Legislative Department.

FORT WILLIAM,
THE 5TH JULY, 1841.

The following Act passed by the Right Honorable the Governor General of India in Council on the 5th of July 1841, is hereby promulgated for general information:

ACT NO. X, OF 1841.

An Act for prescribing the Rules to be observed, in order that ships or vessels belonging to ports within the territories, under the Government of the East India Company, or belonging to Native Princes or States, or their subjects, may become entitled to the privileges of British ships under a proclamation of the Governor General of India in Council, made in pursuance of the Statute 3d and 4th Victoria Ch. LVI.

I. Whereas by a Statute passed in the 3d and 4th years of Her Majesty Queen Victoria, entitled "An Act to regulate the trade of ships built and trading within the limits of the East India Company's Charter" it is enacted "that it shall be lawful for the Governor General of India in Council, by Proclamation, to declare that all ships or vessels built or to be built within the limits of the Charter of the East India Company, being owned by Her Majesty's subjects for whom the said Governor General in Council has power to legislate and belonging, under the Regulations hereinafter provided for, to any ports in the territories under the Government of the said Company, shall be deemed to be British ships for all the purposes of trade within the said limits, including the Cape of Good Hope, and the territories and dependencies thereof; provided that upon such declaration being made the said Governor General in Council shall, and the said Governor General in Council is hereby accordingly empowered to make Regulations, to be enforced by suitable penalties, concerning the registering, licensing, and ascertaining the admeasurement of the tonnage and burden, and generally for the trading within the limits aforesaid of such ships or vessels." And whereas it is further enacted in the same Statute as follows, that is to say: "And whereas it may be expedient to admit to similar privileges and advantages, any ships or vessels belonging to Native Princes or States in subordinate alliance with, or having subsidiary treaties with the East India Company, or owned by subjects of any such Princes or States, be it therefore enacted that the Governor General of India in Council may by such Regulations as aforesaid, such Re-

gulations being subject as aforesaid, admit to the privileges and advantages of British ships for the purposes of trade within the limits of the Charter of the said Company, including the Cape of Good Hope and the territories and dependencies thereof, or to any of such privileges and advantages, any ships or vessels belonging to such Princes or States, or any of them, or owned by subjects of any such Princes or States; but any such Regulations shall provide for the granting to such ships or vessels fit and convenient licences or passes, and generally for the trading within the limits aforesaid of such ships or vessels." And whereas in pursuance of such enactments it is expedient to frame such Regulations as are mentioned therein, the compliance with which shall be required in order that ships or vessels may be deemed British ships, or be admitted to the privileges and advantages of British ships under such Proclamation as aforesaid;—

It is hereby enacted, that no ship or vessel shall be deemed a British ship under such Proclamation as aforesaid (except as regards ships or vessels registered before the passing of this Act, or having a pass at the time of passing thereof) unless the person or persons claiming property therein shall have caused the same to have been registered at some one of the ports hereinafter mentioned within the territories of the East India Company, and shall have obtained a certificate of such registry from the person or persons authorized to make such registry and grant such certificate as hereinafter directed; the form of which certificate shall be as follows:

"This is to certify, that in pursuance of the Act No. X of 1841, of the Governor General of India in Council (here insert the names and occupation and residence of subscribing owners) having made and subscribed the declaration required by the said Act and having declared that (he or they) together with (names, occupations and residence of non-subscribing owners,) (is or are) sole owner or owners, in the proportions specified on the back hereof, of the ship or vessel called the (ship's name) of (place at which the vessel shall be registered) which is of the burthen of (number of tons), and whereof (master's name) is master, and that the said ship or vessel was (when and where built) and (name and employment of Surveying Officer) having certified to us, that the said ship or vessel has (number) decks and (number) masts; that her (here insert the measurement as ascertained by the rules hereinafter mentioned) that she is (how rigged) rigged with a (stand-

Registered tonnage to be repeated in every subsequent register.

prescribed such account of tonnage shall ever after be deemed the tonnage of such ship or vessel, and shall be repeated in every subsequent registry of such ship or vessel, unless it shall happen that any alteration has been made in the form of burthen of such ship or vessel, or it shall be discovered that the tonnage of such ship or vessel had been erroneously taken and computed.

Fraudulent use of Certificate.

XIV. And it is hereby enacted, that whenever the tonnage of any ship or vessel shall have been ascertained according to the rules herein prescribed such account of tonnage shall ever after be deemed the tonnage of such ship or vessel, and shall be repeated in every subsequent registry of such ship or vessel, unless it shall happen that any alteration has been made in the form of burthen of such ship or vessel, or it shall be discovered that the tonnage of such ship or vessel had been erroneously taken and computed.

XV. And it is hereby enacted, that if such certificate as aforesaid shall be sold, lent, or otherwise disposed of to any person or persons whatever than those for whose use it is granted, or shall be made use of for the service of any other ship or vessel than the ship or vessel for which it is granted, such certificate shall thenceforth be utterly void, and the master or any owner of the ship or vessel who shall be proved to have sold, lent, or disposed of such certificate or made use of the same as aforesaid, or shall have concurred in, or been privy to the committing any such offence, shall be liable upon conviction by information as aforesaid to a penalty not exceeding 10,000 rupees. And in case such ship or vessel shall be lost or taken by the enemy, burnt, or broken up or otherwise prevented from returning to the port at which she is registered, or shall on any account have lost and forfeited the privileges of a British ship, or shall have been seized and legally condemned for illicit trading, or shall have been taken in execution for debt and sold by due process of law, or shall have been sold to the Crown or the East India Company, or shall under any circumstances have been registered de novo, the certificate, if preserved, shall be delivered up, within one month after the arrival of the master in any port or place in the territories of the East India Company to the Registering Officer at such port, in default whereof the master or any of the owners shall be liable on conviction by information as aforesaid in a penalty not exceeding 5,000 rupees. And if any person not being such subject as aforesaid shall purchase or otherwise become entitled to the whole or to any part or share of or any interest in such ship or vessel, and the same shall be within the limits of any port of the territories of the East India Company, then and in such case the certificate of registry shall within seven days after such purchase or transfer of property in such ship or vessel, be delivered up to the Registering Officer at such port, and if such ship or vessel shall be in any place not within the territories of the East India Company when such purchase or transfer of property shall take place, then the certificate shall be delivered up within fourteen days after the arrival of such ship or vessel, or of the master thereof in any port of the territories of the East India Company to the Registering Officer at such port, in default whereof the master or any of the owners shall be liable on conviction before any Justice of the Peace in a penalty not exceeding 5,000 rupees recoverable in manner provided by Act No. 2 of 1839.

Change of Master.

XVI. And it is hereby enacted, that when and so often as the master of any ship or vessel registered in manner herein before

directed shall be changed, the master or owner of such ship or vessel shall deliver to the person or persons hereinbefore authorized to make such registry and grant such certificates of registry at the port where such change shall take place, if it be a port within the territories of the East India Company, the certificate of registry belonging to such ship or vessel, who shall thereupon indorse and subscribe a memorandum of such change, and shall forthwith give notice of the same to the proper officer of the port or place where such ship or vessel was last registered pursuant to this Act, who shall likewise make a memorandum of the same in the book of registers which is hereby directed and required to be kept, and shall forthwith give notice thereof in like manner as of the original entry. But if the change do not take place in any port within the territories of the East India Company, then such delivery, memorandum and indorsement shall be made and notice given at the first port within the territories of the East India Company at which the new master shall arrive after such change. In default of which delivery of the certificate such new master or any of the owners shall be liable on conviction before a Justice of the Peace, to a penalty not exceeding 5,000 rupees recoverable as aforesaid.

Name of Ship.

XVII. And it is hereby enacted, that it shall not be lawful for any owner or owners of any ship or vessel, to give any name to such ship or vessel other than that by which she was first registered in pursuance of this Act, and that the owner or owners of all and every ship or vessel which shall be so registered, shall before such ship or vessel after such registry, shall begin to take in any cargo, paint or cause to be painted, in white or yellow letters of a length of not less than four inches, upon a black ground on some conspicuous part of the stern, the name by which such ship or vessel shall have been registered pursuant to this Act, and the port to which she belongs in a distinct and legible manner, and shall so keep and preserve the same, and that if such owner or owners, or master or other person having or taking the charge or command of such ship or vessel, shall permit such ship or vessel to begin to take in cargo before the name of such ship or vessel has been so painted as aforesaid, or shall wilfully alter, erase, obliterate, or in any wise hide or conceal, or cause or procure or permit the same to be done or shall in any written or printed paper, or other document describe such ship or vessel by any name other than that by which she was first registered pursuant to this Act, or shall verbally describe, or cause or procure or permit such ship or vessel to be described by any other name to any Officer or Officers of Revenue in the due execution of his or their duty, then and in every such case the certificate of registry shall thenceforth become utterly void, and such owner or owners, or master or other person having or taking the charge or command of such ship or vessel shall be liable on information as aforesaid to a penalty not exceeding 10,000 rupees.

XVIII. And it is hereby enacted, that all and every person and persons who shall apply for a certificate of the registry of any ship or vessel shall, and they are hereby required to produce to the person or persons authorized to grant such certificate, a true and full particular under the hand of the builder of such ship or vessel, or in case the want of such certificate can be satisfactorily accounted for, then to produce other sufficient evidence of the proper denomination, and of the time when and

the place where such ship or vessel was built, and also an exact account of the tonnage of such ship or vessel, and shall also make and subscribe a declaration before the person or persons hereinbefore authorized to grant such certificate that the ship or vessel for which such certificate is required is the same with that which is so described by the builder as aforesaid.

Certificate lost or mislaid.

or mislaid, so that the same cannot be found or obtained for the use of such ship or vessel when needful, and proof thereof shall be made to the satisfaction of the Registering Officer of the port at which the ship is registered, such Officer shall and may, where the certificate shall have been lost or mislaid, permit such ship or vessel to be registered de novo, and a certificate thereof to be granted. Provided always, that if such ship or vessel be absent and far distant from the port to which she belongs, or by reason of the absence of the owner or owners, or of any other impediment, registry of the same cannot then be made in sufficient time, such Registering Officer shall and may grant a license for the present use of such ship or vessel, which license shall for the time and to the extent specified therein, and no longer, be of the same force and virtue as a certificate of registry granted under this Act. Provided always, that if the certificate of registry shall at any time afterwards be found, the same shall be forthwith delivered to the proper Officers of Customs to be cancelled, and that no illegal use be made of the same, in default whereof the original certificate and the renewed certificate and license shall thenceforth become utterly void, and any person wilfully detaining the certificate so required to be cancelled, or making any illegal use thereof, shall be liable on conviction before any Justice in a penalty not exceeding 5,000 rupees recoverable as aforesaid.

Detection of Certificate.

not proper that any person under any pretence whatever should detain the certificate of registry of any ship or vessel, or hold the same for any purpose other than the lawful use and navigation of the ship or vessel for which it was granted, it is therefore hereby enacted that in case any person who shall have received or obtained by any means or for any purpose whatever the certificate of the registry of any such ship or vessel (whether such person shall claim to be the master or to be the owner or one of the owners of such ship or vessel, or not,) shall wilfully detain and refuse to deliver up the same to the proper Officers of Customs, for the purposes of such ship or vessel, as occasion shall require, or to the person or persons having the actual command, possession, and management of such ship or vessel as the ostensible and reputed master, or as the ostensible and reputed owner or owners thereof, it may and shall be lawful to and for any such last mentioned person to make complaint on oath of such detainer and refusal to any Justice of the Peace residing near to the place where such detainer and refusal shall be, and on such complaint the said Justice shall and is hereby required by warrant under his hand & seal, to cause the person so complained against to be brought before him to be examined touching such detainer and refusal, and if it shall appear to the said Justice on examination of such person or otherwise that the said certificate of registry is not lost or mislaid, but is wilfully detained by the

XIX. And it is hereby enacted, that if the certificate of registry of any ship or vessel shall be lost

said person, such person shall be subject on conviction before such Justice to a penalty not exceeding 1,000 rupees, recoverable as aforesaid, and the said Justice shall, and he is hereby required to certify the aforesaid detainer, refusal, and conviction to the person or persons who granted such certificate of registry for such ship or vessel who shall, on the terms and conditions of law being complied with make registry of such ship or vessel de novo, and grant a certificate thereof conformably to law, notifying on the back of such certificate the ground upon which the ship or vessel was so registered de novo; and if the person who shall have detained and refused to deliver up such certificate of registry as aforesaid, or shall be verily believed to have detained the same, shall have absconded so that the said warrant of the Justice cannot be executed upon him, and proof thereof shall be made to the satisfaction of the Registering Officer of the port at which the ship or vessel was registered, it shall be lawful for the said Officer to permit such ship or vessel to be registered de novo, or otherwise in his discretion, to grant a license for the present use of such ship or vessel in like manner as is hereinbefore provided in the case whereina the certificate of registry is lost or mislaid.

XXI. And it is hereby enacted, that if any ship or vessel after she shall have been registered pursuant to the directions of this Act, shall in any manner whatever be altered so as not to correspond with all the particulars contained in the certificate of her registry, or if any alteration shall take place in the ownership of any ship or vessel, or of any share or shares thereof in such cases such ship or vessel shall be registered de novo in manner hereinbefore required as soon as she returns to the port to which she belongs, or to any other port within the territories of the East India Company, on failure whereof such ship or vessel shall be deemed to be a ship or vessel not duly registered, and any person making use of a certificate for the purposes of any ship or vessel which has been granted in respect of the same, after the same ought to have been registered de novo, shall be liable on conviction before any Justice to a penalty not exceeding 5,000 rupees recoverable as aforesaid.

Registration de novo.

XXII. And whereas great inconvenience may arise from the Registering Officers being served with subpoenas requiring them to bring with them and produce, on trials in Courts of Law relative to the ownership of vessels, or otherwise the declaration required to be taken by the owners thereof prior to the registering thereof, and the books of registry, or copies or extracts therefrom. And whereas it would tend much to the dispatch of business if the attendance of such Registering Officers with the same upon such trials were dispensed with, it is therefore hereby enacted, that the Registering Officer at any port or place, and the person or persons acting for them respectively, shall, upon every reasonable request by any person or persons whomsoever, produce and exhibit for his, her or their inspection and examination any declaration made by any such owner or owners, and also any register or entry in any book or books of registry required, and shall upon every reasonable request by any person or persons whomsoever, permit him, her or them to take a copy or copies, or an extract or extracts thereof respectively, and that the copy and copies of any such oath or declara-

Testimony of Registering Officers.

tion, registry or entry, shall upon being proved to be true copy or copies thereof respectively be allowed and received as evidence upon every trial at law, without the production of the original or originals, and without the testimony or attendance of any Registering Officer, or other person or persons acting for them respectively, in all cases, as fully and to all intents and purposes as such original or originals if produced by any Registering Officer, or other person or persons acting for them, could or might legally be admitted or received in evidence.

XXIII. And it is hereby enacted, that if any person or persons shall falsely make declaration to any of the matters hereinbefore

required to be verified by declaration, or if any person or persons shall counterfeit, erase, alter, or falsify any certificate or other instrument in writing required or directed to be obtained, granted, or produced by this Act, or shall knowingly or wilfully make use of any certificate or other instrument so counterfeited, erased, altered, falsified, or shall wilfully grant such certificate or other instrument in writing knowing it to be false, such person or persons shall for every such offence be liable on conviction upon information as aforesaid to a penalty not exceeding 10,000 rupees. And if any such offence be committed by the owner of any ship or vessel, the certificate of such ship or vessel shall thenceforth be wholly void.

XXIV. FORT WILLIAM.
THE 5TH JULY 1841.

The following Act passed by the Right Honorable the Governor General of India in Council on the 5th of July 1841, is hereby promulgated for general information.

ACT No. XI OF 1841.
An Act for consolidating and amending the Regulations concerning Military Courts of Requests for Native Officers and Soldiers in the Service of the East India Company.

I. It is hereby enacted, that all Regulations and parts of Regulations concerning Military Courts of Requests are repealed; provided always, that nothing in this Act contained shall be held to alter or affect the jurisdiction of a single Officer duly authorized and appointed under the Rules in force in the Madras and Bombay Presidencies for the trial of small suits

II. And it is hereby enacted, subject to the aforesaid proviso, that within the territories of the East India Company actions of debt and other personal actions against Native Officers, Soldiers and other persons amenable to Articles of War for the Native Forces in the Military Service of the East India Company, or residing within any Station or Cantonment, and carrying on any trade or business in a Military Bazaar, shall be cognizable before a Military Court and not elsewhere, provided the value in question shall not exceed 200 Rupees, and the defendant was a person of the description abovementioned, when the cause of action arose, and when the suit was instituted. Provided that no suit shall be brought before any Military Court under this Act to determine any dispute of caste or concerning any right to real property.

III. And it is hereby enacted, that the Commanding Officer of any Station or Cantonment, or Officer commanding any portion of Troops in the field, is authorized to convene such Military Courts. And such Courts shall be composed, according to the orders of the Commander in Chief for the time being of the Presidency within which the Station or Cantonment is situate, or in the absence of such orders, according to the discretion of the Convening Officer, either of not less than three European Commissioned Officers, or of not less than three Native Commissioned Officers, and in the latter case, with an European Officer of not less than five years' standing, to superintend and record the proceedings. Provided that if there be not a sufficient number of Officers to constitute a Court at the Station or Cantonment where any cause of action may arise, or where the defendant may be residing, the suit shall be determined at the nearest Station or Cantonment where a Military Court can be duly constituted as aforesaid.

IV. And it is hereby enacted, that such Military Court shall be convened monthly and shall be holden on some convenient day before the issue of the pay for each month.

V. And it is hereby enacted, that the forms of proceeding in every such Court shall be conformable to the usages observed on trials before Courts Martial held for the Native Troops in the service of the East India Company as far as the same are applicable. And any such Court shall have the like power of summoning witnesses as is possessed by Courts Martial. Provided always, that every such Court shall have the power of examining the parties to any suit and of requiring or dispensing with their attendance at its discretion. And every such Court shall have the like power of taking the examinations of absent parties and witnesses as is possessed by the Civil Courts of the East India Company, under Act No. VII. of 1841, provided that the depositions taken under a Commission issued by any Military Court of Requests shall be receivable in evidence before any such Court subsequently held; Provided also that Commissions may be issued by Military Courts of Request under this Act pursuant to the provisions of No. VII. of 1841, notwithstanding the Courts to which the Commissions may be directed are not situate beyond the jurisdiction of such Military Courts.

VI. And it is hereby enacted, that witnesses omitting to attend, refusing to give evidence, or committing perjury, and persons suborning witnesses to commit perjury, shall be tried and

punished, if amenable to Articles of War, by a Court Martial, subject to all the Rules contained in such Articles of War for the punishment of such offences in regard to trials for Military offences; and if not amenable to Articles of War, they may be tried and punished in the nearest of the Courts of the East India Company for the administration of Criminal Justice (whether such Court have ordinarily jurisdiction over such person in Criminal matters not) in like manner as if such offences had been committed in regard to any trial before such nearest Court.

VII. And it is hereby enacted, that any person, Civil or Military, European or Native, using menacing words, signs, or gestures, or otherwise interrupting (whether being personally present or not), the proceedings of any Military Court of Requests shall be punishable, if amenable to Articles of War, by a Court Martial or if not amenable to Articles of War, in the nearest of the Courts of the East India Company for the administration of Criminal Justice (whether such Court have ordinarily jurisdiction over such person in Criminal matters or not,) in like manner as if the offence had been committed in regard to any proceeding of the Court to which it is so referred.

VIII. And it is hereby enacted, that a record shall be kept of proceedings in every case tried before any Military Court of Request. And such record shall contain the substance of the evidence given and the nature of such evidence as may have been rejected on the ground of its not being legally admissible, or relevant, or on other grounds, and the same shall be signed by the Members of the said Court. And such record or a copy thereof shall, with as little delay as is practicable, after the conclusion of the proceedings, be transmitted by the European President, or Superintending Officer of every such Court to the Officer Commanding the Station or Cantonment.

IX. And it is hereby enacted, that where a demand shall exceed the amount of 200 Rupees, or where several separate demands shall exceed such amount, no more shall be recoverable from any one defendant by the same plaintiff or plaintiffs than the sum of 200 Rupees only—and the judgment in respect of any demand in a Court of Requests shall be a bar to the recovery of the same demand or of any other or further demand for the same cause of action in any other Court whatever, provided that the liability accrued before the time of instituting the suit in the Military Court—and it shall be competent for every such Military Court to investigate any counterclaim alleged by any defendant. And it shall be competent for every such Military Court to allow the interest for money agreed on between the parties, provided the same does not exceed the usage of the country in ordinary money transactions. And every contract made after the passing of this Act upon which a demand for debt exceeding 20 Rupees is founded, not being money due for goods bought and delivered, shall be in writing and expressed in the language of the defendant and signed by him, or on his behalf by some other person than the plaintiff. Provided that it shall not be competent to any Court of Requests to admit any suit for a debt which has accrued upwards of six years, unless a direct promise to pay made within six years of the commencement of the suit be proved.

X. And it is hereby enacted, that on failure of either of the parties to a suit to attend either personally or by representative, or to produce his witnesses according as he shall be required by any

Military Court of Requests, such Court on being satisfied that the party has been duly apprized of what is required of him, may proceed to the termination of the suit in his absence. And if the decree in any such case shall be against the plaintiff, it shall not be competent for him to commence a new suit for the same cause of action.

XI. And it is hereby enacted, that it shall be lawful for the Commanding Officer to whom the proceedings have been transmitted as aforesaid to return the same for revision either by the same or another Military Court of Requests. And in every such case the second decree shall be final, unless for error in points of law, when the same shall be transmitted to the Commander in Chief who shall have power to annul the proceedings without prejudice to any future suit, Provided always, that in the case of any new trial the Court may receive evidence which was not adduced at the first trial.

XII. And it is hereby enacted, that every plaintiff shall prefer his claim in writing and shall deliver the same to the Station Staff-Officer. The claims shall be entered in a Schedule by the Station Staff-Officer, which Schedule is to be sent to Adjutants of Corps or Heads of Departments two days at least before the assembly of the Court, and the Adjutants or Heads of Departments shall be responsible that the defendants belonging to their respective Corps or Establishments have been duly summoned.

XIII. And it is hereby enacted, that every decree of any Military Court of Requests shall be published in the Station Orders before the same is executed.

XIV. And it is hereby enacted, that the execution of decrees of Military Courts of Requests may be either general or special, according to the sentence of the Court. Provided always, that the Commanding Officer may, notwithstanding the direction of the Court, order that the execution shall be general or special at his discretion.

XV. And it is hereby enacted, that in cases in which the execution is to be general, the debt if not paid forthwith, shall under the authority of the Commanding Officer in writing to be signed by him, be levied by seizure and public sale of such of the Debtor's Goods (under which term are included houses or other erections within the limits of Stations and Cantonments) as may be found within the limits of the Station or Cantonment, or elsewhere; and if sufficient Goods are not to be found, the debtor. If not a Soldier, shall be arrested and imprisoned in any Civil Goal near to the Station or Cantonment, (for which purpose the provisions of Act. No. 2, of 1840 shall be applicable) or in any other convenient place of confinement situate within the limits of the Station or Cantonment, for the space of two months, unless the debt be sooner paid, and his Goods, if found within the limits of the Station or Cantonments or elsewhere at any subsequent time, shall be liable to be seized and sold in satisfaction of the

debt. And if the debtor be a Soldier and the debt be not liquidated by sale of his Effects, Accoutrements and Necessaries excepted, an order may be issued for payment of the residue by monthly deduction from the pay issued to the debtor under the Rules which follow.

XVI. And it is hereby enacted, that where the execution is to be special, the debt shall be satisfied out of the pay and allowances of the debtor and not otherwise. And a certificate of the decree and direction or order thereon certified under the hand of the Commanding Officer and signed by him shall be a sufficient authority for making such stoppages. Provided always, that no more than one half of the pay and allowances of any Commissioned Officer, or than one-fourth of the pay and allowances of any Non-Commissioned Officer or Soldier shall be stopped in any one month.

XVII. And it is hereby enacted, that in places beyond the Frontier of the territories of the East India Company, actions of debt and other personal actions may be brought before such Military Courts as aforesaid against persons so amenable as aforesaid for any amount of demand: Provided that such Military Courts beyond the Frontier shall be composed of European Officers—and provided, that if the amount of claim shall exceed 200 Rupees an appeal shall lie to the Court of Sudder Adawlut of the nearest Presidency according to the rules in force with regard to appeals from subordinate Civil Courts.

XVIII. And it is hereby enacted, that this Act shall not affect the proceedings upon any suit heretofore commenced or which shall be commenced before the tenth day of August next.
