LEGISLATIVE ENACTMENTS.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 5TH AUGUST, 1843

The following Extract from the Proceedings of the Right Hon'ble the Governor General of India in Council, in the Legislative Department, is published for general information:

Read again the Draft Act for regulating the levy of Customs Duties, and the Manufacture of Salt in the North Western Provinces of the Presidency of Bengal.

By this Act will be abolished the Duties on 121 Articles, including Piece Goods, and all Embroidered Goods, Iron, Silk Shawls, Indigo, Tobacco, Oil and Oil Seeds. Of the Duties to be abolished, those on 48 Articles produced, on an average of the three years ending in 1841, —42, an aggregate receipt of only 1,500 Rupees.

The additional duty to be imposed by the Act on the Import of Salt into the North Western Provinces, will only raise the duty generally to two-thirds of the amount of that already levied in Bengal, and to the Eastward of Allahabad to the level of the Bengal duty.

The additional powers given to the Customs Department and the increased strength which will be given to the Customs Establishment will, it is to be hoped, prevent any increase of Smuggling on the North West Frontier, and it may be expected, that the result of a measure which gives almost entire freedom to internal Trade, will be a considerable increase of the Revenue.

Resolved accordingly, that the Act in question be passed.

ACT No. XIV. OF 1843.

An Act for regulating the levy of Customs Duties and the manufacture of Salt in the North Western Provinces of the Presidency of Bengal.

I. It is hereby enacted, that Regulation XVI. 1829, Act II. 1838, and so much of Regulation IX. 1810, and of any other Regulation and Act, as affects the Collection of Customs Duties or the Manufacture of Salt in the North Western Provinces of the Presidency of Bengal, shall be repealed from the 1st day of September 1843.

II. And it is further enacted, that from and after the day abovementioned, the following and no other Duties of Customs shall be leviable upon the Import and Export of Articles into and from the North Western Provinces of the Presidency of Bengal, that is to say:

On the Import of Salt, of all descriptions, two Rupees per maund, and a further duty of one Rupee per maund on the transmission thereof to the Eastward of Allahabad.

On the Import of Cotton, uncleaned, four Annas per maund, cleaned eight Annas per maund.

On the Export of Misree, Kund, Chence and all clayed and refined Sugar, eight Annas per maund, Goor, Ráb, Sheerah, and all unclayed and unrefined Saccharine produce, three Annas per maund.

The Import of Sugar into any part of the said Provinces, is, and shall remain, prohibited.

III. And it is further enacted, that it shall be lawful for the Government of the said Provinces from time to time to make and issue such orders as may be deemed expedient for the collection of the aforesaid Duties in such manner, and upon such line or lines, and at such places on or near such line or lines as may seem fit, and all such orders shall have the same force as if they formed a part of this Act from the date notified in the Gazette, wherein they shall be published.

IV. And it is further enacted, that from and after the First day of September 1843, the manufacture of alimentary Salt throughout the North Western Provinces of the Presidency of Bengal, without the express sanction of the Government, is prohibited; and

that any person engaging in the manufacture of such Salt, or preparing or causing to be prepared works for the manufacture of such Salt, without such sanction, and all Zemindars or other proprietors of land, or their Agents, conniving at such illicit manufacture, shall on conviction by the Magistrate, within the limits of whose District the offence may have occurred, be punished by a fine not exceeding 500 Rupees, and on non-payment of such fine, by imprisonment not exceeding six months with or without hard labor, and that all works at which such manufacture shall have been conducted, or which are designed for such manufacture shall be destroyed, and any Salt which may be manufactured or stored thereat, shall be seized and confiscated.

V. And it is further enacted, that it shall be lawful for the Collectors of Customs and the Collectors of Land Revenue within their jurisdictions, to destroy all works for the manufacture of Salt, and to seize the Salt stored thereat, and to apprehend the persons concerned in the manufacture thereof, and make them over for trial to the Magistrate within the limits of whose District the offence may have occurred.

VI.
