GENERAL ORDERS.

BY THE HON'BLE THE GOVERNOR IN COUNCIL.

MILITARY DEPARTMENT.

BOMBAY CASTLE, 18th NOVEMBER 1843.

No. 615 of 1843.—Lieutenant T. C. Longcroft of the 16th Regiment Madras Native Infantry, is allowed an extension of leave from the 3rd instant to the 31st proximo, to proceed to Jaulnah on private affairs.

No. 616 of 1843.—The Hon'ble the Governor in Council is pleased to publish for general information the following General Order No. 239 dated the 3rd instant, by the Government of India.

FORT WILLIAM, 3RD NOVEMBER 1843.

GENERAL ORDERS.*By the Right Honorable the Governor General of India in Council.*

No. 239 of 1843.—The following paras, of a Military Letter from the Hon'ble the Court of Directors, to the Governor General of India in Council, No. 10 of the 5th July 1843, and annexment relative to the collection and distribution of the Effects of Officers and Soldiers in Her Majesty's Service, or in the Service of the East India Company, dying in the East Indies, are published for the information of the Army, and the Governor General in Council is pleased to direct, that the opinion therein communicated, of the Law Officers of the Crown and the Company, upon the Statute of the 6th Geo. 4th Cap. 61, and also upon the Act of 3rd and 4th Vict. Cap. 37, Sec. 52, be at once given effect to, and acted upon at all the Presidencies.

“ Para. 1st. We have lately received through the Board of Commissioners for Indian affairs a representation from Her Majesty's Secretary at War, complaining of the obstruction which still exists in India to the collection by Regimental Officers of the Effects which may be left by Soldiers dying in that Country.

“ 2nd. In our Military Letter to Madras dated 29th July 1842, No. 44, (copy of which was forwarded to your Presidency) we observed that by the Act of the 6th Geo. 4th Cap. 61, Sec. 1, it is rendered lawful for all Officers or persons who may be employed or required by or under the Authority of any Articles of War in force to take care of or collect the Effects of Officers and Soldiers dying on Service out of the United Kingdom, without taking out any Letters of Administration in like manner as if such Officers had been appointed Executors or had taken out Administration, and by the Article of War founded upon it, viz. Sec. 129, the Officers who are required to collect the Effects of Soldiers deceased are authorized to collect all these effects without any limitation being specified as to the place where they may be deposited, and are required after payment of Regimental Debts and Quarters to pay the balance, if any, to the Regimental Pay Master, such balance to be by him paid to the heir or legal representative, if present at Head Quarters, or if not, to be remitted to the Regimental Agent for payment to the legal representatives under the direction of the Secretary at War.

“With this explanation, no difficulty can occur hereafter in the payment by any of our Officers to the Party authorized by the Act and Articles of War, as above specified, to collect the same, of any Sum or Sums, or Securities, which may be in their hands, or under their Control belonging to the Estates of Soldiers deceased. The responsibility of requiring Probate or Administration to the Estate to be taken out by the persons to whom the Surplus is to be paid, resting, altogether, as it appears to us, with the Party authorized by the Act and Articles of War, to collect the Property.

3rd. “Notwithstanding these directions, objections have been made at all the Presidencies to paying over certain portions of the Estates of Soldiers to the Regimental Officers entitled to collect them, founded in some instances upon legal opinions obtained in India of the inadequacy of the above Act to authorize such payment. In consequence of recent representations on this subject, received from Madras and Bombay, we have lately obtained the opinion of Her Majesty's Advocate, of the Attorney and Solicitor General, and of the Company's standing Counsel, upon the interpretation to be put upon the above Statute of the 6th George 4th Cap. 61 and also upon the Act of 3rd and 4th Victoria Cap. 37 Sec. 52. The opinion of these learned persons determines that Officers entitled to collect Soldiers Effects are authorized by these Acts to take possession of all the personal Property of every description of deceased Soldiers, without reference to its amount or value, or to its being invested in Notes or other Securities, or to its being in Camp or Quarters elsewhere.”

“Drapers Hall, 23rd May 1843.

J. C. MELVILL Esq.,

SIR,

In obedience to the directions of the Honorable the Chairman and Deputy Chairman which I received through you on the 22nd ultimo, transmitting a copy of Mr. Baring's Letter of the preceding day which forwarded the copy of a Letter from Her Majesty's Secretary at War, dated the 11th ultimo, with its enclosures, from the Marquis of Tweeddale relative to the difficulties which are still alleged to exist in the collection of the Effects of Her Majesty's Officers and Soldiers dying in India, I lost no time in laying the necessary case before Her Majesty's Advocate, the Attorney & Solicitor General and the Company's standing Counsel for their opinion, as well upon the points directly raised in the papers transmitted from the War Office as upon those of the same class which appeared to arise out of the various communications received last month from Madras and Bombay in reference to the construction to be put on the Mutiny Acts and Articles of War as to the Administration of the Effects of Officers and Soldiers both in Her Majesty's and the Company's Service dying in India.

The questions which thus arose appeared to be the following, viz:—

1st. Whether the Officers respectively appointed under the 128th and 129th Articles of War for Her Majesty's Forces and under 110th and 111th Articles of War for the East India Company's Forces to collect the Effects of Officers and Soldiers therein respectively described are respectively entitled to demand and (without taking out Letters of Administration) to receive and take possession of all the personal Property of every description of such deceased Officer or Soldier without reference to its amount or value, or to its being in Camp or Quarters or elsewhere, and whether in this latter respect there is any difference between the case of a deceased Officer and that of a deceased Soldier.

2nd. Whether in the event of part of such Property of a deceased Officer or Soldier consisting of a Promissory Note or other transferable Security of the East India Company, or of one of their Governments expressed to be payable to the deceased being at the time of his death in the hands of Government Agents for his use, such Government Agents can lawfully and safely deliver over and are bound upon demand to deliver over such Promissory Note to the Officer so appointed under the Articles of War, and whether the amount of such Note or other Security makes any difference in the case.

3rd. Whether such Officer can by endorsement or otherwise as effectually transfer or give a discharge for the amount secured by such Note, as if he had been appointed Executor or had duly obtained Letters of Administration of the Effects of the Payee or last Indorsee of the Note. And whether in the event of the East India Company paying the amount of the Note to such Officer when so endorsed, they are in any way responsible for the due appropriation or distribution by the latter of the amount which they shall have so paid.

4th. Whether the Officer so collecting the Effects of a deceased Officer or Soldier under the respective Articles of War referred to or whether the Military Secretary, or any other Officer at either of the Presidencies in the East Indies is authorized under any circumstances to require the Registrar of the Supreme Court of such Presidency to take out Letters of Administration there in respect of the Surplus which may remain in the hands of the collecting Officer, and whether such Registrar is in any case lawfully entitled to take out Letters of Administration in respect of such Surplus.

In reply to these questions the Law Officers of the Crown and the Company have given the following opinion.

1st. We think there is a difference between the case of a deceased Commissioned Officer and the case of a deceased Non-Commissioned Officer or Private Soldier.

With respect to a deceased Commissioned Officer there appears to be no substantial question, since the Articles of War applicable to the case of Commissioned Officers only authorize the collection of *Effects in Camp or Quarters*.

With respect to the case of a Non-Commissioned Officer or Private Soldier we are of opinion that both in the case of Her Majesty's Forces and in the case of the East India Company's Forces, the Officers appointed to collect the Effects of the deceased Soldier are entitled to demand, and without taking out Letters of Administration to receive and take possession of all the personal Property of every description of such deceased Officer or Soldier without reference to its amount or value, or to its being in Camp or Quarters or elsewhere. We consider that the Officers who by the 129th Article of War for Her Majesty's Forces and by the 111th Article of War for the Company's Forces, are directed to act in the matter come within the first Section of the Statute 6th Geo. 4th C. 61, and are clearly enabled by that statute to ask, demand and receive any of the deceased's "*Effects*," an expression which we think reaches and includes any of his personal Estate.

2d. Our opinion on the first question supersedes this question as respects the case of an Officer.

In the case of a Soldier not being a Commissioned Officer, we are of opinion that the Government Agents may lawfully and safely deliver over, and are bound upon demand to deliver over a Promissory Note of the kind described to the Officer appointed under the Articles of War, and that the amount of the Note or other Security makes no difference in the case. This answer however should be qualified by noticing that, if there were a legal personal representative demanding the Note, we think the Government Agents would be warranted in delivering the Promissory Note to such legal personal representative in preference to the Officer.

3rd. We are of opinion that the Officer may by endorsement or otherwise as effectually give a discharge for the amount secured by the Note as if he had been appointed Executor or had duly obtained Letters of Administration of the Effects of the Payee or last Indorsee of the Note. We are also of opinion that the East India Company paying the amount of the Note to the Officer, when endorsed, are not responsible for the due application by the latter of the amount which they shall have so paid.

We do not understand that under this third question any opinion is required from us as to the right to endorse the Note for the purpose of negotiation generally as distinguished from an endorsement for the purpose of obtaining payment of it. It would not however appear to us that there would be any difference between the two cases.

4th. Upon this point (*vizt.* the interference of the Registrar) there appears to be a difference between the case of an Officer or Soldier in the Service of Her Majesty and Officer or Soldier in the Company's Service.

With respect to the case of an Officer or Soldier in the Service of Her Majesty, we are of opinion that the Officer acting in respect of the deceased's Effects may require the Registrar to take out Letters of Administration in respect of the Surplus in question, and that upon such requisition, and not otherwise, the Registrar is lawfully entitled to take out such Letters of Administration. This is the effect of the Act 6th Geo. 4th C. 61, Sec. 1.

With regard to the case of an Officer or Soldier in the Company's Service we are of opinion that under the Statute 3rd and 4th Vict: C. 37, Sec. 52, the Registrar cannot in any case be required and is not in any case entitled to take out Letters of Administration in respect of the Surplus in question. He may however, if required and authorized so to do, but not otherwise, take out Administration and interpose in respect of the Estate before it is collected.

ACT No. XIX. 1843.

An Act for amending the Law respecting the Registration of certain Deeds.

Whereas doubts have arisen as to the true meaning and construction of Act No. I of 1843:

I. It is hereby enacted, that the said Act is repealed, except in so far as it repeals all provisions contained in any Regulation or Regulations of the Bengal, Madras, or Bombay Codes, touching the knowledge or notice had by parties to registered conveyances and other instruments affecting titles to land and other interests therein, of the existence of unregistered conveyances or other instruments affecting such titles or other interest therein.

II. And it is hereby enacted, that from the First day of May last past, every deed of sale or gift of lands, houses or other real property, a memorial of which has been or shall be duly registered according to law, shall, provided its authenticity be established to the satisfaction of the Court, invalidate any other deed of sale or gift for the same property which may not have been registered, and whether such second or other deed shall have been executed prior or subsequent to the registered deed—and that from the said day every deed of mortgage on land, houses and other real property as well as certificates of the discharge of such incumbrances, a memorial of which has been or shall be duly registered according to law, and provided its authenticity be established to the satisfaction of the Court, shall be satisfied in preference to any other mortgage on the same property which may not have been registered, and whether such second or other mortgage, shall have been executed prior or subsequent to the registered mortgage, any knowledge or notice of any such unregistered deed or certificate alleged to be had by any party to such registered deed or certificate notwithstanding. Provided always that nothing in this Section contained shall be construed to extend to any deed or certificate made before the said First day of May last past.

III. And it is hereby declared and enacted, that no conveyance or other instrument affecting title to land, or any interest in the same whether made before or after the said First day of May last past, other than such deeds or certificates as aforesaid, are or shall be in any respect void for want of registration any Act, Regulation or Law to the contrary notwithstanding.
