 LEGISLATIVE,
 THE 28TH OCTOBER, 1843.

The following Act, passed by the Right Hon'ble the Governor General of India in Council, on the 28th October 1843, is hereby promulgated for general information.

ACT No. XIX. 1843.
An Act for amending the Law respecting the Registration of certain Deeds

Whereas doubts have arisen as to the true meaning and construction of Act No. 1 of 1843:

I. It is hereby enacted, that the said Act is repealed, except in so far as it repeals all provisions contained in any Regulation or Regulations of the Bengal, Madras, or Bombay Codes, touching the knowledge or notice had by parties to registered conveyances and other instruments affecting titles to land and other interests therein, of the existence of unregistered conveyances or other instruments affecting such titles or other interest therein.

II. And it is hereby enacted, that from the First day of May last past, every deed of sale or gift of lands, houses or other real property, a memorial of which has been or shall be duly registered according to law, shall, provided its authenticity be established to the satisfaction of the Court, invalidate any other deed of sale or gift for the same property which may not have been registered, and whether such second or other deed shall have been executed prior or subsequent to the registered deed—and that from the said day every deed of mortgage on land, houses and other real property as well as certificates of the discharge of such incumbrances, a memorial of which has been or shall be duly registered according to law, and provided its authenticity be established to the satisfaction of the Court, shall be satisfied in preference to any other mortgage on the same property which may not have been registered, and whether such second or other mortgage, shall have been executed prior or subsequent to the registered mortgage, any knowledge or notice of any such unregistered deed or certificate alleged to be had by any party to such registered deed or certificate not-

withstanding. Provided always that nothing in this Section contained shall be construed to extend to any deed or certificate made before the said First day of May last past.

III. And it is hereby declared and enacted, that no conveyance or other instrument affecting title to land, or any interest in the same whether made before or after the said First day of May last past, other than such deeds or certificates as aforesaid, are or shall be in any respect void for want of registration any Act, Regulation or Law to the contrary notwithstanding.

 THE 11TH NOVEMBER, 1843.

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 11th November 1843, is hereby promulgated for general information:

ACT No. XXI. OF 1843.
An Act for regulating the Emigration of Labourers from India to Mauritius.

I. Whereas it has been represented that the demands of the Island of Mauritius for Agricultural labour will by the end of this year be greatly diminished, and it is desirable that effectual measures should be adopted for providing a larger proportion of Female Emigrants to that Island than has been procured under the present system of Emigration, it is therefore enacted, that from and after the 1st day of January next ensuing, Emigration to Mauritius shall only lawfully take place under the provisions of the Act No. 15 of 1842, from the Port of Calcutta.

II. And it is hereby enacted, that it shall be competent to the Governor General in Council to nominate a proper person to act as Protector of Emigrants at Calcutta, and that no Emigrant shall be permitted to embark without a Certificate from the Agent appointed by the Government of Mauritius, countersigned by the Protector, to the effect that such person has been engaged by him as an Emigrant to that Island on the part of the said Government.
