Proclamation.**POLITICAL DEPARTMENT.***Bombay Castle, 23rd December 1844.*

The Hon'ble the Governor in Council is pleased to publish for general information the following Rules established by His Highness the Guicowar, exempting Vessels trading between Bombay and Scinde, forced into any of His Highness's Ports in Katteewar by stress of weather, from the payment of the duties heretofore exacted at those Ports.

By order of the Hon'ble the Governor in Council.

J. P. WILLOUGHBY,
Chief Secy.

Rules exempting Vessels trading between Bombay and Scinde forced into any of His Highness the Guicowar's Ports in Katteewar by Stress of weather, from the payment of the duties heretofore exacted at those Ports:—

RULE 1ST.

Should a Boat on her voyage between Bombay and any Port in Scinde be driven into the Mahals of this Sirkar, by stress of weather, and land its cargo, no duty of any kind, and no Port or anchorage fee will be exacted provided the Vessel remains in the harbour only a reasonable time. If a single package be landed for the purpose of sale or traffic, or if the Vessel refuse to pursue her voyage when able to do so, then the full amount of duty shall be levied on the whole cargo, and every Port or other fee be also levied in the usual manner, and the Vessel treated in every respect as if consigned to the Ports of this Sirkar's Mahals.

RULE 2ND.

Should a Boat under the circumstances mentioned at the commencement of Rule 1st put into the Port of Oookhamundul &c. in so bad a state as to be obliged to discharge her cargo into another Boat, which conveys it to its original destination, no duty will be levied, provided nothing is landed for sale, and provided no unnecessary delay takes place in the sailing of the Boat with the transhipped cargo; damaged goods may be landed and sold, under the Sanction of the Custom House Officers, on payment of the usual duties.

RULE 3RD.

Should a Boat under the above circumstances put into the Ports of Oookhamundul &c., and undergo repairs, landing her cargo in the mean time, no duty will be levied, provided there is no unnecessary delay, and provided that on re-shipping every package of the original cargo is duly accounted for to the satisfaction of the Custom Master of the Port.

RULE 4TH.

Should a Boat put into the Ports of Oookhamundul &c., under the circumstances abovementioned, and undergo slight repairs, without discharging any part of her cargo; no duty whatever will be levied, provided the repairs do not occupy more than a reasonable number of days.

RULE 5TH.

Should a Boat put into the Ports of Oookhamundul &c., under the above circumstances, at the close of the season and be compelled to lay up for the Monsoon, security will in the first place be given for the full amount of Duties

due on the whole Cargo, and all Ports and anchorage Fees shall be paid. The goods may then be landed and warehoused at the expense and risk of the owner or Tindal of the Vessel. The original Invoice of the cargo, or an authentic copy shall be deposited with the Customs authorities, and if on reshipping, it shall be discovered that a single package has been opened, or missing, and cannot be accounted for satisfactorily, the full amount of Customs shall be made good, according to the security previously given. The goods must be reshipped in the same Vessel which brought them, unless she be proved not sea worthy, in which case they may be forwarded on another; all damaged or perishable goods may be sold under the sanction of the Custom House Officers and on payment of the usual duties.

RULE 6TH.

When any doubts arise as to the application of any of the above Rules, the chief Guicowar authority of the Mahals, if unable, to settle the matter otherwise, will refer to the Political Agent and act according to his opinion and advice. His Highness the Guicowar reserves to himself the full right of punishing any Tindals, Owners, or Supercargoes of Boats who attempt to evade these Regulations and to take advantage of them for the purpose of defrauding the Revenue of the Durbar. But should the offender belong to foreign jurisdiction the Kamdar must refer the case to the Political Agent and act according to his advice and pending the receipt of that Officer's reply detain the offender in custody. The public must be duly made acquainted with these Rules,

Chief Secretary.

4. The frequent applications that have been made to us by Officers of our several Military Establishments in India, when in Europe, for advances of money on loan, under the plea of their being otherwise unable to return to their duty, have not only caused much trouble and inconvenience, but in some instances the Company have sustained loss, by the death of the parties to whom such advances have occasionally been made, and this practice has of late years increased.

5. As under the Regulations of 1796, the Military Officers are allowed to come home on furlough and to receive their pay, and in regard to Subalterns are further indulged with passage money home, their situations have been considerably improved and they cannot reasonably expect any additional indulgence of the nature above mentioned, to prevent therefore all expectation of the like in future, we direct that you publish in General Orders to the Army, that we have been under the necessity of coming to the resolution of declaring, that Officers at home are not hereafter to expect, that applications for advances of Money beyond what they are allowed by the existing Regulations of the service, will be attended to.
