8. Proprietors of Notes who may require the interest to be paid at the General Treasury of Fort St. George, shall be entitled to receive it accordingly, provided they previously notify their wish to the Accountant General at Fort William, and present the Notes to him to have an order for the payment of interest at the said Treasury, written on the face of them, under the signature of the said Officer or that of the Deputy Accountant General. And after such order shall, on the application of the Proprietor, be inscribed on any Note, the interest shall be payable only from the said Treasury, unless the Proprietor shall present the Note with an application for the purpose of transferring the payment to Bengal, to the Accountant General at Fort St. George, who on such application being so made, will cancel the said order by writing inscribed as aforesaid, under the signature of himself or his Deputy, a similar course will be followed, *mutatis mutandis*, in the case of Proprietors of Notes who may desire to have the interest thereof paid at the General Treasury of Bombay.

10. The Promissory Notes of this Loan shall not be renewed or sub-divided except by the Accountant General at Fort William. But the Accountants General at Fort St. George and Bombay will, on application of the Proprietors of such Notes, and the payment of the established

fees, transmit them to the Accountant General in Bengal for the purpose of being renewed, or sub-divided free of all further expense. In other respects the practice and rules heretofore in use in regard to the renewal and sub-division of Promissory Notes will be adhered to.

11. The Notes of this Loan shall be advertised for discharge relatively to the 5 per cent Loans of 1825, and 16th January 1830, in the order of their date, and the several Notes of this Loan shall be advertised for payment in the inverse order, in which they shall have been placed on the General Register, that is to say, the Notes last brought on the Register shall be first liable to be discharged. But all Notes advertised at the same time for payment shall become payable on demand, without regard to priority, at the expiration of the notice. Government shall also be at liberty to advertise other Notes for payment without waiting for the expiration of pending notices, and to discharge the Notes so subsequently advertised at the expiration of the notice relating to them notwithstanding the Holders of Notes comprised in prior advertisements may have omitted by themselves, or their Attornies duly authorized to apply for payment.

*Bombay Castle, 12th April 1841.*

The Hon'ble the Governor in Council is pleased to re-publish for general information, the following Notifications dated the 29th Ultimo, issued under the orders of the Right Hon'ble the Governor General of India in Council, in the Calcutta Gazette Extraordinary, of the 1st Instant.

### NOTIFICATION.

FORT WILLIAM, SECRET DEPARTMENT.

THE 29<sup>TH</sup> MARCH, 1841.

The Right Hon'ble the Governor General in Council is pleased to publish for general information the following copies of reports from Brigadier Shelton, Commanding the forces lately ordered into the Nazian Valley to co-erce the refractory tribe called the Sungoo Khaik, a service which has been performed with a degree of perseverance daring, and exertion, highly creditable to the Brigadier and the Officers and men under his command.

By order of the Right Hon'ble the Governor General in Council

T. H. MADDOKK,  
*Secretary to the Govt. of India.*

*Camp Nazian Valley, 24th February, 1841.*

TO MAJOR GENERAL ELPHINSTONE,

*Comg. in Affghanistan,  
on his march towards Cabool, via Peshawur.*

STR,—I have the honor to report to you that at the requisition of the Envoy and Minister at the Court of Shah Soojah ool Moolkh for a force to co-erce a refractory Tribe called the Sungoo Khaik, inhabiting the Nazian Valley, I marched from Jellalabad on the morning of the 21st instant with the Troops noted in the margin, in progress to Beshboolaq. I arrived there on the 23d and was joined by Captain Ferris' Corps of Jazilchees and the 3d Regiment of Jan Baz. I left Beshboolaq with the force under my command, at 4 o'clock this morning, and entered the Sarobi Pass, leading into the Nazian Valley, soon after day break, according to the following disposition. Two hundred of the Jazilchees un-

Detachment of Sappers and Miners.

Ditto 1 Troop 1st Brigade of Horse Artillery with 4 Guns.

der Hyder Alli, Native Commandant, on the left flank, to move along the high ground closing the Valley on the East side, the remainder of the Corps under the Command of Captain Ferris on my extreme right, to take the enemy on the left flank, two Companies of H. M's, 44th Regt., and two Companies of the 27th Regt. N. I., supported by two Companies of the former Corps and one of the latter, with two six-pounders, the former under the Command of Capt. Scott and the latter of Capt. Swayne, of H. M's. 44th Regt., to crown and move along the heights to the right, on the west side of the Valley. I myself, with the main body, composed of the remaining Companies of H. M's 44th under Lieut. Col. Mackrell, and of the 27th Regt. N. I. under Lieut. Colonel Palmer, with two guns under Captain Nicholl, of the Horse Artillery, supported by the 1st Regiment of Jan Baz under Lieut. Golding, and a Squadron of Shah's 2nd Cavalry under Lieut. Mayne, proceeded up the centre of the Valley. Captain Craigie, with the Shah's 3d Infantry Regiment, the Mountain Train under Captain Backhouse, 3d Jan Baz under Lieutenant Dowson, and a numerous body of Ooloos or Moolkeahs, made a considerable detour and entered the Valley of the eastern pass.

The more unfortunate position of Captain Ferris with his Corps on the extreme right brought him in immediate contact with the enemy as they were driving off their herds and flocks and retiring with their women and children, and as these were inclining over to the left side of the Valley to get out of his reach, the party of two hundred under Hyder Alli, Native Commandant, very opportunely met them from that side, when most of the cattle fell into our hands and several men were killed and wounded on both sides, a party of Jan Baz under Lieutenant Golding, made a successful charge amongst the fugitives and killed several.

The conduct of Captain Ferris and the men of his Corps was conspicuous throughout the day; they attacked the enemy with great gallantry and pursued with determined bravery over almost inaccessible heights, driving the enemy before them under a galling fire, as did also the parties under Captains Scott and Swayne. I much regret that Captain Ferris' Corps have suffered some loss. Several Companies of Her Majesty's 44th Regt. and 27th Regt. N. I. were out during the day on skirmishing parties, and on every occasion displayed a conspicuous bravery that ensured success.

A few men held out in two Furts and obliged me to blow open the gates, which was effectually accomplished by Lieut. Pigou of the Engineers, supported by the Light Company of H. M's, 44th Regt. under Capt. Robinson. It is to me a source of deep regret to have to report that the

second occasion proved fatal to Lieut. Pigou, who was blown up and killed on the spot, and his body thrown a distance of eighty yards by the sudden explosion of the powder bags—the cool intrepidity with which he performed this trying duty does credit to his memory; in him the service has lost a talented and promising young Officer.

The Nazian Valley, which is about eight miles in length, is studded with Forts from one extremity to the other; some of them are formidable positions. The advance of the Troops was one continued course of success, and by one o'clock nearly the whole of this formidable Valley and all the Forts, too numerous to enumerate, were in our possession.

Lieut. Colonel Mackrell, Commanding H. M's 44th Regiment and Lieut. Colonel Palmer, Commanding the 27th Regiment N. I. are entitled to my best thanks for the steady support they afforded while advancing.

I am greatly indebted to my Major of Brigade, Captain Grant, and to Captain Bellow, Deputy Assistant Quarter Master General, for the zeal and attention they displayed and the able assistance they rendered me throughout the day.

I have to acknowledge the important services of Captain Paton, Deputy Assistant Quarter Master General, who accompanied me as Field Engineer, and who conducted the right column of attack under Captain Scott, with a skill and judgment highly creditable to that Officer.

I am indebted to Captain Douglas, Assistant Adjutant General, who volunteered to accompany the column, for his able assistance.

Captain Balderson, of the 16th Regiment N. I., who also volunteered his services, made himself generally useful.

I should not do justice to Captain Hopkins, of the Shah's Service, did I not notice the zeal evinced by this Officer in volunteering to accompany his own Corps, the 27th Regiment N. I., and who did good service with the right column of attack.

Lieut. Towgood, Officiating Sub-Assistant Commissary General, is entitled to my best thanks for the excellent arrangements adopted for the necessary supplies.

The useful information and able assistance afforded by Captain Mackeson, Political Agent, greatly facilitated our success.

I have not yet received the returns of Casualties, but which to the best of my information amount to about eight killed and twenty-five wounded; the loss on the part of the enemy has not been ascertained, but it is calculated they must have had from forty to fifty killed and wounded.

I propose advancing again to-morrow with a view to get possession of the southern extremity of the Valley.

I have the honor, &c.,

*Comdg. Force in the Nazian Valley.*

TO MAJOR GENERAL ELPHINSTONE, C. B.,  
*Commg. in Affghanistan,*  
*on his march towards Cabool via Peshawur.*  
*Camp Nazian Valley, 25th February, 1841.*

Sir,—I have the honor to report that I left my Camp this morning at 6 o'clock and proceeded with a part of the Force up the Valley which contracts into a narrow defile lined with Forts, in many parts confined to the bed of the Nullah with precipitous rocky sides; the enemy appeared in small numbers on the tops of the Hills to the right and left, but retired as we advanced. After proceeding about three miles from the place where I had left the 3d Shah's Infantry Regiment yesterday we came to an open cultivated space studded with Forts, apparently form-

ing the Southern extremity of the Nazian Valley. From this point another Valley winds round to the South West, lined with Forts and to the left a narrow defile with perpendicular sides, the width of the bed of the Nullah leads into an uninhabited Valley running South East, in which only one dilapidated tower is visible.

The absence of all information with regard to the nature of the Valley, its extent or difficulties tended to render an advance through such formidable defiles somewhat appalling. The skill displayed by the flanking parties in surmounting and crowning almost inaccessible heights removed every obstacle by thus taking the Forts in reverse and deterring the enemy from retaining possession from the certainty of being surrounded without hope of escape by having their retreat cut off.

The number of Forts now in our possession amount to eighty four. It is my painful duty to report the death of Captain Douglas, Assistant Adjutant General; a party of the enemy fired upon us while advancing and unfortunately shot him dead by my side. Captain Douglas was a talented officer, of much experience, and is a real loss to the service; I the more deplore the death of this excellent officer as it was the only casualty that occurred this day.

My present advanced position is about twelve miles from the entrance of the Valley.

Herewith I beg to enclose a Return of Killed, Wounded, and Missing on the 24th instant.

I have, &c.

FORT WILLIAM,  
SECRET DEPARTMENT,  
THE 29TH MARCH, 1841.

GENERAL ORDERS BY THE RIGHT HONORABLE THE  
GOVERNOR GENERAL OF INDIA IN COUNCIL.

The Right Honorable the Governor General of India in Council has not at an earlier period published for general information, the result of a bold and successful attack made on the 1st of December last, on the force of the insurgent Brahooses near Kotra, in the Hills adjoining Cutchee, by a Detachment under the Command of Lieutenant Colonel Marshall, in consequence of not having received the ordinary official reports of the action; but in the absence of such reports, His Lordship in Council will no longer refrain from giving publicity to such Official accounts as have reached Government of that brilliant affair, and has been pleased to direct the publication of the following Documents, being Extracts from, and Copies of Lieutenant Colonel Marshall's Detachment Orders of the 2d, and Major General Brooks' Field Army Orders of the 6th of December, 1840. In publishing these Orders, His Lordship in Council is happy to express his high approbation of the spirit and gallantry of the Troops employed in this successful attack.

By Order, &c.,  
T. H. MADDOCK,  
Secy. to the Govt. of India.

Camp Kotrah. 2nd December, 1840.  
FIELD DETACHMENT ORDERS BY LIEUTENANT  
COLONEL MARSHALL.

It is with feelings of the highest gratification, that the Lieutenant Colonel Commanding this small force, expresses his admiration of the truly steady, brave and soldier-like conduct of the Troops under his Command, in the attack yesterday morning, on the Camp of Nusseer Khan. Nothing could have been better executed. To Captain Teasdale, Commanding a detail of 500 men, composed of the 2d Grenadiers and 25th N. I., his most grateful thanks are due, the difficulty of the pass he had to force before getting into position in rear of the enemy's Camp, reflects the highest credit on all hands, and it is only to be regretted, that the nature of the ground and the guide losing the way in the dark, prevented this brave body of men from arriving at their post earlier; as the chances are that, in that case the object of the General Commanding us might have been effected. To Captain Boyd and his little band the Lieutenant Colonel re-

turns his warmest thanks, and requests he will explain to his Detachment the highest opinion he has of their bravery.

The Lieutenant Colonel has not words to express his sense of the service rendered to him by Captain Ennis, in taking 200 men, through the most difficult ground he ever saw, which was praiseworthy in the extreme, and by this movement the enemy were outflanked and turned into the mouths of our guns, and of a brave body of the 2d Grenadiers, by which means a number were slain, and 132 made prisoners.

Captain Rebenack is assured by the Lieutenant Colonel, that he highly appreciated the steady and soldier-like way in which he led on the Light Company. To Captain Jackson also his thanks are due for his steady conduct. In fact the Lieutenant Colonel must conclude by expressing his warmest thanks to all arms employed, and requests this order may be explained to the different Detachments as early as possible. To Lieutenant Pruett, the Lieutenant Colonel has to return his warmest thanks for the practice he made with his guns, nothing could have been better done, and he trusts he may long have that active Officer under his command.

The Lieutenant Colonel has now to return his warmest thanks to Captain Smith, A. D. C. to the General Commanding, for his truly useful services with the Irregular Horse. To Captain Wallace, the Lieutenant Colonel begs to return his thanks for his activity in gaining information of the enemy when we were in position.

The Lieut. Colonel now concludes with saying that he never wishes to lead braver men into the field, for braver cannot be found.

The strength and nature of the Enemy's position must have been plain to all who observed it.

It is now his painful duty to express his deep regret at the loss he has sustained in the death of Lieut. Lodge: a braver, steadier, or better Regimental Staff Officer there never was, and the Lieut. Colonel is convinced his memory will be lasting with his brother officers and men.

The brave fellows killed have met a soldier's death—one of glory; the wounded, the Lieut. Colonel on visiting the Hospital this morning, was happy to find in good spirits, although some of them were severely wounded.

The Lieut. Colonel returns thanks to Doctors Jephson and Knight for their kindness to the wounded.

(Signed) T. MARSHALL,  
Lieut. Col. Commanding Field Detachment.

FIELD ARMY ORDERS BY MAJOR GENERAL BROOKS,  
COMMANDING THE FORCES IN SINDE.

*Camp Sukkur, 6th December, 1840.*

Major General Brooks has much satisfaction in notifying to the Troops composing the Field Army, the signal success which has attended that portion of it stationed at Kotra under Lieutenant Colonel Marshall.

The Major General having received authentic intelligence that Nusseer Khan, with the Garrison of Kelat about 4,000 men, had been encamped in a strong position in the hills within 8 miles of Kotra, and that reinforcements to the extent of many thousands were on the road from Thull to join him, directed Lieutenant Smith, 15th Regiment Bengal Native Infantry, and Acting A. D. C. to the Major General to proceed express to Lieutenant Colonel Marshall's Camp with orders for the Lieutenant Colonel to attack the Khan in his position. Lieutenant Smith left this at 2 o'clock on the 28th ultimo, and although his progress was greatly impeded by falling in with a large body of the enemy's Cavalry who followed and fired on him for several miles, he succeeded in reaching Lieutenant Colonel Marshall's Camp on the morning of the 30th, completing a march of 150 miles in 38 hours. The attack was made the following morning at daylight, by Lieutenant Colonel Marshall, at the head of 900 Infantry of the 2nd Grenadiers, 21st and 25th Regiments, Commanded by Captains Boyd, Ennis, and Teasdale, with 60 Irregular Horse under Lieutenant Smith, and two guns under Lieutenant Pruett.

The enemy were completely surprised. Nusseer Khan with two followers escaped on foot at the first alarm, but his Chiefs and followers made a long and desperate defence; nor was it until four of the principal Chiefs and upwards of 500 men were left dead on the field, and nearly the whole of the rest put to flight; that the enemy's Chief Commander Meor Bohur with his son,

six other Chiefs and 132 of their bravest followers, surrendered themselves prisoners. The whole of the enemy's baggage and a large quantity of arms fell into our hands.

The loss on our side, considering the obstinate nature of the conflict, was wonderfully small. Lieutenant Lodge, 25th Regt. 1 Havildar, an 19 Rank and File killed; 2 Havildars an Rank and File wounded.

The Major General returns his best thanks to, and sincerely congratulates Lieutenant Colonel Marshall, the European and Native Officers, Non-Commissioned Officers and Privates, on this brilliant achievement.

The services of Captain Boyd, 2d Grenadiers, Captain Ennis, 21st Regiment, Captain Teasdale of the 25th Regiment, and Lieutenant Pruett of the Artillery, deserve particular praise, and will be brought to the notice of His Excellency the Commander in Chief. The services of Lieutenant Smith deserves the Major General's warmest praise not only for his gallantry in the field, which was conspicuous, but for the determined perseverance and courage which he displayed in pressing on, despite of fatigue, and the dangers which surrounded him in a country occupied by the enemy, so as to deliver his despatches to Colonel Marshall in time to ensure the instructions they contained being carried into effect, before the arrival of the re-inforcements expected by the enemy, which would have rendered the attempt impracticable.
