W: And it is hereby enacted, that the above methods be employed by the Collector or other Officer vested with the powers of Collector, under such limitation and control as Government or other superior revenue authorities shall see

fit to prescribe or enforce.

VI. And it is hereby enacted, that the sale of any Puttee by public auction, shall be effeeted in respect to the notice to be issued, the authority to be obtained, and the mode of con-ducting the sale according to the rules prescribed by Act of for the sale of an entire Mehal, and the Puttee after the sale shall have been duly confirmed shall be the absolute property of the purchaser, save and except the rights of those Ryots whose right to the permanent occupancy of their lands may have been recognized, and the rates of rent payable by whom may have been adjusted and recorded at the last settlement.

Provided that it shall be competent to the Collector, subject to the orders of the Commissioner and the Sudder Board of Revenue, if the rate cannot be fixed by private

bargain between the parties to cause the same to be fixed by a jury of the vicinage in the mode directed by Sections V, to X, of Regulation IX of 1833.

VIII. And it is hereby enacted, that a copy of the Jumma Wasil Bakee and detailed Kuteenee of the Tehsildar signed and sealed by him, and countersigned by the Canoongoes and Putwarry exhibiting in detail the amount paid by, and arrear due from each Puttee shall be taken to be sufficient evidence of the arrear due from that Puttee, and these papers shall invariably be filed with the Collector's proceedings.

FORT WILLIAM. SECRET DEPARTMENT THE 2D NOVEMBER 1840.

The following despatches this day received from Major General Sir W. Cotton, K. C B. and к. с. н. &c., Commanding the Forces in Affghanistan are published for general information.

By Order of the Right Hon'ble the Governor General of India in Council,

SIR.

T. H. MADDOCK, Secy. to the Govt. of India. No. 72.

Affghanistan, Head Quarters, Camp Cabool, 4th October, 1840.

I have now the honor to forward Brigadier Dennie's report of his action with the combined Force under Dost Mahomed Khan and the Wullee of Kooloom on the 18th instant.

This official account corrects some inaccuracies in my letter of the 23rd, which was framed upon the Brigadier's hurried letter written on the field. Captain Hart, of the Janbazees, was not wounded as at first reported; and it appears that the loss of the enemy, although very severe, was not so great in killed, as mentioned in my first account. The rout, however, was complete,

The results of this action have been in all respects most satisfactory and highly conducive to the public interests at a very critical conjuncture, and I cannot but feel sensible that these important consequences are to be attributed to the decision and spirit of the Brigadier's attack when he found himself with so small a Force in the presence of the main body of the enemy, and to the gallant bearing of the Troops engaged.

I therefore beg to recommend the Officers and Troops employed on this service, to the favorable consideration of the Right Honorable the Go-

vernor General,

I have the honor to be, Sir, Your most obedient Servant, WILLOUGHBY COTTON, Major Genl. Commanding the Troops in Affghanistan.

Esq., To H. TORRENS, Secretary to the Government of India, Calcutta. Service.

Camp Bamecan, 18th September, 1840.

SIR,-My last communication will have apprized you of our having crossed the Irak Mountain.

At the urgent representations of Dr. Lord, Political Agent, of the proximity of the enemy to Bameeau, I continued to press on to its relief by forced marches, and arrived here on the 14th instant. That same evening having drawn out the Goorkah Regiment, I disarmed Captain Hopkin's Corps of Afghans, who although loaded, offered no resistance, and this essential duty, I am happy to say, was performed without difficulty. Finding no enemy in the neighbourhood, I proceeded to make arrangements for an advance on Syghan, where it appeared the enemy really was in force.

These measures were however, rendered unnecessary by his actual but unexpected presence.

Allow me to congratulate you in our having obtained a complete and decisive victory over the conjoint Army of Dost Mahomed Khan and his Usbeg Allies under the Wallee of Kooloom. Last evening I received information from my advanced posts, that bodies of Cavalry were entering the valley from the great defile in our front, six miles from hence. Wishing to draw them well on, I did not discourage their approach, but learning this morning that they had attacked a fortified village that was friendly to us, and as These people had claims on our protection, it became necessary to drive off their assailants.

From the reports brought in, I was led to conclude, that only a few hundred had entered the valley, and therefore took with me only one-third of our force, with a 6-pounder gun and howitzer.

I confess I was taken by surprize, after driving in what proved to be only their advanced party, to find an Army in my Front. To have sent back for reinforcements would have caused delay, and given confidence to the enemy. It would have checked the forward feeling that animated the party with me, and gave assurance of success.

The enemy bad got possession of the chain of Forts before as, reaching to the mouth of the defile. They drew up, and attempted to make a stand at each, with the main body, while their wings crowned the beights on either side. In dislodging them from the latter, I am sorry to say, the Goorkahs suffered. After four or five vollies, seeing our steady and rapid advance, the whole force appeared to us to lose heart, and fled in a confused mass to the gorge of the Pass. ordered the whole of the Cavalry in pursuit, who drove them four miles up the defile, cutting down great numbers and scattering them in all directions, many throwing away their arms, and escaping up the hills.

Of the deserters from Captain Hopkins' Corps, not a few have paid the penalty of their treachery, and their muskets and accoutrements were found in all directions.

The Dost, and his son Mahomed Ufzul Khan, and the Wallee, owed their escape to the fleetness of their horses, and were last seen with not more than 200 followers around them.

The prisoners report that the Ex-Chief was wounded early in the day. His only gun, his kettle drums, with his camp ammunition and provisions, have fallen into our hands.

The number of the enemy was at least 6000, and those chiefly Usbegs.

I can form no accurate estimate of their killed and wounded, but their loss must have been considerable.

I enclose a list of our Casualties and my Order of the day, in which I have endeavuored to express my sense of the conduct of the Officers and Men in this brilliant affair.

ORDERS BY BRIGADIER DENNIE, C. B.

Brigadier Dennie has pride and pleasure in recording his sense of the conduct of the Troops employed against the Enemy yesterday, and congratulating them on the success which rewarded their effords.

The Brigadier begs to offer his particular thanks to Lieutenant McKenzie, commanding the two pieces of Horse Artillery, to whose admirable practice the result of the day was mainly attributable. He requests that Captains Younghusband and Codrington will receive for themselves, and convey to the Officers and Men under their orders, his sense of their merits. Lieutenant Golding, with the Flankers on the heights, deserve, by their coolness and steadiness, every

commendation. Anderson's Horse, led by Lieutenant LeGeyt, severely wounded in the pursuit,

distinguished themselves.

The Janbazes, headed by Captain Hart proved themselves faithful and forward. To Captain Shortreed the Brigadier offers his best acknowledgments for the valuable assistance he afforded, as also to Lieutenant Broadfoot of the Engineers, who gave him his personal attendance:

Captain Arthur Conolly & Lieutenant Rattray, volunteers on the occasion, will be pleased to accept this mark of their zealous exertions being

fully appreciated.

No. 71.

Affghanistan, Head Quarters, Camp Cabool, October 1, 1840.

Sir, I have the honor to forward a despatch under date the 29th ultimo, from Major General Sir Robert Sale, K. C. B., containing a detail of the assault and capture on that day of the Fort and Town of Tootumdurra, lately occupied by Ali Khan, a refractory Chief of the Kohistan of Cabool.

The disposition of the Troops and the mode of attack, which were conducted with the Major General's usual skill and vigor, appear to have nullified in a great measure the formidable position of the enemy, and to have produced the most brilliant results with a comparatively trifling

loss.

The conduct of the Troops engaged appears to have been most satisfactory, and I beg to recommend the services of the Major General, and the Officers and Men employed on this occasion, to the favorable notice of the Right Honorable the Governor General.

I much regret having to report the loss of an intelligent and enterprising Officer, Captain E. Conolly of the 6th Regiment of Light Cavalry, who fell in the advance of the main column of attack. This Officer was originally detached on special duty in the Political Department, and appears to have volunteered his services in the attack.

I have the honor to be, Sir,

Your most obedient Servant, WILLOUGHBY COTTON, Major Genl. Commanding the Troops in Affghanistan.

To H. TORRENS Esq.

Secretary to Government, Culcutta.

Camp Tootumdurra, 29th September 1840.

Sir. At day-light this morning I quitted my encampment at Rohat and was joined at Charchar, 5 miles in advance by the Detachment under the Command of Captain Fraser of the 2nd Lt. Cavalry.

At Charckar I learned from Sir Alexander Burnes that no alteration had taken place in his views with reference to the expediency of an attack on the Forts at the entrance of the Ghorebund Pass, belonging to Aly Khan, and known by the name of Tootundurra. I therefore determined to attempt their capture immediately, and moved forward from Charckar at 8 A. M. having the Cavalry in advance.

On arriving in front of Tootumdurra 1 found the enemy posted in a very strong position; a village surrounded by Garden walls, defended by a small Fort and several detached towers, commanded the undulating ground below the high and steep hills which bound the Ghorebund Pass to the south, and a chain of their detached Forts within musket range respectively of the village, and each other, extends to the Eastward of the village, one of these Forts, a hexagonal structure, with Towers at the angles, is of considerable strength. The rear or north of the position was defended by a deep canal carried along the high ground above the Ghorebund River, the vale below is entirely covered with gardens, beyond which again rise the rocky hills to the north of the Pass.

A party of the enemy was drawn up in front of the village protected by a mound, a second occupied the face of the hill to the west of the village, and the Towers and Forts were garrisoned by matchlock-men, who opened a brisk fire on the party of Cavalry sent on in advance

to reconnoitre.

The Grenadier Company of the 37th N. I., a party of H. M. Shah Shuja's 2nd Cavalry, and two of H. M.'s Guns, 6-Pdrs., under Lieutenant Warburton, was directed to clear the Hill to cur left, and then to take the position of the onemy in flank, and co-operate with the other parties

engaged in clearing the village.

Two Companies of H. M. 13th Light Infantry, under Lieut. Holkham, were detached to the right, to take possession of two of the small detached Forts, in which operation they were supported by three 9-Pounder guns under Captain Abbott. The fire from these guns was also, as opportunity offered, directed on the Towers and other defences of the village, with the view of dislodging the enemy from their advantageous position and facilitating the advance of the Infantry.

These operations were crowned with complete

sucress.

The principal column of attack consisting of the remainder of H.M. 13th Light Infantry, two Co.'s of the 27th N. 1. and the Light Company of the 37th N. 1. was then ordered to advance and moved on the village at a rapid pace. The enough continued their fire till the heads of the Companies were within 50 paces of the walls, when they flad with precipitation across the river and over ground where they could not be followed by the Cavalry.

The Garrison of the large Fort seeing the posi-

The Garrison of the large Fort seeing the position both to their right and left thus in the possession of our troops, and Captain Abbott's gans in battery opposite the Gate abandoned the post and escaped through a Wicket, which opening to the south was covered from the fire of the De-

tachment.

Parties of Infantry were sent in pursuit across the valley, and another small Fort on the low ground temporarily occupied, but finding the enemy completely broken and dispersed, these parties were recalled, and I encamped in the vicinity of the Forts, the whole of which were in our

possession by 11 A. M.

The accompanying Casualty Return will show that this advantage has been attended by little loss, a fact which I in a great measure attribute to the dread inspired by the excellent practice of the Artillery under the able direction of Captain Abbott, assisted by Lieutenants Maulo and Warburton; but I have to lament the loss of Captain Elward Conolly of the 6th Light Cavalry, who joined me in the morning as a Vo-

It is my gratifying duty to express my entire satisfaction with the conduct of the Troops it has fallen to my lot on this occasion to command. The rapid flight of the enemy prevented their sustaining or inflicting much loss, but the steadiness and gallantry with which the Troop's advanced was such as to warrant my entertaining the most sanguine hopes of success, even had the really formidable position we attacked been defended to the last.

I am now, at the request of Sir Alexander Burnes, (who accompanied me throughout the operations I have detailed) taking steps for the destruction of the Forts that have failen into our bands. \$1. " it a tom so start's it's

To Captain Sunders of the Engineers, I was much indebted for his judicious and scientific observations both during and previous to the

observations both during and previous to the commencement of the operations.

Captain Wade of H. M. 13th Light Infantry, my Brigade Major, gave me every assistance to seeing my orders carried into offeet.

Though not in the Army, Mr. Wheeler accompanied me as a Volunteer to carry orders, and

I had several times occasion to employ him thus.

No. 73.

Affghanistan, Head Quarters, Camp Cabool, October 6, 1840.

I have the honor to forward a copy of despatch from Major General Sir Robert Sale, dated the 5th instant, containing. I am grieved to state, an account of his failure to an attempt to storm the Fort of Julgar on the 3rd instant.

It appears from the Major General's despatch, that he thought his Artiflery had effected a practicable breach, and he accordingly formed a storming party, which, notwithstanding the most

determined gallantry of their at tack on reaching the breach, could not effect an entrance, owing to the causes mentioned in the despatch.

the mint of the second of the second

I lament beyond measure, the loss sustained by these brave troops; but considering all the circumstances, it does not strike me to be so great as might have been expected.

I regret the Mortars were not available for more timely service.

Although the attack was unfortunately not successful, the conduct of the storming party, con-sisting of the Detachment of H. M. 13th Light Infantry under Brevet Major Kershaw, and the detachments of the 27th and 37th Regiments of

Native Infantry under Captain Rind of the latter Corps, the whole under the Command of Brevet Lieutenant Colonel Tronson of Her Majesty's 13th Light Infantry, appears to have been characterised by the most determined bravery and steady courage. I beg to refer you to the ample details furnished by the letters of Sir Ro-bert Sale and Lieutenant Colonel Tronson, and to recommend the various Officers named, to the notice and consideration of the Right Honorable the Governor General.

I much regret to add that the Garrison effect-

ad their escape.

I have the honor to be, Sir, Your most obedient Servant, WILLOUGHBY COTTON, Major General, Commanding the Troops in Affghanistan,

To H. TORRENS Esq. Secretary to Government, Calcutta.

From Major General Sir Robert Sale. K. C. B., Commanding Field Force in Kohistan, to Major General Sir Willoughhy Cotton, G. G. B. and K. C. H. Commanding the Troops in Affghanistan, dated Camp Julya, October 5th, 1840.

The Political Agent having informed me that several of the Rebel Chieftains had fled to a Fort within 16 miles of my Camp at Chareekar, I determined on attempting to secure them, and with this view directed Captain Anderson, with two Squadrons of His Majesty Shah Soojah's Cavalry, the Jan Bazees under Lieutenant Dowson, and about 500 Dooranee Horse who were placed at my disposal by the Shahzada Timoor, the whole under the direction of Captain Sanders of the Engineers, to proceed to Julga, and endeavour to surround the Fort before any of the Garrison could effect their escape, till such time as I could bring up the Infantry and Artillery to attack the place.

This Detachment marched before 1 A. M. on the morning of yesterday, the 3d instant, and by sun-rise succeeded in completely investing the Fort and placing parties in secure positions in every direction by which the Garrison could effect

their escape.

I have to express my obligations to the Officers and Men of His Majesty Shah Soojah's Service by whom this service was effected, amparticularly indebted to Captain Anderson for the promptness and rapidity with which his Corps took up their position, and I trust His Majesty will be pleased to make known to his Troops the satisfaction I have expressed at their spirit and good conduct on this occasion,

By 10 A. M. I arrived before the Fort with Her Majesty's 13th Light Infantry and the two Squadrons of the 2d Cavalry-before 11 o'clock 3 Nine-Pounders and a 24-Pounder Howitzer under Captain Abbott came up; about 12, two of His Majesty's 6-Pounders under Lieutenant Warburton also arrived, but the badness of the road unfortunately delayed the Mortars till late in the afternoon, and it was not till 4 P. M. that one of them was brought in play. It was desirable to bring our operations in the attack of this Fort to a close as soon as possible, as from the numerous ravines in its vicinity it would have been extremely difficult to prevent the escape of the Rebels after nightfall, and a fire from the Nine-Pounders was immediately opened on the South-East Tower of the Fort, which by 1 P. M. was greatly delapidated, when a sessation of their fire was rendered necessary, all the ammunition in the Field having been expended.

At 2 P. M. the fire recommenced, and at 3, the Tower and adjacent Curtain to the East were breached, and the breach to all appearance being exceedingly easy, I resolved on assault-

ing it without delay. A Storming Party, commanded by Lieutenant Colonel Tronson, Her Majesty's 13th Light Infantry, consisting of 5 Companies of Her Majesty's 13th Light Infantry under Brevet Major Kershaw of that Corps, and of Detachments of the 27th and 37th Regiments of Native Infantry, commanded by Lieutenant Rind of the latter Regiment, were formed for the purpose in a ravine near the South-East angle, which afforded good cover for the Troops within 150 yards of the Fort, and on the signal being given, the Column advanced to the breach with the greatest steadiness and gallantry. They were met however by the enemy on the crest of the breach with the most determined resistance; a close fire from a numerous body of Matchlock-men was opened on the head of the Column from the houses within the Fort, and Powder-bags were thrown in great numbers among the Men as-cending the breach, many of the leading Men were shot dead on the breach, and after a desperate struggle to force an entrance into the Fort, they were with great judgment withdrawn by the Officer Commanding the party to the cover afforded by the adjacent ravine, where they remained till I issued orders for their recall, intending to renew the attack when it might be made by a combined movement against the Breach, Gateway, and Wicket, with better chances of success.

The Enemy, notwithstanding every precau-tion was taken to intercept them, succeeded in escaping from the Fort before 7 P. M., and at that hour our Troops took possession of it. I am now taking measures for its destruction.

It is with teelings of the deepest regret that I record the loss sustained in our unsuccessful attack. The coolness and spirit displayed by the Officers and Men of the Storming Party demand my warmest thanks, and I cannot express the mortification I experienced in seeing their noble exertions baffled, when on the point

of being crowned with success.

To Lioutenant Colonel Tronson, Commanding the Storming Party, I am greatly indebted for his gullant execution of the important duty committed to him. He was nobly seconded by Brevet Major Kershaw of Her Majesty's 13th Light Infantry, whose exertions to surmount the numerous obstacles which impeded the ad-vance were conspictors. The crest of the breach was at one time attained by four Officers of Her Majesty's 13th Light Infantry—Brevet Major Kershaw, Lieutenant and Adjutant Wood, Lieutenants Edward King and George Wade, and I beg to express my high admiration

of their zeal and gallantry.
Captain Abbott and Lieutenant Warburton distinguished themselves in the service of the Artillery and their performance of the duty on which were engaged merited my warmest ap-

probation.

I. beg also to bring to your favorable notice the assistance I derived from Captain Wade of Her Majesty's 13th Light Infantry, my Brigade Major, for the efficiency and attention displayed by him in carrying my wishes into effect throughout the Service.

Captain Raban, 48th Native Infantry, Commissariat Officer, also gave me high satisfaction in officiating as my Aid-de-Camp during the day, and Mr. Wheeler whose services Phaye; this destructive fire for a considerable time by already had occasion, was conspicuous for the steadiness, tant Wood, Lieutenant Elward King and Liquand promptness with which he conveyed my the gallantry of those Officers with their Men

I have again to bring to your favorable consideration the able and valuable assistance rendered me by Captain Sanders, Chief Engineer

with the Force.

From Lieutenant Colonel Tronson, Commanding Her Majesty's 13th Light Infantry, to Major General Sir Robert Sale, K. C. B., dated Camp, October 3a, 1840, 8 P. M.

Sir,

I have the honor to report, that having been placed in command of the storming party this, day, consisting of five Companies of Her Majesty's 13th Light Infantry under Brevet Majer Wershaw, and a Detachment of the 27th and 37th Natire Infantry, commanded by Captain, Rind, of the 37th, the party proceeded with great regularity and spirit towards the Fort. On nearing the breach, we were assailed by a quick and distructive fire, through which gallantly led by their Officers the party rushed up the breach, which was crowned by Officers and Men in the face of a close and deadly fire, the

crest of the breach was gallantly held under this destructive fire for a considerable time by Brevet Major Kershaw, Lieutenant and Adjutant Wood, Lieutenant Elward King and Lieutenant G. Wade, with Sergeant Major Airey; the gallantry of those Officers with their Men called forth at the moment the admiration and cheers of all their comrades. Finding the breach totally impracticable, I placed the party under immediate cover and subsequently withdrew them to a ravine, awaiting the orders of the Major General.

anvice M

The best consolation and reward of all who were engaged will be the innate conviction of each individual having to the utmost, gallantly done this duty; but as the Commander of this party, I feel bound to reader my warmest culoquim and thanks to Men and Odicers engaged, more particularly to Major Kershaw, whose exertions and gallantry throughout were most conspicuous. I have great pleasure in acknowledging the exertions of Captain Rind and his Adjutant, Ensign Mayne, 37th Native Infantry, with their Detachments of the 27th and 37th.

I enclose a list of killed and wounded, which I very deeply regret to lind so serious; among them we have lost our most respected and gallant sorgeant Major, who nobly fell at the sum-

mit of the breach.

The Right Honorable the Governor General in Council has also been pleased to direct the publication for general information, of the following despatches from Major General Sir W. Cotton, K. C. B. and K. C. H., Commanding the Forces in Affghanistan, which, though received some time ago, have not before been pubs lished.

No. 67.

Affyhanistan, Head-Quarters, Camp Cabool, August 22, 1840.

Sin. I have the honor to forward for the information of the Right Honorable the Governor General die annexed copy of a letter from ; , Lieutenant Colonel Wheeler, Commanding at Kudjah, reporting the attack and punishment of some refractory Chiefs in his neighbourhood.

I have the honor to be,

Your most obedient Servant, W. COTTON, Major General,

Commanding the Troops in Affghanistan, To H. Torrens Esq.

> Secretary to the Government of India, Fort William.

From Lieutenant Colonel Wheeler, C. B. Com. manding at Kudjah, to Captain Douglas, Assistant Adjutant General.

No 25, Camp Kudjah, 19th August 1840.

I have the honor to report, that in conjunction with Captain Macgregor, Political Agent at this post, I quitted Camp this morning at day break with a 6-pounder of His Majesty; Shah Shoojah's Artillery, a Detail 1st European, Regiment consisting of 2 Captains, 2 Lieutenants, 1 Ensign to Sergeants and 85 Rank and File, a Detail of: 48th Regiment N. I., cousisting of 4 Lieutenants, 1 Ensign, 3 Subedars, 4 Jemedars, 3 Drummers and 319 Gank and File, to punish one of the Chiefs of the Wazeeres valley who had fired on Captain Macgregor and, myself last night whilst making a reconnoissance.

There was great difficulty and delay in brings

ing the gun to the scene of operations.
We were assailed with a sharp fire from a Fort on our left flank as we advanced, and again by a small Fort immediately commanding the princis pal object of the movement,

This Fort was carried in the fine style by the Grenadier Company 48th Regiment Native in: fantry, under Lieutenant Paterson, after which we ran the gun up to the gate of the, larger one and blew it open.

After resting the men, and serving out cartridges, I moved on the Fort, which ; had annoyed our flink. Three Companies 48th Native Infantry, in extended order moved in such steady, yet reput style, that it was carried before the gun could come up. After collecting the Detrolment here we turned on a very strong little Fort from which we had been . annoyed, but they had had such a tesson, that, they would not wait for us, but fled leaving the Gate open.

This was all executed by 8 A. M. and I cannot sufficiently express the admiration which. the bold and steady conduct of all engaged excited, the Native Troops fully vying with their

European brethren.

To Lieutenant Combe, Detachment Staff, 1: am much indebted; and I beg to bring to the notice of the Major General Commanding, the praiseworthy conduct of Dr. Nisbet, who was most zealous in the discharge of his professional duties, for which I regret to say there were many calls.

I have the honor to enclose a casualty list, and though I regret its extent, I can scarcely pronounce it heavy, considering the service perfor-

Captain Macgregor will no doubt explain to the satisfaction of the Envoy and Minister, the necessity under which this movement was made; I can but add; that I most fully concur in his views, and feel that had we not attacked these evil disposed Chiefs, they would have attacked us at night, as they had threatened, and that without the slightest provocation on our part.

I should be guilty of great ingratitude if 1

did not bear the fullest testimony to the gallant bearing of Captain Macgregor, who with his usual zeal laid the gun on every occasion, and

always with the happiest effect.

No. 68.
Affghanistan, Head-Quarters. Camp Cabool,
August 27, 1840.

I have the honor to forward for the information of the Right Honorable the Governor General, a copy of a Letter from Lieutenant Colonel Wheeler, Commanding at Kudjah, giving a further detail of his operations against the Wuzzeerees in his neighbourhood on the morning of the 19th instant, together with an account, as far as can be ascortained, of the loss of the memory on the occasion: information which was emitted in his former, apparently hurried, Despatch, which was forwarded with my Letter, No.

67, of the 22nd instant.

I beg to state that, Lieutenant Colonel Wheeler's dispositions for the attack appear to me to have been highly judicious, and to have been followed up with a spirit and gallantry which has led to results highly creditable to the Officers and Men engaged, and greatly beneficial to the public interests in that quarter; and that I have expressed to the Lieutenant Colonel and the Troops under his Command, the sense? entertain of the satisfactory manner in which this service has been performed. I beg that you will bring the same, in the strongest terms, to the notice of the Right Honorable the Governor General.

I have the honor to be, Sir,
Your most obedient Servant.
W. COTTON, Major General,
Commonding the Troops in Affyhanislan,

TO H. TORRENS, Esq.,
Offg. Secretary to the Government of India,
CALCUTTA,

From Lieutenant Colonel Weeler, C. B., Commanding at Kudjah, to Captain J. D. Douglas, Assistant Adjutant General.

No. 28, dated Camp Kudjah, 24th August, 1840.

SIR,

In reply to your No. 419 of the 21st instant, I have the honor to state for the information of the Major General Commanding, that I trust the following with my former dispatch will place the whole operations of the morning

clearly before him.

There is a large isolated Hill about three quarters of a mile long at this end of the Wuserest valley, its nearest point being about two miles from my Camp; the first Fort taken is an the declivity of this Hill at the further end, and the second about fifty yards distant, at the base and clear of the Hill. The road or rather path, led along the bottom of the Hill on the left side.

My dispositions were as follows: The Light Company 48th Native Infantry under Ensign Champion, crowned the hill and moved trifflingly in advance of the column, in plose order, until within 150 yards of the first Rort, when I extended it, and it then advanced without firing, bringing up its right so as to outflank the Fort

on that side.

The 6th Company 48th Native Infantry was thrown out in extended order on my left flank and cleared the high corn fields, from which a sharp fire had been opened by the enemy, and continued to advance until they reached within 50 yards of the second Fort.

The main column moved along the path at the base of the Hill. The European detail leading,

followed by the Detachment 48th, dragging the gun, the Bullocks having been taken out full

three hundred yards from the Fort.

On the head of the column arriving within forty yards of the Forts a heavy fire was opened by the European detail Light Company, and 6th Company 48th Native Infantry on the Turrete and Walls of the two Forts, which effectually kept down the enemy's fire; during which I got the gun into a favorable position on the side of the hill above the smaller Fort. Finding that it could not be brought to bear on the gate of the smaller Fort. I directed Lieutenant Paterson to concentrate as heavy a volley as he could close on the gate; this had the desired effect, shook the gate, and enabled the Grenadiers of the 48th, under that Officer, to force it and carry the Fort in beautiful style, bayonetting all in it.

I have in my dispatch stated how the second Fort was taken; namely, the Seepahees, now aided by some Europeans, dragged the Gun to the Gateway, which was at once burst open, and in rushed the gallant fellows I had the honor

of commanding.

The third Fort, and the Gardens and Fields around it, were crowded with Men; the Light Company extended was thrown out in advance to the right, another Company to the left, and a third in the centre. The gun and column following (excepting a Garrison of 40 Men left in the Forts taken) these three Companies advanced in so steady, yet brisk a manner, that I found myself with them close under the walls; and made a dash at the gate, which was found open and the Fort evacuated.

The capture of the fourth Fort I have already described, and I must now add two more to the list, one evacuated close to the second assailed,

and the sixth surrendered on terms.

The enemy was in great force, but the rapidity of our movements induced many to remain aloof, ready to give effectual aid had an opportunity offered; their loss is heavy. As far as can be ascertained, three Chiefs are killed, also two of their near relations, and about twenty three Men; one Chief of considerable consequence very badly wounded and about forty Men; with the exception of the Chiefs, I beg particularly to state that there is no certain information regarding the loss of the enemy, though all admirts to have been great.

I have now the honor to enclose a Casualty Roll shewing two more Men of the 48th Native Infantry who were wounded, but thought so little of it that it had never been reported even by themselves, until they were compelled to go to Hospital for their cure,

I have, &c,

(Signed) H. M. WHEELER. Lieut.-Col. Commanding at Kudjah.

N. B. The enemy had made small round holes in the bottom of the Ramparts opposite the gates, through which they made their egress from the Forts. The want of a body of Horse was much felt.
