Bombay Castle, 3rd May 1842.

No. 339 of 1842.—The following order is confirmed.

An order by Lieutenant Colonel Hicks, dated the 9th ultimo, appointing Lieutenant Morison to act as Quarter Master to the 2nd Grenadier Regiment Native Infantry, during the absence of Lieutenant Schuicider or until further orders.

No. 340 of 1842.—The Hon'ble the Governor in Council is pleased to authorize Regimental Officers and Staff Officers of Stations on their certifying such relief to be absolutely and indispensably necessary to draw advances from the Pay Office for the purpose of subsisting the Widows or Heirs of Native Soldiers deceased on Foreign Service, until their claims can be disposed of by Government, the amount of subsistence to be left to the discretion of those Officers, but not in any case to exceed three fourths of the rate of Pension the Heir may be entitled to, according to the rank of the deceased.

The Officers drawing these advances are held responsible for any improper payment since if due care be exercised no mistake can occur, for the Pension rules laid down in Paragraphs 121 and 152, of the Separate General Order No. 2 of 1842, are so very plain, that the Officer drawing the advance to guard against any error of this nature will have only to satisfy himself as to the relationship of the Widow or other person, and of her or his, being the constituted Heir, and that the casualty took place on *Foreign Service*.

In cases of doubt, the Officers concerned may apply for advice to the Military Auditor General through the Pay Department.

On the Party (who is to remain at the Station where the partial payment is made until finally disposed of) being admitted to the Pension Establishment in General Orders, the advance is to cease, and abstracts preferred for arrears of Pension from which the Pay Master will deduct the amount previously advanced, but they will, in no case, be relieved from the responsibility, in cases where advances may be drawn on account of persons not entitled to Pensions.

The Military Accountant will be pleased to instruct Pay Masters, as to the mode in which these advances are to be entered in their accounts.

Bombay Castle, 4th May 1842.

No. 341 of 1842.—Captain Whichelo, Senior Assistant Commissary General, is directed to take charge of the Deputy Commissary General's Office at the Presidency, and Captain Threshie is directed to proceed to Poona to re-place Captain Whichelo.

No. 342 of 1842.—By a Resolution passed in the General Department dated 27th ultimo, Assistant Surgeon W. Bowie, is directed to proceed to Broach to relieve Assistant Surgeon A. Burn placed at the disposal of His Excellency the Commander in Chief as a temporary measure.

No. 343 of 1842.—By a resolution passed in the General Department dated 27th ultimo, the following arrangements have been made.

First Grade Apprentice Narrain Mahdew, now in the Native General Hospital, to be transferred to the Military Department.

First Grade Apprentice Sew Boir, now in the Civil Hospital at Rutnagheere, to be transferred to the Native General Hospital, vice Naarain Mahdew.

By order of the Hon'ble the Governor in Council,

(without either notice to, or concurrence on the part of any person whomsoever) to sell the
Goods and to repay to the Company the amount of the Advances made thereon, by retain-
ing from the Sale Proceeds the amount of Principal and Interest due upon the Bills (should
any have accrued), and of all charges: the Company, on the other hand, allowing us dis-

you may at the time be drawing Bills upon your Government there.

We hereby further authorize your Honourable Court, on payment of the Bills, to make
over the Goods, subject to any of the conditions which may then attach to them, to Messrs.
our Agents, with whom we further authorize you to transact
