FORT WILLIAM,

THE 1ST OF MARCH 1841.

The following Draft of a proposed Act was read in Council for the first time on the 1st of March 1841.

ACT NO.—OF 1841.

An Act for consolidating and amending the Regulations concerning Military Courts of Request for Native Officers and Soldiers in the Service of the East India Company.

I. It is hereby enacted, that all Regulations and parts of Regulations concerning Military Courts of Request are repealed; provided always, that nothing in this Act contained shall be held to alter or affect the jurisdiction of a single Officer duly authorized and appointed under the Rules in force in the Madras and Bombay Presidencies for the trial of small suits in Military Bazaars, at Cantonments and Stations, occupied by the troops of those Presidencies respectively, or the trial by the Panchayet of suits against Military persons according to the Rules in force under the Madras Presidency.

II. And it is hereby enacted, that within the territories of the East India Company actions of debt and other personal actions against Native Officers, Soldiers and other persons amenable to the Articles of War for the Native Forces in the Military Service of the East India Company, shall be cognizable before a Military Court and not elsewhere, provided the value in question shall not exceed 200 Rupees, and the defendant was a person of the description above mentioned, when the cause of action arose, and when the suit was instituted.

III. And it is hereby enacted, that the Commanding Officer of any Station or Cantonment is authorized to convene such Military Courts. And such Courts shall be composed, according to the orders of the Commander in Chief, or of the Commanding Officer of the Forces of the Presidency within which the Station or Cantonment is situate, or, in the absence of such orders, according to the discretion of the Con-

vening Officer, either of not less than three European Commissioned Officers, or of not less than three Native Commissioned Officers, with an European Officer to superintend and record the proceedings.

IV. And it is hereby enacted, that such Military Court shall be convened monthly, and shall be holden on some convenient day before the issue of the pay for each month.

V. And it is hereby enacted, that the forms of proceeding in every such Court shall be conformable to the usages observed on trials before Courts Martial held for the Hon'ble Company's Native Troops as far as the same are applicable. And any such Court shall have the like power of summoning witnesses as is possessed by Courts Martial, provided always that every such Court shall have the power of examining the parties to any suit and of requiring or dispensing with their attendance at its discretion. And that every such Court shall have like power of taking the examinations of absent witnesses as is possessed by the Honorable Company's Civil Courts.

VI. And it is hereby enacted, that witnesses omitting to attend, refusing to give evidence, or committing perjury shall be tried and punished, if amenable to the Articles of War, by a Court Martial, subject to all the Rules contained in the Articles of War for the punishment of such offences in regard to trials for Military offences; and if not amenable to the Articles of War, they shall be tried and punished in the nearest of the Honorable Company's Courts of Criminal Justice in like manner as if such offences had been committed in regard to any trial before such nearest Court.

VII. And it is hereby enacted, that any person, Civil or Military, using menacing words, signs, or gestures, or otherwise interrupting the proceedings of any Military Court of Request shall be punishable with imprisonment according to the summary judgment of such Court, during the time such Court is sitting—and every such offender shall be liable to be further punished by a Court Martial, or by the nearest Company's Court of Criminal jurisdiction.

tion, according as the offender is amenable or not to the Articles of War in like manner as if the offence had been committed in the presence of the Court to which it is so referred. Provided that, if the Court to which the offence is referred shall be of opinion that the offender has been already sufficiently punished, they shall discharge him forthwith.

VIII. And it is hereby enacted, that a record shall be kept of proceedings in every case tried before any Military Court of Request. And such record shall contain as well a particular account of the evidence given as of the nature of such evidence as may have been rejected on the ground of its not being legally admissible, or relevant, or on other grounds, and the same shall be signed by the Members of the said Court. And such record or a copy thereof shall, with as little delay as is practicable, after the conclusion of the proceedings, be transmitted by the European Superintending Officer of every such Court to the Officer Commanding the Station or Cantonment.

IX. And it is hereby enacted, that where a demand shall exceed the amount of 200 Rupees, or where several separate demands or securities shall exceed such amount, no more shall be recoverable than the sum of 200 Rupees only—and the judgment in respect of any demand in a Court of Requests shall be a bar to the recovery of any demand for the same cause of action in any other Court whatever, provided that the liability accrued before the time of instituting the suit in the Military Court—and it shall be competent for every such Military Court to investigate any counter-claim alleged by any defendant. And it shall be competent for every such Military Court to allow the interest for money agreed on between the parties, provided the same does not exceed the usage of the country. And every contract upon which a demand for debt exceeding 20 Rupees is founded, not being money due for goods bought and delivered, shall be in writing and expressed in the language of the defendant and signed by him or on his behalf by some other person than the plaintiff. Provided that it shall not be competent to any Court of Requests to admit any suit for a debt which has accrued upwards of six years.

X. And it is hereby enacted, that on failure of either of the parties to a suit to attend either personally or by representative, or to produce his witnesses according as he shall be required by any Military Court of Requests, such Court on being satisfied that the party has been duly apprized of what is required of him, may proceed to the termination of the suit in his absence. And if the decree in any such case shall be against the plaintiff, it shall not be competent for him to commence a new suit for the same cause of action.

XI. And it is hereby enacted, that it shall be lawful for the Commanding Officer to whom the proceedings have been transmitted as aforesaid to return the same for revision either by the same or another Military Court of Requests. And in every such case the second decree shall be final unless for error in points of law, when the same shall be transmitted to the Commander in Chief, who shall have power to annul the proceedings without prejudice to any future suit. Provided always, that in the case of any new trial the Court may receive evidence which was not adduced at the first trial.

XII. And it is hereby enacted, that every plaintiff shall prefer his claim in writing and

shall deliver the same to the Station Staff-Officer. The claims shall be entered in a Schedule by the Station Staff Officer, which Schedule is to be sent to Adjutants of Corps or Heads of Departments two days before the assembly of the Court, and the Adjutants or Heads of Departments shall be responsible that the defendants belonging to their respective Corps or Establishments have been duly summoned.

XIII. And it is hereby enacted, that every decree of any Military Court of Requests shall be published in the Station Orders before the same is executed.

XIV. And it is hereby enacted, that the execution of decrees of Military Courts of Requests may be either general or special, according to the sentence of the Court. Provided always, that the Commanding Officer may, notwithstanding the direction of the Court, order that the execution shall be general or special at his discretion.

XV. And it is hereby enacted, that in cases in which the execution is to be general, the debt if not paid forthwith, shall under the authority of the Commanding Officer, in writing to be signed by him, be levied by seizure and public sale of such of the Debtor's Goods as may be found within the limits of the Station or Cantonment, and if sufficient Goods are not to be found, the debtor, if not a Soldier, shall be arrested and imprisoned in any Civil Gaol near to the Station or Cantonment, or in any other convenient place of confinement situate within the limits of the Station or Cantonment, for the space of two months, unless the debt be sooner paid, and his Goods, if found within the limits of the Station or Cantonments at any subsequent time shall be liable to be seized and sold in satisfaction of the debt, and if the debtor be a Soldier and the debt be not liquidated by sale of his Effects, Accoutrements and Necessaries excepted, an order may be issued for payment of the residue by monthly deduction from the pay issued to the debtor under the Rules which follow.

XVI. And it is hereby enacted, that where the execution is to be special, the debt shall be satisfied out of the pay and allowances of the debtor and not otherwise. And a certificate of the decree and direction or order thereon certified under the hand of the Commanding Officer and signed by him shall be a sufficient authority for making such stoppages. Provided always, that no more than one half of the pay and allowances of any Commissioned Officer or than one fourth of the pay and allowances of any Non-Commissioned Officer or Soldier shall be stopped in any one month.

XVII. And it is hereby enacted, that in places beyond the Frontier of the Territories of the East India Company actions of debt and other personal actions may be brought before such Military Courts as aforesaid against persons so amenable as aforesaid for any amount of demand; provided that such Military Courts beyond the Frontier shall be composed of European Officers—and provided, that if the sum recovered shall exceed 200 Rupees, an appeal shall lie to the Court of Sudder Adawlat of the nearest Presidency, according to the rules in force with regard to appeals from subordinate Civil Courts.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 1st day of June next.

FORT WILLIAM,

THE 15TH MARCH, 1841.

The following Draft of a proposed Act was read in Council for the first time on the 15th of March 1841.

ACT No.—OF 1841.

An Act to enable Her Majesty's Supreme Courts within the Territories of the East India Company to give relief against adverse claims made upon persons having no interest in the subject of such claims.

I. Whereas it often happens that a person sued at Law for the recovery of Money or Goods wherein he has no interest, and which are also claimed of him by some third party, has no means of relieving himself from such adverse claims but by a suit in Equity against the Plaintiff, and such third party usually called a Bill of Interpleader which is attended with expence and delay.

It is hereby enacted, that upon application made by or on the behalf of any Defendant sued in any of Her Majesty's Supreme Courts in any action of Assumpsit, Debt, Detinue, or Trover, such application being made after declaration and before plea by Affidavit or otherwise, showing that such Defendant does not claim any interest in the subject matter of the suit, but that the right thereto is claimed or supposed to belong to some third party who has sued or is expected to sue for the same, and that such Defendant does not in any manner collude with such third party, but is ready to bring into Court, or to pay or dispose of the subject matter of the action in such manner as the Court (or any Judge thereof) may order or direct, it shall be lawful for the Court, or any Judge thereof to make rules and orders calling upon such third party to appear and to state the nature and particulars of his claim, and maintain or relinquish his claim, and upon such rule or order to hear the allegations as well of such third party as of the Plaintiff, and in the mean time to stay the proceedings in such action, and finally to order such third party to make himself Defendant in the same or some other action, or to proceed a trial on one or more feigned issue or issues, and also to direct which of the parties shall be Plaintiff or Defendant on such trial, or with the consent of the Plaintiff and such third party, their Counsel or Attornies to dispose of the merits of their claims, and determine the same in a summary manner, and to make such other rules and orders therein as to costs, and all other matters as may appear to be just and reasonable.

II. And it is hereby enacted, that the judgment in any such action or issue as may be directed by the Court or Judge, and the decision of the Court or Judge in a summary manner shall be final and conclusive against the parties and all persons claiming by, from, or under them.

III. And it is hereby enacted, that if such third party shall not appear upon such rule or order to maintain or relinquish his claim being duly served therewith, or shall neglect or refuse to comply with any rule or order to be made after appearance, it shall be lawful for the Court or Judge to declare such third party, and all persons claiming by, from, or under him to be forever barred from prosecuting his claim against the original Defendant, his Executors or Administrators; saving nevertheless the right or claim of such third party against the Plaintiff; and thereupon to make such order between such Defendant and the Plaintiff, as to costs or other matters, as may appear just and reasonable.

IV. And it is hereby provided, that every order to be made in pursuance of this Act by a

single Judge not sitting in open Court, shall be liable to be rescinded or altered by the Court in like manner as other orders made by a single Judge.

V. And it is hereby enacted, that if upon application to a Judge, in the first instance, or in any later stage of the proceedings he shall think the matter more fit for the decision of the Court, it shall be lawful for him to refer the matter to the Court, and thereupon the Court shall and may hear and dispose of the same in the same manner as if the proceeding had generally commenced by the Rule of Court instead of the order of a Judge.

VI. And whereas difficulties sometimes arise in the execution of process against Goods and Chattels issued by or under the authority of the said Courts by reason of claims made to such Goods and Chattels by Assignees of Bankrupts and other persons not being the parties against whom such process has issued, whereby Sheriffs and other Officers are exposed to the hazard and expence of actions, and it is reasonable to afford relief and protection in such cases as such Sheriffs and other Officers, it is therefore hereby further enacted, that when any such claim shall be made to any Goods or Chattels taken or intended to be taken in the execution under any such process or to the proceeds of value thereof, it shall and may be lawful to and for the Court from which such process issued upon application of such Sheriff or other Officers made before or after the return of such process, and as well before as after any action brought against such Sheriff or other Officer, to call before them by Rule of Court as well the party issuing such process as the party making such claim, and thereupon to exercise for the adjustment of such claims and the relief and protection of the Sheriff or other Officer, all or any of the powers and authorities hereinbefore contained, and make rules and decisions as shall appear to be just, according to the circumstances of the case, and the costs of all such proceedings shall be at the discretion of the Court.

VII. And it is hereby enacted that all Rules, Orders, Matters and Decisions to be made and done in pursuance of this Act, except only the Affidavits to be filed, may together with the declaration in the cause, if any, be entered of record with a note in the margin, expressing the true date of such entry, to the end that the same may be evidence in future times if required, and to secure and enforce the payment of costs directed by any such Rule or Order, and every such Rule or Order so entered shall have the force and effect of a judgment except only as to becoming a charge on any Lands, Tenements or Hereditaments; and in case any cost shall not be paid within fifteen days after notice of the taxation and amount thereof given to the party ordered to pay the same, his Agent or Attorney, execution may issue for the same by Fieri Facias or Copias ad satisfaciendum, adapted to the case, together with the costs of such entry, and of the execution if by Fieri Facias, and such Writ or Writs may hear Teste on the day of issuing the same, whether in term or vacation, and the Sheriff or other Officer executing any such Writ shall be entitled to the same fees, and no more as upon any similar Writ grounded upon a judgment of the Court.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 15th day of June next.
