THE 15TH JUNE 1840.

The following Draft of a proposed Act was read in Council for the first time on the 15th June 1840.

ACT No. — OF 1840.

For the better management of Boats and Catamarans in the Madras Roads, and for the amendment of certain Harbour Regulations.

I. Whereas it is expedient to make Regulations for Boats and Catamarans in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment;

It is hereby enacted, that from and after the 1st day of January next, no person either as Owner or Servant shall use or employ, or be employed in any Boat or Catamaran to carry Passengers, Goods, or Letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless he has received a Licence, and the Boat or Catamaran which he shall so use has been registered, as hereinafter mentioned, and in case any person who has not received such Licence shall employ or be employed in a Boat or Catamaran for the purposes aforesaid, or such Boat or Catamaran shall not have been so registered, such person shall be liable to a fine not exceeding the sum of Rupees 50 on conviction before a Justice of the Peace, as that Justice shall direct, and the Boat or Catamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is sea-worthy, and of a proper quality for the purposes aforesaid, it shall be lawful, and the said Master Attendant is hereby required, upon the application of the Owner

of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, as particularly as may be, to grant to such Owner a Licence so to use the same in which Licence (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such Licence shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, all of which particulars shall be entered in a book of Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his Licence before the said Master Attendant, and also deliver to him a written paper signed by such Owner, specifying his name, occupation and place of residence as particularly as may be, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be made by him of such Boat or Catamaran, and a new Licence of the registry of such Boat or Catamaran shall be granted by the said Master Attendant, and whenever the said Owner or Owners, or any of the persons employed to navigate any such Boat or Catamaran shall change their place of abode, notice of such change of abode shall be delivered to the said Master Attendant by the said Owner, in order that such new place of abode may be entered in the Registry and Licence. In wilful neglect or default of which notice of change of Ownership or of the persons employed to row or navigate any such Boat, or of his or their change of residence for the space of six days after any such change of residence, the Owner shall forfeit a sum not exceeding 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and for every such new Registration to be made by the said Master Attendant as aforesaid he shall be entitled to charge by way of Fee the sum of one Rupee, and for every new Licence thereof the sum of one Rupee.

VI. And it is hereby enacted, that the said Owner or Owners of every such Boat shall forthwith paint in black English figures, not less than six inches in length upon a white ground, such white ground having a margin of at least three inches beyond the outermost part of the figures,
