No. 481 of 1842.—The Honorable the Governor in Council is pleased to publish for general information, the following General Order by the Government of India.

No. 169 of 1842.

GENERAL ORDER BY THE HONORABLE THE PRESIDENT IN COUNCIL.

Fort William, 1st July 1842.

In obedience to the orders of the Hon'ble the Court of Directors, in their Military Letter to the Government of India, No. 6, under date the 4th May 1842, the following Regulations are to have effect in the Medical Department of the three Presidencies, from the 16th instant.

The situation of Superintending Surgeon to be considered a Staff Appointment, to which only those fitted for it by a zealous and able discharge of their Professional Duties, shall be deemed eligible, and the appointment to future vacancies will be made without reference to the order of succession, whenever it may be the opinion of Government, that such departure from Seniority is required for the maintenance of the Public Interests.

The present system, by which all Pensions in the Medical Service superior to those of Surgeon, (Captain's full pay after 17 year's Service in India,) are dependant on promotion to the Staff Appointment of Superintending Surgeon is abolished, and in its stead the principle of granting those Pensions according to length of Service established upon the following scale, vizt.

After 20 year's service, 3 years furlough included as at present,.....	£ 191 a year.
„ 28	£ 300 .. do.
„ 32	£ 365 .. do.
„ 35	£ 500 .. do.
„ 38	£ 700 .. do.

The present Regulations by which Superintending Surgeons are entitled as such, to retiring Pensions of £ 300, and £ 365 a year, and Members of the Medical Board to Pensions of £ 500, and £ 700 a year, according to period of service in those ranks respectively, will cease to be the rule of the Service for Medical Officers, after the date of the introduction of the new arrangement; but individuals then in the Service, and who may be appointed to the Offices of Superintending Surgeon and Member of the Board, within ten years from that date, will be allowed the option of retiring upon Pensions upon the Old Scale of length of Service in those Ranks, instead of the New Scale of length of Service in India.

The designation of 1st, 2nd and 3rd Members of the Medical Board is abolished, and the following Titles are substituted.

Physician General.....	1st Member.
Surgeon General.....	2nd ditto.
Inspector General of Hospitals.....	3rd ditto.

The Members of the Board will, accordingly, be commissioned with these Titles, when appointed to the respective positions abovementioned, and when retiring from the Service, will be placed on the retired List, with the title then held by them.

The Regulation which fixes the rank of Brigadier General, as the relative Army rank of Members of the Medical Board, will equally apply to those Members under the new Titles now established.

All Surgeons of 30 year's Service, to be designated "Senior Surgeons" and their relative rank with Officers of the Army to be that of Major. This arrangement, like all others having reference only to the rank and designation of Medical Officers, confers no claim whatever to superior allowances, and will make no change whatever in the nature of their employment.
