Notice.

Although opposed to the XXXIII Clause of the Rules for the management of the Post Office Department, appended to the Post Office Act, the system of giving credit to parties at the Post Office and interchanging accounts at the end of the month was tried as an experimental measure, but as it has been productive of much inconvenience and great irregularity, it is abolished, and the former plan reverted to of requiring immediate payment of postage from this date.

As there still continues to be considerable misapprehension as to the right of parties addressing me as Post Master General, or the Deputy Post Master General in Letters either "on Service" or "Bearing" on subjects relating to their private affairs, it is hereby notified to all concerned, that such Letters will in future be returned to the senders "Bearing" this practice being at variance with the LIX. Clause of the Rules for the management of the Post Office, appended to the Post Office Act, which requires, that all such Letters be "Post paid."

Notice is hereby given, that unless marked per ship, all letters received at the General Post Office, from Saturday the 31st October, to Tuesday the 1st instant, both dates inclusive, for transmission to London, Foreign Europe, Egypt and Red Sea, were despatched by the Hon'ble Company's Steamer "Cleopatra," via Suez.

Bombay Castle, 1st December 1840.

No. 787 of 1840.—The Honorable the Governor in Council deeply regrets that it should be necessary to advert in public orders to the totally unfounded gross and malacious charges which have lately been brought forward against a respectable Member of the Medical Branch of the service, Mr. Assistant Surgeon Thompson, while in charge of the Medical duties of the Steamer Zenobia.

The disgraceful conduct of Henry S. Metcalfe, Acting Master, and Edward Classcott Reynolds, Midshipman of the Indian Navy, and the shameless manner in which those individuals wantonly brought forward the false charges against Assistant Surgeon Thompson, on which that Officer has been most fully and ho-

norably acquitted, call for the strongest expression of the disapprobation of Government. The good of the service demands that persons who are capable of so conducting themselves should no longer be retained in the public employ, and the Hon'ble the Governor in Council is pleased to direct that they be dismissed forthwith from the Honorable Company's service.

The dismissal of E. G. Reynolds, Midshipman, is subject to the confirmation of the Honorable Court of Directors, to whom it will be represented.

788 of 1840.—Assistant Surgeon Morier is placed at the disposal of the Superintendent of the Indian Navy, for the purpose of relieving Assistant Surgeon J. McKenzie, who having served the usual period in the Indian Navy, is placed at the disposal of His Excellency the Commander in Chief.

The disgraceful conduct of Henry S. Metcalfe, Acting Master, and Edward Glasscott Reynolds, Midshipman of the Indian Navy, and the shameless manner in which those individuals wantonly brought forward the false charges against Assistant Surgeon Thompson, on which that Officer has been most fully and honorably acquitted, call for the strongest expression of the disapprobation of Government.
