GENERAL DEPARTMENT.**Notification.**

The Hon'ble the Governor in Council has received with much concern a representation from the Post Master General, reporting that the practice of forwarding letters of an entirely private nature under cover of Official Franks, prevails to a considerable extent.

His Honor in Council considers it unnecessary to make any remarks upon the character of a practice so totally opposed to propriety, and to the repeated orders issued upon the subject.

The Governor in Council has issued the most peremptory injunctions to the Post Master General, instructing him to report the names of all parties hereafter offending, who will be visited with the most serious displeasure of Government.
