Legislative Council.

3rd May 1856.

The following Act, passed by the Legislative Council, received the assent of the Right Honorable the Governor General on the 9th May 1856, and is hereby promulgated for general information:—

ACT No. XII. OF 1856.

An Act to amend the Law respecting the Employment of Ameens by the Civil Courts in the Presidency of Fort William.

Whereas the Law by which the Civil Courts are authorised to employ Ameens upon local investigations is defective, and requires amendment; and whereas, in consequence of the extended jurisdiction which has been given to Moonsiffs, and the change which has been made in the constitution of the office, it is no longer expedient that Moonsiffs should be employed in the attachment and sale of personal property, nor, except on rare and special occasions, in any of the duties enumerated in Sections L., LI., and LIII. Regulation XXIII. 1814; and it is necessary to make provision for the performance of those duties by other agency; It is enacted as follows:—

I. Section XVII. Regulation IV. 1793, Section XVIII. Regulation III. 1803, and Clauses 2 and 3 of Section LI. and Section LII., Regulation XXIII. 1814, are repealed.

II. In each district officers, to be designated Civil Court Ameens, shall be appointed for the purposes of this Act, and shall be remunerated by fixed monthly salaries. The number of Ameens to be employed in each district, and the salaries

to be allowed to them, shall be determined by the local Government, with the sanction of the Governor General of India in Council.

III. The Civil Court Ameens shall be appointed by the Judge of the district, with the sanction of the Court of Sudder Dewanee Adawlut, and the Judge shall from time to time attach them to the several Courts of the district according as the state of business may require: provided that an Ameen attached to any particular Court may, with the sanction of the Judge, be employed occasionally by any other Court.

IV. Before entering upon the duties of their office, the Civil Court Ameens shall subscribe a declaration in the following form:—

I, A. B., appointed to the office of Civil Court Ameen, solemnly declare that, in the performance of the duties of my office, I will act according to the best of my abilities and judgment, without partiality, favour, or affection; and that I will not directly or indirectly receive for my own benefit, or knowingly permit any other person to receive on my behalf, any money, effects, or property, on account of any duty which I may have to execute, except the authorised allowances of my office.

V. Subject to such general directions and restrictions as may from time to time be prescribed by the Sudder Court, the Civil Court Ameens may be employed in any of the following duties:—

1. In investigating or adjusting accounts in any suit or other judicial proceeding.

2. In making local investigations when the Court may deem investigation on the spot to be requisite and proper for the purpose of elucidating the matters in dispute, or of ascertaining the amount of mesne profits or damages, in any suit or other judicial proceeding.

3. In delivering over possession of lands, houses, and other immoveable property, in execution of decrees or orders of Court.

4. In the sale of moveable property, and of houses, gardens, and other immoveable property of the kind described in Section III. Regulation VII. 1825.

5. In ascertaining the sufficiency of sureties, and the means of persons suing *in formâ pauperis*.

VI. Whenever any accounts shall be referred to a Civil Court Ameen for investigation or adjustment, the Court shall direct the parties or their agents to attend the Ameen, and shall

furnish him with such part of the proceedings and such detailed instructions as may appear necessary for his information and guidance; and the instructions shall specify whether the Ameen is merely to transmit the proceedings which he may hold on the inquiry, or also to report his own opinion on the matter referred for his investigation.

VII. Clause 1.—Whenever a local inquiry is directed, the Court shall distinctly specify the point or points to be investigated, and the

Civil Court Ameen shall have power to examine, on oath or affirmation, such witnesses as may be produced to him by the parties or any of them, the parties themselves, and any other persons whom he may think proper to call upon to give evidence; and also to call for and examine documents and other papers relevant to the subject of inquiry: and persons not attending on the requisition of a Civil Court Ameen, or refusing to give their testimony or sign their depositions, or to produce any documents or other papers, shall be subject to the like penalties and punishments by order of the Court, on the report of the Ameen, as they would incur for the same offences in suits tried in Court.

Clause 2.—Having completed his proceedings, the Civil Court Ameen shall return the depositions taken by him, together with his report, in writing to the Court.

The report and depositions shall be received as evidence in the case; but it shall be competent to the Court, or to the parties, or any of them, with the permission of the Court, to examine the Ameen personally in open Court touching any of the matters referred to him or mentioned in his report, or the manner in which he may have conducted his investigation.

VIII. Whenever a Civil Court Ameen may be employed on any duty connected with a pending suit, or the execution of a decree, except the sale of property, the Court shall estimate the time which the duty may be expected to occupy, and shall charge for the expense of the Ameen such fixed rate *per diem* as may be determined by the Sudder Court. The amount shall be paid into Court by the party at whose instance or for whose benefit the Ameen is deputed, and shall be added to the costs of suit.

IX. When a Civil Court Ameen shall be employed to sell property, a deduction at the rate of one anna in the rupee shall be made from the proceeds of the sale.

If no sale takes place by reason of the claim being unsatisfied, or for any other cause, a charge shall be made for the expenses of the Ameen according to the time he may be employed. A deposit to meet this charge, calculated in the manner prescribed in the preceding Section, shall be made before

the Ameen is deputed, and shall be returned to the depositor if the sale takes place. All sums paid for the employment of Ameens, and all sums deducted from the proceeds of sales, shall be credited to Government.

X. Nothing contained in this Act shall be held to prohibit the Civil Courts in the North-Western Provinces of the Presidency of Fort William from making use of the agency of the Revenue

Officers in investigations and adjustments of accounts connected with land paying revenue to Government, under such general directions as may from time to time be prescribed by the Sudder Court. Whenever a Tuhseeldar, a Naib Tuhseeldar, or a Peshkar, shall be employed in any such investigation or adjustment under the orders of a Civil Court, he shall possess all the powers vested in Civil Court Ameens by Section VII. of this Act; and the provisions of the said Section shall be applicable to the proceedings held by such officer.

Clerk of the Council.

NOTICE.

As there is much injury to articles despatched under the Book Post Rules when put up in paper covers, the Officiating Director of the Post Office in India recommends that Books, Pamphlets, &c. be invariably, at all seasons of the year, covered with wax-cloth, having the ends open, but projecting sufficiently so as to admit of the wax-cloth being folded down.

2. As a precaution against miscarriage, it is recommended that the address on Books, Pamphlets, &c. be written not only on the wax-cloth covers, but also *inside the boards, or on the title-page*. The address, when written only on *flimsy paper covers, as heretofore customary*, has not unfrequently, together with the covers, been lost, or destroyed by friction while in transit by the dāk, and in consequence it has been found impossible to have such Books, Pamphlets, &c. delivered to the addressees.

3. Although every possible degree of care is taken by the Post Office, it is impossible in all cases to secure Parcels against injury from wet during the rains, except on the main lines of road, on which Mail Carts are used.

4. Under instructions from Government, Public Officers, when despatching Books on the Public Service during the rains, are directed to have them packed in tin, and sent by the *Banghy* in the place of the *Book Post*.

NOTICE.

Under instructions from the Government of India, the Director General of the Post Office in India has the honour to request, that all Public Officers who may have occasion during the Rains to despatch Books on the Public Service will send them by the ordinary Banghy Post, packed in tin, and not by "Book Post" in short paper covers open at both ends.

Calcutta, 4th March 1856.

E. IMPEY,

Officiating Post Master General.

Bombay Post Master General's Office, 19th March 1856.

NOTICE.

The following Rules, which, under the orders of the Government of India, have been issued for the guidance of the Officers of the Post Office, are published for general information :—

I. Letters arriving at the Presidency towns by Mail Steamers will be immediately sorted for delivery, without any reference to instructions which may have been received regarding change of address. Such changes will be left to be discovered by the Delivery Officers, and be corrected in the Forward and Unclaimed Departments of the Office.

II. A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

III. Under Section XXIII. of Act XVII. of 1854, Forward Postage will be charged, in addition to all other Postage due or paid thereon, upon every letter without exception which may be re-directed in any Post Office. For example, if a letter posted in Calcutta, and addressed to Hooghly, is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due had the letter been despatched to Hooghly according to its original address.

IV. The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters not only imposes much labour upon them, but, in large Offices, seriously retards the delivery and despatch of the Mails. A Register of instructions regarding changes of address will be kept in every Post Office but it must be understood that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

(Signed) H. B. RIDDELL,

Director General of the Post Office in India.

Camp, 7th November 1855.

NOTICE.

The present system of addressing letters in the Native languages being excessively inconvenient, and not affording in most cases the information most desired by the Post Office, viz. particulars regarding the Addressee, which has been ascertained to be a most frequent cause of the non-delivery of Native letters, the Public, and especially the Native portion of it, are recommended to omit from the superscription of their letters all compliments, and to write simply the full name of the person addressed, the name of the town or village, and the street or quarter in which he resides. These should occupy separate lines; but in all cases the name of the Post Town should be written by itself, in large characters, to prevent mis-reading and delay in sorting.

A model of address is given for guidance :—

To

Sheik Hingum,

Sahib Nazir of the Collector's Court,

Moozuffer Khan's Kuttra,

In the quarter Shahazadee Munde,

AHMEDABAD.

If the sender wishes the letter returned in the event of the Addressee not being found, he should write his own name and address on the back, not on the front of the letter.

Deputy Post Masters and all Subordinates are instructed to explain, and, as far as lies in their power, to induce the general adoption of the above practice.

Bombay Post Master General's Office, 3rd May 1856.
