LEGISLATIVE,

the 25th August 1849.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 15th of August 1849, with the assent of the Most Noble the Governor General of India, which has been read and recorded,

Ordered, that the Act be promulgated for general information.

ACT No. XIV, of 1849.

To punish tampering with the Army or Navy.

Whereas the laws in force for punishing mutiny and sedition do not sufficiently provide for the punishment of all persons endeavouring to stir up mutiny and sedition among the Forces of the East India Company, or to seduce them from their allegiance and duty, It is enacted as follows:—

1. Every person, who maliciously and advisedly endeavours to seduce any person or persons, serving or engaged to serve in the Military or Naval Forces of the East India Company, from his or their allegiance to Her Majesty, or duty to the said Company, or who endeavours to stir up any person or persons belonging to either of the said Services, to commit any act of mutiny, or to make or endeavour to make any mutinous assembly, or to commit any traitorous or mutinous practice whatsoever, shall, on conviction, suffer transportation for life, or imprisonment with or without

hard labour for any term, not longer than seven years, as the Court shall adjudge.

II. Any person charged with any offence, punishable under this Act, may be committed by any Magistrate within the territories under the Government of the East India Company, and shall be tried by the Court of Sessions, or if the offender be not within the ordinary jurisdiction of the Court of Sessions, by the Supreme Court of Judicature established by Royal Charter within the Presidency in which he is in custody.

III. No Court shall on the trial of any offence under this Act require any Futwa from any Law Officer.

IV. This Act shall not exempt any person governed by the Articles of War from being tried by a Court Martial, and punished according to the Articles of War, nor any person belonging to the Indian Navy from being tried by a Court Martial, and punished according to the laws for the observance of discipline in the Indian Navy; but no person shall be tried for the same offence under the said Articles or Laws, and also under this Act.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
the 1st September 1849.

The following Extract from the Proceedings of the Hon'ble the President of the Council of India in Council in the Legislative Branch of the Home Department, under date the 1st September 1849, is published for general information:—

Read a 2nd time the Draft of a proposed Act dated the 24th October 1846, and published in the Calcutta Gazette of the 4th November 1846, concerning the binding of Apprentices.

Resolution.—The Hon'ble the President in Council resolves, that the following amended Draft on the subject be published for general information:—

ACT No. — OF 1849.

Concerning the binding of Apprentices.

For better enabling children, and especially orphans and poor children brought up by public charity, to learn Trades, Crafts, and Employments, by which, when they come to full age, they may gain a livelihood, It is enacted as follows:

I. Any child, above the age of ten, and under the age of eighteen years, may be bound apprentice by his or her father or guardian to learn any fit Trade, Craft, or Employment, for such term as is set forth in the Contract of Apprenticeship, not exceeding seven years, so that it be not prolonged beyond the time when such child shall be of the full age of twenty-one years, or in the case of a female, beyond the time of her marriage.

II. The age set forth in the Contract shall be conclusive evidence of the age of the child, in all questions which arise as to the right of the Master to the continuance of the Service.

III. An orphan or poor child, brought up by any public charity, may be bound Apprentice by the Governors, Directors or Managers thereof, as his or her Guardians for this purpose.

IV. Any such boy may be bound as an Apprentice in the Sea Service to any of Her Majesty's subjects, being the Owner or Owners of any registered Ship

belonging to and trading from any Port in the Territories under the Government of the East India Company, which has been declared to be a Registering Port under Act X. 1841, to be employed in any such Ship the property of such person, commanded by a British subject, and, while so employed, to be taught the craft and duty of a Seaman.

V. Any such boy may be bound in like manner for Sea Service in any Ship of the East India Company belonging to any such Port, commanded by a British subject, in which case the Contract shall be made with the Master Attendant at such Port, or any Officer appointed to represent the East India Company in this behalf, who shall appoint the Ship in which such Apprentice is to serve from time to time.

VI. The Master or Commander of any Ship in which an Apprentice bound to the Sea Service shall be appointed to serve by the party to whom he is bound, shall be deemed the Agent of such party for the purpose of this Act.

VII. Every Contract of Apprenticeship shall be in writing, according to the form given in the Schedule (A) annexed to this Act, or to the like effect, which shall set forth the conditions agreed upon, particularly specifying the age of the Apprentice, the term for which he is bound, and what he is to be taught.

VIII. Every such Contract shall be signed by the person to whom the Apprentice is bound, and by the person by whom he is bound, and by the Apprentice, when he is of the age of fourteen years or more at the time of binding; but, when the Apprentice is bound by the Governors, Directors, or Managers of a Public Charity, the signature of two of them, or of their Secretary or Officer, shall be sufficient on behalf of the persons binding the Apprentice.

IX. No such Contract shall be valid unless it be executed in the manner aforesaid, nor until it has been deposited in the Office of the Chief Magistrate of the Place or District where it has been executed, or if the Apprentice is bound to the Sea Service, in the office of the person appointed under Act X. 1841, to make Registry of Ships at the Port where the Apprentice is to begin his Service; and the person in whose office any such Contract is deposited shall give to each of the parties a copy thereof, certified under his hand, which certified copies shall be received as evidence of the Contract, without formal proof of the handwriting of the Magistrate or Registering Officer.

X. The terms of Service may be changed at any time during the Apprenticeship, or the Contract may be determined, with the consent of both parties to the Contract, or their personal representatives, and with the consent of the Apprentice, if he is above the age of fourteen years; provided, that the changes agreed to or the termination of the Contract shall be expressed in writing on the original Contract, with the signature of the proper parties, according to Section VIII. of this Act; and the Magistrate or Registering Officer shall thereupon make under his hand corresponding endorsements on the office copies, which shall be brought to him at the same time for that purpose.

XI. The Master of any Apprentice bound under this Act may, with the consent of the persons by whom he was bound, and with the consent of the Apprentice, if he is above the age of fourteen years, assign such Apprentice to any other person, who is willing to take him for the residue of his Apprenticeship, and subject to the conditions thereof; provided that such person shall, by endorsement under his own hand on the Contract, declare his acceptance of such Apprentice, and acknowledge himself bound by the agreements and covenants therein mentioned, to be performed on the part of the Master, and that the consent of the other parties aforesaid shall be expressed in writing on the same, and signed by them respectively:

And every such assignment shall be certified on the office copies of the Contract, under the hand of the Magistrate or Registering Officer, according to the form given in Schedule (B) annexed to this Act.

XII. Upon complaint made to any Magistrate in the said Territories, by or on behalf of any Apprentice bound under this Act, of refusal or neglect to provide for him, or to teach him according to the Contract of Apprenticeship, or of cruelty, or other ill-treatment by his Master, or by the Agent under whom he shall have been placed by his Master, the Magistrate may summon the Master or his Agent, as the case may be, if he shall be within his jurisdiction, to appear before him at a reasonable time, to be stated in the summons, to answer the complaint; and at such time, whether the Master or his Agent be present or not. (service of the summons being proved,) may examine into the matter of the complaint; and, upon proof thereof, may cancel the Contract of Apprenticeship, and assess upon the offender, whether he shall be the Master or his Agent, a reasonable sum for behoof of the Apprentice, not exceeding four times the amount of the premium paid upon the binding, or if no premium, or a less premium than Fifty Rupees was paid, not exceeding Two Hundred Rupees; and, if the offender shall not pay the sum so assessed, may levy the same by distress and sale of his Goods and Chattels, and if the offender shall not be the Master, but his Agent, by distress and sale of the Goods and Chattels of the Master also.

XIII. No Contract of Apprenticeship shall be cancelled, nor shall any Master or his Agent be liable to any criminal proceeding, on account of such moderate chastisement for misbehaviour, given to any Apprentice by his Master or the Agent of his Master, as may lawfully be given by a father to his child; and the provision for enabling the Contract of Apprenticeship to be cancelled shall not bar any criminal proceeding against any Master or his Agent for an assault or other offence committed against his Apprentice, for which he would be liable to be punished, had it been against his child; whether or not any proceedings be taken for cancelling the Contract of Apprenticeship.

XIV. Upon complaint made to any Magistrate, by or on behalf of the Master of any Apprentice bound to him under this Act, of any ill behaviour of such Apprentice, or if such Apprentice shall have absconded, the Magistrate may issue his Warrant for apprehending such Apprentice, and may hear and determine the complaint, and punish the offender by committing him to a house of correction or to prison, there to be held to hard labour for a reasonable time not exceeding three months; and, if the offender be a boy of not more than fourteen years of age, may order him to be privately whipped; or, instead of committing such offender to a house of correction or to prison, to be held to hard labour as aforesaid, may pass an order for his being kept in solitary confinement in any suitable place in or out of prison, for a period not exceeding three weeks, with or without whipping; or, if the Magistrate deem any such punishment unfit, he may pass an order to the Master of the Apprentice or his Agent to keep the offender in close confinement in his own house, or on board the Vessel to which he belongs, upon bread and water, for a period not exceeding one month.

XV. Upon complaint of wilful and repeated ill behaviour on the part of the Apprentice, and on the demand of the Master, the Magistrate may order the Contract of Apprenticeship to be cancelled, whether or not the charge is proved; but only with the consent of the Apprentice if the charge is not proved: and such cancelling shall be with or without refund of the whole or part of any premium that may have been paid to the Master on binding such Apprentice, as to the Magistrate seems fit on consideration of the case; and all sums so refunded shall be applied

under the direction of the Magistrate for behoof of the Apprentice.

XVI. The Magistrate may order any sum recovered for behoof of the Apprentice on cancelling the Contract to be either laid out in binding him to another Master, or otherwise for his benefit, or to be paid to the person or persons by whom any premium was paid when he was bound Apprentice.

XVII. No Magistrate shall entertain a complaint on the part of a Master against an Apprentice under this Act, unless it be brought within one month after the cause of complaint arose; or, if the cause of complaint arose on board ship during a voyage, within one month after the arrival thereof at a port or place in the said Territories: and no Magistrate shall entertain a complaint on the part of an Apprentice against his Master or the Agent of his Master under this Act, unless it be brought within three months after the cause of complaint arose; or if the cause of complaint arose on board ship during a voyage, within three months after the arrival thereof at a port or place in the said Territories.

XVIII. If the Master of any Apprentice shall die before the end of the Apprenticeship, the Contract of Apprenticeship shall be thereby determined; and a proportionate part, corresponding to the unexpired portion of the term, of any premium which shall have been paid to such Master on the binding of the Apprentice to him, shall be returned by the Executors or Administrators out of the Estate of the deceased to the person or persons who shall have paid the same; unless the Executors or Administrators of the deceased Master shall continue the business in which such Apprentice shall have been employed, and shall, within three months from the death of the late Master, make offer in writing to keep the Apprentice on the terms of the original Contract; in which case the Estate of the deceased shall be discharged from all liabilities on account of such premium.

XIX. If such offer to keep the Apprentice shall be made as aforesaid, the same shall be fully expressed and certified by the Executors and Administrators on the original Contract of Apprenticeship; and also on the Office Copies thereof, by the Magistrate or Registering Officer; and the Apprentice shall be bound to the Executors or Administrators so keeping him for the remaining term of his Apprenticeship.

XX. Any Apprentice bound under this Act, whose Master shall die during the Apprenticeship, shall be entitled to maintenance for three months from and after the death of his Master, out of the Assets left by him; provided that during such three months such Apprentice shall continue to live with, and serve as an Apprentice, the Executors or Administrators of such Master, or such person as they shall appoint.

XXI. The Apprentice of any person against whom a Commission of Bankruptcy shall be issued, or who shall be adjudged to have committed an Act of Insolvency, during the Apprenticeship, shall be discharged from all obligation under the Contract of Apprenticeship; and, if any premium was paid on binding him as an Apprentice, he, or the person or persons by whom he was bound, shall be entitled to claim the amount thereof, as a debt against the Estate of the Bankrupt or Insolvent.

XXII. For the purposes of this Act all British subjects, wherever or of whatever parents born, as well as other persons in the Territories under the Government of the East India Company, without the Towns of Calcutta and Madras, and the Town and Island of Bombay, shall be amenable to the jurisdiction of the Courts and Magistrates of the East India Company.

XXIII. An appeal shall lie from any order passed by any Magistrate without the said Towns and Island to the Court of Session to which such Magis-

trate is subordinate, provided the appeal is made within one month from the date of the order.

XXIV. In this Act the words "Master," "person," and "he," shall be understood to include several persons as well as one person, and females as well as males, and bodies corporate as well as individuals, unless there is something in the context repugnant to such construction.

tain a list of the rates, and such other information relating thereto as they may require.

The Tenders must specify, both in words and figures, the rates per cent. above or below the prices in the list above adverted to at which they will undertake to furnish the articles therein embraced, of unexceptionable quality, and in such number or quantity as may from time to time be demanded; on the distinct understanding that the Bread is to be supplied of the first quality, and that the same shall be liable to be rejected, if not approved of by a Committee of Officers appointed to examine it at the place of delivery, whose decision is to be final.

The party or parties whose Tender may be accepted, will be required to supply every detail of Troops proceeding from the Presidency to the Deccan whose numerical strength may exceed seven, with fresh Bread throughout the march to it, or their destination.

No Tenders for the Contract in question will be received unless accompanied by a cash deposit of Rupees (55) fifty-five, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary deed of Contract. Should any Tender be accepted, the Tenderers must be prepared to give unexceptionable bonded security to the extent of Rupees two hundred and twenty (220), to be held by Government for the due fulfilment of his or their Contract.

Tenders will be received only from Bakers residing at, or who have Agents in, Bombay.

It is to be distinctly understood, that Bills for the articles supplied under this Contract shall be preferred within or before the expiration of one month from the date of the delivery of the articles, in default of which the Contractor shall be liable to forfeit the full value or amount of the supplies for which Bills have not been so preferred, unless it shall clearly appear that the delay was unavoidable.

The amount of retrenchments made by the Military Board on the Contractors' Bills, will be recovered from the first Bills presented for payment by the Contractors; but in the event of such retrenchments, or any portion of them, being subsequently remitted, the amount so recovered, or such portion thereof as shall be so remitted, will be refunded to them.

The Most Noble the Governor General of India is pleased, under instructions from the Hon'ble the Court of Directors, to cancel the Regulations, now in force at the three Presidencies, by which the pay forfeited by Soldiers of Her Majesty's and the Hon'ble Company's Services, under the provisions of the Mutiny Acts and Articles of War, or by other competent authority, is appropriated towards the Regimental School, or otherwise expended by Commanding Officers for any Regimental or public purpose, and to direct that the following Rules, in assimilation with Her Majesty's Regulations, be substituted at the three Presidencies from the 1st proximo :—

The balance is to be remitted by Commanding Officers quarterly, on the 1st of the months of January, April, July, and October, to the Pay Master of the District, accompanied with a detailed account of the receipts and disbursements.

The rations of Soldiers in confinement are not to be drawn, but the sum of four annas a day is allowed to the Provost Serjeant, or other person in charge, for the subsistence of each Soldier in custody. The scale of diet is to be that laid down in G. O. C. C. 29th April 1848.

No. 473 of 1849.—The Right Hon'ble the Governor in Council is pleased to re-publish the following General Order by the Most Noble the Governor General of India, dated Simla, 1st September 1849.

The Most Noble the Governor General of India is pleased, under instructions from the Hon'ble the Court of Directors, to lay down the following regulations for the establishment and maintenance of Bands of Music in the several Regiments in the armies of the three Presidencies :—

2. All applications to establish Bands are to be made, through the Commander in Chief, to the Government of the Presidency to which the Regiments belong.

3. It is left optional with Officers to establish Bands in Native Regiments in which they do not at present exist, but those now established, and any which may hereafter be established, are to be maintained under these regulations.

4. Every Officer borne on the Rolls of a Regiment, whether on staff employ, on local leave, or on furlough, (medical certificate to Europe alone excepted,) is to contribute the following amount to the maintenance of the Bands of his Regiment, viz.,

A donation of thirty (30) days' net pay of Regimental rank or appointment, and a monthly subscription of 2 (two) days' net pay of Regimental rank, in support of the Band expenses.

5. In all cases of promotion, each Officer is to pay the difference on thirty days' pay between the rank attained, and that previously held.

6. Officers transferred from one Regiment to another are not to pay a second donation; and their monthly subscription to the Band of their new Corps is to commence from the 1st of the month following their transfer.

7. All Officers on the strength of Regiments having Bands, to the support of which they have not already contributed, are to pay the donation of 30 days' pay; and their monthly subscription is to commence from the 1st proximo.

8. Donations and subscriptions to Bands are to be deducted by Pay Masters.

9. The affairs of the Band are to be conducted by a Committee consisting of three Officers, to be nominated half-yearly by the Officer Commanding the Corps in Regimental Orders.

10. The Books of accounts are to be open at stated periods, to the inspection of every Officer in the Corps, and the Commanding Officer and Committee are held responsible that no undue expenditure is allowed, on account of the Band, and that its affairs are conducted with the greatest economy.

11. The establishment of a Regimental Band is to consist of one Serjeant (in European) or one Havildar (in Native Corps) per Regiment, and two Privates per Troop or Company. These men are to be included in the authorized establishment of the Regiment; they are to be effective to the service as Soldiers; to be perfectly drilled; and liable to serve in the ranks on any emergency.

12. Musicians may be entertained to supply vacancies in Bands, notwithstanding the existence of supernumeraries in Regiments.

13. The Bands of Regiments of Cavalry are to be dressed in clothing of the same color as worn by their respective Corps. The Bands of Infantry are to be dressed in white, with the Regimental facings, and Commanding Officers of Corps, in which Bands are established, will indent accordingly on the Clothing Boards.
