Whereas by an Act passed in the Fifty Fifth year of the Reign of His late Majesty's King George the Third, intitled "an Act to make further Regulations for the

Registry of ships built in India" it was enacted, that nothing in that or in the therein recited Acts, or in any other Act contained should subject any ship or vessel built or to be built within the Limits of the Charter of the East India Company, which should not be of the burthen of Three Hundred and Fifty Tons, or any ship or vessel built within the Limits of the Charter of the said Company, than the property of any of His said Majesty's subjects within the Limits aforesaid, and employed in Trade as theretofore solely within the said Limits, including the Cape of Good Hope, or any ship or vessel which then was, or at any time before the first day of January in the year One Thousand Eight Hundred and Sixteen, should be building within the Limits aforesaid, on account of any of His said Majesty's subjects: within the said Limits, and should be em-

ployed in Trade solely within the said Limits, including the Cape of Good Hope, to any Penalty, Forfeiture, Disability, or Impediment, by reason of such Ship or Vessel not being registered, and not being British built, or to affect the property or any transfer of property in any such Ship or Vessel as aforesaid which should not be registered. And Whereas by an Act passed in the

Fourth year of His late Majesty King George the Fourth intitled "An act for the registering of Vessels," and by

another Act passed in the same Session, intitled "an Act to consolidate and amend the several Laws now in force with respect to trade from, and to places within the limits of the charter of the East India Company" and to make further provisions with respect to such trade; and to amend an act of the present Session of Parliament, for the Registry of Vessels, so far as it relates to Vessels registered in India, the said recited Act of the fifty fifth year of King George the third was repealed: and whereas by an Act passed in the Session held in the third and fourth years of the reign of King William the Fourth intitled "an Act to

C. 59. regulate the trade of the British possessions abroad" it was among other things enacted, that all Ships built at any place within the Limits of the East India Company's Charter prior to the first of January one thousand eight hundred and sixteen, and which then were and had continued ever since to be solely the property of His Majesty's subjects, should be deemed to be British Ships for all the purposes of Trade, within the said Limits, including the Cape of Good Hope: And whereas under and by virtue of an Act passed in the same Session, intitled "an Act

for the registering of British Vessels, Ships or Vessels built in any Ports in the Territories, under the Government of the said Company" being

owned by British subjects, and being registered in manner therein provided for, are entitled to all the privileges and advantages of a British registered Ship, but it is expedient further to regulate the Trade of Ships built and trading within the Limits of the East India Company's Charter, including the Cape of Good Hope, and the Territories and Dependencies thereof, and in the mean time to restore to the Ships or Vessels, so described as aforesaid in the said recited Act of the fifty fifth year of King George the Third the enjoyment of the privileges to which they were thereby entitled; and it is fit that Indemnity should be afforded in respect of the consequences of the repeal of such privileges by the said Acts of the fourth year of King George the Fourth, or either of them. Be it therefore enacted, by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the

authority of the same, that in the meantime and until such declaration by proclamation shall be made by the Governor General in Council as hereinafter is authorized, as well all Ships mentioned in the said enactment contained in the said first recited Act of King William the Fourth, as also all other Ships or Vessels so as aforesaid described in the said Act of the fifty-fifth year of the reign of King George the Third, shall have and enjoy the same Privileges as were thereby given to such Ships or Vessels.

This act to have the same Force as 55 Geo. 3 C. 116.

II. And be it enacted, that for all purposes of Indemnity and discharge from all Actions, Suits, Prosecutions, Penalties, Forfeitures, Disabilities, or Impediments, and for all purposes of confirming and giving validity to all Sales, Assignments, Mortgages, Contracts, Engagements, Bonds, Policies of Assurances, Gifts, Bequests, Rights, Titles, Interests, Matters and things whatsoever, which but for the said recited Repeal of the said Privileges would have been valid and effectual in Law, and for all other beneficial purposes whatever, this Act shall have the same force and effect as if the said Act of the Fifty-fifth year of the Reign of King George the Third had never been repealed.

Governor General enabled to declare what Ships shall be considered as British.

III. And be it enacted, that it shall be lawful for the Governor General of India in Council, by Proclamation, to declare, that all Ships or Vessels built or to be built within the Limits of the Charter of the East India Company, being owned by Her Majesty's subjects for whom the said Governor General in Council has power to legislate, and belonging, under the Regulations therein after provided for to any Ports in the Territories under the Government of the said Company, shall be deemed to be British Ships for all the purposes of Trade within the said Limits, including the Cape of Good Hope and the Territories and Dependencies thereof; provided that upon such declaration being made the said Governor General in Council, shall, and the said Governor General in Council is hereby accordingly empowered to make Regulations, to be enforced by suitable Penalties, concerning the registering, licencing, and ascertaining the admeasurement of the Tonnage and Burden, and generally for the Trading within the Limits aforesaid of such Ships or Vessels, any thing in any act to the contrary not-

withstanding; which Regulations shall be of equal force and effect with any Laws and Regulations which the said Governor General in Council is authorized to make, but shall be subject to Disallowance and Repeal, and shall in the same manner be transmitted to England, and be laid before both Houses of Parliament, as in the case of any other Laws or Regulations which the said Governor General in Council is now by Law empowered to make.

Ships belonging to Native Powers may be admitted to similar Privileges and advantages of British Ships.

IV. And whereas it may be expedient to admit to similar Privileges and advantages any Ships or Vessels belonging to Native Princes or States in subordinate Alliance with, or having subsidiary Treaties with the East India Company, or owned by Subjects of any such Princes or States; be it therefore enacted, that the Governor General of India in Council may by such Regulations as aforesaid, such Regulations being subject as aforesaid, admit to the Privileges and Advantages of British Ships, for the purposes of Trade within the Limits of the Charter of the said Company, including the Cape of Good Hope and the Territories and Dependencies thereof: or to any of such Privileges and Advantages, any Ships or Vessels belonging to such Princes or States, or any of them, or owned by subjects of any such Princes or States; but any such Regulations shall provide for the granting to such Ships or Vessels fit and convenient Licences or Passes and generally for the Trading within the Limits aforesaid of such Ships or Vessels.

Provisions of Act for registering British Vessels to have full force in East India Territories.

VI. And whereas doubts have been entertained whether the Provisions and remedies enacted and contained in an Act passed in the Third and Fourth years of the Reign of His late Majesty King William the Fourth, intituled " an Act for the registering

of British Vessels," in cases of the wilful detention and refusal to deliver up the Certificate of the Registry of any Ship or Vessel to the proper Officer or other Persons authorized and entitled in that behalf, as in the said last mentioned Act is specified, extend to and are in force in the Territories under the Government of the East India Company; and it is expedient that such doubts should be removed; be it therefore declared and enacted, that the said several Provisions and Remedies in the said last mentioned Act contained touching the wilful detention of such Certificate of Registry or the absconding of any person in possession of the same, shall be deemed and taken to extend to, and shall extend to and be in force in the said Territories under the Government of the East India Company.

Matters directed to be performed before Governors of any particular place may be performed in presence of Governor General of India &c.

Commander in Chief of any place where any Ship or Vessel may be registered under the authority of the same Act, the same shall or may be done or performed in the Territories under the Government of the East India Company by, to, or with the Governor General of India in Council, or the Governor of the Presidency of Fort William in Bengal, or the respective Governors in Council or Governors of the Presidencies of Fort St. George and Bombay, or the Governor of Prince of Wales Island, Singapore, and Malacca, or the respective resident Councillors at Singapore and Malacca, according to circumstances, and as the case may be.

For staying proceedings in certain cases.

VIII. And be it enacted, that in all cases in which by the said last-mentioned Act it is made lawful for any Governor, Lieutenant Governor or Commander in Chief of any of Her Majesty's Colonies, Plantations, Islands, or Territories, and they are thereby authorized and required, if any Suit, Information, Libel, or other Prosecution or Proceeding of any nature or kind whatever, shall have been commenced or shall hereafter be commenced in any Court whatever in any of the said Colonies, Plantations, Islands, or Territories respectively, touching the force and effect of any Register granted to any Ship or Vessel, upon a representation made to any such Governor, Lieutenant Governor, or Commander in Chief, to cause all Proceedings thereon to be stayed, as in the said last mentioned Act is provided, it shall be lawful, in the Territories under the Government of the East India Company, or the Governor General of India in Council, or the Governor of the said Presidency of Fort William in Bengal, or for the respective Governors in Council or Governors of the said Presidencies of Fort Saint George & Bombay, or the Governor of Prince of Wales Island, Singapore, and Malacca, according to circumstances, and as the case may be, and they are respectively authorized and required, if any such Suit, Information, Libel, or other Prosecution or Proceeding whatever shall have been commenced or shall hereafter be commenced in any of Her Majesty's Courts whatever, or in any place subordinate to the said several Presidencies, or the Government of Prince of Wales Island, Singapore, and Malacca respectively, touch-

ing the force and effect of any Register granted to any Ship or Vessel, upon a representation made to any such Governor General of India in Council or Governor of the said Presidency of Fort William in Bengal, or Governors in Council or Governors of the said Presidencies of Fort Saint George and Bombay respectively, or such Governor of Prince of Wales Island, Singapore, and Malacca, according to circumstances, and as the case may be, to cause all Proceedings thereon to be stayed, if he shall see just cause so to do, until Her Majesty's pleasure shall be known and certified to him by Her Majesty, by or with the advice of Her Majesty's Privy Council, and such Governor General of India in Council, or Governor of the said Presidency of Fort William in Bengal, or Governor in Council or Governor of the said Presidencies of Fort Saint George and Bombay respectively, or such Governor of Prince of Wales Island, Singapore and Malacca respectively, is hereby required to transmit to the Court of Directors of the East India Company, to be by them forthwith forwarded to the President of the Board of Commissioners for the Affairs of India, to be laid before Her Majesty in Council, an authenticated copy of the proceedings in every such case, together with his reasons for causing the same to be stayed, and such documents properly verified as he may judge necessary for the information of Her Majesty.

*MILITARY DEPARTMENT.*

BY THE HON'BLE THE GOVERNOR IN COUNCIL.

BOMBAY CASTLE, 19th NOVEMBER 1840.

No. 743 of 1840.—The Honorable the Governor in Council is pleased to re-publish the following General Orders by the Right Honorable the Governor General of India in Council dated the 7th of October 1840, and with reference to the 9th Para. to direct, that the General Order of the 20th of August last (No. 520) shall come into operation from the 1st instant, at all Stations under this Presidency, except Aden and Kurrack.

No. 218 of 1840.

**GENERAL ORDERS BY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.**

*Fort William, 7th October 1840.*

1. In continuation of General Orders of the 8th July last, No. 143, the Right Hon'ble the Governor General of India in Council is pleased to direct, that the Consolidated rates of Pay therein laid down, for the Non-Commissioned Officers and Privates of Her Majesty's and Hon'ble Company's Services, are to be drawn for Men in confinement; the amount being disposed of as directed in General Orders No. 184, 21st November 1823, and the prisoner being dieted under the regulations at present in force.

2. The same rates of Pay are to be drawn for Men in Hospital, who will continue to be dieted by the Commissariat as at present, in conformity with the Medical Regulations.

3. One month's pay to defray Funeral charges, as authorized in General Orders 5th October 1827, No. 207, will also be drawn at the above rates, for Men deceased, whose bodies require sepulture.

4. The pay of Boys attached to Her Majesty's Regiments of Dragoons and Infantry, will be allowed as heretofore, at 5d. for the former, and 6½d. for the latter per day, with the new scale of rations.—The pay converted into Indian currency, at the rate of 2s. ½d. per Rupee, will stand as follows.

	For 28 days	For 29 days...	For 30 days...	For 31 days...
Cavalry.....	5   11   5	5   14   9	6   2   1	6   5   3
Infantry.....	7   6   10	7   11   1	7   15   1	8   3   7

5. The future rate of dry batta (or compensation in lieu of rations without spirits) payable where necessary, by the Commissariat Department, will be the same as at present, namely Company's annas (3-4) three and four pies per diem, this amount being a close approximation to the actual and general average cost of the new scale of rations, less the compensation for Liquor, to be included in the future Consolidated Regimental Pay of European Soldiers.

6. In cases where detachments moving or stationary may be without a Canteen Establishment, and it may become necessary in consequence for the Commissariat to issue Rum to the Men, the rate of payment is to be ten pie for each dram, to be recovered by bills drawn by the Departments on Paymasters of Regiments, or Officers drawing the pay of the Men thus supplied with liquor.

7. Whenever it may happen, that any of the Articles prescribed for the Soldier's future rations, shall not be obtainable, compensation in lieu is to be paid by the Commissariat, at such rates as will accord with the cost to Government of the same Articles at the nearest European Station, the Commissariat Officer of which will grant a monthly certificate of such cost, for the information and guidance of the parties concerned.

8. It is left to the discretion of the Commissariat Department, to issue either Tea or Coffee (or a proportion of both) as an article of the daily Rations, as may be most convenient, or as circumstances may demand, but it is to be understood, that where both Articles are procurable with equal facility, the wishes of Commanding Officers should be attended to.

9. In consequence of the difficulty of making the necessary arrangements for the introduction of the new scale of Rations, in some of the more distant Stations of the Bengal European Troops, it is hereby directed, that the provisions of General Orders 8th July 1840, instead of having effect from the 1st November next, shall come into operation throughout the Presidency of Fort William, from the 1st January, and in Afghanistan, from the 1st March 1841. The Government of Madras and Bombay will adopt such similar measure of postponement, as may be considered expedient.

10. The extra daily allowance of half a pound of meat at present issued to the European Troops serving beyond the Indus, is to be continued to them, should the General Officer Commanding the Troops in Afghanistan consider the allowance necessary as a special indulgence, after the introduction of the new scale of Rations, and until further orders.

11. The existing Regulations for the supply of Rum to Canteens by the Commissariat, are not affected in any way by the new system of Rations now under advertence.
