No. 14 of 1842.

GENERAL ORDERS BY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, 19th January 1842.

The Hon'ble the Court of Directors having provided Cloth, of English manufacture, for the gratuitous supply of Great Coats to the European Foot Artillery, and Regiments of European Infantry, in Her Majesty's and the Hon'ble Company's Service, Officers Commanding all such Corps will transmit indents, prepared according to annexed form No. 1, to the Secretary to the Clothing Board, and to the Army Clothing Agents in their respective Divisions, with whom muster patterns will be lodged, and on the receipt of the Great Coats, distribution statements will be forwarded to those Departments, as prescribed for other Clothing.

2. The Cloth provided being of a description very superior to that in use for similar purposes with Infantry Regiments the Coats will, under no circumstances, be replaced under six years, nor are they to be supplied to a Regiment or to individuals as a matter of course at the expiration of that period; but only as the necessity for such supply may be satisfactorily established by the report of a Committee of Survey; moreover, it is not intended they should ever be considered the property of the Soldier: they are to be taken care of in the same manner, as his other necessaries, any loss occasioned by his neglect, is to be made good from his pay, and whenever any Great Coats are condemned as unserviceable, the survey report should specify the date, or dates of issue, and they are to be returned into Regimental Store, to be held at the disposal of the Clothing Board for the advantage of the state. An indent to replace the number condemned, if necessary, to be submitted with the survey report.

3. The month and year when issued from the Agencies, to be marked on the Great Coats, in such manner as not to be removed.

4. Quarter Masters of Regiments will be held responsible for the number supplied, on indent, and that on the occurrence of any Casualties, the Great Coats are to be returned into Regimental Store, and carefully preserved for issue to Recruits. A special report is to be made by the Officer Commanding the Regiment to the Secretary to the Clothing Board, when the number in Store is likely to cause detriment or inconvenience to the public Service.

5. The Secretary to the Clothing Board to be furnished, on the 1st January of each year, with an annual return of the Great Coats, according to annexed form No. 2.

GENERAL ORDER BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.
Fort William, 2d March 1842.

The Right Honorable the Governor General of India in Council has great gratification in publishing for the information of the Army, the following Paragraphs which His Lordship in Council has been informed by the Secretary to the Honorable the Court of Directors, will form the next Military Letter to the Governor General of India in Council.

Para. 1. We take the earliest opportunity of apprizing you, that as a mark of the high sense which Her Majesty entertains of the gallant behaviour and successful exertions of the Officers and Men of Her Majesty's and of our Service employed in the late operations in China, the Queen has been graciously pleased to direct, that a grant be made to them of a portion of a sum of money received from the Chinese authorities at Canton under the convention concluded by Captain Elliot.

2. We now enclose a Copy of a Minute by the Lords Commissioners of Her Majesty's Treasury, directing that Her Majesty's grant shall consist of the following allowances, vizt.

1st. "To the Officers and Men employed in the operations against Canton in 1841, (eighteen hundred and forty one) twelve month's full Batta.

2d. "To the officers and Men not entitled to share under the preceding paragraph who were employed in the operations on the Coast of China from the commencement of hostilities to the end of the month of June 1841, (eighteen hundred and forty one) twelve month's full Batta."

3rd. "To those employed only at Ningpo, Chusan, and in the operations in the Canton River in 1840, (eighteen hundred and forty) or in one only of those operations, six month's full Batta.

"A deduction will necessarily be made from this allowance in either case of any sum which may have been already given as gratuity to any portion of the Force employed."

"It is further the pleasure of Her Majesty that the Officers, Petty Officers, Seamen, and Marines of Her Majesty's Fleet should receive the same allowance of full Batta, as are accorded to the corresponding ranks in the Land Forces employed, and further that the Officers and Men of the East India Company's Steamers should receive the allowance as Officers and Men of Her Majesty's Ships."

3d. You will take the necessary measures for carrying these instructions into effect.
