FORT WILLIAM,  
HOME DEPARTMENT,  
LEGISLATIVE.

The 6th November 1847.

The following Extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 6th November 1847, is published for general information :

Read a second time the Draft of a proposed Act dated the 31st October 1846, and published in the *Calcutta Gazette* of the 7th November 1846, to enable the Commissioners who may be appointed under Act — to purchase real or personal property for the improvement of the Town of Calcutta.

*Resolution.*—The Hon'ble the President in Council resolves that the following amended Draft on the subject be published for general information :

Act No. — of 1847.

*To enable the Commissioners who may be appointed under Act XVI. of 1847 to purchase and hold real or personal property for the improvement of the Town of Calcutta.*

Whereas by Act XVI. of 1847, entitled an Act for constituting Commissioners for the Improvement of the Town of Calcutta, partly by appointment of the Government and partly by election of the Rate-payers, provision was made for the appointment and election of such Commissioners, or in default of election, for the appointment of the whole of such Commissioners.

And whereas it is expedient, that provision should be made to enable such Commissioners to purchase and hold real or personal property for the purposes aforesaid in manner hereinafter mentioned.

And whereas it is probable that benevolent and public spirited individuals, with the view of contributing to the improvement and adornment of the said Town may be desirous of settling real or personal property by Deed or Will upon such Commissioners.

I. It is therefore enacted, that the said Commissioners shall be Trustees for and on behalf of the Government of Fort William in Bengal, and of the inhabitants of Calcutta, and shall sue and be sued at Law and in Equity in Her Majesty's Supreme Court of Judicature at Fort William by the name of the Commissioners for the improvement of the Town of Calcutta, and shall have a common seal, and shall have power to take, purchase and hold lands, tenements, hereditaments, goods, chattels and other property, as such Trustees for the purposes aforesaid.

II. And it is enacted, that whenever it shall appear to the said Commissioners, or a majority of them, that it is necessary they should purchase any houses, buildings or grounds for the purposes aforesaid, the said Commissioners shall represent the same to the Governor of Bengal, and if he shall consent thereto, but not otherwise, shall enter into treaties for the purchase of such houses, buildings or grounds with the owners thereof, and in case they shall not be able to come to agreement with such owners or the amount of compensation shall not be settled by arbitration as hereinafter provided, then the said Commissioners shall apply to the Sheriff of Calcutta to summon a Jury, and the said Sheriff shall forthwith summon a Jury in manner hereinafter mentioned, to assess the price which the said Commissioners shall pay to the said owner or owners for the purchase of such houses, buildings and grounds with all appurtenances as aforesaid.

III. And whereas it is expedient to make provision for those cases in which the said Commissioners may be able to purchase lands, buildings or tenements by agreement, it is enacted that it shall and may be lawful for the said Commissioners to agree with the owners of any lands buildings or tenements by this Act authorized to be taken and which shall be required for the purposes of this Act, and with all parties having any estate or interest in such lands, buildings or tenements, or by this Act, or by any other authority or power enabled to sell and convey the same, for the absolute purchase of any such lands, buildings or tenements, or such parts thereof as they shall think proper, and of all estates and interests, in such lands of what kind soever,

IV. And it is enacted, that it shall and may be lawful for all parties being seized, possessed of, or entitled to any such lands, buildings or tenements, or any estate or interest therein to sell and convey or release the same to the said Commissioners and to enter into all necessary agreements for that purpose, and particularly it shall be lawful for all or any of the following parties so seized, possessed or entitled as aforesaid, so to sell, convey or release (that is to say) all corporations, tenants in tail, or for life, married women, seized in their own right or entitled to dower, guardians, committees of lunatics and idiots, trustees or feoffees in trust for charitable or other purposes, executors and administrators, and all parties for the time being entitled to the receipt of the rents and profits of any such lands in possession, or subject to any estate in dower, or to any lease for life or for lives, or for years, or any less interest, and the power so to sell and convey or release as aforesaid, may lawfully be exercised by all such parties not only on behalf of themselves and their respective Heirs, Executors, Administrators and Successors, but also for and on behalf of every person entitled in reversion, remainder or expectancy after them, or in defeasance of the estates of such parties, and as to such married women whether they be of full age or not as if they were sole and of full age, and as to such guardians on behalf of their wards, and as to such committee on behalf of the lunatics and idiots of whom they are the committees respectively, and that to the same extent as such wives, wards, lunatics and idiots respectively could have exercised the same power under the authority of this Act if they had respectively been under no disability, and as to such Trustees, Executors and Administrators on behalf of their cestui-que trusts whether infants, issue unborn, lunatics, femmes covert or other persons, and that to the same extent as such cestui-que trusts respectively could have exercised the same powers under the authority of this Act if they had respectively been under no disability.

V. And it is enacted, that the purchase money, consideration, or compensation to be paid or given for any lands, buildings or tenements to be purchased or taken from any party under any disability or incapacity, and not having any power to sell or convey such lands except under the provisions of this Act, and the compensation to be paid for any permanent damage or injury to any such lands, buildings or tenements, shall in all cases be determined by the verdict of a jury to be summoned as hereinafter provided.

VI. And it is enacted, that it shall be lawful for any person seized in fee or entitled absolutely for his own benefit to any lands, buildings or tenements authorized to be purchased for the purposes of this Act to sell and convey such lands, buildings or tenements, or any part thereof, unto the said Commissioners in consideration of an annual rent-charge payable by the said Commissioners, but except as aforesaid the consideration to be paid for the purchase of any such lands, buildings or tenements or for any damage done thereto, shall be in a gross sum.

VII. And it is enacted, that the yearly rent reserved by any conveyance of lands, buildings or tenements purchased by the said Commissioners for the purposes of this Act shall be charged on the rates hereinafter authorized to be raised and levied, and shall be paid by the said Commissioners as such rents become payable, and if at any time any such rents be not paid within thirty days after they so become payable, and after demand thereof in writing, the person to whom any such rent shall be payable, may recover the same from the said Commissioners with costs of suit by action of debt in the said Supreme Court.

VIII. And it is enacted, that when the said Commissioners shall require to purchase or take any of the lands, buildings or tenements which by this Act they are authorized to purchase or take, they shall give notice thereof to all the parties interested in such lands or to the parties enabled by this Act to sell and convey or release the same or such of the said parties as shall after diligent inquiry be known to the said Commissioners, and by such notice shall demand from such parties the particulars of their estate and interest in such lands and of the claims made by them in respect thereof, and every such notice shall state the particulars of the lands so required, and that the said Commissioners are willing to treat for the purchase thereof, and as to the compensation to be made to all parties for the

damage that may be sustained by them by reason of the execution of the works.

IX. And it is enacted, that all notices required to be served by the said Commissioners upon the parties interested in or entitled to sell any such lands, buildings or tenements shall either be served personally on such parties, or left at their last usual place of abode if any such can after diligent inquiry be found, and in case any such parties shall be absent from the said Town or cannot be found after diligent inquiry, such notices shall be left with the occupier of such lands or if there be no such occupier shall be affixed upon some conspicuous part of such lands.

X. And it is enacted, that if the party claiming compensation desire to have the same settled by arbitration, and signify such desire by notice in writing to the said Commissioners before they have issued their warrant to the Sheriff to summon a jury in respect of such lands under the provisions hereinafter contained, stating in such notice the nature of the interest in respect of which such party claims compensation, and the amount of the compensation so claimed, the same shall be so settled by arbitration accordingly, but unless the party claiming compensation shall as aforesaid, signify his desire to have the question of such compensation settled by arbitration, or if when the matter shall have been referred to arbitration, the arbitrators or the umpire shall for three months have failed to make their award, or if no final award shall be made, the question of such compensation shall be settled by the verdict of a jury as hereinafter provided.

XI. And it is enacted, that when any question of disputed compensation by this Act authorized or required to be settled by arbitration, shall have arisen, then unless both parties shall concur in the appointment of a single arbitrator, each party on the request of the other party shall nominate and appoint an arbitrator to which two arbitrators such dispute shall be referred, and every appointment of an arbitrator shall be made on the part of the said Commissioners under the hands of two of the said Commissioners, or of their Clerk duly authorized by such two Commissioners, and on the part of any other party under the hand of such party, or if such party be a corporation aggregate under the common seal of such corporation, and such appointment shall be delivered to the arbitrator or arbitrators, and shall be deemed a submission to arbitration on the part of the party by whom the same shall be made, and after any such appointment shall have been made neither party shall have power to revoke the same without the consent of the other, nor shall the death of either party operate as a revocation, and if after any such dispute shall have arisen and after a request in writing in which shall be stated the matter so required to be referred to arbitration, shall have been served by the one party on the other party to appoint an arbitrator, such last mentioned party fail within fourteen days after such service to appoint such arbitrator, then upon such failure the party making the request, and having himself appointed an arbitrator may appoint such arbitrator to act on behalf of both parties, and such arbitrator may proceed to hear and determine the matters which shall be in dispute, and in such case the award or determination of such single arbitrator shall be final.

XII. And it is enacted, that if before the matters so referred shall be determined, any arbitrator appointed by either party shall die or become incapable to act, the party by whom such arbitrator was appointed may nominate and appoint in writing some other person to act in his place, and if for the space of seven days after notice in writing from the other party for that purpose he shall fail to do so, the remaining or other arbitrator may proceed to hear and determine the matters which shall be in dispute, and every arbitrator who shall be so substituted as aforesaid shall have the same power and authorities as were vested in the former arbitrator at the time of such his death or disability aforesaid.

XIII. And it is enacted, that where more than one arbitrator shall have been appointed, such arbitrators shall before they enter upon the matters referred to them, nominate and appoint by writing under their hands an umpire to decide on any such matters on which they shall defer, or which shall be referred to him under the provisions of this Act, and if such umpire shall die or become incapable to act, they shall forthwith after such death or incapacity appoint another umpire in his place, and the decision of every such umpire on the matters so referred to him shall be final.

XIV. And it is enacted, that if in either of the cases aforesaid the said arbitrators shall refuse, or shall for seven days after request of either party to such arbitration, neglect to appoint an umpire, any two of the Ma-

gistrates of Calcutta shall on the application of either party to such arbitration appoint an umpire, and the decision of such umpire on the matters on which the arbitrators shall differ or which shall be referred to him under this Act shall be final.

XV. And it is enacted, that when a single arbitrator shall have been appointed as hereinbefore provided, and such arbitrator shall die or become incapable to act before he shall have made his award, the matters referred to him shall be determined by arbitrators under the provisions of this Act in the same manner as if such arbitrator had not been appointed.

XVI. And it is enacted, that if where more than one arbitrator shall have been appointed either of the arbitrators refuse, or for seven days after the day of his appointment shall neglect to act, the other arbitrator may proceed to hear and determine the matters in dispute, and the decision of such other arbitrator shall be as effectual as if he had been the single arbitrator appointed by both parties.

XVII. And it is enacted, that if where more than one arbitrator shall have been appointed and where neither of them shall refuse or neglect to act as aforesaid, but such arbitrators shall fail to make their award within twenty-one days after the day on which the last of such arbitrators shall have been appointed, or within such extended time, (if any) as shall have been appointed for that purpose by both such arbitrators under their hands, the matters referred to them shall be determined by the umpire to be appointed as aforesaid.

XVIII. And it is enacted, that the said arbitrators or their umpire may call for the production of any documents in the possession or power of either party which they or he may think necessary for determining the question in dispute, and may examine the parties or their witnesses on oath or solemn affirmation, and administer the oaths and solemn affirmation necessary for that purpose.

XIX. And it is enacted, that before any such arbitrator or umpire as aforesaid shall enter into the consideration of any matters referred to him he shall in the presence of a Magistrate of Calcutta make and subscribe the following declaration, that is to say—

I, A. B., do solemnly and sincerely declare that I will faithfully and honestly to the best of my skill and ability hear and determine the matters referred to me under the provisions of the Act

C. D.

And such declaration shall be annexed to the award when made, and if any arbitrator or umpire having made such declaration shall wilfully act contrary thereto, he shall be deemed guilty of a misdemeanour.

XX. And it is enacted, that all the costs of any such arbitration and incident thereto, shall be settled by the said arbitrators and shall be borne by the said Commissioners, unless the arbitrators shall award the same or a less sum than shall have been offered by the said Commissioners in which case each party shall bear their own costs incident to the said arbitration, and the costs of the said arbitrators shall be borne by the parties in equal proportions.

XXI. And it is enacted, that the said arbitrators or the said umpire, as the case may be, shall deliver their award in writing to the said Commissioners, and the said Commissioners shall retain the same, and on demand made at the office of their Clerk shall forthwith at their own expense furnish a copy thereof to the other party to the arbitration, and shall at all reasonable times when thereunto required produce the said award and allow the same to be inspected or examined at the office of their said Clerk by such party or any person appointed by him for that purpose.

XXII. And it is enacted, that the submission to any such arbitration as aforesaid may be made a rule of the said Supreme Court on the application of either or any party thereto, and may be enforced against all necessary parties by any rule, order or decree of the said Court notwithstanding that any or either of the said parties are not otherwise subject to the jurisdiction of the said Court.

X XIII. And it is enacted, that no award made with respect to any question referred to arbitration under the provisions of this Act shall be set aside for irregularity or error in matter of form.

X XIV. And it is enacted, that in every case in which a dispute or difference shall arise between the said Commissioners, and any person or persons whose property they may intend or desire to purchase for the purposes of this Act, as to the amount of compensation to be paid for the said property which difference and

dispute either of the said parties shall refuse to settle by arbitration the said Commissioners shall issue a warrant in writing signed by any one of them and sealed with their common seal to the Sheriff of Calcutta, requiring him to summon a jury for the purpose of settling the said difference or dispute, and if such Sheriff be interested in the matter in dispute such warrant shall be addressed and sent to the Coroner of Calcutta, and if the said Sheriff and the said Coroner be both of them interested in the said matter then the said warrant shall be addressed and sent to the last person who shall have filled the office of Sheriff of Calcutta who is not interested in the said matter, and who is at the time of the issuing the said warrant an inhabitant of the said Town of Calcutta, and every such Sheriff, Coroner, or Ex-Sheriff shall have power if he think fit to appoint a Deputy or Assessor.

XXV. And it is enacted, that throughout the enactments contained in this Act relative to a reference to a jury where the term Sheriff is used, the provisions applicable thereto shall be held to apply to every Coroner or other person lawfully acting in the place of the Sheriff, and in every case in which any such warrant as aforesaid shall have been directed to any other person than the said Sheriff of Calcutta, such Sheriff shall immediately on receiving notice of the delivery of the warrant on application being made to him for that purpose deliver over to the person to whom the said warrant shall have been directed, or to any other fit and proper person appointed by him to receive the same the Jurors' book and Special Jurors' list for the Town of Calcutta.

XXVI. And it is enacted, that upon the receipt of such warrant as aforesaid the Sheriff shall summon a jury of ten indifferent persons duly qualified to act as common jurymen in Her Majesty's Supreme Court of Judicature aforesaid, to meet at a convenient time and place to be appointed by him for that purpose, such time not being less than fourteen nor more than twenty-one days after the receipt of such warrant, and such place not being more than miles from the lands, buildings or tenements concerning and relating to which the said difference or dispute shall have arisen unless by consent of the parties interested some other time and place be agreed upon and settled, and the said Sheriff shall forthwith give notice to the said Commissioners of the time and place so appointed by him.

XXVII. And it is enacted, that out of and from the number of jurors appearing upon such summons as aforesaid, a jury of five persons shall be drawn by the said Sheriff in such manner and form as juries for trials of offences before the said Supreme Court are by the rules and orders of the said Court required to be drawn, and if a sufficient number of the jurymen so summoned as aforesaid do not appear in obedience to such summons as aforesaid the Sheriff shall return other indifferent men duly qualified as aforesaid of the bystanders or others that can speedily be procured to make up the jury to the said number of five persons, and the said Commissioners and all other parties interested in the said lands, buildings or tenements may have and make their challenges against any of the said jurymen according to the course and practice of the said Supreme Court, but neither the said Commissioners nor any of the said parties interested as aforesaid shall challenge the array.

XXVIII. And it is enacted, that in every such inquiry as aforesaid the said Sheriff shall preside, and the party or parties claiming compensation from the said Commissioners shall be deemed the plaintiff or plaintiffs as the case may be, and shall have all such rights and privileges as the plaintiff is entitled to in the trial of actions at law in the Court of Queen's Bench at Westminster, and if the said Commissioners or any person interested in the said lands, buildings or tenements so request in writing the said Sheriff shall summon before him, any person who shall by the said Commissioners, or any person interested as aforesaid be considered necessary to be examined as a witness touching the matters in question, and on the like request the said Sheriff shall order the said jury to view the place or matter in controversy in like manner as views be had in the trial of actions at law in the Court of Queen's Bench at Westminster.

XXIX. And it is enacted, that if the said Sheriff make default in any matter hereinbefore required to be done by him in relation to any such trial or inquiry as aforesaid, he shall forfeit and pay the sum of Five Hundred Rupees for every such offence, and such penalty shall be recoverable by the said Commissioners by an action of debt or on the case in the said Supreme Court, and if any person summoned and returned upon any jury under this Act, whether common or special,

do not appear, or if appearing do refuse to make such lawful oath or affirmation as the said Sheriff may require, or in any other manner wilfully neglect his duty, he shall unless he shew reasonable excuse for the said default or neglect to the satisfaction of the said Sheriff forfeit a sum not exceeding One Hundred Rupees, and every such penalty as aforesaid payable by a Sheriff or jurymen as aforesaid shall be applied in satisfaction of the costs of the said inquiry so far as the same will extend, and in addition to the penalty hereby imposed as aforesaid every such jurymen, shall in all respects be subject to the same regulations, pains and penalties as if such jury were returned for a trial in the said Supreme Court.

XXX. And it is enacted, that if any person who shall have been duly summoned to give evidence upon any such enquiry, and to whom a tender of his reasonable expenses shall have been made fail to appear at the time and place specified in the summons without sufficient cause, or if any person whether summoned or not who shall appear as a witness on any such inquiry refuse to be examined on oath or affirmation touching the subject matter in dispute every person so offending shall forfeit and pay to the party aggrieved thereby a sum not exceeding One Hundred Rupees, and that any person examined on oath or affirmation touching the subject matter in dispute who shall wilfully and falsely state any matter which if wilfully and falsely stated by such person in any Court of Justice in which such subject matter might be in dispute, would amount to wilful and corrupt perjury, shall be guilty of wilful and corrupt perjury.

XXXI. And it is enacted, that the said Commissioners shall give to all parties interested in any lands, buildings or tenements concerning or relating to which an inquiry hath been appointed to be held by the said Sheriff notice of the time and place of such inquiry, not less than ten days before the same is to be held, and the said notice shall be in writing, and shall be served on each of the said parties personally or left at his last known place of abode in the said Town, or if he have no such place of abode then the said notice of every such person shall be twice publicly advertised in one or more of the Newspapers published within the said Town.

XXXII. And it is enacted, that if at any such inquiry any party claiming compensation shall fail to appear in person or by his Counsel or Agent, such inquiry shall not be proceeded with so far as concerns the compensation claimed by such absent party, but the compensation to be paid by the said Commissioners to such absent party shall be settled and determined by a Surveyor to be named and appointed by any two of the Magistrates of Calcutta without prejudice to such inquiry then and there proceeding before such Sheriff so far as concerns any compensation claimed by any other party or parties interested in such compensation in respect of the same premises who shall so appear.

XXXIII. And it is enacted, that before any jury shall proceed on any such inquiry as aforesaid to inquire of and assess compensation or damages in respect of which their verdict is to be given they shall make oath, or if they object to make oath they shall make a solemn affirmation that they will truly and faithfully enquire of and assess such compensation or damages, and the said Sheriff shall administer such oaths and affirmations as well as the oaths and affirmations of all persons called upon to give evidence.

XXXIV. And it is enacted, that where such inquiry aforesaid shall relate to the value of any lands, buildings, or tenements to be purchased, and also to compensation claimed for injury done or to be done to any other lands, buildings, or tenements held therewith, the jury shall deliver their verdict separately for the sum of money to be paid for the purchase of the lands, buildings, or tenements required by the said Commissioners, or of any interest therein belonging to the party or parties with whom the question of disputed compensation shall have arisen, or which under the provisions herein contained he is enabled to sell or convey, and for the sum of money to be paid by way of compensation for the damage if any sustained or to be sustained by the said party or parties by reason of the severing of the lands, buildings, or tenements, taken from the other lands, buildings, or tenements of the said party or parties, or otherwise injuriously affecting such last mentioned lands, buildings, or tenements by the exercise of the powers conferred by this Act.

XXXV. And it is enacted, that the Sheriff before whom such inquiry as aforesaid shall be held shall give judgment for the purchase money or compensation assessed by such jury as aforesaid, and the verdict and

judgment shall thereupon be signed by such Sheriff, and being so signed shall be delivered to and kept by the Keeper of the Records in the said Supreme Court among the Records of the said Supreme Court, and such verdicts and judgments shall be deemed Records, and the same or true copies or exemplifications thereof shall be good evidence in all Courts and elsewhere, and all persons may inspect the said verdicts and judgments, and may have copies or exemplifications thereof, or extracts therefrom, on paying for each inspection of any such verdict and judgment the sum of Eight Annas, and for every one hundred words copied or extracted therefrom Four Annas, which copies, exemplifications or extracts the said Keeper of the Records is hereby required to make out and sign and certify the same to be true.

XXXVI. And it is enacted, that on every such inquiry before a jury as aforesaid where the verdict of the jury shall be given for a greater sum than the sum previously offered by the said Commissioners all the costs of such inquiry shall be borne by the said Commissioners, but if the verdict of the jury shall be for the same or less sum than the sum previously offered by the said Commissioners one-half of the costs of summoning, impanelling and returning the jury, and of taking the inquiry and recording the verdict and judgment thereon shall be defrayed by the parties claiming the said compensation or purchase money, and the other half by the said Commissioners, and each party shall bear his own costs other than as aforesaid incident to such inquiry.

XXXVII. And it is enacted, that the costs of any such inquiry as aforesaid shall in case of differences arising regarding the same be settled by the Taxing Officer of the said Supreme Court on the application of either party, and such costs shall include all reasonable costs, charges and expenses incurred in summoning, returning and impanelling the jury taking the enquiry, the attendance of witnesses, the employment of Counsel and Attornies, the recording the verdict and judgment thereon and otherw ise incident to such inquiry.

XXXVIII. And it is enacted, that if any such costs shall be payable by the said Commissioners, and if within seven days after demand duly made at the Office of the Clerk of the said Commissioners such costs be not paid to the party entitled to receive the same they may and shall be recoverable by distress, and on application to any Magistrate of Calcutta he shall issue his warrant accordingly, and if any such costs shall be payable by the owner of any lands, buildings, or tenements, or of any interest therein the same may be deducted and retained by the said Commissioners out of any money awarded by the jury to such owner or determined by the valuation of a Surveyor under the provision hereinafter contained, and the payment or deposit of the remainder, if any, of such money shall be deemed payment and satisfaction of the whole thereof, or if such costs shall exceed the amount of the money so awarded or determined the excess may and shall be recoverable by distress, and on application to any Magistrate of Calcutta he shall issue his warrant accordingly.

XXXIX. And it is enacted, that if either party in such case of disputed compensation as aforesaid desire such question to be tried before a special jury, such question shall be so tried, provided that notice of such desire if given by the other party be given to the said Commissioners before they have issued their warrant as aforesaid to the Sheriff, and for that purpose the said Commissioners shall by their warrant to the Sheriff require him to nominate a special jury of five jurors for such trial, and thereupon the Sheriff shall as soon as conveniently may be after the receipt by him of such warrant summon the said Commissioners, and the said other party to appear before him by themselves or their Attornies at some convenient time and place to be appointed by him for the purpose of nominating a special jury (not being less than five nor more than eight days from the service of such summons) and at the time and place so appointed the Sheriff shall proceed to nominate and strike a special jury in the manner in which such juries shall be required by the Rules and Orders of the said Supreme Court for trials in the said Court, except as far as such Rules may be inconsistent with the number of which the juries under this Act are to consist, and the said Sheriff shall appoint a day not later than the eighth day after the striking of such jury for the parties or their agents to appear before him to reduce the number of such jury, and thereof shall give four days notice to the said Commissioners, and the said other party, and on the day so appointed the Sheriff shall proceed to reduce the said special jury to the number of eight in the manner used and accustomed in the said Supreme Court.

XL. And it is hereby enacted, that the special jury on such inquiry as last aforesaid shall consist of five of the said eight who shall first appear on the names being called over, the said Commissioners and the said other party having respectively their lawful challenges against any of the said jurymen, and if a full jury of five do not appear and if after such challenges a full jury of five do not remain then upon the application of the said Commissioners or of the said other party, the Sheriff shall add to the list of such jury the names of any other disinterested persons qualified to act as special or common jurymen in the said Supreme Court who shall not have been previously struck off the aforesaid list, and who may be then in attendance before the said Sheriff, or can speedily be procured so as to complete such special jury, the said Commissioners and the said other party having respectively their lawful challenges against such persons, and the Sheriff shall proceed to the trial and adjudication of the matters in question by such jury, and such trial shall be attended in all respects with the like incidents and consequences, and the like penalties shall be applicable as hereinbefore provided in the case of a trial by a common jury.

XLI. And it is enacted, that any other inquiry than that for the trial of which such special jury may have been struck and reduced as aforesaid may be tried by such jury provided the said Commissioners and all the other parties interested therein respectively shall give their consent to such trial.

XLII. And it is enacted, that where the purchase money or compensation to be paid by the said Commissioners for any lands, buildings or tenements to be purchased or used by the said Commissioners shall be payable to any person who by reason of absence from the Presidency of Bengal is prevented from treating, or who cannot after diligent inquiry be found, or who shall not appear at the time appointed for the inquiry before the jury as hereinafter provided after due notice thereof given to him, such purchase money or such compensation to be paid for any permanent injury to such lands, buildings or tenements shall be such as shall be determined by the valuation of such able practical Surveyor as two of the Magistrates of Calcutta aforesaid shall nominate for that purpose as hereinafter provided.

XLIII. And it is enacted, that upon application of the said Commissioners two of the Magistrates of Calcutta aforesaid, and upon such proof as shall be satisfactory to them that any such party is by reason of absence prevented from treating, or cannot after diligent inquiry be found or that such party failed to appear on such inquiry before a jury as aforesaid after due notice given to him for that purpose, such Magistrates shall by writing under their hands nominate an able practical Surveyor, approved by the said Commissioners, to determine the amount of such purchase money or compensation as aforesaid, and such Surveyor shall determine the same accordingly, and shall annex to his valuation a declaration in writing signed by him of the correctness thereof.

XLIV. And it is enacted, that before any such Surveyor shall enter upon the duty of making such valuation as aforesaid he shall in the presence of such Magistrates, or one of them, make and subscribe the declaration following at the foot of such nomination by the said Magistrates as aforesaid, that is to say—

I, A. B., do solemnly and sincerely declare, that I will faithfully, impartially and honestly, according to the best of my skill and ability execute the duty of making the valuation hereby referred to me.
