FORT WILLIAM,  
HOME DEPARTMENT,  
LEGISLATIVE.

The 3d July 1847.

The following Draft of a proposed Act was read in Council for the first time on the 3d of July 1847.

ACT No — OF 1847.

*An Act to amend the Law regarding the taking of Mochulkas or Penal Recognizances.*

I. It is hereby enacted, that Section 4, Regulation IV. of 1825, of the Bengal Code, is repealed.

II. And it is hereby enacted, that in the Territories subject to the Presidency of Bengal, it shall be lawful for the Zillah and City Magistrates and Joint Magistrates to take Mochulkas or Penal Recognizances according to established usage in all cases wherein it may appear just and necessary to require the same for the maintenance of the peace in their respective jurisdictions although the party to be bound in such recognizance may not have been convicted of any specific offence, provided that the amount of the recognizance in all such cases shall be proportionate to the condition in life of the said party and to the circumstances of the case.

III. And it is hereby enacted, that in cases of an aggravated nature wherein it may appear necessary to require security for keeping the peace in addition to the recognizance of the party, it shall be lawful for such Magistrates to direct the same and to fix a reasonable amount for the security bond to be executed by the surety or sureties.

IV. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security, need not exceed one year, it shall be lawful for him without reference to superior authority to give directions accordingly, and in default of such recognizance or additional security, to commit the party to prison in the Civil Jail until he shall do what has been required of him.

V. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security ought to exceed the period of one year, the Magistrate shall record his opinion to that effect with an order specifying the amount of recognizance and security as well as the number of sureties which should in his judgment be required, and the period for which the recognizance and security should be required, which however shall in no case exceed three years. If the

party shall not furnish the recognizance and security so required, the proceedings shall be laid before the Sessions Judge, who after examining then and calling for any further information which he may think necessary, shall pass orders on the case confirming, modifying or annulling the orders of the Magistrate, and if the orders so passed by the Sessions Judge confirm to any extent the requisition for recognizance or securities, the Sessions Judge shall direct the Magistrate to commit the party to prison in the Civil Jail until he shall do what has been required of him.

VI. Provided always and it is hereby enacted, that no party shall be kept in prison under this Act for a longer period than that for which the recognizance and securities have been required from him.

VII. And it is hereby enacted, that the Provisions contained in Sections 5, 6 and 7, of Regulations VIII. of 1818, of the Bengal Code, shall be applicable to all persons confined under this Act, and to all sureties who shall have given security under this Act.

VIII. And it is hereby enacted, that all sentences and orders passed under this Act shall be appealable subject to the general provisions which regulate appeals.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 3d day of September next.
