LEGISLATIVE ENACTMENTS.

FORT WILLIAM. LEGISLATIVE DEPARTMENT.

THE 27TH JANUARY 1843.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 27th January 1843, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. I. OF 1843.

An Act for amending the Law concerning the Registration of written Conveyances and other instruments affecting Titles and other interests to Land.

Whereas the Registry Laws now in force in the respective Mofussils of Bengal, Madras and Bombay, provide that registered conveyances and other instruments affecting title to land and other interests therein shall not take precedence of unregistered conveyances and instruments in cases where the party registering shall have known of the existence of such unregistered conveyances or other instruments. And whereas a complicated system of law has arisen out of the construction which is to be given to the provisions regarding the knowledge of parties, or notice had by them in such cases. And whereas much perjury has been committed in investigations touching the fact of such notice or knowledge, and much of the time of the Courts has been occupied with such investigations. And whereas in consequence of forgeries, perjuries, fraudulent concealments, and other practices, no person purchasing or advancing money on the Security of Land, can safely rely on the conveyances or other instruments affecting the title to such land or other interest therein affording, by means of their being registered, a Security against conveyances or instruments being set up, as of previous date, by unregistered claimants:

It is hereby enacted, that all provisions contained in any Regulation or Regulations of the Bengal, Madras or Bombay Codes, touching such knowledge or notice as aforesaid, of previous unregistered conveyances, or instruments affecting titles to land or other interests therein, shall be repealed from the first day of May next; and every conveyance or other instrument affecting title to land, or any interest in the same authorized by those Codes respectively, to be registered, shall so far as regards any lands to which the same relate, be void as against any person claiming under any subsequent conveyance or other instrument duly registered, unless the prior conveyance or instrument shall have been duly registered before the registration of the subsequent conveyance or instrument; any alleged notice or knowledge of such prior conveyance or instrument notwithstanding. Provided always, that this Act shall not be construed to extend to any conveyance or other instrument made before the first day of May next.

FORT WILLIAM. LEGISLATIVE DEPARTMENT.

THE 1ST FEBRUARY, 1843.

The following Draft of a proposed Act was read in Council for the first time on the 1st of February 1843.

ACT No. — OF 1843.

For the Incorporation of a Bank at Madras.

Whereas the Hon'ble Court of Directors of the East India Company, by and with the approbation of the Board of Commissioners for the Affairs of India, has directed the abolition of the present Government Bank at Madras, and in lieu thereof has sanctioned the establishment of a Bank at Madras on the principles hereinafter set forth, and has required the Government of India to pass an Act of Incorporation for the same;

I. IT is therefore hereby enacted, that from the 1st day of June next ensuing in the year of our Lord

1843, the persons whose names are included in the Schedule hereunto annexed, having severally subscribed and signed their acceptance of the terms of incorporation specified in this Act, and with the Government of Madras on the part of the East India Company having paid into the Government Treasury the amount of Capital Stock subscribed by them respectively and taken receipts for the same from the Sub-Treasurer to the Government of Fort Saint George shall, together with the Governor in Council for the time being of the Presidency of Madras, be a Corporation Body Corporate and Politic by name of the Bank of Madras, with perpetual succession to them and their successors as Proprietors for the time being of the said Bank as hereinafter mentioned and provided, and shall possess and enjoy all the rights, privileges, and immunities incident by law to a Corporation aggregate.

Provided however, that it shall be lawful to the Governor General of India in Council at any time before the 1st of September next, to rectify any errors in the Schedule of the said Proprietors by notice in the Official Gazette of Calcutta and Madras, so that no alteration be made in the principles upon which such Schedule has been framed.

II. And it is hereby declared and provided, that if any of the persons whose names are in the said Schedule shall fail to make good their subscriptions on or before the 1st May next, the Shares to which such names are attached may be claimed and taken by the persons who having made applications for Shares which were received after the prescribed amount of Capital had been taken and subscribed for by the parties in the said Schedule, were permitted to have their said applications registered as received: and the Shares so lapsing shall be rendered to such applicants in the order of such registry according to the list given in to the Governor in Council at Fort Saint George, and shall become the property of such persons, provided they shall have in the manner heretofore mentioned paid up their subscriptions on or before the 20th of May next. And in the event of there remaining any unpaid Shares after the parties whose names have been so registered have thus had the option of completing the payments that will be due on such Shares, then such remaining unpaid Shares shall be at the disposal of a General Meeting of the Proprietors to be convened for that purpose: And it is hereby enacted, that the persons who become the Proprietors of the lapsed Shares in the manner above provided or under an appropriation made at such General Meeting of Proprietors by payment of the amount subscribed shall be considered to belong, and shall to all intents and purposes belong to the Corporation Body Corporate and Politic by name of the Bank of Madras, and shall possess and enjoy all the rights, privileges and immunities the same as the persons according to the Original Schedule who shall have paid up their Subscriptions on or before the 1st of May next. And it is hereby declared and required that as soon after the 20th of May next, as may be practicable, the Governor in Council at Fort Saint George shall publish in the Official Gazette of that Presidency a Schedule of the Proprietors of the Bank of Madras as incorporated under the provisions of this Act, and that the same shall be transmitted to be republished in the Official Gazette of Calcutta.

III. And it is hereby enacted, that the Capital Stock of the Bank of Madras shall be Thirty Lakhs of Rupees, whereof Three Lakhs shall be the property of the Governor in Council of Madras, for the time being on behalf of the East India Company, and the persons whose names are in the Schedule hereunto annexed, or in any Schedule corrected in the manner provided for in the 1st Section of this Act, or whose names shall be in the Schedule published by order of the Governor in Council at Fort St. George in the Official Gazette of that Presidency as required in Section 11, of the Act, shall be Proprietors

tors of the Shares of the said Capital Stock set against their names respectively.

IV. And it is hereby enacted, that it shall be in the power of the Governor General of India in Council, from time to time, by an Order duly published in the Official Gazette of Calcutta and of Madras, to authorize the said Capital Stock to be increased, and to make such order and direction for the opening of Subscriptions towards such increase of Capital as to him may seem fit, giving due notice thereof to the Proprietors of the said Bank for the time being, and allowing to them a period of not less than twelve months to fill up such Subscription themselves, and likewise to prescribe in what manner and form the Proprietors shall subscribe and pay into the said Bank the proportion of New Stock to which they may respectively be entitled, and also to make such order and direction as to him the said Governor General in Council may seem fit for the disposal of the amount of New Stock that may not be subscribed for, and paid up by the Proprietors in the manner and form that may be so prescribed.

V. 2. On the morning of the 15th instant, a body of 8000 Men with 6 Guns under the Command of Meer Shadad Khan, one of the principal Ameers, his cousin Meer Mahomed Khan, and many of the principal Chiefs, took up a position on three sides of the British Residency at Hyderabad, and attempted to force an entrance into the enclosure, which was surrounded by a low wall of from 4 to 5 feet in height, and defended by Major Outram's escort composed of 100 Men, the Light Company of Her Majesty's 22d Regiment, under the Command of Captain Conway, of that Regiment, assisted by the Officers mentioned in the Margin.*—After effectually keeping the Enemy at bay for nearly four hours, and after almost the whole of their ammunition was expended, Major Outram and his brave associates effected their retreat in the best possible order to the Iron Steamers "Planet" and "Satellite" and ultimately formed a junction

3. The loss sustained in this heroic defence reflecting so much honor on the defenders, is stated in the Margin* whilst that of the Enemy was 90 killed, and many wounded.

4. On the following day the 16th instant, Major General Sir Charles Napier, K. C. B. marched to Mutharee, and on his arrival there, ascertained that the Ameers were in position at Meeanee, distant about ten miles, to the number of Twenty two Thousand Men. Being aware that any delay for re-inforcements would both strengthen the confidence of the Enemy, and add to their numbers, although his own Force was not one seventh part of that of the Enemy, Sir Charles Napier resolved upon making an immediate attack, and accordingly marched towards Meeanee at 4 o'clock in the morning (the 17th.)—At 8 o'clock A. M. the advanced Guard of Major General Sir C. Napier's Force discovered the Enemy's Camp, and at 9 o'clock the British Troops formed in order of Battle, being composed of about Two Thousand and Eight Hundred Men, of all Arms, and Twelve pieces of Artillery. The Enemy opened a most determined and destructive fire upon the British Troops, and during the action, which ensued with the most undaunted bravery, repeatedly rushed upon them, Sword in hand; After a most resolute and desperate contest, which lasted for upwards of three hours, the Enemy was completely defeated and put to flight with the estimated loss of about 5,000 Men, 1,000 of whom were left dead on the Field, together with the whole of their Artillery, Ammunition and Standards, a considerable quantity of Stores and some Treasure.

5. The following day, Meer Roostom Khan, Meer Nusseer Khan, and Meer Wullee Mahomed of Khyrpore : Meer Nusseer Khan, Meer Shadad Khan and Meer Hoossein Khan of Hyderabad, came into the Camp of Major General Sir C. Napier, and unconditionally gave themselves up as Prisoners of War, and the British Colors were hoisted over the City of Hyderabad on the 20th instant.

6. It belongs to the Right Honorable the Governor General of India, to eulogise in suitable terms, the gallantry and devotion displayed by the British Troops engaged on this occasion; But the Honorable the Governor in Council cannot now refrain from stating, that Major General Sir C. Napier speaks in the highest terms of the heroism and distinguished bravery which were evinced by the Troops of all Arms, and which enabled that gallant Officer after a most desperate and hard fought battle, to add to his former high character and renown, by the achievement of one of the most decisive victories recorded in the history of India.
