GENERAL DEPARTMENT.

The Right Hon'ble the Governor in Council having sanctioned the publication of a weekly paper to be styled the "BOMBAY GOVERNMENT GAZETTE," notice is hereby given, that after this day all advertisements and other public papers of the government, will be printed in the BOMBAY GOVERNMENT GAZETTE only; and all orders or other public notices, appearing in that paper, under the signature of the secretaries, or other public officers of the government, are hereby ordered and directed to be conformed to and obeyed accordingly. Proclamation.TERRITORIAL DEPARTMENT,
REVENUE, OPIUM.

1st. Notice is hereby given, that Passes for
the free transit of Malwa Opium to Bombay,

for importation by Sea, will be granted on ap-
plication to the Opium Agent at Bombay, or to
the Resident and Opium Agent in Malwa, on
payment of Bombay Rupees one hundred and
twenty five (125) per Chest of 140 lbs. weight.

2nd. For the convenience of importers
Passes will be granted for Maunds, instead of
Chests, should it be desired, but in no case will
a Pass be given for less than 30 Maunds, or
ten Chests.

3rd. Passes obtained at Bombay will not be
given open to the persons taking them out, but
enclosed in a sealed letter of advice to the
Opium Agent in Malwa, who will countersign
each Pass before the Opium is despatched:
persons taking out Passes for Malwa Opium,
that may have left that Province, will be requir-
ed to satisfy the local authorities in whose dis-
trict the Drug may first arrive, that it is the
actual produce of Malwa, and in the event of
its proving otherwise, the same will be confisca-
ted, and the Pass money forfeited.

4th. No Duties will be exacted on account
of the Hon'ble Company's Government, on
Opium protected by Passes; it will however
be liable, should occasion require, to examina-
tion at the different Nakas and Chowkees,
when in transitu, and also on its arrival at
Bombay, with the view of ascertaining that the
quantity corresponds with that specified in the
Pass: but there will be no detention or obstruc-
tion by the Officers of Government beyond
what may be necessary for the diligent preven-
tion of any Opium being conveyed into the Ter-
ritories subordinate to this Presidency.

5th. The owners of the Opium will have to
make their own arrangements for its transport.
The dispatches will be accompanied by one or
more Chuprasees or Peons, as the Resident
and the Opium Agent in Malwa shall consid-
er advisable, but the providing of Escorts for
the protection of the Drug will rest with the
owners, and Government will not be answer-
able for any casualties that may befall the same.

6th. It is left to the option of persons tak-
ing out Passes, to pay at the rate of Bombay
Rupees seventeen (17) per Chest, in commu-
tation of all Customs and Duties that may be
due to the Native States thro' whose territories
the Opium is conveyed, or to pay those Duties
themselves. Opium for which this commuta-
tion money may have been paid, shall be al-
lowed to pass equally free from Customs and
Duties, whether examined at, and despatched
from, Indore, or Rutlam, or other Marts in
Malwa.

7th. Persons residing at Ahmedabad, Ba-
roda, Surat, or other places, desirous of ex-
porting Malwa Opium, under a Pass, will be fur-
nished with the same on application to the Bri-
tish authorities resident at such places.

8th. The Hon'ble the Governor in Council
guarantees that the price to be paid for the
Passes, and in commutation of the Duties to
Native States, shall continue as now fixed, to
the 1st of October 1841; but the guarantee
here given will not debar the Government from
continuing to grant Passes after the expiration
of this period, should it think fit to do so, with-
out a further Proclamation.

9th. For the convenience of individuals, deposits of Company's Paper will be received on account of sums payable for the Passes and Duties specified in articles 1st and 6th, interest being payable to Government on the same, until redeemed, at the rate of 5 per-cent per annum; and the deposit should be redeemed on or before the arrival of the Drug at Bombay, from which period the charge on account of interest will be doubled.

10th. Hoondies may be received by the Opium Agent in Malwa, for Passes taken out there payable to the Opium Agent in Bombay within six days after sight: if not redeemed within that period, a deposit of Company's Paper, or substantial Security must be given by the parties concerned, interest being charged at the rate of 5 per-cent until the arrival of the Opium which will be detained until payment be made. If security be not forthwith produced, the Hoondies will be returned as dishonored, and the Opium seized on its arrival.

11th. The holders of Passes are to take the Opium to Indore, Rutlam, or any other place in Malwa, that may suit the wishes and convenience of both parties, to be weighed by persons who will be appointed by the Opium Agent in Malwa to perform that duty.

12th. Fifteen days notice must be given to the Opium Agent in Malwa, or his Assistant by all persons about to make exportations under Licenses previously to the production of the Opium at the place of weighing, in order that he may be better prepared to receive, weigh, and despatch it.

13th. Only one dispatch will be allowed under a Pass or License, which dispatch may, or may not, at the option of the holder of the Pass, be to the full quantity mentioned in it, but if a smaller quantity be exported, no drawback, or refund, from the sum paid for the Pass, will be allowed on account of such deficiency, excepting in the case of parties taking out Passes at Bombay, who will be allowed a refund on account of such deficiency, on a report thereof being made to this Government by the Opium Agent in Malwa; but in the event of the actual dispatch containing a greater quantity of Opium than that for which the Pass was taken out, such excess shall be paid for at the rate specified in the 1st article of this Proclamation, and shall, by way of security for payment, be liable to detention by the Collector of Customs at Bombay until paid for.

14th. In weighing the Opium, an allowance of three lbs will be allowed for each chest of 140 lbs, on account of leakage and dusage.

15th. With the exception contained in article 8th, the Honorable the Governor in Council reserves to himself the right to adopt, from time to time, such measures as he may conceive to be necessary, to prevent the illicit trade in Opium, and to secure the object of Government in sanctioning the present arrangement.

MARINE DEPARTMENT.

Bombay Castle, 25th September 1840.

No. 103 of 1840.—Assistant Surgeon Woosnam, is placed at the disposal of the Superintendent of the Indian Navy, for duty in that branch of the Service.

No. 104 of 1840.—Major E. M. Willoughby this day assumed charge of the Office of Secretary to Government in the Military and Marine Departments.

Bombay Castle, 26th September 1840.

No. 105 of 1840.—The Honorable the Governor in Council is pleased to publish the following Extract paras. 1 at 6 of the Hon'ble Court's letter No. 54 dated 15th July last.

Sec from No. 61 dated 12th Sept. 1839. Allowances drawn by Captains and Commanders of the Indian Navy while on shore on medical certificate brought to Court's notice. Government propose a different arrangement with a view of enabling Officers of that rank when in bad health to obtain the comforts their standing in the service require. In absence on shore sick, than he would be entitled to, were he actually employed doing duty on shore.

Para. 1. We have attentively considered the Papers transmitted with the Letter under reply as well as the Auditor General's report which accompanied your despatch No. 32 of the 21st June 1839, upon this subject.

2. It appears to have been the practice, since 1830, to allow Captains and Commanders of the Indian Navy, while sick on shore, for the first three months the full command allowance attached to the Vessel of which they were in Command according to her rating, this varies between 500 Rupees and 900 Rupees per month; and after the expiration of that period they receive only the unemployed (or shore) pay of their rank, vizt. Rupees 400 per month to Captains, and Rupees 300 per month to Commanders whereas if employed on duty on shore the allowance to a Captain would be Rupees 602 per month, and to a Commander Rupees 422 per month, thus an Officer receives a higher rate of Pay for a certain period of his absence on shore sick, than he would be entitled to, were he actually employed doing duty on shore.

3. We deem it desirable that this anomaly in the existing Regulations should be removed, and have therefore resolved that in lieu of the allowances, now drawn by them while on sick leave, the Captains and Commanders of the India Navy, shall be permitted to draw during three months of their absence from their respective Ships upon medical certificate, an allowance equivalent to what they would receive if employed on duty, on shore, and after that period the following monthly Pay, vizt.

A Captain Rupees 500 per month.
A Commander Rs- 350 per month.

4. The Lieutenants temporarily succeeding to the Command in consequence of such absence of the Captain or Commander, are to draw the difference only between the above stated sums and what is termed the Command allowance of the Vessel according to her rate as per abstract.

5. The sick certificate of the Captain or Commander when at the Presidency or other station must however be renewed monthly, and countersigned by the Superintending Surgeon of the range.

6. This regulation will take effect from the date of your publication of this despatch in General Orders.

Bombay Castle, 29th September 1840.

No. 106 of 1840.—The Hon'ble the Governor in Council is pleased to publish the following Extract, Para. 1st of the Honorable Court's Letter No. 57 dated 31st July last.
