**SECRET DEPARTMENT.***Bombay Castle, 13th July 1842.*

The Hon'ble the Governor in Council is pleased to re-publish for general information, the following Notification issued at Allahabad, on the 2d Instant, under the orders of the Right Hon'ble the Governor General of India.

*By order of the Honorable  
the Governor in Council.*

*Secy. to Govt.*

**NOTIFICATION.****SECRET DEPARTMENT, ALLAHABAD, JULY 2D 1842.**

The Governor General has great satisfaction in making public the following despatch from Major General Nott, and the report from Captain Craigie, Commanding the garrison of Kelat-i-Ghilzie, of the gallant and successful defence made by that garrison against a large force of Afghans by which it was assaulted. On this occasion the late Shah Soojah's 3rd Regiment of Infantry, and the Detachment of the Bengal 43d Regiment Native Infantry displayed that decided superiority over their enemies which has been uniformly manifested by the several Corps composing Major General Nott's Army.

*By order of the Right Hon'ble  
the Governor General.*  
**T. H. MADDOCK,**  
*Secy. to the Government of India,  
with the Governor General.*

From Major General W. NOTT,  
*Commanding Lower Afghanistan and Scinde,*

To T. H. MADDOCK Esq.,  
*Secretary to the Government of India,  
with the Governor General,  
Head Quarters.*

SIR,  
I have the honor to acquaint you, for the information of the Right Honorable the Governor General of India, that an attack was made on the Fort of Kelat-i-Ghilzie on the morning of the 21st instant, by a body of four thousand Ghilzies: the accompanying letter from Captain Craigie details the result.

I am, &c.  
(Signed) W. NOTT, *Major General,  
Comdg. Lower Afghanistan and Scinde.*  
*Candahar, the 27th May, 1842.*

From Captain J. H. CRAIGIE,  
*Commanding Kelat-i-Ghilzie,*  
To Captain THOS. POLWHELE,  
*Deputy Assistant Adjutant General.*

SIR,  
I have the honor to report for the information of Major General Nott, commanding in Lower Afghanistan and Scinde, that Kelat-i-Ghilzie was attacked at  $\frac{1}{4}$  before 4 o'clock this morning, in two places, viz., at the long neck to the north east, and at an out-work constructed last winter by the Sepoys, to give a raking fire in rear of the barracks.

The enemy advanced to the assault in the most determined manner, each column consisting of upwards of two thousand men, provided with 30 scaling ladders; but after an hour's fighting, were repulsed and driven down the hill, losing 5 standards (one of which was planted three times in one of the embrasures) and the whole of which are now in our possession.

Of the enemy's loss I am unable to give any correct account, as their killed and wounded, during the greater part of the attack, were immediately

taken to the rear; but one hundred and four (104) dead bodies were left on the slope of the hill, and from 6 A. M. till 3 P. M. the enemy were employed in carrying off such of their dead and wounded as had been taken to the rear.

The greatest gallantry and coolness were displayed by every Commissioned, Non-Commissioned Officer and Private (both European and Native) engaged in meeting the attack of the enemy, several of whom were bayoneted on the top of the sand bags, forming our parapets. On our side, I am happy to say, only six (6) Sepoys were wounded, viz., two of the Detachment 43d N. I., and four of the 3d Infantry.

A body of about 300 of the enemy, when driving back, took shelter under the rocks below the out-work, but were immediately dislodged by a company of the 3d Infantry, which I detached for that purpose.

I have, &c.

### NOTIFICATION.

SECRET DEPARTMENT, ALLAHABAD, JULY 2D 1842.

The Governor General has great satisfaction in making public the following despatch from Major General Nott, and the report from Captain Craigie, Commanding the garrison of Kelat-i-Ghilzie, of the gallant and successful defence made by that garrison against a large force of Afghans by which it was assaulted. On this occasion the late Shah Soojah's 3rd Regiment of Infantry, and the Detachment of the Bengal 43d Regiment Native Infantry displayed that decided superiority over their enemies which has been uniformly manifested by the several Corps composing Major General Nott's Army.

From Major General W. NOTT,  
*Commanding Lower Afghanistan and Sinde.*

To T. H. MADDOCK Esq.,  
*Secretary to the Government of India,*  
*with the Governor General,*  
*Head Quarters.*

SIR,

I have the honor to acquaint you, for the information of the Right Honorable the Governor General of India, that an attack was made on the Fort of Kelat-i-Ghilzie on the morning of the 21st instant, by a body of four thousand Ghilzies: the accompanying letter from Captain Craigie details the result.

I am, &c.

(Signed) W. NOTT, *Major General,*  
*Comdg. Lower Afghanistan and Sinde.*

Candahar, the 27th May, 1842.

From Captain J. H. CRAIGIE,  
*Commanding Kelat-i-Ghilzie,*

To Captain THOS. POLWHELE,  
*Deputy Assistant Adjutant General.*

SIR,

I have the honor to report for the information of Major General Nott, commanding in Lower Afghanistan and Scinde, that Kelat-i-Ghilzie was attacked at  $\frac{1}{2}$  before 4 o'clock this morning, in two places, viz., at the long neck to the north east, and at an out-work constructed last winter by the Sepoys, to give a raking fire in rear of the barracks.

The enemy advanced to the assault in the most determined manner, each column consisting of upwards of two thousand men, provided with 30 scaling ladders; but after an hour's fighting, were repulsed and driven down the hill, losing 5 standards (one of which was planted three times in one of the embrasures) and the whole of which are now in our possession.

Of the enemy's loss I am unable to give any correct account, as their killed and wounded, during the greater part of the attack, were immediately taken to the rear; but one hundred and four (104) dead bodies were left on the slope of the hill, and from 6 A. M. till 3 P. M. the enemy were employed in carrying off such of their dead and wounded as had been taken to the rear.

The greatest gallantry and coolness were displayed by every Commissioned, Non-Commissioned Officer and Private (both European and Native) engaged in meeting the attack of the enemy, several of whom were bayoneted on the top of the sand bags, forming our parapets. On our side, I am happy to say, only six (6) Sepoys were wounded, viz., two of the Detachment 43d N. I., and four of the 3d Infantry.

A body of about 300 of the enemy, when driving back, took shelter under the rocks below the out-work, but were immediately dislodged by a company of the 3d Infantry, which I detached for that purpose.

I have, &c.

(Signed) J. HALKET CRAIGIE, *Captain,*
