remuneration. Due notice will be given as to the particular periods when extra carriage is required.

The average daily weight of the public Bhangies, outwards and Inwards, is 40 pounds. It will be left optional with contractors to carry them either in the same conveyance with the Letter Mails, or in a separate one. No part of the proceeds of Bhangies will be granted to contractors, nor will they be allowed to have any thing to do with them, further than their mere conveyance. They will be at liberty to carry passengers on their own account, and at their own rates of charge; and, as this is disconnected with the duties of the Post Office Department, the Post Master General cannot interfere in any disputes which may arise.

4. The Mails must be conveyed from Panwell to Poona, and vice versa, in 12 hours during the fair season, i. e. from the 1st of October till the 1st of June in each year, and in 13 hours during the remaining months. One hour more, respectively, will be allowed when the entrance of Panwell river becomes the extreme of the line.

5. No reward will be given for conveying the Mail in less time than is agreed on; and for any excess, contractors will subject themselves to penalties as follows, vizt.

| | |
|--------------|-----------|
| 1 hour | 2 Rupees. |
| 2 " | 5 " " |
| 3 " | 10 " " |
| 4 " | 15 " " |
| 5 " | 25 " " |

and if more, the contract will be liable to forfeiture, at the discretion of the Post Master General.

6. Contractors must be prepared to convey expresses, Outwards or Inwards, whenever called upon by the Post Master General, or the Post Master at Poona; and for every express so conveyed, provided it is done in the same time as is allowed for regular Mails, a sum of Rupees 25 will be granted, but it is expressly to be understood, that any excess of time will forfeit all claim to such sum.

7. The tenders received will be submitted for the final orders of Government, and will be liable to rejection without reasons being assigned.

8. Contractors will be required to deposit cash or Company's Paper to such amount as may be deemed requisite by the Post Master General, and a portion, or the whole of such deposit will be liable to forfeiture at the discretion of Government in case of non-fulfilment of contract.

9. Contractors wishing to resign their contract, must give 3 months previous notice to the Post Master General. In like manner Government shall have the power of dissolving the contract by giving the contractor 3 months previous notice. The period of contract is to extend for 3 years.

10. Contractors must further take into account the following points, and be prepared to conform to circumstances should any alteration be made in the line of road.

1st. The possibility of a road being opened from Dongery Bunder or Caranjah to near Chowke.

2nd. The same contingency with regard to Trombay.

11. Any further information on the subject may be obtained on application to the Post Master General.

Tenders for the same period for the conveyance of the Public Mails and Bhangies between the General Post Office in the Fort, and Panwell (entrance of Panwell river so soon as a road is completed) to and from, are also invited. They must specify the time in the fair and monsoon seasons, and be subject to all the conditions of the above advertisement. Separate offers will be received, or for both water and land conveyance conjointly.

Bombay, 24th April 1839.

Notification.

The Governor in Council is under the necessity of announcing, that there appears scarcely a possibility of being able to despatch a Steamer from Bombay to the Red Sea in the month of June, but a packet by a Steamer, via the Persian Gulf, Bussora, and Beyroot, will be dispatched on the 3rd June.

Arrangements have been ordered to be made, to secure, as far as practicable, the safe and speedy passage of the Mails from Bussora to Beyroot, but it is essential that letters, both private and public, be made of small dimensions, that the Mail bags may be light.

A sailing vessel will be dispatched on the 20th June from Bombay to Aden, which Port, it is expected, may be reached about the 15th of August where a Steamer will be in readiness to carry on a packet to Suez.

the Governor in Council.
