Military.—No. 58.

To His Excellency the Right Honorable the Governor General of India in Council.

My Lord,—Great difficulty having been experienced in dealing with Claims advanced by Officers of short periods of service to retire on half-pay under the clause of the Retiring Regulations established by the late Court of Directors of the East India Company, by their Despatch to the Governor General of India, dated 11th May 1836, No. 3, as quoted in the margin, I have resolved, with the concurrence of the Council of India, to recommend to Her Majesty the substitution of the following modified Rule, which Her Majesty has been pleased to sanction :—

'Officers who are compelled to quit the Service by wounds received in action, or by ill-health contracted on duty after three years' service in India, are permitted to retire on the half pay of their Rank, viz :—
'2nd Lieutenants, Cornets, or Ensigns, 3*s*. a day ; Lieutenants, 4*s*.'

Officers on producing the prescribed Medical Certificates, countersigned by the Commanding Officer, that they are compelled to quit the Service by wounds received in action, or by ill-health contracted on active service, or on Detachment or Outpost, or any Military duty in notoriously unhealthy localities, after three years' service in India, are permitted to retire on the half pay of their Rank.'

I have, &c.

India Office, London, 16th February 1859. (Signed) Stanley.

No. 387 of 1859.—As doubt appears to exist respecting the Articles which are required to be included in the Regimental Store Returns rendered to the Audit Department, as well as in regard to the manner of accounting for the same, the Right Honorable the Governor in Council is pleased to publish the following Rules :—

1*st*.—All Articles of Ordnance and Barrack Stores and Camp Equipage drawn by Regimental Commanding Officers, by Officers in Command of Detachments, or by Officers in Medical Charge of Regiments or Detachments, shall be included in one Return, prepared at the Head Quarters of each Corps, for transmission to the Military Auditor General.

2*nd*.—A similar rule applies to each Separate Troop or Company of Artillery or Engineers that may be divided, excepting the case of the several Detachments of a Company of Artillery being attached to distinct Batteries, which renders Separate Returns necessary.

3*rd*.—Commanding Officers of Regiments and of Troops and Companies of Artillery or Engineers are to direct that intimation of all Store transactions in Detachments shall be made to the Head Quarters of the Regiment, Troop, or Company, for incorporation in the Head Quarter's Return.

Notice.

Officers visiting the Neilgherries are, in numerous instances, at great inconvenience on first arrival, owing to their coming in expectation of finding it in their power to draw Pay, due to them in arrears, early in the month, as elsewhere. It is therefore thought that it may contribute to the convenience of future visitors if it be thus made more generally known that (there being no Pay Office on the Hills) Pay has to be drawn, after arrival on them, by transmitting Abstracts, duly countersigned, to the Paymaster Southern Division, Trichinopoly, with a last Pay Certificate; who, provided he receive them about the 7th, includes the amount in his General Order in arrears for the past month, on the Treasury at Coimbatoor, whence it is sent so as to reach this Station Office for *distribution* usually on the 18th or 19th. There is only this *one* monthly transmission of Military Pay to the Hills; so that individuals arriving too late to be included in it, as above, have often to wait another month.

Officers of other Presidencies can only draw Pay under a Certificate from the Accountant Military Department of their Presidency. Certificates from Division Pay Offices of other Presidencies are insufficient: Officers are often at protracted inconvenience after arrival from having been unaware of this.

It is also notified, that it is extremely difficult to get Bills or Notes, of any kind whatever, cashed on the Hills: individuals often suffer great inconvenience from coming with the contrary impression.

D. BABINGTON, Major,
Commanding Neilgherries.

Bombay, Sheriff's Office, 9th day of April 1859.

BOMANJEE HORMASJEE,
Sheriff.

A true and perfect List of all Persons qualified to serve as Jurors in Her Majesty's Supreme Court of Judicature at Bombay.

Dated this 12th day of April 1859.

CHARLES M. I. POLLOCK,
Clerk of the Crown.

Notice is hereby given, that all objections to the foregoing List will be heard before the Supreme Court, or by one of the Judges in Chambers, during the months of April and May.

N. B.—Whereas it being deemed desirable to obtain the services of such Civilians upon Grand Juries as may happen to be residing within the Island of Bombay at the time of the occurrence of any Sessions, it is ordered by the Honorable the Judges of the said Court, that (in accordance with the practice of the Supreme Court at Calcutta) the names of all Civil Servants, not exempted by Law or Custom from serving on Juries, shall be deemed to be included in the Jury List of every year.
