Notification.

SECRET DEPARTMENT.

Bombay Castle, 30th December 1841.

The Hon'ble the Governor in Council has the highest satisfaction in republishing for general information the following Notification issued on the 18th instant, under the orders of the Right Honorable the Governor General of India in Council, publishing two Proclamations addressed by Her Majesty's Plenipotentiary to British Subjects in China, announcing the reduction and occupation of the Cities of Chinhae and Ningpo, and the re-occupation of the City of Tinghae, the capital of Chusan, by Her Majesty's Naval and Military Forces.

By order of the Hon'ble
the Governor in Council,

J. P. WILLOUGHBY,
Offg. Chief Secy. to Govt.

FORT WILLIAM.

SECRET DEPARTMENT.

THE 18th DECEMBER 1841.

The Right Honorable the Governor General in Council has received two Proclamations addressed by Her Majesty's Plenipotentiary to British Subjects in China, announcing the reduction and occupation of the Cities of Chinhae and Ningpo, and the re-occupation of the City of Tinghae, the Capital of Chusan, by H. M.'s Naval and Military Forces, and His Lordship in Council has great satisfaction in publishing, for general information, these notices of the brilliant successes of H. M.'s Arms.

The Despatches from the Officers in Command of the Naval and Military Forces, engaged in these successful operations, will be hereafter published for general information.

By order of the Right Honorable the Governor General in Council.

T. H. MADDOCK,
Secy. to the Govt. of India.

CIRCULAR.

To Her Britannic Majesty's Subjects in China.

Her Britannic Majesty's Plenipotentiary in China has the utmost satisfaction in announcing, for general information, that the City of Tinghae, the Capital of the Chusan Group of Islands, was yesterday re-occupied by Her Majesty's Forces.

During the eight months that have elapsed since the Island was evacuated by Her Majesty's Forces in February 1841, the Chinese Government appears to have exerted itself greatly to strengthen the defences. The whole Sea-face of

the City is now one continued line of fortification, extending for nearly two miles, and Redoubts and Entrenched Camps have been thrown up in every direction.

The Chinese Troops made a better attempt at resistance than they have hitherto done, but nothing could withstand the intrepid valour and discipline of Her Majesty's Combined Forces, and in less than two hours the Batteries were cleared, the City escalated, and the Enemy flying in all directions.

Great quantities of Ordnance (amongst which are about forty pieces of Brass Cannon) other Arms and Military Stores of every description, besides magazines of Gunpowder and large Granaries of Rice, have been found, and, from a variety of concurrent circumstances, it is evident that the Chinese Authorities had no conception that the place could be taken in such rapid and gallant style.

Arrangements will be made immediately for establishing a Provisional Government, and Her Majesty's Plenipotentiary deems it advisable, after what has already happened, to intimate to Her Majesty's Subjects and all others, that under no circumstances, will Tinghae and its Dependencies be restored to the Chinese Government until the whole of the demands of England are not only complied with, but carried into full effect.

GOD SAVE THE QUEEN.

Dated on board Her Majesty's Ship *Blenheim*, in Chusan Harbour, this Second day of October, 1841.

(Sd.) HENRY POTTINGER,
Her Majesty's Plenipotentiary.

CIRCULAR.

To Her Britannic Majesty's Subjects in China.

Her Britannic Majesty's Plenipotentiary in China has the renewed extreme gratification of announcing, for general information, the further brilliant and important successes of Her Majesty's Combined Naval and Land Forces, in the reduction and occupation, on the 10th and 13th instant, respectively, of the Cities of Chinhai and Ningpo.

The City of Chinhai is situated at the mouth of the Taha, or Ningpo river, and was covered so strongly by its Citadel (a Fort built on a lofty head-land jutting into the Sea,) and a number of heavy batteries and Out-works on each Bank of the Estuary, that the Imperial Commissioner, Yukien, who had come specially to defend it, and the other Civil and Military Chinese authorities, appear, from their Proclamations, to have flattered themselves, even after their past and recent experience of the power of the British Arms, that the place could not be taken; but they were, as on all previous occasions, spec-

dily undeceived,—and, although the Chinese Troops displayed considerable bravery, and in many individual instances would neither retreat nor surrender, though deserted by their Officers and Comrades; the main bodies were driven from one rallying spot to another, and at length routed and entirely dispersed; whilst the Fort and Works were demolished or rendered utterly untenable, by the overwhelming and beautiful practice of the Squadron.

It is reported that a great many of the Chinese Officers of rank have fallen, with a large number of Men, but no precise information has yet been obtained on this point. The Imperial Commissioner is stated to have attempted to drown himself immediately after the battle, and to have since died at a short distance inland, from the effects of that attempt, or some other unexplained cause.

About one hundred and fifty pieces of Brass Ordnance, exclusive of iron Cannon, many hundred Jinglys and Wall pieces of various calibre, and some thousand Matchlocks and other Warlike Weapons were captured; besides which, several extensive Magazines of Gunpowder have been blown up, or otherwise destroyed.

It affords Her Majesty's Plenipotentiary the highest additional satisfaction to add, that this achievement has been happily effected with a much smaller loss on our side than could have been almost hoped for, there being only five killed and about thirty wounded of all Arms, of Her Majesty's Forces.

The necessary arrangements having been made,

and reconnoissances had, during the 11th and 12th instant, the Squadron named in the margin, carrying the Troops, Marines, and extra Seamen from the Ships left behind, moved on the 13th up the river to Ningpo, which was found undefended, the Chinese Soldiers

having positively refused to face our Troops again, in consequence of which the Civil Mandarins and all the Military Officers fled from the City about two hours before the Squadron reached it. The City was therefore peaceably occupied by the Troops under His Excellency Sir Hugh Gough, K. C. B., and the Ships moored in the River within one hundred yards of the Wall.

“ GOD SAVE THE QUEEN.”
