## NOTIFICATION.

#### GENERAL DEPARTMENT.

The Hon'ble the Governor in Council is pleased to publish for general information, the following Extract from a Resolution passed on the 16th ultimo, by the Right Hon'ble the Governor General of India in Council, on the subject of the Allowances of Officers appointed to new Situations, but who by the express order of Government may be prevented from entering immediately upon the duties thereof.

FORT WILLIAM.

Financial Department, the 16th June 1841.

RESOLUTION.

The Governor General in Council remarks, that the Rule referred to No. XVI. of the Regulations of the 29th January 1840 requires, in case of a change of office, when an Officer is appointed to a higher situation, that he shall not draw the higher Salary until he joins.

His Lordship in Council considers it expedient strictly to maintain this Rule as one of general practice, and that no exception ought to be allowed otherwise than under special circumstances and exigencies of the public service.

His Lordship in Council is further of opinion, that as a general rule, Officers ought not to be appointed to situations for the duties of which they are not immediately available.

When an Officer for the convenience of the public service has been detained by an order of the Government in a situation of inferior emolument after he has been promoted, in such case the practice under the Bengal Presidency is to pass to him the higher Salary of his new appointment, during the period of his being so detained. This exception to the Rule XVI corresponds with the exception provided for in Rule XX under the Chapter for Deputation Allowances, in which it is declared that no Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, but that the prohibition does not apply to the case of an Officer who may be deputed for special reasons to act in an office of inferior emoluments to his own,

In order to ensure uniformity of practice at all the Presidencies in the application of Rules XIV, XVI and XVII, it is hereby explained, that Rule XIV refers to the appointment of Civil Servants previously not holding any permanent situation, such as Servants for the first time appointed to a fixed situation after their return from furlough.

These Servants are entitled under Rule XIV to the allowances of their new office from the day of appointment, provided they do not come under forfeiture by exceeding the time prescribed for joining their station.

And Rules XVI and XVII are to be construed as applying to cases where there is a change of office, with increase of salary, a special course being prescribed with regard to Junior Civil Servants; they under Rule XVI are authorized to draw the salary of Assistant from the date of their being reported qualified for the public service, unless forfeited through delay in joining the station to which they have been appointed.

By order of the Honorable the Governor in Council. W. R. MORRIS, Secy. to Govt.

ACT No. VIII. of 1841,

An Act to enable Her Majesty's Supreme Courts within the Territories of the East India Company to give relief against adverse chims made upon persons having no interest in the subject of such claims.

1. Whereas it often happens that a person sued at Law for the recovery of Money or Goods wherein he has no interest, and which are also claimed of him by some third party, has no means of relieving himself from such adverse claims but by a suitin Equity against the Plaintiff and such third party, usually called a Bill of Interpleder, which is attended with expence and

delay ;

It is hereby enacted, that upon application made by or on the behalf of any defendant sued in any of Her Majesty's Supreme Courts in any action of Assumpsit. Debt, Detinue, or Trover, such application being made after declaration and before plea by Affidavit or otherwise, showing that such Defendant does not claim any interest in the subject matter of the suit, but that the right thereto is claimed or supposed to belong to some third party who has sued or is expected to sue for the same, and that such Defendant does not in any manner collude with such third party, but is ready to bring into Court or to pay or dispose of the subject matter of the action in such manner as the Court (or any Judge thereof) may order or direct, it shall be lawful for the Court, or any Judge thereof, to make rules and orders calling upon such third party to appear and to state the nature and particulars of his claim, and maintain or relinquish his claim, and upon such rule or order to hear the alligations as well of such third party as of the Plaintiff, and in the mean time to stay the proceedings in such action, and finally to order such third party to make himself Defendant in the same or some other action, or to proceed to trial on one or more feigned issue or issues, and also to direct which of the parties shall be Plaintiff or Defendant on such trial, or with the consent of the Plaintiff and such third party, their Counsel or Attornies to dispose of the merits of their claims and dertermine the same in a summary manner, and to make such other rules and orders therein as to costs, and all other matters as may appear to be just and reasonable.

Judge.

V. And it is hereby enacted that, if upon application to a Judge, in the first instance or in any latter stage of the proceedings, he shall think the matter more fit for the decision of the Court, it shall be lawful for him to refer the matter to the Court, and thereupon the Court shall and may hear and dispose of the same, in the same manner as if the proceeding had generally commenced by the Rule of Court instead of the order of a Judge.

VI. And whereas difficulties sometimes arise in the execution of process against Goods and Chattels issued by or under the authority of the said Courts by reason of claims made to such Goods and Chattels by Assignees of Bankrupts and other persons not being the parties against whom such process has issued, whereby Sheriffs and other Officers are exposed to the hazard and expence of actions; and it is reasonable to afford relief and protection in such cases as

such Sheriffs and other Officers, it is therefore hereby further enacted, that when any such claim shall be made to any Goods or Chattels taken or intended to be taken in the execution under any such process or to the proceeds or value thereof, it shall and may be lawful to and for the Court from which such process, issued upon application of such Sheriff or other Officers made before or after the return of such process, and as well before as after any action brought against such Sheriff or other Officer, to call before them by Rule of Court as well the party issuing such process as the party making such claim, and thereupon to exercise for the adjustment of such claims and the relief and protection of the Sheriff or other Officer, all or any of the powers and authorities hereinbefore contained, and make rules and decisions as shall appear to be just, according to the circumstances of the case, and the costs of all such proceedings shall be in the discretion of the Court.

VII. And it is hereby enacted, that all Rules, Orders, Matters and Decisions to be made and done in pursuance of this Act except only the Affidavits to be filed, may together with the declaration in the cause if any, be enterred of record with a note in the margin, expressing the true date of such entry, to the end that the same may be evidence in future times if required, and to secure and enforce the payment of costs directed by any such Rule or Order and every such Rule or Order so entered shall have the force and effect of a judgment except only as to becoming a charge on anylands, Tenements or Hereditaments; and in case any costs shall not be paid within fifteen days after notice of the taxation and amount thereof given to the party ordered to pay the same, his Agent or Attorney, execution may issue for the same by Fieri Facias, or Capias ad satisfaciendum, adapted to the case, together with the costs of such entry, and of the execution if by Fieri Facias, and such Writ or Writs may bear Teste on the day of issuing the same, whether in term or vacation, and the Sheriff or other Officer executing any such Writ shall be entitled to the same fees, and no more as upon any similar Writ grounded upon a judgment of the Court.

T. H. MADDOCK,

Sec. to the Govt. of India. FORT WILLIAM, 28th June, 1841.

#### ACT No. 1 of 1841.

Passed by the Right Hon'ble the Governor General of India in Council on the 12th of April 1841.

An Act for facilitating the collection of the Revenue of Government and defining the interest intended to be conveyed by public sales for the realization of arrears of the Public Revenue in Putteedarree Estates.

in Putteedarree Estates.

1. The Regulations in force auPreamble, thorize the application of duress for
enforcing the payment of errears of
the public Revenue only against the person and

the public Revenue only against the person and property of the Contracting Lumberdar, leaving him to proceed against the Putteedars by suit or distraint. But with reference to the peculiar nature of these Coparcenaries the existing enactments appear to be insufficient on the one hand for the protection of the rights of the Putteedars and on the other hand for the punctual realization of the dues of Government. The Regulations are also deficient in not authorizing with sufficient distinctness the sale or transfer of the Puttees of defaulting Putteedars in Putteedarsee Estates, and in not defining the intorest intended to be conveyed by public sales of such Estates.

II. A Putteedaree Estate in this Act is held to be an Estate which consists of two or more separate portions or Puttees, or of which there may be proprietors, possessed of separate properties and helding direct of the Jovernment, but not parties in their own names to the contract with the Government for payment of the public revenue. The proprietor who is a party in his own name is called a Lumberdar, and the proprietor who is not a party in his own name is called a Putteedar.

III. It is hereby enacted, that the following modes of duress may be enforced against all Putteedars whose tenure and interest may have been defined by a Settlement formed according to Regulation VII. of 1822 as modified by Regulation IX. of 1833, whether every such Putteedar be in sole occupation of his Puttee, or hold it in common with others.

1st. Issue of Dustucks in the same manner, and under the same limitation, as authorized by the rules in force for Lumberdars.

2d. Arrest, detention, imprisonment, distraint and sale of personal property as now authorized to be enforced against Lumberdars.

3d. Transfer of the defaulting Puttee in perpetuity to the members of any other Puttee which may not be in arrear.

4th. Annulment of the Settlement as regards the defaulting Puttee, and lease thereof to the members of any other Puttee which may not be in arrear, or to a stranger for any term not exceeding fifteen years.

5th. Sale of the defaulting Puttee by public auction in which case the members of the remaining Puttees who may not be in arrear are authorized to bid.

IV. And it is hereby enacted, that on occasion of the sale by public auction of any Puttee, if the lot shall have been knocked down to a stranger, any Putteeday or other member of the coparcenary not being himself in arrear may claim to take the said Puttee at the sum last bid, provided that the said demand of pre-emption be made on the day of sale and before the Collector shall have left the office, and provided that the claimant fulfil all the other conditions of the sale.

V. And it is hereby enacted, that the above methods be employed by the Collector or other Officer vested with the powers of Collector, under such limitation and control as Government or other superior revenue authorities shall see it to prescribe or enforce.

VI- And it is hereby enacted, that the sale of any Puttee by public auction, shall be effected in respect to the notice to be issued, the authority to be obtained, and the mode of conducting the sale according to the rules prescribed by Law from time to time for the sale of an entire Mehal, and the Puttee after the sale shall have been duly confirmed shall be the absolute property of the purchaser, save and except the rights of these Ryeas whose right to the permanent com-

ty of the purchaser, save and except the rights of those Ryots whose right to the permanent occupancy of their lands may have been recognized, and the rates of rent payable by whom may have been adjusted and recorded at the last settlement.

VII. And it is hereby enacted, that in case of the lease or other temporary transfer of any Puttee as above said no member of that Puttee shall be entitled to cultivate any land therein during the term of such transfer, or in case of absolute sale no member of the Puttee shall be entitled to hold or cultivate any land therein from and after the month of Bysack next succeeding such sale unless the said member of such sold or transferred Puttee shall first execute a written engagement to pay rent to the purchaser or transferree at the 'rate demanded by the purchaser or transferree. Provided that it shall be competent to the Collector, subject to the orders of the Commissioner and the Sudder Board of Revenue, if the rate cannot be fixed by private bargain between the parties to cause the same to be fixed by a jury of the vicinage in the mode directed by Sections V. to X. to Regulation IX. of 1833.

VIII. And it is hereby enacted, that a copy of the Jumma Wasil Bakee and detailed Kuteonee of the Tehsildar signed and sealed by him, and countersigned by the Canoongoes and Putwarry, exhibiting in detail the amount paid by, and arrear due from each Puttee shall be taken to be sufficient evidence of the arrear due from that Puttee, and these papers shall invariably be filed with

the Collector's proceedings.

IX. And be it enacted, that the Collector be empowered to give possession to all purchasers and transferrees under this Act in the mode authorized by Clause III. Section X XIII. of Regulation VII. of 1822.

X. And it is hereby enacted, that nothing contained in this Act shall bar the indefeasible right of Government to hold the entire body of proprietors and the entire estate responsible for the amount of the whole Jumma, and to enforce the existing regulations for the transfer or sale of the whole estate whenever it shall appear to them just and expedient. In every such case it is hereby declared in modification of Regulation XI. of 1822, that the entire proprietary rights of every member of the Coparcenary shall be annulled and forfeited, and the provision of Section VII. of this Act shall be applicable to every member of the Coparcenary.

XI. And it is hereby enacted, that the Governor General in Council may extend the provisions of this Act to any district to which with reference to the nature of the tenures prevalent therein its extension may be expedient, although no Settlement of such district may have been made under Regulations VII. of 1822 and IX. of 1833, and the Order of Government shall be

sufficient authority for such extension.
