#### TERRITORIAL DEPARTMENT, FINANCE.

The great depreciation of the new Syasye Rupee coined at the Mint of His Highness the Guikwar, and now in circulation in the Baroda State, and in the Kaira and other Collectorates, having induced Government to cause a careful Assay of a quantity of the same to be made; it has been discovered that the present intrinsic value of that Coin does not exceed 87,714 decs. Company's Rupees per 100 Syasye Rupees. The Honorable the Governor in Council is therefore pleased to direct, that this rate be in future adopted by all Government Officers, in lieu of that hitherto acknowledged in respect to that coin.

By order of the Hon'ble  
the Governor in Council,  
W. R. MORRIS,  
Secy. to Govt.,

Bombay Castle, 9th November 1841.

"The covers are generally of such thin paper that the least jolting on a Hurkara Camel would cause this mishap, and I would certainly recommend News Paper Offices to use tougher material, or write the address on the paper itself."

MARINE DEPARTMENT.

Bombay Castle, 4th November 1841.

No. 132 of 1841.—Assistant Surgeon Impey is relieved from duty in the Indian Navy, and placed at the disposal of His Excellency the Commander in Chief.

Bombay Castle, 5th November 1841.

No. 133 of 1841.—The following Extract (Paras. 21 at 24, 26, 28 and 29) of a despatch from the Hon'ble the Court of Directors, No. 62, dated the 27th August last, is published for general information, Captains. . . . 4 21. The Establishment of which our despatch of the 30th January 1839, contem- Commanders. . . 8 plated that the Indian Navy might eventually consist, is therefore inadequate to the Lieutenants. . 40 performance of the duties required of it.—And in order that a sufficient number of Midshipmen. . 48 Officers may be always available for the various demands of the public service afloat or otherwise after making due allowances for furloughs or absence on sick leave, we have resolved that the following be the Establishment of the Indian Navy, allowing in accordance with the practice observed in the Royal Navy. Those Midshipmen who have passed their final examination to be styled "Mates" and to receive an increased rate of pay, viz.

Captains. . . . .	6
Commanders. . . . .	12
Lieutenants. . . . .	48
Mates and Midshipmen. . . . .	72

138

22. Of this aggregate number after deducting for absentees, a proportion of 1 | 3rd in the grades of Captains and Commanders, of 1 | 6th in that of Lieutenants, and of 1 | 10th in those of Mate and Midshipmen, there will remain Effective

- 4 Captains.
- 8 Commanders.
- 40 Lieutenants.
- 64 Mates and Midshipmen,

116

so that besides the Officers employed in the Ships and Boats already mentioned, there will generally be a few of each grade available for other duty.

23. And here it will be proper that we should state with reference to the concluding paragraph of the Governor's Minute of the 24th December respecting what are termed "Shore appointments" that it is desirable that the posts of Assistant to the Superintendent of the Indian Navy, of Assistant Secretary to the Military Board in the Naval Department, and of Draughtsman should be filled by Officers on the Effective List, holding either the rank of Commander or of Lieutenant, and with the exception of those three posts, it must be a rule that Officers accepting a Shore appointment must be removed altogether from the Effective List of the Indian Navy.

Salary Rs. 15000 per annum.

Pension—The retired pay which the Regulations would have entitled him at the time he resigned the active service.

24. The situation of "Master Attendant" is now reserved as an appointment for a Captain of the Indian Navy, on certain conditions, one of which being, that he shall first resign the active Service, and the office "Indian Naval Storekeeper," should also be reserved for one of the Captains of that Service upon the same terms and conditions, but we do not

propose to disturb the present tenure of Captain Simpson.

26. You will make the requisite promotions consequent upon the increase of Establishment authorized by this letter, and we shall take care to furnish you with an adequate supply of Young Gentlemen as Volunteers.

28. In conclusion, we would remark in reference to the Command Allowances of the new ratings, under Captain Oliver's Scheme of August 1839, which has already been adverted to, that in our Despatch of the 31st December 1839, we approved of a Scale, whereby we allowed to

A Captain of 1st Rate	Rs 900, a month.
"    "    2nd .. .. .	800, " .. "
Commander. 3rd .. .. .	600, " .. "
"    "    4th .. .. .	500, " .. "

Captain Oliver's Scheme makes no allusion to 1st Rate Vessels, and reduces the Command Allowance of 3d Rates to Rs. 500 per month, but it is our wish, that the Senior Officer in the Persian Gulph, should continue in the receipt of the first rate allowance; that when the Command of a 2nd rate be given to a Commander, the allowance be reduced from Rupees 800 to Rs. 700 a month, and that the allowance of a 3rd Rate Vessel when commanded by an Officer holding the rank of Commander should remain as before at Rs. 600 a month.

29. It being intended by the Scheme to place Lieutenants in Command of 4th Rates, the Command Allowance of that Class of Vessels at Rs. 400 a month is proper; but should the Command of a Vessel of the 4th Rate be given to a Commander, his allowance ought to be raised to the former amount, viz. Rs. 500 a month.

By order of the Hon'ble the Governor in Council,  
(Signed) P. M. MELVILL, Lieut. Col. Secy. to Govt.

## FORT WILLIAM, LEGISLATIVE DEPARTMENT, THE 11TH OCTOBER 1841.

The following Act passed by the Right Honorable the Governor General of India in Council on the 11th October 1841, is hereby promulgated for general information :

Act No. XXII. of 1841.

*For amending the Law with respect to rates for Municipal purposes within the Town of Madras.*

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Madras shall be applied; and to abolish the practice which has hitherto prevailed, of levying five per cent, on the annual value of all houses, buildings and grounds without reference to the amount necessary for accomplishing the purposes of the rates; such percentage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per-centage leviable by quarterly or other convenient rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose, And whereas it is expedient to modify the provisions of the Statute 33, Geo. 3, Cap. 52, in regard to assessments for the Town of Madras, in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act:

It is hereby enacted, that the assessments which by the Statute 33, Geo. 3 Chap. 52, are authorized to be made for the Town of Madras, shall be applicable to the following purposes only, viz. lighting and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessment and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always, that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor in Council of Fort Saint George in Madras.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the rate-payers themselves, the Justices at their Quarter Sessions shall publish quarterly, or as required by the Local Government the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within three or more divisions of the Town to be indicated by the Governor in Council of Fort Saint George in Madras before this Act shall be allowed to come into operation, or such other divisions as the Governor in Council of Fort Saint George in Madras may from time to time direct, so long

as the assessment, collection or management of the rates for such divisions shall remain under the jurisdiction of the Justices.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate payers of any of such respective divisions shall apply to the Governor in Council of Fort St. George in Madras, to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort St. George in Madras to authorize the same accordingly, at his discretion; provided always, that such majority of rate payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always, that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor in Council of Fort St. George in Madras upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor in Council of Fort St. George in Madras, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattels of the owner of any property rated shall be seizable anywhere (except where property is concealed as hereinafter mentioned) for deficiency in the payments of rates. And all property which shall be found upon any premises rated shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any *zenana*, the Officer charged with the execution of the warrant shall make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court of the Presidency.

IX. And it is hereby enacted, that it shall be lawful for any one Justice of the Peace for the Town of Madras to issue a Warrant of Distress for the recovery of the arrears of Assessment under this Act, or under the Statute 33, Geo. 3, Ch. 52, and every such Warrant shall have the same force and effect as if it were under the hands and seals of two such Justices.
