Letter dated 28th March 1845, No. 25.

Forward a Memorial from Major H. T. Parkinson of the Native Veteran Battalion, praying that the retiring Pension Regulations of Effective Officers may be extended to the Officers of the Invalid Establishment, and recommend the same to favorable consideration.

4th. Similar applications to the present have been repeatedly made to us from the other Presidencies, but as the Regulation in question, established expressly as a substitute for a retiring Fund, was instituted for the purpose of relieving officers of

the *Effective* Establishment who may be comparatively slow in their promotion from the loss they would otherwise sustain in the rate of pension on retirement, we have felt ourselves altogether precluded from extending it to the non-effective branch of the service in which no promotion whatever is allowed.

5th. We take this opportunity of informing you, that in reply to a reference from the Government of Bengal, dated 26th November 1838, we made the following communication, which is equally applicable to your Presidency.

Extract Military letter to Bengal, dated 11th April 1839, (No. 21.)

Para. 26. " We have no hesitation in expressing our concurrence in your opinion that an officer who has completed the prescribed period of *effective Service*, and thus earned a full title to the benefit of the enlarged pension regulations as published in G. O. No. 258 of 1837, does not impair or forfeit such title by his subsequent 'transfer to the invalid establishment,' such title however must depend entirely on *effective service*; and time passed in India after transfer to the Invalids, can give no additional claim under the Regulation above mentioned."

Bombay Castle, 22nd September 1845.

No. 520 of 1845.—Corporal Sub-Assistant Overseer Bernard Featherstone, is placed at the disposal of His Excellency the Commander in Chief, for the purpose of being remanded to his Corps,

No. 522 of 1845.—Lieutenant J. C. Mayne of the 2nd Regiment Madras Light Cavalry, is allowed a furlough to Europe for three years for the benefit of his health.

THE 16TH AUGUST, 1845.

The following Draft of a proposed Act was read in Council for the first time on the 16th of August 1845.

Act No. — of 1845.

An Act for the establishment and maintenance of field boundary marks in the Presidency of Bombay.

Whereas it is desirable, with a view to the better definition and security of landed property, the prevention of encroachments and disputes, and the identification of lands assessed to, or exempted from, the public revenue, that provision should be made for the establishment and maintenance of permanent marks to distinguish the boundaries of fields:

I. It is hereby enacted, that it shall be lawful, within the territories subject to the Presidency of Bombay, for such Revenue Officers as the Governor in Council may entrust with that authority, to require that marks be erected and maintained by the Owners or Occupants on the boundaries of fields, of such materials, and in such number as may appear to such Officers sufficient for permanently distinguishing the limits of those fields.

II. And it is hereby enacted, that the requisition shall be served on the persons owning or occupying each field according to the Form A annexed to this Act, and in the event of these persons not being found in the Village, that the said requisition shall be posted at the Village Chowree or other conspicuous place in the Village, which shall be held to be a sufficient service.

III. And it is hereby enacted, that in default of the Owners or Occupants of the fields complying

with the requisition, the said Revenue Officers shall give directions for the erection and repair of such field boundary marks, the cost of which shall be equitably apportioned on the fields which they serve to distinguish, and shall be charged to the persons possessing a right of ownership or occupancy in such fields, of if there are no such persons forthcoming (or willing to defray the charge) to the revenues of the Village in which the fields are situated.

IV. And it is hereby enacted, that no person being out of possession and claiming a right of ownership or occupancy in fields, the cost of erecting or maintaining whose boundary marks has been charged to the revenues of the Village, in consequence of his neglecting to defray the same, shall have his claim allowed until he makes good all sums so charged.

V. And it is hereby enacted, that any person who may be convicted of wilfully erasing, removing, or injuring field boundary marks, shall be liable to a fine not exceeding fifty Rupees for each mark so erased, removed, or injured, one half of which fine may be awarded on conviction to the informer, and the other half shall be chargeable with the cost of restoring the mark.

VI. And it is hereby enacted, that authority for the assessment and realization of all sums due under the provisions of this Act, whether as costs or penalties, shall be vested in Revenue Officers authorized to provide for the erection and maintenance of field boundary marks, and shall be exercised by them in conformity with the rules prescribed for the assessment and realization of Revenue demands in general, and that the proceedings of those Officers in all such matters shall be recorded in writing, and shall be subject to appeal to the Revenue authorities to whom they are subordinate.

And whereas it is expedient that like provision should be made herein, and also provision for vesting, continuing and establishing in, for, and against the Corporate Body hereby created after (and notwithstanding their Incorporation) all such property, rights, contracts and liabilities whatever as the said existing Society or Company are, or but for such Incorporation would be possessed of, entitled or liable to.
