THE 22^D JULY 1842.

The following Act is passed by the Hon'ble the President of the Council of India in Council, on the 22^d of July 1842, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. IV. of 1842.

For the better management of Boats and Cattamarans in the Madras Roads, and for the amendment of certain Harbour Regulations.

I. Whereas it is expedient to make Regulations for Boats and Cattamarans employed in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment,—

It is hereby enacted, that from and after the 1st day of September next, no person either as Owner or Servant shall use or employ, or be employed in, any Boat or Cattamaran to carry Passengers, Goods or Letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless such Owners or Owner of Boats and Cattamarans shall have previously received a License, and unless the Boat or Cattamaran which such Owners or Owner, Servants or Servant shall so use, has been registered as hereinafter mentioned, and in case any person who has not received such License shall employ or be employed in a Boat or Cattamaran for the purposes aforesaid, or such Boat or Cattamaran shall not have been so registered, such person shall be liable to a

fine not exceeding the sum of 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and the Boat or Cattamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is sea-worthy, and of a proper quality for the purposes aforesaid, and upon the application of the Owner of any such Boat or of any Cattamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as shall be employed by such Owner in and about the navigation and management of such Boat as particularly as may be, and also subscribing to a declaration in writing that he fully understands all the provisions of this Act and those contained in the Subsidiary Rules to the same Act, it shall and may be lawful, and the said Master Attendant is hereby required to grant to such Owner a License so to use the same in which License (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such License shall also contain a number of such Boat or Cattamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, and their names and places of residence respectively all of which particulars shall be entered in a book or Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Cattamaran, or any share of the same shall be transferred, every Owner of such Boat or Cattamaran shall produce his License before the said Master Attendant, and such new Owner shall also deliver to him a written paper signed by such new Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as he shall employ, or propose to employ in and about the navigation and management of such Boat as particularly as may be, and shall also subscribe to a declaration in writing that he fully understands all the provisions of this Act, and those contained in the Subsidiary Rules to this Act, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be made by him of such Boat or Cattamaran, and thereupon a new License to use such Boat or Cattamaran expressing and containing the same particulars as are hereinbefore provided to be expressed in the original License shall be granted by the said Master Attendant, and whenever any such Owner or Owners, or any of the Boatmen or other persons employed to manage or navigate any such Boat or Cattamaran shall change his or their place of abode notice of such change of abode shall be delivered to the said Master Attendant by the said Owner in order that such new place of abode may be entered in the Registry and License. In wilful neglect or default of which notice of change of Ownership or of the persons employed to row or navigate any such Boat, or of his or their or any or either of their change of residence, for the space of six days after any such change of residence, the

Owner shall forfeit a sum not exceeding 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and for every such new Registration to be made by the said Master Attendant as aforesaid he shall be entitled to charge by way of fee the sum of one Rupee, and for every new License thereof the sum of one Rupee.

III. And it is hereby enacted, that in order to enable the said Master Attendant to grant a correct License of the Registry of every such Boat previous to the Registry of any Boat requiring such License, the said Master Attendant or his Deputy shall in the presence of the Owner of every such Boat or any other person duly appointed by such Owner, cause each such Boat to be surveyed and measured; and in case the same shall not in the judgment of the said Master Attendant or his Deputy be of the proper dimensions and capacity and sea-worthy and of the proper quality for the purposes aforesaid, no Registry shall be made nor License be granted, until every such defect in the admeasurement, sea-worthiness and quality of the said Boat shall have been rectified by the Owner thereof, and for every such survey and admeasurement a fee of three Rupees shall be paid by the Owner of any such Boat to the said Master Attendant.

IV. And it is hereby enacted, that the said Owner or Owners of every such Boat shall forthwith paint in black English figures, not less than six inches in length upon a white ground, such white ground having a margin of at least three inches beyond the outermost part of the figures, on a conspicuous part of the bow on one side and of the quarter on the other, and in a legible and distinct manner from left to right, the number in such Registry and License mentioned, and if any person shall fraudulently paint or counterfeit or cause or permit to be painted or counterfeited, upon any Boat, any figure not having been duly registered, every such person shall forfeit the sum of 100 Rupees, and every such Boat shall also be forfeited.

V. And for the better prevention of fraud or omission in the painting, the figures hereinbefore provided to be painted on all Boats, let out for hire as well as for the better distinguishing and identifying such Boats and Cattamarans as have been registered and licensed, it is hereby enacted, that so often as any Registry is made the said Master Attendant shall cause the number in the same to be cut or branded in the most common native characters, in some part or parts of every such Boat and Cattamaran, and if the Owner or Owners of any such Boat shall neglect or refuse to keep painted, cut or branded any figure hereinbefore required to be painted, cut or branded, on any such Boat or Cattamaran, in a fair and legible condition, or if he shall paint, cut or brand the same in a different manner, or on a different part of such Boat than is hereinbefore provided, or shall wilfully erase, obliterate or in any way hide or conceal the same, or if the Owner of any such Boat or Cattamaran shall knowingly permit any such act to be done, he shall forfeit a sum not exceeding 100 Rupees on conviction before a Justice of the Peace as that Justice shall direct, and if any person not being such Owner shall be guilty of, or shall assist in any such incorrect painting, cutting, branding, erasure or concealment, he shall forfeit one moiety of the penalty in this Article imposed.

VI. And it is hereby enacted, that every Boat of the description and dimensions now in use (that is to say) not more than thirty-three feet in length, nine feet in breadth, and four feet four inches in depth, nor less than thirty feet in length, which shall be so Licensed and Registered as aforesaid, shall be manned with not less than two Steers-men, eight Rowers and one Baler, and shall if required be obliged to carry at one time any number of Pas-

sengers not exceeding fifteen, or any quantities of goods not exceeding the quantity mentioned in the Schedule A. hereunder written; and in case Boats of different construction and dimensions shall be Licensed and Registered they shall be manned in such manner and shall be obliged to carry such Passengers or such a quantity of Goods as the Master Attendant shall direct, and shall express in the License under the penalty of 50 Rupees.

VII.
