LEGISLATIVE ENACTMENTS.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 22D APRIL 1842.

The following Draft of a proposed Act was read in Council for the first time on the 22d April, 1842.

ACT No. — of 1842.

For the better collection of Revenue from Lands within the Bombay Presidency, of which the Revenue has been alienated by the State.

I. Whereas it is expedient to authorize the grant by the Governor in Council of Bombay of Commissions to certain Jageerdars, at the discretion of the said Governor in Council, by virtue of which such Jageerdars shall possess increased powers for collecting the Revenue due to them in respect of Lands within the Bombay Presidency of which the Revenue has been alienated by the State.

It is hereby enacted, that it shall be lawful for the Governor in Council of Bombay, to grant to any Jageerdar, Surinjardar, Inamdar, or other person holding Lands, the Revenue of which has been alienated to him by the State, a Commission conferring upon him authority for the collection of such Revenue by the powers hereinafter mentioned, or such of them as shall be specified in the Commission in addition to the powers now exercisable by law.

II. And it is hereby enacted, that such Commission shall be granted or withheld, and, when granted shall be liable to be withdrawn at the discretion of Government, and such Commission may, if the Governor in Council of Bombay see fit, include one or more Agents of such Jageerdar or other holder of alienated Lands as well as such holder in person.

III. And it is hereby enacted, that the holder of such Commission shall have authority to demand security for the payment of the Land Revenue, in respect of the Lands specified in the Commissions, and, if the same be not furnished, to take such precaution as the Collector is authorized, to take under Section XI. Regulation XVII. of 1827, Bombay Code.

IV. And it is hereby enacted, that the holder of such Commission shall have authority to send Mohussuls or Defaulters under the Provisions of Clauses 2, 3, 4, 5, Section XII. Regulation XVII. of 1827, Bombay Code, provided that one foot Mohussul only be employed in each case, and that the Mohussullee shall cease on the enforcement of any other remedy for the collection of the Revenue, except the taking of such security as aforesaid.

V. And it is hereby enacted, that the holder of any such Commission shall be authorized to attach the property of persons making default in the payment of such Revenue as aforesaid, making an immediate report to the Collector or his Assistant of his having done so, and should the demand on account of which the attachment may be made appear to the Collector or his Assistant to be just, he shall give orders for the sale of such property, and the sale shall be conducted agreeably to the Provisions of Clause VII. Sect. XII. Regulation XVII. of 1827, Bombay Code, except in cases in which the holder of the Commission by whom the attachment has been made shall be a Jageerdar, Surinjardar or Inamdar, vested by Regulation XIII. of 1830, with civil jurisdiction and with power to execute his own decrees or his Agents, when the sale shall be conducted by him, and not by the Collector and his subordinate Revenue Officers.

VI. And it is hereby enacted, that if the Revenue or rent payable by any Malgoozar or Ryot to a Jageerdar or other holder of Government alienated lands shall have been fixed by a Government Officer before the grant of the Land in Jageer, or if any Malgoozar or Ryot have paid at the same rate on account of any land for five years consecutively, or if the rent tendered by any Malgoozar or Ryot be at the usual rate payable for the Land according to the custom of the Village and Pergunna as declared by the Koolkurnee and other Local Officers of Revenue, the demand by any Jageerdar under color of this Act of an excess of rent beyond the amount due, as above provided shall be deemed to be extortion, and the person against whom such demand shall have been made shall obtain upon any judgment being passed after regular or summary trial three times the amount of any such excessive demand as damages for the same. Provided, however, that nothing herein prescribed or contained shall prevent a Jageerdar or other Lakhirajdar from instituting a suit in any Court of competent jurisdiction for the purpose of establishing his claim to re-assess the Lands of any Malgoozar or Ryot who may be paying less than the full Jumma to which he is justly liable, and upon the Jageertars obtaining a decree adjudging to him such power the demand made by him under such decree, shall if conformable thereto be deemed a legal demand for arrears, and shall be lovable by the same process as is above provided for other arrears due.

VII. And it is hereby enacted, that no Jageerdar shall proceed under this Act by arrest or by distraint and sale of effects for any arrear of longer standing than one year from the date of instituting such process.

VIII. And it is hereby enacted, that the holder of any such Commission as is above described shall be liable to the same penalty for an excessive demand of Revenue or rent as other Jageerdars.

IX. And it is hereby enacted, that all compulsory process under this Act shall cease on the alleged defaulter furnishing security to pay the amount which may be decreed against him with costs and interest in a Court competent to try such suits, provided that such suits in which any one of the privileged classes established by Regulation XXIX. of 1827, Sections III. and IV. and by Regulation VII. of 1830, Bombay Code, may be the defendant, shall be tried before the Collector and his Assistants. Any thing in Regulations I and XVI. of 1831, notwithstanding, and any holder of any such Commission as aforesaid by himself or his Agents proceeding with any compulsory process under this Act after the furnishing of such security as aforesaid, or after the due tender thereof shall forfeit all the Revenue sought to be recovered by such compulsory process.

Ordered, that the Draft now read, be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 22d day of July next.

Offy. Secy. to the Govt. of India.

AUGUSTOS E DIGNISSIMOS SENHORES REPRESENTANTES DA NAÇÃO.

Ao encerrar a presente Sessão Legislativa sinto grande jubilo em agradecer-vos os relevantes serviços, que haveis prestado ao Imperio.

Aconselhado pelo Bem-publico a estender por mais de uma vez o termo de vossos trabalhos, achei-vos firmes no posto de honra, em que a Nação vos collocou. A' vossa patriótica perseverança deve o

Brazil os consideraveis melhoramentos, que vai experimentar em suas Leis criminaes, e administrativas; a essa patriotica perseverança he devida a prestação dos meios indispensaveis com que habilitastes o meu Governo para continuar a marcha regular da Administração, e para caminhar desempegado no empenho de acabar com a desastrosa rebelião, que ainda opprime a Provincia de São Pedro do Rio Grande do Sul.

Augustos e Dignissimos Senhores Representantes da Nação, he tempo de repousar. Nos vossos lares continuareis a bem-merecer da Patria, se procurardes, como espero, inspirar nos animos de meus amados Subditos o espirito de Ordem, que vos caracteriza, e de que tanto depende a publica felicidade.

Naquella mesma Circular vem transcripta o resultado das medidas que a Administração actual do Governo de S. M. Imperial, fez sentir immediatamente ao Corpo Legislativo, e as que absolutamente se fazião necessarias tomar para tirar o Paiz da má organização em que se achava, e dar mais vigor a acção do Governo, e mais força ao elemento Monarchico da Constituição do Imperio. Nas differentes prorrogações que tiverem logar durante as quaes a grande maioria que sustenta o Governo, se conservou firme na Corte, com grande sacrificio de muitos Deputados e Senadores residentes nas Provincias, passarão Leis da maior importancia politica, taes são as que abaixo transcrevo.

1ro. A que dá exclusivamente ao Imperador o direito de nomear os Vices Presidentes das Provincias, que até agora erão da nomeação das Assembleas Provincias, podendo apenas o Imperador inverter a ordem dessa nomeação.

2do. Aque reforma o Codigo do Processo Criminal, e entre outras disposições importantes, tira dos Juizes de Paz as attribuições Policiaes, e a da dos Juizes da nomeação do Governo.

3ro. Aque restabelece o Juizo dos Feitos da Fazenda, e habilita melhor o Governo, para a arrecadação das rendas publicas.

4to. Aque concede ao mesmo Governo hum Credito de Seis Mil Contos de Reis, alem da receita ordinaria.

5to. Aque o authoriza para fazer Regulamentos tendentes a evitar o Commercio que com os Rebeldes fazem os Negociantes no Rio Grande do Sul.

6to. Aque melhora os soldos dos Militares de Mar e Terra.

7mo. Aque igualmente o authoriza para organizar o Quadro do Exercito e da Armada.

8vo. Aque permite nas Provincias da Bahia, Pernambuco, e Maranhão, a circulaçào, e pagamentos de Juros das Apolices da Divida Publica Fundada.

9no. Aque crea hum Conselho de Estado.

10mo. Aque reconhece como Princeza Brasileira a Senhora D. Maria Amelia, Filha Legitima de Suas Magestades o fallecido Senhor D. Pedro Iro., e a Senhora Imperatriz D. Amelia.

11mo. Aque crea hum Azylo de Invalidos para a classe Militar.

12mo. Aque authoriza o Governo a destacar em quanto durar a rebelião do Rio Grande do Sul, ate Sinco Mil Homens da Guarda Nacional de todo o Imperio, para supprir as faltas de Tropa de linha.

13ro. Finalmente a Lei do Orçamento, na qual forão adoptados muitas disposições tendentes ao augmento da Renda publica; e outras em que he o Governo authorizado a fazer reformas importantes na repartiçào da Fazenda, na Secretarias de Estado, nos Arsenaes, Intendencias, e na Administração do Correo Geral, bem como a contractar em maior escala o serviço dos Paquetes de Vapor no Littoral do Im-

perio: alem de varias Resoluções de menor monta, mas que concorreu sem duvida para melhoramento que o Paiz reclamava.

Estes forão os resultados, dos trabalhos no Corpo Legislativo naquella Sessão durante a Administração actual, nao obstante os maiores esforços, empregados em contrario pela muita diuinuta, mas muito tenaz opposição.

Estes resultados prova em primeiro lugar, que o Governo actual comprehendendo as necessidades do Paiz, nao se descuidou de procurar satisfazer-las logo no começo do reinado de Sua Magestade o Imperador como muito convinha. Em segundo prova outro sim, que o Corpo Legislativo do Imperio estava possuido daquellas mesmas necessidades, e disposto a occorrer a ellas, mostrando, que não he em vão que o Governo Imperial appella para o seu patriotismo.

E posto que alguns discursos Parlamentares dos Membros da Opposição e seus Jornaes, pertendessem fazer acreditar no Paiz e fora delle que as Provincias se revoltarião com taes medidas.

O Governo Imperial está bem convencido com a grande maioria sensata da Nação Brasileira, e quaesquer esforços dos inimigos da ordem e da Monarchia Representativa serião baldados (embora se acobertem com esse pretexto) attento o bom senso Nacional e mediante a vigilancia da Authoridade Publica.

O Imperio acha-se em perfeito socego, e posteriormente ao resultado daquellas medidas urgentes deliberadas por o Corpo Legislativo que teve logar naquellas differentes prorrogações da referida Sessão apparecem noticias do mesmo Imperio ate 16 de Fevereiro deste anno, transcriptas no Pregoeiro da Liberdade No. 20, de 14 de Maio, Jornal que não he suspeito, e em obsequio da verdade, declara o melhoramento que tem havido naquelle rico e vasto Imperio, durante a Administração actual, vindas do Rio de Janeiro pela Barca *Henry Duncan*, como transcrevo abaixo:

Pela Barca *Henry Duncan*, vinda do Rio de Janeiro, tivemos cartas e periodicos daquelle Imperio ate 16 de Fevereiro. As forças Imperiaes tinham ultimamente alcançado vantagens decididas sobre os Insurgentes do Rio Grande do Sul. Em todo o resto do Imperio segundo pudemos colher d' uma vista muita ligeira que passamos pelos periodicos, reinava perfeito socego. O Imperio parece que vai fazendo progressos rapidos em melhoramento materiaes. Ja ali estavam em uso commum Vapores, e diversas outras Maquinas, que supprem a falta de braços. Começarão a apparecer em diversos pontos do Imperio Colonias Agriculas, e Industriaes, que diffundindo pelo Paiz conchecimentos uteis e praticos devem grandemente concorrer para acelerar a marcha da Civilização naquelle tão vasto e rico Imperio.

Alem desta publicação, receberam-se cartas por aquelle mesmo Navio, em que dizem—Conservão-se com as Pastas do Governo de Sua Magestade Imperial, a dos Estrangeiros os Senhores—Aureliano de Souza e Oliveira Coutinho—Jozé Clemente, com a da Guerra—Calmão, Fazenda—O Marquez de Paranagua, Marinha—Candido Joze de Araujo Viana, Imperio—e o Paulino Joze Suares de Souza, Justiça—os quaes tem em ambas as Camaras grande maioria, e assim elles tivessem obrado com maior energia que he mister, para fazer callar os rusguentes, mas apezar disto toda a gente boa esta contente com esta Administração, pelas medidas que tem tomado, junto com a maioria das Camaras, para as prosperidades deste Imperio, e concorrido para a tranquillidade publica em que se acha.

Faço esta publicação, para destruir quaesquer fallacidades que por ventura possão espalhar aquelles, que não estão ao facto do estado actual daquelle Imperio, a que tenho a honra de pertencer.

Consulado Geral do Imperio do Brazil em Bombaim, aos 21 de Maio de 1842.
