There being reason to believe that the original of the accompanying report was lost in an intercepted dawk from Gundamuck, I deem it to be my duty to the Officers and Troops concerned, to place a duplicate of it at the disposal of Major General Pollock, C. B., in the hope, that he will see cause to forward it to the Right Hon'ble the Governor General and His Excellency the Commander in Chief. I am particularly anxious that the portion of Major General Nott's force, which served with me at Istalif, should have no ground for considering its services overlooked; an impression, which seems to have been produced on the minds of some part of it, by the circumstance of my second letter not having been made public.

Camp Khwaja Ruwash, 6th October, 1842.

SIR,

The troops entrusted to my charge for a special service in the Kohistan, having pitched their tents at this place previously to returning to their respective encampments, I take this opportunity of requesting you to solicit the attention of Major General Pollock, C. B., to some points which, in the hurry of our active operations, I had neglected to dwell upon. I have already intimated that Brigadier Stacy's report of the part borne by his brigade in the capture of Istalif, on the 29th ultimo, did not reach me till the 2d instant. It will ever be matter of regret to me if this incidental delay should prevent the merits of some of the Officers and Troops under me, being prominently brought to the notice of the Right Honorable the Governor General and His Excellency the Commander in Chief. The brunt of the action certainly fell on the Infantry Corps and Sappers of Brigadier Tulloch's Brigade, but the credit of turning the Enemy's extreme right; of allowing him no respite or breathing time on that line; of aiding in completing the capture of the town, when its possession was hotly disputed from behind walls, and from the tops of houses, from court yards and in winding streets built on steep declivities, is due to the regiment under Brigadier Stacy. My commendations have been especially earned by Major G. Brown and H. M.'s 41st regiment, for the share they took in these gallant efforts, and for the exemplary humanity displayed by the men towards the unfortunate families of the vanquished. That corps was zealously emulated and supported by the 42d native infantry under Major Clarkson, and the 43d under Major Nash. In addition to the services of Major Sanders, as Field Engineer, I ought to have remarked on the distinguished gallantry with which he accompanied the heads of columns in the advance of Brigadier Tulloch, against the gardens and town. Neither must I leave without record the marked intrepidity of Lieutenant Mayne, Deputy Assistant Quarter Master General, in pointing out the path of the same column amidst the hottest of the fire and in aiding in following up the victory. I have before mentioned that the light companies of H. M.'s 41st and the 42d and 43d native infantry, covered the manoeuvres of their own brigade. This onset was led very bravely by Lieutenant Evans, who was afterwards killed in the town, (and was succeeded in command by Lieutenant Madden,) and by Lieutenant Woolen, 42d native infantry, and Captain Macpherson, 43d native infantry.

I have, &c.

LEGISLATIVE ENACTMENTS.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 2ND DECEMBER, 1842.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 2d of December 1842, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XV, OF 1842.

An Act for regulating the Emigration of the Native Inhabitants of the Territories under the Government of the East India Company to the Island of Mauritius.

1. Whereas it hath been ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Majesty's Privy Council, as follows :

AT THE COURT AT WINDSOR,
THE 15TH OF JANUARY, 1842.

PRESENT—

THE QUEEN'S MOST EXCELLENT MAJESTY;
HIS ROYAL HIGHNESS PRINCE ALBERT.

Lord President.	Lord Fitzgerald and
Lord Privy Seal.	Vesci.
Lord Steward.	Sir Robert Peel, Bt.
Lord Chamberlain.	Mr. Chancellor of the
Earl of Jersey.	Exchequer.
Earl of Ripon.	Sir James Graham, Bt.
Lord Stanley.	Sir Edward Knatchbull,
	Bart.

Whereas it is probable that the Laws now in force in British India for preventing the emigration of the inhabitants thereof to Her Majesty's Colonial Possessions will be shortly repealed so far as regards emigrations to the Island of Mauritius, and that such last mentioned emigration will be sanctioned by Laws to be for that purpose enacted in India subject to various provisions to be in such Laws made for the protection of such Emigrants, and for the prevention of abuses. And whereas it is probable that amongst the provisions so to be made, as last aforesaid, will be provisions for enabling the Governor General of India to appoint at ports or places in India, Officers charged with the care, protection and superintendance of all persons proposing to emigrate as Labourers from India to Mauritius. And whereas it is probable that provision will be made by Law at Mauritius for defraying from the public Revenue of that Island the expense of introducing emigration thither from British India. And whereas it is necessary that effectual provision should be made by Law at Mauritius for regulating any such expenditure, and for the prevention of abuses in the introduction of Emigrants from British India into that Island—It is therefore hereby ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Majesty's Privy Council, that in the event of any Law being made in British India, authorizing the emigration to Mauritius of the Natives of India, and repealing the restrictions now in force there in regard to such emigrations, and in the event of any such Laws containing provisions enabling the Governor General of India to appoint at the several ports of embarkation in India, Officers charged with the protection of persons emigrating from such ports to Mauritius, the various Rules and Regulations comprized, and set forth in the Schedule to this present order subjoined, shall within the Island of Mauritius have the force and effect of Law, and shall be observed and carried into effect by all Her Majesty's Officers, Civil and Military, in Mauritius, and by all Her Ma-

esty's subjects within the same Island as to them may respectively appertain.

And the Right Hon'ble Lord Stanley, one of Her Majesty's Principal Secretaries of State, is to give the necessary instructions herein accordingly.

(Signed) C. GREVILLE.

The Schedule referred to in the preceding Order, comprising the Rules and Regulations to be observed at Mauritius in regard to Emigrants from British India, resorting to and arriving at that Island.

1st. The Governor at Mauritius may from time to time nominate such persons as he shall see fit to act as Emigration Agents at any port or place in India, which the Governor General of India may designate as a port or place for the embarkation of Emigrants to Mauritius, and may also from time to time nominate a proper person to act as Protector of Immigrants at Mauritius.

3rd. Every such Emigration Agent shall ascertain by personal communication with every Emigrant previously to his or her embarkation from the port or place for which such Agent shall be appointed, that such Emigrant has not been induced to emigrate by any fraud, false, nor unreasonable expectation, and is aware of the distance of Mauritius, from the place where he or she is about to emigrate, and such Agent shall explain the real advantages likely to be derived by such Emigrants from a removal to Mauritius, at the same time cautioning such Emigrant against unreasonable and unwarrantable expectations; and such Agent shall also ascertain that every such Emigrant is in good health, and not incapacitated from labour by old age, bodily infirmity, or disease.

5th. In the computation of the number of Passengers within the meaning of these Regulations, two children under the age of ten years, shall be considered as equal to and shall be reckoned as one person only.

6th. There shall be actually laden and on board of every Ship or Vessel bringing Emigrants into Mauritius at the time of departure of such Ship or Ves-

sel from the port or place at which such Labourers shall be embarked good and wholesome Provisions for the use and consumption of the said Passengers over and above the victualling of the crew to the amount or in the proportion following, that is to say, a supply of water to the amount of five gallons to every week of the computed voyage for every Passenger on board such Ship or Vessel, such water being carried in Tanks or sweet Casks, and a supply of Rice, Bread, Biscuit, Flour, Oatmeal, or Bread Stuffs, to the amount of seven pounds weight to every week of the computed voyage for every such Passenger. Provided always, that when any such Ship or Vessel shall be destined to call at a port or place in the course of her voyage, for the purpose of filling up her water casks, a supply of water at the rate before mentioned for every week of an average voyage to such port or place of calling shall be deemed to be a compliance with this Regulation. And provided that the preceding Regulation regarding food shall be deemed to have been complied with in any case where it shall be made to appear that by the special authority of the Governor General of India; any other articles of food were substituted for the articles above enumerated as being in his judgment equivalent thereto.

7th. The number of weeks which shall be deemed necessary for the voyage to Mauritius from any port or ports in India, shall be such as shall from time to time be determined by any Law or Ordinance to be promulgated for that purpose by the Governor General of India in Council, and according to any such Law or Ordinance shall and may be further determined whether at different periods of the year different estimations are to be made of the probable length of any such voyage, and if by any such Law or Ordinance the removal of Emigrants should during any particular period of the year be prohibited altogether then any such removal during such prohibited period shall in Mauritius be regarded dealt with and punished as an infringement of these present Regulations.

8th. Before any such Ship or Vessel shall be cleared out, on any such voyage, the Agents appointed under this Ordinance for the port or place from which such Ship or Vessel shall be cleared out, shall survey or cause to be surveyed by some competent person, the provisions and water hereinbefore required to be on board for the consumption of Passengers, and shall ascertain that the same are in good and sweet condition, and also that over and above the same there is on board an ample supply of water and stores for the victualling of the Crew of the Ship or Vessel, and shall also ascertain that such Ship or Vessel is generally reputed seaworthy, and that the directions hereinbefore contained for insuring the health and safety of the Passengers have been complied with, and shall grant a Certificate thereof under his hand to the Master of such Ship or Vessel.
