# GENERAL ORDERS.

## MILITARY DEPARTMENT.

BY THE HON'BLE THE GOVERNOR IN COUNCIL.

BOMBAY CASTLE, 20th AUGUST 1840.

No. 520 of 1840.—The Hon'ble the Governor in Council is pleased to publish to the Army, the following General Order by the Government of India.

No. 146 of 1840.

GENERAL ORDERS BY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

FORT WILLIAM, 8th JULY 1840.

1. It having been deemed an object of great importance to equalize the Pay and Allowances of the whole of the European Troops at the several Presidencies, on the same principle as that which guided the recent equalization of the Allowances of the Native Soldiery; vizt. by taking the allowances fixed for the Bengal Army as the standard for the whole of India, the Right Hon'ble the Governor General of India in Council, in obedience to the instructions of the Hon'ble the Court of Directors, issued with the sanction of Her Majesty's Secretary at War, is pleased to promulgate the following Orders:

2. From and after the 1st of November next, the European Troops at Madras and Bombay will be victualled by the public, and will receive the same rates of Pay and Compensation for Spirits as are issued to the corresponding classes in the Bengal Army.

3. The rates of Pay fixed for Soldiers of Her Majesty's Army by the Royal Warrant dated the 20th March 1837, if converted into Company's Rupees at the intrinsic par value of the two Coins, vizt, 2s. 0½d. for the Rupee, are less than the rates established for the payment of the same ranks in Her Majesty's Regiments and in the East India Company's European Artillery and Infantry serving in the Bengal Presidency; but as the Bengal Scale has been enjoyed during a long course of years, it is not deemed necessary or desirable to make any reduction or alteration in it. The Bengal Standard, therefore, has been followed in the annexed general Table, wherein a distinctive issue of Compensation for Spirits is omitted, and a consolidated amount declared, the whole of which is to be drawn in abstract from the Pay Department; and except in some few instances where the Pay is slightly increased in order to preserve the relative proportions between the different ranks, as established by the Royal Warrant, the rates here laid down are precisely the same as now drawn by the Bengal Troops, and are declared to be henceforth applicable to the whole of India.

4. In the introduction of the new Pay Tables at the Presidencies of Madras and Bombay, it is directed that, in all cases when the Pay and Allowances of the other Presidencies have exceeded those of Bengal, the reductions are to be prospective, and applicable only to Non-Commissioned Officers promoted, or to Men enlisted after the promulgation of this Order.

5. An uniform Table of daily rations for the three Presidencies, at all Stations and Seasons, is established as follows; to take effect from the 1st of November, being the same scale as ordered for Her Majesty's Soldier at Jamaica, with the addition herein granted of Firewood and Salt.

- 1 lb. of Bread.
- 1 lb. of Meat.
- 4 oz. of Rice.
- 1½ oz. of Sugar.
- ½ oz. of Tea or Coffee.
- 3 lbs. of Firewood.
- 1 chittack of Salt.

6. Hospital Stoppages at one established rate, that of Bengal, to be introduced throughout India from the 1st of November: viz. Non-Commissioned Officers, including Sergeants, Corporals, Bombardiers, Horse and Foot Artillery, Trumpeters, Drummers and Rifers, each, Company's Annas (3) three, per diem; Privates and Farriers, Company's Annas (2) two, per diem; European and East Indian Women, Company's Anna (1) one, per diem.

7. In the realization of Hospital Stoppages, Chap. 2d, Section 12, Pages 167 to 172 of the Bengal Medical Regulations to be strictly attended to in all practical particulars at the other Presidencies.

8. In farther obedience to the Orders of the Hon'ble Court, the following Scale of Allowances, which are to be deemed prospective only, and are not to affect those who now are, or who previously to the 1st of January 1841, may be drawing a higher rate of subsistence, is hereby established for all families of European Soldiers in future serving at the three Presidencies, the allowance for Children being strictly confined to legitimate Children:

	Rupees,
European Women, .....	5 per Month.
East Indian ,, ..	3½ ditto.
Children, .....	2½ ditto.

*Bombay Castle, 26th August 1840.*

No. 85 of 1840.—The Hon'ble the Governor in Council is pleased to establish the following Rules in regard to the passage of Public Functionaries on board of the Hon'ble Company's Vessels of War, in supercession of the Rules laid down in G. G. O. 18th December 1834.

1. Every Captain or Officer Commanding one of the Hon'ble Company's Ships or Vessels, is expressly forbidden to receive on board any Passengers whatever without the direct permission of the Superintendent when at the Presidency, or on other Stations from his Senior Officer, or if no Senior Officer be present, from the principal Civil or Military Authority, but should there be no such Authority, at the Port where he is, he may grant a passage, if he feels certain by an inspection of Papers &c. that it is proper to do so.

2. He shall keep and transmit at the end of every voyage, to the Superintendent of the Indian Navy, a list of all Passengers whatsoever, who may have been received on board, stating the places and dates at which the Passengers embarked or disembarked, whether received by order or not, who they are, whether borne for victuals or not.

3. No Passage at the public expence is to be given without a special order from Government or the Superintendent of the Indian Navy, confirmed by the Hon'ble the Governor in Council, or if any Commodore or Senior Officer shall give or order any passage without any such authority, he will himself be liable for all the expenses incurred, unless the peculiar and unforeseen exigency of the case should be such as in the opinion of the Superintendent, to warrant his having taken on himself to deviate from the Regulations.

4. The usual proportion of Provisions shall be allowed for every Passenger received by order, besides which to cover the additional expenses on such occasions, the Officer at whose table the Passenger shall be entertained, will be further allowed a sum according to the rank of the passengers and the length of their stay, as specified in the succeeding articles, except in cases of the Governor General or Native Princes, which will be considered on the circumstances of the individual cases.

5. For the Governors of the several Presidencies, Members of the Council of India and their suites (not exceeding in the whole five persons) and for any passage not exceeding three days, the sum of Rupees (400) four hundred; for any passage not exceeding seven days, Rupees (800) eight hundred.

6. For Her Majesty's Judges, Lord Bishop of Calcutta, Members of Council of Subordinate Presidencies, and General Officers above the rank of Major General and their suites respectively (not exceeding in the whole four persons) for a passage not exceeding three days, Rupees (300) three hundred; for a passage not exceeding seven days, Rupees (600) six hundred.

7. For Bishops of the several Presidencies, the Recorder of Prince of Wales's Island, Majors and Brigadier Generals, Superintendent of the Indian Navy, Colonels, Political Residents, Commissioners and their suites (not exceeding in the whole three persons) for a passage not exceeding three days, Rupees (250) two hundred and fifty; for a passage not exceeding seven days, Rupees (500) five hundred.

8. Passages exceeding seven days are to be paid for at the above rates for the first week, and afterwards at the rate of Rupees (15) fifteen per diem for each person entertained at the Commanding Officer's Table.

9. If a greater suite shall be entertained than the supposed numbers, for a passage not exceeding seven days, an additional allowance is to be made of Rupees (15) fifteen per diem for each person so exceeding.

10. When the Recorder of Prince of Wales's Island, Commissioners of Circuit, or other public functionaries of similar rank shall embark alone, the sum of Rupees (25) twenty five per diem shall be allowed for the first seven days, and Rupees (16) sixteen for every day afterwards.

11. When individuals shall be ordered to be entertained at the table of a Captain or Commander, Rupees (15) fifteen shall be allowed for every day not exceeding fourteen, and Rupees (10) ten for every day afterwards.

12. When individuals shall be ordered to be entertained at the Gun Room Mess in any of the Hon'ble Company's Vessels, Rupees (7½) Seven and a half per day will be allowed for the first fourteen days, and afterwards Rupees (5) five per diem.

13. When individuals shall be ordered to be entertained at the Midshipmen's or Warrant Officer's Mess, Rupees (2) two per day will be allowed.

14. Children under 15 years of age are to be paid for at half rates.

15. If any person ordered to be entertained at one table, should by personal invitation or favor be received at another table, no allowance will be granted for his charge to a superior table, and if he change to an inferior one, such allowance will only be made for his entertainment there as would have been given for a person of the proper rank for entertainment at such inferior table.

16. The charge for any of the public functionaries provided for in paras. 5 at 10 both inclusive, is however only to be drawn when Officers of the Indian Navy are *specialty directed to find a table for them*. When an Officer is so directed to make preparations for any passengers, half the estimated amount of the whole expense may be immediately drawn by the Officer entitled to the same, and when the Officer shall report the completion of the service, he will be permitted to draw the remainder.

17. If it shall happen that a passenger does not embark after the order of receiving him has been given and provision thereupon made for his reception or having embarked, should be relanded or transferred to another Ship, the Officer will nevertheless be entitled to retain the half allowance to cover the expense he may have been at, in making the necessary preparations.

18. The sums specified in all the above cases, do not include provision for Servants, but all extra expenses of every kind, except such sitting as the Dock Yard may be ordered to furnish, and no further allowance will on any account whatever be granted. Servants are to be borne on a supernumerary list, for victuals only.

19. The above Rules are not applicable to Officers accommodated as passengers on board Steam Packets or any of the Hon'ble Company's Vessels, when employed as Troop Ships or Transports. In all such cases the rates published in G. G. O. 27th August 1839, are applicable.

20. The cases of Military Commissioned Officers under the rank of Colonel, proceeding to, or returning from any of the Ports in the Persian Gulf, Red Sea and Scinde, in any of the Hon'ble Company's Vessels of War, either on duty or from sickness, are also to be guided by the G. G. O. published 27th August 1839, which order is also applicable to the cases of Officers of the Indian Navy, accommodated on board of these Vessels.

The above Rules are to have effect from the 1st proximo.

By order of the Hon'ble the Governor in Council,  
E. M. WOOD, Lieut. Col. Secy. to Govt.
