LEGISLATIVE ENACTMENTS.

FORT WILLIAM, LEGISLATIVE DEPARTMENT, THE 11TH OCTOBER 1841.

The following Act passed by the Right Honorable the Governor General of India in Council on the 11th October 1841, is hereby promulgated for general information :

ACT No. XXII. OF 1841.

For amending the Law with respect to rates for Municipal purposes within the Town of Madras.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Madras shall be applied; and to abolish the practice which has hitherto prevailed, of levying five per cent, on the annual value of all houses, buildings and grounds without reference to the amount necessary for accomplishing the purposes of the rates; such percentage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per centage leviable by quarterly or other convenient rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas it is expedient to modify the provisions of the Statute 33, Geo. 3, Chap. 52, in regard to assessments for the Town of Madras, in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act:

It is hereby enacted, that the assessments which by the Statute 33, Geo. 3 Chap. 52, are authorized to be made for the Town of Madras, shall be applicable to the following purposes only, viz. lighting and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessment and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always, that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor in Council of Fort Saint George in Madras.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the rate-payers themselves, the Justices at their Quarter Sessions shall publish quarterly, or as required by the Local Government the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within three or more divisions of the Town to be indicated by the Governor in Council of Fort Saint George in Madras before this Act shall be allowed to come into operation, or such other divisions as the Governor in Council of Fort Saint George in Madras may from time to time direct, so long

as the assessment, collection or management of the rates for such divisions shall remain under the jurisdiction of the Justices.

IV.
