I. It is hereby enacted, that all Regulations and parts of Regulations for taking the examinations of absent witnesses in any Presidency are hereby repealed.

II. And it is hereby enacted, that it shall be lawful for any Court within the Territories under the Government of the East India Company and the several Judges thereof, in every suit depending in such Court, upon the application of any of the parties to such suit to order the examination upon interrogatories or otherwise before any officer of any such Court or other person or persons named in such order of any witnesses within the jurisdiction of the Court where the suit shall be depending, or to order a Commission to issue for the examination of witnesses at any place or places out of such jurisdiction upon interrogatories or otherwise and by the same or any subsequent order or orders to give all such directions touching time, place and manner of such examination as well within the jurisdiction of the Court wherein the suit shall be depending as without, and all other matters and circumstances connected with such examination as may appear reasonable and just.

III. And it is hereby enacted, that when any order shall be made for the examination of witnesses within the jurisdiction of the Court wherein the suit shall be depending, by the authority of this Act, it shall be lawful for the Court or any Judge thereof in and by the first order to be made in the matter, or any subsequent order to command the attendance of any person to be named in such order, and to direct the attendance of any such person to be at his

own place of residence or elsewhere, if necessary or convenient so to do, and to produce all necessary documents and papers, and the wilful disobedience to any such order shall be deemed a contempt of Court. Provided always, that every person whose attendance shall be so required shall be entitled to the like payment for expenses and loss of time as upon attendances at a trial.

IV. And it is hereby enacted, that it shall be lawful for all and every person authorized to take the examination of witnesses by any order or Commission issued in pursuance of this Act, and he and they are hereby authorized and required to take all such examinations upon oath or affirmation where an affirmation is admissible or required upon a trial, and if upon such oath or affirmation any person making the same shall wilfully and corruptly give any false evidence, every person so offending shall be deemed and taken to be guilty of perjury.

V. And it is hereby enacted, that no examination or deposition to be taken by virtue of this Act shall be read in evidence at any trial without the consent of the party against whom the same may be offered, unless it shall appear to the satisfaction of the Court that the examinant or deponent is beyond the jurisdiction of the Court, or dead, or unable from permanent sickness or other permanent infirmity to attend the trial, or distant without collusion more than 60 coss from the place of trial, or is exempted by any Law or Regulation from personal appearance in Court, in all or any of which cases the examinations and depositions duly certified may at the discretion of the Court, without proof of the signature to such certificate, be received and read in evidence.

VI. And it is hereby enacted, that any Court other than one of Her Majesty's Courts, or any Judge thereof, may issue Commission as aforesaid and such order as are indicated in the second Section of this Act to be executed within the local limits of the jurisdiction of any of Her Majesty's Courts, and every such Commission required to be so executed and all orders made touching the same shall before be-

ing executed, be submitted to a Judge of that Court of Her Majesty within the local limits of which it is intended that the Commission shall be executed, and it shall be lawful for such Judge of Her Majesty's Court to subscribe, at his discretion, any such Commission or order—after which the wilful disobedience to any such Commission or order shall be deemed a contempt of Her Majesty's Court.

VII. And it is hereby enacted, that such Commissions and orders as aforesaid may be issued for execution under this Act within the Territories of Princes and States in alliance with the East India Company—and all persons within such last mentioned Territories being in the service of the East India Company are hereby required to pay obedience thereto, and for disobedience thereof shall, on being found within the jurisdiction of the Court or Judge issuing any such Commission or order, be punishable in like manner as if such offence had been committed within such jurisdiction; and for giving false testimony under the same shall be punishable by any Court of Justice within the Territories of the East India Company.

VIII. And it is hereby enacted, that whenever the evidence of any absent witness shall be required for the purposes of any of the Honorable Company's Courts, the Commission for examining such witness may be directed to any Judge of any other of such Courts, who may be required to take such examination in open Court or otherwise. And in every such case the Judge to whom any such Commission shall be directed shall be authorized to punish as for a contempt of Court the neglect or refusal of any witness to obey the order for the examination required by such Commission.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 22d day of May next.

THE 1ST OF MARCH 1841.

The following Draft of a proposed Act was read in Council for the first time on the 1st of March 1841.

ACT NO.—OF 1841.

An Act for consolidating and amending the Regulations concerning Military Courts of Request for Native Officers and Soldiers in the Service of the East India Company.

I. It is hereby enacted, that all Regulations and parts of Regulations concerning Military Courts of Request are repealed; provided always, that nothing in this Act contained shall be held to alter or affect the jurisdiction of a single Officer duly authorized and appointed under the Rules in force in the Madras and Bombay Presidencies for the trial of small suits in Military Bazaars, at Cantonments and Stations occupied by the troops of those Presidencies respectively, or the trial by the Panchayet of suits against Military persons according to the Rules in force under the Madras Presidency.

II. And it is hereby enacted, that within the territories of the East India Company actions of debt and other personal actions against Native Officers, Soldiers and other persons amenable to the Articles of War for the Native Forces in the Military Service of the East India Com-

pany, shall be cognizable before a Military Court and not elsewhere, provided the value in question shall not exceed 200 Rupees, and the defendant was a person of the description above mentioned, when the cause of action arose, and when the suit was instituted.

III. And it is hereby enacted, that the Commanding Officer of any Station or Cantonment is authorized to convene such Military Courts. And such Courts shall be composed, according to the orders of the Commander in Chief, or of the Commanding Officer of the Forces of the Presidency within which the Station or Cantonment is situate, or, in the absence of such orders, according to the discretion of the Convening Officer, either of not less than three European Commissioned Officers, or of not less than three Native Commissioned Officers, with an European Officer to superintend and record the proceedings.

IV. And it is hereby enacted, that such Military Court shall be convened monthly, and shall be holden on some convenient day before the issue of the pay for each month.

V. And it is hereby enacted, that the forms of proceeding in every such Court shall be conformable to the usages observed on trials before Courts Martial held for the Hon'ble Company's Native Troops as far as the same are applicable. And any such Court shall have the like power of summoning witnesses as is possessed by Courts Martial, provided always that every such Court shall have the power of examining the parties to any suit and of requiring or dispensing with their attendance at its discretion. And that every such Court shall have like power of taking the examinations of absent witnesses as is possessed by the Honorable Company's Civil Courts.

VI. And it is hereby enacted, that witnesses omitting to attend, refusing to give evidence, or committing perjury shall be tried and punished, if amenable to the Articles of War, by a Court Martial, subject to all the Rules contained in the Articles of War for the punishment of such offences in regard to trials for Military offences; and if not amenable to the Articles of War, they shall be tried and punished in the nearest of the Honorable Company's Courts of Criminal Justice in like manner as if such offences had been committed in regard to any trial before such nearest Court.

VII. And it is hereby enacted, that any person, Civil or Military, using menacing words, signs, or gestures, or otherwise interrupting the proceedings of any Military Court of Request shall be punishable with imprisonment according to the summary judgment of such Court, during the time such Court is sitting, and every such offender shall be liable to be further punished by a Court Martial, or by the nearest Company's Court of Criminal jurisdiction, according as the offender is amenable or not to the Articles of War in like manner as if the offence had been committed in the presence of the Court to which it is so referred. Provided that, if the Court to which the offence is referred shall be of opinion that the offender has been already sufficiently punished, they shall discharge him forthwith.

VIII. And it is hereby enacted, that a record shall be kept of proceedings in every case tried before any Military Court of Request. And such record shall contain as well a particular account of the evidence given as of the nature of such evidence as may have been rejected on the ground of its not being legally admissible, or relevant, or on other grounds, and the same

shall be signed by the Members of the said Court. And such record or a copy thereof shall, with as little delay as is practicable, after the conclusion of the proceedings, be transmitted by the European Superintending Officer of every such Court to the Officer Commanding the Station or Cantonment.

IX. And it is hereby enacted, that where a demand shall exceed the amount of 200 Rupees, or where several separate demands or securities shall exceed such amount, no more shall be recoverable than the sum of 200 Rupees only—and the judgment in respect of any demand in a Court of Requests shall be a bar to the recovery of any demand for the same cause of action in any other Court whatever, provided that the liability accrued before the time of instituting the suit in the Military Court—and it shall be competent for every such Military Court to investigate any counter-claim alleged by any defendant. And it shall be competent for every such Military Court to allow the interest for money agreed on between the parties, provided the same does not exceed the usage of the country. And every contract upon which a demand for debt exceeding 20 Rupees is founded, not being money due for goods bought and delivered, shall be in writing and expressed in the language of the defendant and signed by him or on his behalf by some other person than the plaintiff. Provided that it shall not be competent to any Court of Requests to admit any suit for a debt which has accrued upwards of six years.

X. And it is hereby enacted, that on failure of either of the parties to a suit to attend either personally or by representative, or to produce his witnesses according as he shall be required by any Military Court of Requests, such Court on being satisfied that the party has been duly apprized of what is required of him, may proceed to the termination of the suit in his absence. And if the decree in any such case shall be against the plaintiff, it shall not be competent for him to commence a new suit for the same cause of action.

XI. And it is hereby enacted, that it shall be lawful for the Commanding Officer to whom the proceedings have been transmitted as aforesaid to return the same for revision either by the same or another Military Court of Requests. And in every such case the second decree shall be final unless for error in points of law, when the same shall be transmitted to the Commander in Chief, who shall have power to annul the proceedings without prejudice to any future suit. Provided always, that in the case of any new trial the Court may receive evidence which was not adduced at the first trial.

XII. And it is hereby enacted, that every plaintiff shall prefer his claim in writing and shall deliver the same to the Station Staff-Officer. The claims shall be entered in a Schedule by the Station Staff Officer, which Schedule is to be sent to Adjutants of Corps or Heads of Departments two days before the assembly of the Court, and the Adjutants or Heads of Departments shall be responsible that the defendants belonging to their respective Corps or Establishments have been duly summoned.

XIII. And it is hereby enacted, that every decree of any Military Court of Requests shall be published in the Station Orders before the same is executed.

XIV. And it is hereby enacted, that the execution of decrees of Military Courts of Requests may be either general or special, accord-

ing to the sentence of the Court. Provided always, that the Commanding Officer may, notwithstanding the direction of the Court, order that the execution shall be general or special at his discretion.

XV. And it is hereby enacted, that in cases in which the execution is to be general, the debt if not paid forthwith shall under the authority of the Commanding Officer, in writing to be signed by him, be levied by seizure and public sale of such of the Debtor's Goods as may be found within the limits of the Station or Cantonment, and if sufficient Goods are not to be found, the debtor, if not a Soldier, shall be arrested and imprisoned in any Civil Gaol near to the Station or Cantonment, or in any other convenient place of confinement situate within the limits of the Station or Cantonment, for the space of two months, unless the debt be sooner paid, and his Goods, if found within the limits of the Station or Cantonments at any subsequent time shall be liable to be seized and sold in satisfaction of the debt, and if the debtor be a Soldier and the debt be not liquidated by sale of his Effects, Accoutrements and Necessaries excepted, an order may be issued for payment of the residue by monthly deduction from the pay issued to the debtor under the Rules which follow.

XVI. And it is hereby enacted, that where the execution is to be special, the debt shall be satisfied out of the pay and allowances of the debtor and not otherwise. And a certificate of the decree and direction or order thereon certified under the hand of the Commanding Officer and signed by him shall be a sufficient authority for making such stoppages. Provided always, that no more than one half of the pay and allowances of any Commissioned Officer or than one fourth of the pay and allowances of any Non-Commissioned Officer or Soldier shall be stopped in any one month.

XVII. And it is hereby enacted, that in places beyond the Frontier of the Territories of the East India Company actions of debt and other personal actions may be brought before such Military Courts as aforesaid against persons so amenable as aforesaid for any amount of demand; provided that such Military Courts beyond the Frontier shall be composed of European Officers—and provided, that if the sum recovered shall exceed 200 Rupees, an appeal shall lie to the Court of Sudder Adawlut of the nearest Presidency, according to the rules in force with regard to appeals from subordinate Civil Courts.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 1st day of June next.

NOTIFICATION.**POLITICAL DEPARTMENT.**

Bombay Castle, 8th March 1841.

In publishing for general information the following Extract of a letter to the address of Lieutenant Warburton, Deputy Assistant Adjutant General of the Southern Division of the Army, from Major Vivian, Commanding a Detachment lately sent to regain possession of the Fort of Nepanece, from a body of Insurgent Arabs, The Hon'ble the Governor in Council begs to offer his best thanks to Major Vivian, and the Officers and Men under his command, for their zealous and gallant conduct on this occasion, which terminated in the unconditional surrender of the Garrison.

By order of the Hon'ble the Governor in Council,
(Signed) J. P. WILLOUGHBY. *Secy. to Govt.*

To,

Lieutenant P. E. WARBURTON,
Depty. Assist. Adjt. Genl. Southern Division of the Bombay Army.

Sir,

I yesterday did myself the honor to apprise you, for the information of the Major General Commanding the Division, that the Insurgents in the Fort of Nepanece had surrendered themselves unconditionally. I beg now to forward for submission to the Major General, a report of our operations against the Fort.

2. On the morning of the 19th instant, the Detachment under my command, arrived before the Fort of Nepanece, and took up its encamping ground, at about 1000 yards from the Fort, to the Westward, having the ruins of the unfinished Fort between the Camp and the Fort.

3. On the same evening a reconnoitre was made round the Fort when I discovered that the Pettah, which is to the Eastward, ran close up to the only Gateway of the Fort, outside of which, the Enemy had taken up a position, in a Battery of 3 Guns, on the crest of the Glacis.

4. As my object was to obtain the entire capture of the Garrison, I resolved on making an attack on the 1 Nine pounder. } Enemy on the Pettah side, to draw the Insurgents in, and to keep possession of the buildings of the Pettah, which commanded the entrance to the Fort. For this purpose, a Party as per margin, under my command, marched from the Camp on the morning of the 20th, reached the Enemy's position by day-break, when it was immediately carried, as reported in my Letter of the 20th instant; the Enemy as contemplated, taking refuge within the Fort, the Houses in the immediate vicinity of the Gate and a small Choky to the left of the entrance to the Fort that had been in possession of a Party of Arabs, were occupied by the Detachment, the Gun placed in position, and a fire kept up during the day, which destroyed the Parapets, and silenced the Enemy's fire, which had early in the day been kept up briskly on our position.—I left this Detachment under the command of Captain Faunce, of H. M's. "4th, King's Own," and nothing could have been more satisfactory, than the manner in which that Officer, and all under him, held their position.

5. Having returned to Camp, I found it advisable to remove the projected position of the Mortar Battery, to a natural good position to the North East of the Fort, distant about 700 yards, and having succeeded in closing the entrance to the Fort, I shifted my Camp, a few hundred yards to the rear of its former position, to afford more complete shelter to the Followers.

6. The Mortar Battery commenced playing at 9 A. M. upon the Fort, and continued doing so till the evening, when it was discontinued, in consequence of the Insurgents expressing a wish to Capitulate, but the terms not being granted, the Battery re-opened on the ensuing day, and the fire was kept up till past 11 o'clock A. M. when the Enemy surrendered unconditionally.

7. The whole of the Artillery practice has been most efficient, and I am greatly indebted to that Arm and to Captains Hall and Burgoyne for the cheerful and zealous manner in which all their duties have been conducted.

8. The Ordnance captured amounts to 56 pieces, and the total casualties on our side are four killed and seventeen wounded, I have been unable to ascertain the number of killed and wounded of the Enemy, but I believe about 30 have been wounded, and twenty killed.—The number of Prisoners amounts to about 350.

I have &c.
