LEGISLATIVE ENACTMENTS.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 3D JUNE, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 3d of June 1842.

ACT No. — OF 1842.

An Act for regulating the Emigration of the Native Inhabitants of the Territories under the Government of the East India Company to the Island of Mauritius.

I. Whereas it hath been ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Majesty's Privy Council, as follows:

AT THE COURT AT WINDSOR,

THE 15TH OF JANUARY, 1842.

PRESENT.

THE QUEEN'S MOST EXCELLENT MAJESTY.

HIS ROYAL HIGHNESS PRINCE ALBERT.

Lord President.	Lord FitzGerald & Vescei.
Lord Privy Seal.	Sir Robert Peel, Bt.
Lord Steward.	Mr. Chancellor of the
Lord Chamberlain.	Exchequer,
Earl of Jersey.	Sir James Graham, Bt.
Earl of Ripon.	Sir Edward Knatchbull,
Lord Stanley.	Bart.

Whereas it is probable that the Laws now in force in British India for preventing the Emigration of the Inhabitants thereof to Her Majesty's Colonial possessions will be shortly repealed so far as regards emigration to the Island of Mauritius, and that such last mentioned emigration will be sanctioned by Laws to be for that purpose enacted in India, subject to various provisions to be in such Laws made for the protection of such Emigrants, and for the prevention of abuses. And whereas it is probable that amongst the provisions so to be made, as last aforesaid, will be a provision for enabling the Governor General of India to appoint at ports or places in India, Officers charged with the care, protection and superintendence of all persons proposing to emigrate as Labourers from India to Mauritius. And whereas it is probable that provision will be made by Law at Mauritius for defraying from the public Revenue of that Island the expense of introducing emigration thither from British India. And whereas it is necessary that effectual provision should be made by Law at Mauritius for regulating any such expenditure, and for the prevention of abuses in the introduction of Emigrants from British India into that Island—it is therefore hereby ordered by the Queen's Most Excellent Majesty, by and with the advice of her Majesty's Privy Council, that in the event of any Law being made in British India, authorizing the emigration to Mauritius of the Natives of India, and repealing the restrictions now in force there in regard to such emigrations, and in the event of any such Laws, containing provisions, enabling the Governor General of India to appoint at the several ports of embarkation in India, Officers charged with the protection of persons emigrating from such ports to Mauritius, the various Rules and Regulations comprized, and set forth in the Schedule to this present order subjoined, shall within the Island of Mauritius have the force and effect of Law, and shall be observed and carried into effect by all Her Majesty's Officers, Civil and Military, in Mauritius, and by all Her Majesty's subjects within the same Island as to them may respectively appertain.

And the Right Hon'ble Lord Stanley, one of Her Majesty's Principal Secretaries of State, is to give the necessary instructions herein accordingly.

(Signed) C. GREVILLE.

The Schedule referred to in the preceding Order, comprising the Rules and Regulations to be observed at Mauritius in regard to Emigrants from British India, resorting to and arriving at that Island.

1st. The Governor of Mauritius may from time to time nominate such persons as he shall see fit to act as Emigration Agents at any port or place in India, while the Governor General of India may designate as a port or place for the embarkation of Emigrants to Mauritius, and may also from time to time nominate a proper person to act as Protector of Emigrants at Mauritius.

2nd. The remuneration to be given to any such Agent in India, shall not depend upon or be regulated by the number of the Emigrants sent to Mauritius by him, but shall be in the nature of an annual salary.

3rd. Every such Emigration Agent shall ascertain by personal communication with every Emigrant previously to his or her embarkation from the port or place for which such Agent shall be appointed, that such Emigrant has not been induced to emigrate by any fraud, false nor unreasonable expectation, and is aware of the distance of Mauritius from the place where he or she is about to emigrate; and such Agent shall explain the real advantages likely to be derived by such Emigrants from a removal to Mauritius, at the same time cautioning such Emigrant against unreasonable and unwarrantable expectations; and such Agent shall also ascertain that every such Emigrant is in good health, and not incapacitated from labour by old age, bodily infirmity, or disease.

4th. It shall not be lawful to ship on board of any Ship or Vessel carrying Emigrants from India to Mauritius, any number of Passengers exceeding the proportion of one person for every two Tons of the Registered burthen of such Ship or Vessel, and no such Ship or Vessel carrying Emigrants, and having more than one Deck, shall have less than the height of six feet at the least between Decks, and in case such Ship or Vessel shall have only one Deck, a Platform shall be laid beneath such Deck, and in such manner as to afford a space of the height of six feet at the least, and that such Platform shall not be so laid as that the lower beams shall project above the same, and that no such Ship or Vessel shall have more than two tiers of berths, and that no such Ship or Vessel shall carry Passengers on any such voyage to Mauritius unless there shall be an interval of six inches at least between the Deck or Platform, and the floor of the lower tier throughout the whole extent thereof; and whatever may be the Tonnage of the Ship or Vessel, no greater number of Passengers shall be taken on board of such Ship or Vessel than shall be after the rate of one such person for every twelve superficial feet of the lower Deck or Platform, unoccupied by goods or stores, not being the personal luggage of such persons.

5th. In the computation of the number of Passengers within the meaning of these Regulations, two children under the age of ten years, shall be considered as equal to and shall be reckoned as one person only.

water being carried in Tanks or sweet Casks, and a supply of Rice, Bread, Biscuit, Flour, Oatmeal, or Bread stuffs, to the amount of seven pounds weight to every week of the computed voyage for every such Passenger. Provided always, that when any such Ship or Vessel shall be destined to call at a port or place in the course of her voyage for the purpose of filling up her water casks, a supply of water at the rate before mentioned for every week of an average voyage to such port or place of calling shall be deemed to be a compliance with this Regulation. And provided that the preceding Regulation regarding food shall be deemed to have been complied within any case where it shall be made to appear that by the special authority of the Governor General of India, any other articles of food were substituted for the articles above enumerated as being in his judgment equivalent thereto.

7th. The number of weeks which shall be deemed necessary for the voyage to Mauritius from any port or ports in India, shall be such as shall from time to time be determined by any Law or Ordinance to be promulgated for that purpose by the Governor General of India in Council, and according to any such Law or Ordinance shall and may be further determined whether at different periods of the year different estimations are to be made of the probable length of any such voyage, and if by any such Law or Ordinance the removal of Emigrants should during any particular period of the year be prohibited altogether then any such removal during such prohibited period, shall in Mauritius be regarded, dealt with, and punished as an infringement of these present Regulations.

8th. Before any such Ship or Vessel shall be cleared out, on any such voyage the Agents appointed under this Ordinance for the port or place from which such Ship or Vessel shall be cleared out, shall survey or cause to be surveyed by some competent person, the provisions and water hereinbefore required to be on board for the consumption of Passengers, and shall ascertain that the same are in good and sweet condition, and also that over and above the same there is on board an ample supply of water and stores for the victualling of the Crew of the Ship or Vessel, and shall also ascertain that such Ship or Vessel is generally reputed seaworthy, and that the directions hereinbefore contained for insuring the health and safety of the Passengers have been complied with, and shall grant a Certificate thereof under his hand to the Master of such Ship or Vessel.
