**Notification.**

**GENERAL DEPARTMENT.**

It is hereby notified for general information, that as the sorting of the contents of the English Overland Mails, in the Bombay Post Office, occupies a great deal of time, and thereby

considerably retards the delivery of the Letters, Newspapers, &c. and their despatch to Stations in the interior, the Hon'ble the Governor in Council has recommended to the Hon'ble the Court of Directors, to make arrangements with the Post Office Authorities in London, for separate Packets being made up in the London Post Office, for the several Stations enumerated in the Margin, which will greatly facilitate the despatch of the Letters from Bombay; or if such a complete sub-division cannot be made, the Hon'ble Court have been requested to arrange for separate Packets being made up for the four different Presidencies of *Agra, Bombay, Calcutta, and Madras*, as well as for *Ceylon and China*, but to render this arrangement complete and fully effective, it will be necessary that parties should request their Correspondents in England, in addressing their Letters, to be particular in inserting the Station, or the most approximate one given in the List to which the parties addressed in India belong, so that the Post Office Authorities in London may know in which Packet to put the Letters; a careful observance of this rule will prevent mistakes as well as delay and confusion in their delivery in this Country. The Governor in Council would therefore recommend, that particular attention be paid to this point, calculated as it is, to prove of so much benefit to the Public in general.
