NOTIFICATION.

Bombay Castle, 4th August 1831.

GENERAL DEPARTMENT.

The Right Hon'ble the Governor in Council having sanctioned the publication of a weekly paper to be styled the "BOMBAY GOVERNMENT GAZETTE," notice is hereby given, that after this day all advertisements and other public papers of the government, will be printed in the BOMBAY GOVERNMENT GAZETTE only; and all orders or other public notices, appearing in that paper, under the signature of the secretaries, or other public officers of the government, are hereby ordered and directed to be conformed to and obeyed accordingly.

Bombay Castle, 18th January 1832.

When official notifications from the government are inserted in the BOMBAY GOVERNMENT GAZETTE, no communication on the same subject will be made in writing to any department concerned; but all public officers are required to take notice of such official notifications in the same manner as if they had been directly communicated to them, by letter from the secretary's office, and as heads of offices alone will be furnished by government with the BOMBAY GOVERNMENT GAZETTE, they will be expected to communicate to their subordinate officers all orders which may in any manner concern them.

The Bombay Government Gazettes furnished by government to public offices are to be lodged with the records, and are not to be removed from the office.

Published by order of the Right Hon'ble the Governor in Council,
JOHN BAX, Secy. to Govt.

Notification.

GENERAL DEPARTMENT.

The Honorable the Governor in Council is pleased to direct the introduction, under this Presidency, of the following Rules passed by the Government of India under date the 16th ultimo, on the subject of the grant of Official Franks to Packets &c. belonging to Public Societies, for dispatch by the Letter or Banghy Mail.

GENERAL CONSULTATION, THE 16TH NOV. 1842.

Resolution.

Adverting to the various Religious, Scientific, Literary and Charitable Societies existing at the Presidency, some of which have been allowed the indulgence which has been refused to others, of sending their communications and circulating their Proceedings free of Postage under the frank of the Secretary in this Department, the Honorable the President in Council finds it difficult to prescribe any limit to this indulgence founded on a clear distinction of the relative claims of these Societies to an exemption from the charge of Postage on account of the benefits which they confer upon the community, and it is incumbent on the Government to require that the Post Office Revenue (already inadequate to the charges of the Department,) be not burthened by a general concession of the indulgence.

The Post Office Rules intended, that the Public Frank of the Chief Secretary or Secretary to Government in the General Department should be granted only to such occasional Letters or Parcels or Reports of Proceedings as Societies might be permitted to forward free of Postage, or under any peculiar circumstances. His Honor in Council is now pleased to determine that, in future no Periodicals, Pamphlets, Printed Papers, Bills or Subscription Accounts of any Public Society shall be allowed ordinarily to pass free of charge, and that the Public Frank shall be confined to special cases, in which the Secretary may deem the indulgence to be fairly claimable on public grounds.

Letters, Papers and Parcels, from the Societies, to which the Frank of the Secretary in the General Department has heretofore been granted, will be required hereafter, whenever an exemption from Post-

age shall be solicited and obtained on special occasions to come open to the Secretary of this Department in respect to the two first, vizt. Letters and Papers, and no despatch will be franked which shall exceed the prescribed limit of weight for the Letter Dāk.

The Honorable the President in Council considers the employment of the Dāk Banghy for the transmission of Parcels and Packages free of cost to the Societies at the Presidency to whom this indulgence has been occasionally conceded, in respect to the periodical Reports of their transactions to be burthensome and expensive to the State, on which account it was withdrawn from the high Officers to whom the power of franking Private Letters was continued by the Act and Regulations of 1837, and His Honor in Council accordingly resolves that no Parcels or Packages from any Public Society shall be allowed in future to be forwarded free of Dāk Banghy hire under a Public Frank.

The above Rules will supersede all the previous orders of Government under which correspondents of Public Societies have hitherto forwarded their Letters and Parcels on the affairs of such Societies under cover to the Secretary to Government in the General Department free of Postage. They are not applicable to the established Funds of Public Servants specified in the Post Office Regulations, or to Letters and Parcels which any of the Public Societies are in the habit of sending or may desire in future to send to the Honorable the Court of Directors.

OUR GOVERNOR IN COUNCIL, AT BOMBAY.

Reports circumstances under which permission has been granted to Mr. Francis Hora, a Captain's Clerk, to proceed to England under Medical Certificate, requests to be informed whether persons of this Class are entitled to furlough, and states that Mr. Hora has been informed, that it must depend on this reference whether he is to have any allowance at home, and whether he should continue on the list of Clerks.

1. We approve of your proceedings in the case of Mr. Francis Hora.

2. It appears to us, that as the Pursers of the Indian Navy are entitled to the benefits of the Furlough Regulations of that service, a similar benefit may be extended to the Rated Clerks of the Indian Navy, who are in the

regular line for promotion to the rank of Purser, if compelled by duly certified sickness to come to Europe: and we have resolved that the Rated Clerks be in such case allowed a Furlough with Pay, classing them in respect thereof with Midshipmen, as the Pursers are classed with Lieutenants, but they are not to be allowed any Passage money.

3. This principle will of course be applied to the case of Mr. Hora, who has lately reported to us his arrival in this country under the leave you granted to him.

LEGISLATIVE ENACTMENTS.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 2nd DECEMBER, 1842.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 2d of December 1842, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XV. OF 1842.

An Act for regulating the Emigration of the Native Inhabitants of the Territories under the Government of the East India Company to the Island of Mauritius.

I. Whereas it hath been ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Majesty's Privy Council, as follows :

AT THE COURT AT WINDSOR,
THE 15TH OF JANUARY, 1842.

PRESENT—

THE QUEEN'S MOST EXCELLENT MAJESTY:
HIS ROYAL HIGHNESS PRINCE ALBERT.

Lord President.	Lord Fitzgerald and
Lord Privy Seal.	Vesci.
Lord Steward.	Sir Robert Peel, Bt.
Lord Chamberlain.	Mr. Chancellor of the
Earl of Jersey.	Exchequer.
Earl of Ripon.	Sir James Graham, Bt.
Lord Stanley.	Sir Edward Knatchbull,
	Bart.

Whereas it is probable that the Laws now in force in British India for preventing the emigration of the inhabitants thereof to Her Majesty's Colonial Possessions will be shortly repealed so far as regards emigrations to the Island of Mauritius, and that such last mentioned emigration will be sanctioned by Laws to be for that purpose enacted in India subject to various provisions to be in such Laws made for the protection of such Emigrants, and for the prevention of abuses. And whereas it is probable that amongst the provisions so to be made, as last aforesaid, will be provisions for enabling the Governor General of India to appoint at ports or places in India, Officers charged with the care, protection and superintendence of all persons proposing to emigrate as Labourers from India to Mauritius. And whereas it is probable that provision will be made by Law at Mauritius for defraying from the public Revenue of that Island the expense of introducing emigration thither from British India. And whereas it is necessary that effectual provision should be made by Law at Mauritius for regulating any such expenditure, and for the prevention of abuses in the introduction of Emigrants from British India into that Island—It is therefore hereby ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Majesty's Privy Council, that in the event of any Law being made in British India, authorizing the emigration to Mauritius of the Natives of India, and repealing the restrictions now in force there in regard to such emigrations, and in the event of any such Laws containing provisions enabling the Governor General of India to appoint at the several ports of embarkation in India, Officers charged with the protection of persons emigrating from such ports to Mauritius, the various Rules and Regulations comprized, and set forth in the Schedule to this present order subjoined, shall within the Island of Mauritius have the force and effect of Law, and shall be observed and carried into effect by all Her Majesty's Officers, Civil and Military, in Mauritius, and by all Her Ma-

jesty's subjects within the same Island as to them may respectively appertain.

And the Right Hon'ble Lord Stanley, one of Her Majesty's Principal Secretaries of State, is to give the necessary instructions herein accordingly.

(Signed) C. GREVILLE.

The Schedule referred to in the preceding Order, comprising the Rules and Regulations to be observed at Mauritius in regard to Emigrants from British India, resorting to and arriving at that Island.

1st. The Governor at Mauritius may from time to time nominate such persons as he shall see fit to act as Emigration Agents at any port or place in India, which the Governor General of India may designate as a port or place for the embarkation of Emigrants to Mauritius, and may also from time to time nominate a proper person to act as Protector of Immigrants at Mauritius.

2nd. The remuneration to be given to any such Agent in India, shall not depend upon or be regulated by the number of the Emigrants sent to Mauritius by him, but shall be in the nature of annual salary.

3rd. Every such Emigration Agent shall ascertain by personal communication with every Emigrant previously to his or her embarkation from the port or place for which such Agent shall be appointed, that such Emigrant has not been induced to emigrate by any fraud, false, nor unreasonable expectation, and is aware of the distance of Mauritius, from the place where he or she is about to emigrate, and such Agent shall explain the real advantages likely to be derived by such Emigrants from a removal to Mauritius, at the same time cautioning such Emigrant against unreasonable and unwarrantable expectations; and such Agent shall also ascertain that every such Emigrant is in good health, and not incapacitated from labour by old age, bodily infirmity, or disease.

4th. It shall not be lawful to ship on board of any Ship or Vessel carrying Emigrants from India to Mauritius, any number of Passengers exceeding the proportion of one person for every two Tons of the Registered burthen of such Ship or Vessel, and no such Ship or Vessel carrying Emigrants, and having more than one Deck, shall have less than the height of six feet at the least between Decks, and in case such Ship or Vessel shall have only one Deck, a Platform shall be laid beneath such Deck, and in such manner as to afford a space of the height of six feet at the least, and that such Platform shall not be so laid as that the lower beams shall project above the same, and that no such Ship or Vessel shall have more than two tiers of berths, and that no such Ship or Vessel shall carry Passengers on any such voyage to Mauritius unless there shall be an interval of six inches at least between the Deck or Platform, and the floor of the lower tier throughout the whole extent thereof; and whatever may be the Tonnage of the Ship or Vessel no greater number of Passengers shall be taken on board of such Ship or Vessel than shall be after the rate of one such person for every twelve superficial feet of the lower Deck or Platform, unoccupied by goods or stores, not being the personal luggage of such persons.

5th. In the computation of the number of Passengers within the meaning of these Regulations, two children under the age of ten years, shall be considered as equal to and shall be reckoned as one person only.
