FORT WILLIAM,
 HOME DEPARTMENT,
 LEGISLATIVE.

The 13th March 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March 1847 :

ACT No. ——— of 1847.

An Act for amending Act XXX. of 1836.

It is hereby enacted, that within the Territories subject to the Government of the East India Company whenever any Court not included under the provisions of Act XXIV. of 1843, shall sentence any offender to imprisonment for life under the provisions of Act XXX. of 1836, it shall at the same time sentence such offender to transportation beyond sea for life, unless there should be special reasons inducing the Court to think such prisoner not a proper subject for transportation, which special reasons the Court is hereby directed to record.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 13th day of June next.

G. A. BUSHBY, Secy. to the Govt. of India.

FORT WILLIAM,
 HOME DEPARTMENT,
 LEGISLATIVE.

The 13th March 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March 1847:

ACT No. ——— of 1847.

An Act for the encouragement of learning in the Territories subject to the Government of the East India Company, by defining and providing for the enforcement of the right called Copyright therein.

Whereas doubts may exist whether the right called Copyright can be enforced by the Common Law of England in those parts of the Territories subject to the Government of the East India Company into which the Common Law of England has been introduced:

And whereas doubts may exist whether the said right can be enforced by virtue of the principles of equity and good conscience in the other parts of the Territories subject to the Government of the East India Company:

And whereas for the encouragement of learning it is desirable that the existence of the said right should be placed beyond doubt, and that the said right should be made capable of easy enforcement in every part of the said Territories:

And whereas it is doubtful whether the Act of Parliament 5 and 6 Victoria, C. 45, entitled "an Act to amend the Law of Copyright," although such Act extend to every part of the British Dominions, has made appropriate and sufficient pro-

vision for the enforcement in every part of the said Territories subject to the Government of the East India Company of the said right by proprietors thereof: and whether the said Act of Parliament has made provision for the enforcement of the said right by or against any persons not being subject to the jurisdiction of the Courts established by Her Majesty's Charter.

I. It is therefore hereby enacted, that the Copyright in every book published in the life time of its author within the said Territories after the passing of the Act of Parliament 3 and 4 Wm. 4, C. 85, entitled "an Act for effecting an arrangement with the East India Company and for the better government of His Majesty's Indian Territories till the 30th day of April 1854." shall endure for the natural life of such author, and for the further term of seven years commencing at the time of his death, and shall be the property of such Author and his Assigns: Provided always, that if the said term of seven years shall expire before the end of forty-two years from the publication of such book, the Copyright shall in that case endure for such period of forty-two years; and that the Copyright in every book which shall be published after the death of its Author shall endure for the term of forty-two years from the first publication thereof and shall be the property of the proprietor of the Author's manuscript from which such book shall be first published and his Assigns.

II. And whereas it is expedient to provide against the suppression of books of importance to the public. It is enacted that it shall be lawful for the Governor General in Council on complaint made to them that the proprietor of the Copyright in any book published after the passing of this Act within the said Territories, has after the death of its Author refused to republish or to allow the republication of the same, and that by reason of such refusal such book may be withheld from the public, to grant a licence to such complainant to publish such book in such manner and subject to such conditions as they may think fit, and it shall be lawful for such complainant to publish such book according to such licence.

III. And it is hereby enacted, that a Book of Registry wherein may be registered as hereinafter enacted the proprietorship in the Copyright of books and assignments thereof, and licences affecting such Copyright, shall be kept in the office of the Secretary to the Government of India for the Home Department, and shall at all convenient times be open to the inspection of any person on payment of ^{for every entry which shall be} searched for or inspected in the said book, and that such Officer shall whenever thereunto reasonably required, give a copy of any entry in such book certified under his hand, to any person requiring the same on payment to him of the sum of

and such copies so certified shall be received in evidence in all Courts and in all summary proceedings, and shall be *prima facie* proof of the proprietorship or assignment of Copyright or licence as therein expressed, but subject to be rebutted by other evidence.

IV. And it is enacted, that if any person shall wilfully make or cause to be made any false entry in the Registry Book aforesaid, or shall wilfully produce, or cause to be tendered in evidence any paper falsely purporting to be a copy of any entry in the said book, he shall be guilty of an indictable misdemeanour, and shall be punished accordingly.

V. And it is enacted, that after the passing of this Act it shall be lawful for the proprietor of Copyright in any book published, after the passing of the said Act of Parliament 3 and 4 Wm. 4, C. 85 to make entry in the Registry Book of the title of such book, the time of the first publication, and the name and place of abode of the publisher thereof, and the name and place of abode of the proprietor of the Copyright of the said book, or of any portion of such Copyright in the form in that behalf given in the Schedule to this Act annexed upon payment of the sum of

and that it shall be lawful for every such registered proprietor to assign his interest or any portion of his interest therein, by making entry in the said Book of Registry of such assignment, and of the name and place of abode of the Assignee thereof in

the form given in that behalf in the said Schedule on payment of the like sum; and such assignment so entered shall be effectual in Law to all intents and purposes whatsoever without being subject to any stamp or duty, and shall be of the same force and effect as if such assignment had been made by Deed.

VI. And it is enacted, that if any person shall deem himself aggrieved by any entry made under colour of this Act in the said Book of Registry, it shall be lawful for such person to apply by motion to the Supreme Court of Calcutta in term time, or to apply by Summons to any Judge of such Court in vacation for an order that such entry may be expunged or varied, and that upon any such application by motion or Summons to the said Court, or to a Judge as aforesaid, such Court or Judge shall make such order for expunging, varying or confirming such entry either with or without costs, as to such Court or Judge shall seem just, and the said Secretary shall on the production to him of any such order for expunging or varying any such entry, expunge or vary the same according to the requisitions of such order.

VII. And it is enacted, that if any person shall after the passing of this Act print or cause to be printed either for sale or exportation, any book in which there shall be subsisting Copyright without the consent in writing of the proprietor thereof, or shall have in his possession for sale or hire any such book so unlawfully printed without such consent as aforesaid, such offender if he shall have so offended within the local limits of any of the Courts of Judicature established by Her Majesty's Charter, shall be liable to a special action on the case in such Court, and if he shall have so offended in any other part of the Territories subject to the Government of the East India Company, to a suit in the Zillah Court within the jurisdiction of which he shall have so offended, which shall and may be prosecuted in the same manner in which any other action of damages may be brought and prosecuted there, and if he shall so offend in any such last mentioned part of the Territories subject to the Government of the East India Company in which there is no Zillah Court, to a suit in the highest local Court exercising original Civil jurisdiction in such part of the said Territories.

VIII. Bombay Castle, 31st March 1847.

The following notice is published for information.

Calicut, 1st February 1847.

Notice is hereby given, that a fixed single light will be exhibited at Calicut from the 15th instant, on a column of masonry 105 feet above the level of the sea.

The column, which is white, may be seen from the deck of a ship, at a distance of about 14 or 15 miles during the day time, and the light (which is a small one) may be distinguished at a distance of about 9 or 10 miles during the night.

The Calicut shoal bears from the Light House N. N. E. distance about 1½ miles.

The best anchorage for shipping is in 5 fathoms with the Light House bearing from east to E. N. E.

There is 3½ fathoms near the western edge of the Calicut shoal, but vessels passing the port either by day or by night, should not come under 5 fathoms, this depth will carry them well clear of the shoal.

The light will not be exhibited from the 20th May to the 10th August of each year.

NOTIFICATION.

It is hereby notified for general information that in conformity with Sec: XXVII. of the Post Office Rules of the 30th August 1837, no parcel can be received at this office which bears the appearance of having been opened, and reclosed, or otherwise improperly dealt with, or packed in so insecure and careless a manner as to render it impossible to tell whether it has been so dealt with or not; and the public are particularly requested to be careful in all cases to pack parcels intended for transmission by Post in the strongest and most secure manner that circumstances will admit, affixing their private seals when possible on the joinings of the covers, as the extremely loose and careless way in which parcels are packed, affords great facilities to parties who are so inclined, to tamper with their contents.

SUPPLEMENT

TO THE
BOMBAY GOVERNMENT GAZETTE

Published by Authority.

TUESDAY, 30TH MARCH 1847.

NOTIFICATION.

POLITICAL DEPARTMENT.

The Hon'ble the Governor in Council is pleased to republish for information and guidance the following General Order by the Right Hon'ble the Governor General of India, dated the 15th instant, prohibiting the publication, without previous sanction, of documents or information received in their official capacity by officers in the service of Government.

By order of the Hon'ble the Governor in Council,
A. MALET, Secy. to Govt.

Bombay Castle, }
29th March 1847. }

GENERAL ORDER,

BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA.

FOREIGN DEPARTMENT,

Camp Dehra, March 15th, 1847.

NOTIFICATION.

Fort William, Foreign Department, the 30th August 1843.
Some misconception appearing to exist with respect to the power which officers of both services have over the documents and papers which come into their possession officially, the Governor General in Council deems it expedient to notify, that such documents and papers are in no case to be made public, or communicated to individuals without the previous consent of the Government to which alone they belong.
The officer in possession of such documents and papers can only legitimately use them for the furtherance of the public service, in the discharge of his official duty; and it is to be understood, that the same rule which applies to documents and papers, applies to information of which officers may become possessed officially.

The Governor General deems it advisable to republish for general information the Notification issued on the 30th August 1843, in which the principle is laid down, that it is contrary to the duty of every officer, Civil or Military, to make public or to communicate to individuals, without the previous sanction of Government, any documents, papers, or information of which he may have become possessed in his official capacity.

By order &c.
(Signed) J. THOMASON,
Secy. to the Govt. of India.

The practice of making use of official information in carrying on personal controversies is a course highly prejudicial to the public interests, and is not only at variance with the rules by which due discipline and obedience to superior authority can be adequately maintained, but is a positive breach of faith, in as much as no functionary has a right to reveal, without due authority from his official superiors, or the Home authorities, any fact or circumstance which may come to his knowledge in the performance of his duty, or to correspond with any one, upon the instructions he may have received for his special guidance.

The Governor General is persuaded that every officer, civil and military, will henceforth conform to this rule of the service, under the conviction that, if in the transaction of his official duties, his public conduct be impugned he is at liberty to seek redress through the usual official channel, by an appeal to the Government he serves, and that the Government so appealed to will afford him every opportunity of vindicating his character.

By order of the Right Hon'ble the Governor General of India.
(Signed) H. M. ELLIOT.
