FORT WILLIAM,
THE 15TH JUNE 1840.

The following Draft of a proposed Act was read in Council for the first time on the 15th June 1840.

ACT No. — OF 1840.

For the better management of Boats and Catamarans in the Madras Roads, and for the amendment of certain Harbour Regulations.

I. Whereas it is expedient to make Regulations for Boats and Catamarans in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment;

It is hereby enacted, that from and after the 1st day of January next, no person either as Owner or Servant shall use or employ, or be employed in any Boat or Catamaran to carry Passengers, Goods, or Letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless he has received a Licence, and the Boat or Catamaran which he shall so use has been registered, as hereinafter mentioned, and in case any person who has not received such Licence shall employ or be employed in a Boat or Catamaran for the purposes aforesaid, or such Boat or Catamaran shall not have been so registered, such person shall be liable to a fine not exceeding the sum of Rupees 50 on conviction before a Justice of the Peace, as that Justice shall direct, and the Boat or Catamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is sea-worthy, and of a proper quality for the purposes aforesaid, it shall be lawful, and the said Master Attendant is hereby required, upon the application of the owner

of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, as particularly as may be, to grant to such Owner a Licence so to use the same in which Licence (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such Licence shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, all of which particulars shall be entered in a book of Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his Licence before the said Master Attendant, and also deliver to him a written paper signed by such Owner, specifying his name, occupation and place of residence as particularly as may be, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be made by him of such Boat or Catamaran, and a new Licence of the registry of such Boat or Catamaran shall be granted by the said Master Attendant, and whenever the said Owner or Owners, or any of the persons employed to navigate any such Boat or Catamaran shall change their place of abode, notice of such change of abode shall be delivered to the said Master Attendant by the said Owner, in order that such new place of abode may be entered in the Registry and Licence. In wilful neglect or default of which notice of change of Ownership or of the persons employed to row or navigate any such Boat, or of his or their change of residence for the space of six days after any such change of residence, the Owner shall forfeit a sum not exceeding 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and for every such new Registration to be made by the said Master Attendant as aforesaid he shall be entitled to charge by way of Fee the sum of one Rupee, and for every new Licence thereof the sum of one Rupee.

III. And it is hereby enacted, that in order to enable the said Master Attendant to grant a correct Licence of the Registry of every such Boat previous to the registry of any Boat requiring such Licence, the said Master Attendant or his Deputy shall in the presence of the Owner of every such Boat or any other person duly appointed by such Owner, cause each such Boat to be surveyed and measured, and in case the same shall not in the judgment of the said Master Attendant or his Deputy be of the proper dimensions and capacity and sea-worthy, and of the proper quality for the purposes aforesaid, no Registry shall be made nor Licence be granted, until every such defect in the admeasurement, sea-worthiness and quality of the said Boat shall have been rectified by the Owner thereof, and for every such survey and admeasurement a Fee of three Rupees shall be paid by the Owner of any such Boat to the said Master Attendant.

VI. And it is hereby enacted, that the said Owner or Owners of every such Boat shall forthwith paint in black English figures, not less than six inches in length upon a white ground, such white ground having a margin of at least three inches beyond the outermost part of the figures,

V. And for the better prevention of fraud or omission in the painting, the figures hereinbefore provided to be painted on all Boats, as well as for the better distinguishing and identifying such Boats and Catamarans as have been registered and licenced, it is hereby enacted, that so often as any Registry is made, the said Master Attendant shall cause the number in the same to be cut or branded in the most common native characters, in some part or parts of every such Boat and Catamaran, and if the Owner or Owners of any such Boat shall neglect or refuse to keep painted, cut, or branded any figure hereinbefore required to be painted, cut or branded, on any such Boat or Catamaran, in a fair and legible condition, or if he shall paint, cut, or brand the same in a different manner or on a different part of such Boat than is hereinbefore provided, or shall wilfully erase, obliterate, or in any way hide or conceal the same, or if the Owner of any such Boat or Catamaran shall knowingly permit any such act to be done, he shall forfeit a sum not exceeding 100 Rupees on conviction before a Justice of the Peace as that Justice shall direct, and if any person not being such Owner shall be guilty of, or shall assist in any such incorrect painting, cutting, branding, erasure or concealment, he shall forfeit one moiety of the penalty in this article imposed.

VI. And it is hereby enacted, that every Boat of the description and dimensions now in use, that is to say, not more than thirty-three feet in length, nine feet in breadth, and four feet four inches in depth, nor less than thirty feet in length, six feet in breadth, and three feet six inches in depth, which shall be so licenced and registered as aforesaid, shall be manned with not less than two Steersmen, eight Rowers, and one Baler, and shall, if required, be obliged to carry at one time any number of Passengers not exceeding fifteen, or any quantities of Goods not exceeding the quantity mentioned in the Schedule hereunder written; and in case Boats of different construction and dimensions shall be licenced and registered, they shall be manned in such manner and shall be obliged to carry such Passengers or such a quantity of Goods as the Master Attendant shall direct, and shall express in the Licence under the penalty of fifty Rupees.

VII. And it is hereby enacted, that no Boat or Catamaran shall leave the shore before Gun Fire in the Morning, nor after 5 o'clock in the Afternoon, nor shall remain alongside any Ship or Vessel after 6 o'clock in the Afternoon without leave from the Master Attendant or his Deputy, who shall be at liberty to prevent any Boat or Catamaran from putting off to or from the shore when in his judgment the doing so would be attended with danger, on which occasions the Master Attendant shall hoist at the mast-head of his Flag-staff the following flags, viz.

by him for that purpose, and in case any person offend against this Clause, he shall be liable, on conviction before a Justice of the Peace to forfeit and pay a sum not greater than Rupees 30.

VIII. And it is hereby enacted, that on the 15th day of _____ in every year, the Owners of Boats and Catamarans which shall have been so licenced and registered as aforesaid, shall expose them and their Crews on the Beach, for the inspection of the Marine Board, and the Master Attendant shall once in every month or oftener, and as often as he may think necessary, require the Owner of the said Boats and Catamarans, or any one or more of them to expose them and their Crews on the Beach, for his inspection; and in case any Owner shall neglect or refuse so to expose a Boat or Catamaran belonging to him, and in case, on any Boat or Catamaran being so exposed, the Master Attendant shall deem it unseaworthy, or that its Crew is in an inefficient state, he shall suspend the Licence granted in respect thereof until the said Boat or Catamaran shall have been repaired and the Crew rendered efficient to the satisfaction of the Master Attendant—and it is hereby declared, that in case the Owner of any such Boat or Catamaran shall refuse or neglect to make such necessary repairs to the same and to render efficient the Crew thereof, within one month after such inspection, the Licence shall be altogether withdrawn from such Boat.

IX. And it is hereby enacted, that Grain shall be landed within the space between the north angle of the Custom House and Clive's Battery, and all other Goods, excepting Timber, shall be landed within the space between the north angle of the Custom House and the south angle of Bentinck's Buildings, and that Timber may be landed anywhere if the permission of the Collector of Sea Customs be first obtained, and if such permission shall not have been obtained; it shall be landed within the space between the north angle of the Custom House and Clive's Battery, and in case any person shall land or be engaged in attempting to land any Goods otherwise than as before directed, every such person shall be liable to pay, on conviction before a Justice of the Peace, a sum not greater than Rupees 100, as that Justice of the Peace shall determine.

X. And it is hereby enacted, that all Vessels, other than those commonly known as Native Vessels or Donies, shall anchor in the South Roads, the north angle of the Fort being one point and the Master Attendant's Flag-staff the other, and all Vessels commonly known as Native Vessels or Donies shall anchor in the North Roads, the north angle of the Custom House being the Southern and the Village of Raya-pooram the northern point, and the Owner of any Boat or Catamaran holding (except at the request of the Master Attendant) communication with a Vessel which shall be anchored otherwise than as aforesaid, shall on conviction thereof before a Justice of the Peace be liable to pay a sum not greater than Rupees Ten, as such Justice of the Peace shall direct.

XI. And it is hereby enacted, that the Master Attendant shall cause to be kept at his Office a Register of every Anchor reported to him to have been lost, and the bearings of the Anchor, and if recovered, the date of such recovery.

XII. And it is hereby enacted, that Commanders of Vessels shall be at liberty, if they think fit, to raise their own Anchors, but if the same shall be recovered by persons not being the Owners thereof, they shall immediately make a report of such recovery to the Master Attendant whereupon the Anchor shall be exposed to public view as the Master Attendant shall direct, and if claimed by the Owner with-

XIII. And it is hereby enacted, that persons recovering property other than Anchors, not being the Owners thereof, shall be entitled to a Salvage of 25 per Cent. of the value of the property recovered, and in case the Owner thereof shall not be found or known at the time of recovery, or being found shall refuse to pay such Salvage, the persons recovering the property shall immediately make a report thereof to the Master Attendant, and deposit the property recovered at his Office, who shall within 90 days afterwards, unless the property is in the meanwhile claimed by the Owner and 25 per Cent. of its value paid to the recoverer, cause the same to be sold and pay 25 per Cent. of the proceeds to the recoverer and carry the residue to the public account.

And it is hereby enacted, that it shall be lawful for the Master Attendant or his Deputy, or such person or persons as he or they shall by Warrant under their hands duly authorized for that purpose, from time to time to go on board any Boat or Catamaran, and to search all parts of such Boat or Catamaran, for prohibited or uncustomed or smuggled Goods, and also to examine into all Packages, Boxes, or Baggage of whatever description, within or upon such Boat or Catamaran or landed therefrom, provided such Master Attendant or his Deputy, or other person to be appointed as aforesaid shall have good reason to suppose that any such Package, Box or Baggage contains any smuggled or prohibited Goods, and they shall likewise have power and authority to search any person or persons on board any such Boat or Catamaran, or who may have landed therefrom, provided such Master Attendant or his Deputy, or other person appointed as aforesaid, shall have good reason to suppose that such person or persons hath or have any uncustomed, smuggled or prohibited Goods, secreted about his or her person, and the said Master Attendant or his Deputy, or such person to be appointed as aforesaid, shall also have full power and authority to seize and detain all such prohibited or smuggled Goods; so secreted or on board, and all other Articles of Merchandize forfeited by virtue of any Act or Regulation for Sea Customs, or by virtue of any other Act or Regulation of Government, in order to the prosecution and condemnation of the same, as by Law provided; and it is hereby further enacted, that such Master Attendant, or his Deputy, or other person appointed aforesaid, shall give instant information to the Collector of Customs, of any persons landing from any Boat or Catamaran whom they shall have reason to suspect of being concerned in any breach of the Custom Regulations.
