Lists of which may be seen and every information obtained by application at the office of the Agent at Colaba.

Tenderers are apprized, that the lists above alluded to exhibit the present bazar rates, and that they are required to bid below or above those rates. To enable merchants to come forward on the most favorable terms, it is to be understood, that contracts for Plank and Timber will be concluded distinct from those for the supply of Miscellaneous articles, and tenderers are at liberty to submit separate offers for such particular stores as they may be severally in the habit of supplying, without embracing the whole of the articles enumerated in the Agent's list.

Every person engaging to make supplies to the department, will be required to lodge rupees 500 if the engagement be for the supply of Plank and Timber, and rupees 300 if for the whole of the Miscellaneous articles or in that proportion for a part of them, to be forfeited in the event of delay, evasion or refusal in executing the deed of contract, and on the deed being executed he must deposit a further sum of rupees 1500, making a total of rupees 2000 for the Plank and Timber, and rupees 1200 making a total of rupees 1500 for the whole of the Miscellaneous articles, or in that proportion for a part of them, as security for the due performance of his agreement.

No reason will be assigned for the rejection of any offer, nor will any be accepted that may not be accompanied by the required security of rupees 500 and 300 respectively.
