I. A deed of partnership for the said Company shall be prepared, subject to the approval of the Advocate General of the East India Company at Madras, and as soon as the deed so approved shall have been executed by the holders of four-fifths of the whole number of the shares in the said undertaking, either personally or by their lawfully constituted Attornies, and one-tenth part of the value of each share shall have been paid into the Bank of Madras, or invested in Government Securities on account of the said Company, any seven or more persons, parties to the said deed, may apply to the Supreme Court of Judicature established by a Royal Charter at Madras, by Petition, for leave to register the said deed in the Supreme Court, and the said Court, on being satisfied that the provisions of this Act have been duly complied with, shall order the deed to be so registered.

II. The original Capital Stock of the said Company shall be five lakhs of Rupees, and shall be divided into one thousand shares, each of five hundred Rupees, and the amount of the Capital Stock may be at any time increased, by the creation of new shares of five hundred Rupees, to such amount as shall be approved by the Governor of Fort St George in Council: but no such increase of Capital Stock shall be allowed to be made until a Memorial of such increase shall have been registered with the approval of the Governor in Council in the said Supreme Court.

III. Upon the registry of the deed of partnership, the persons by whom the said deed is executed, and all persons who shall thereafter become possessed of any share in the said undertaking, and their successors, shall be incorporated by the style of "The Madras Pier Company," and by that name shall have perpetual succession and a common Seal, and shall plead and be impleaded in all Courts, and before all Justices and others, and may purchase and hold lands for the purposes of this Act.

IV. No action or suit, by or against the said Company, shall be affected by reason of the Plaintiff or Defendant therein being or having been a shareholder of the Company: but any such Shareholder, either alone, or jointly with any other person or persons, as against the Company, or the Company as against such shareholder, either alone, or jointly with any other person or persons, shall have the same right of action and remedy in respect of any cause whatever as if the same had arisen with a stranger.

V. Subject to the regulations of the deed of partnership, every shareholder may sell and transfer his shares in the said Company by deed in the form given in the Schedule (marked A) annexed to this Act, or to the like effect; and the same, when duly executed, shall be delivered to the Secretary to the Company, who shall make an entry thereof in a book to be called the Register of transfers, and shall endorse such entry on the deed of transfer, for which entry and endorsement the Company shall be entitled to have the sum of one Rupee, and

VI. The Company shall not be bound to see to the execution of any trust, whether express, implied, or constructive, to which any share is subject, and whether or not they have had notice of such trust, and the receipt of the person in whose name any share stands in the books of the Company, or in the case of a minor, idiot, or lunatic, of his or her guardian or Committee, or when more than one person is interested in any share, the receipt of the person whose name stands first in the register, opposite to such share, shall be a sufficient discharge to the Company for any dividend on account of such share, and the Company shall not be bound to see to the application of the money paid on such receipt.

VII. The Capital Stock of the said Company, and the lands, works, and buildings belonging to them, and all the property of the said Company, shall be held by them, and their successors, as personal estate, and not as of the nature of real estate.

VIII. All suits brought against the said Company shall be brought in the Supreme Court of Judicature at Fort St George, and not elsewhere, except as hereinafter provided, in the case of neglect or abandonment of the Pier.

IX. Service of any notice, writ, or other proceeding, personally upon any Manager or Secretary of the Madras Pier Company, or by leaving the same with any clerk in the service of the said Company at their office or place of business, shall be deemed good service upon the said Company.

X. The said Madras Pier Company shall be empowered to build a Pier or landing place on such part of the beach of the Town of Madras as they shall think fit, but if built more than yards southward of the present Custom House, not without the approval of the Governor of Fort St. George in Council, and for that purpose shall be empowered to dig out the beach and soil at and near the place of such Pier, and to make all fit and convenient approaches thereunto, and, if they think fit, to enclose such approaches, and also to establish and maintain cranes and weighing houses, toll gates and houses, and all other buildings and appurtenances for landing and shipping men, animals, and goods of all kinds at the said Pier, and for securing payment of the tolls hereinafter mentioned.

XI. The said Madras Pier Company may lay and maintain, from any part of the said Pier to the Custom House for the time being, at Madras, such railways or tram roads as the said Company, with the approval of the Governor in Council, shall think fit, under such restrictions and regulations, where the same shall cross any public road or way, as the Governor in Council shall think fit.

XII. The said Madras Pier Company may lay down pipes for the supply of water to the shipping along the said Pier, and from the Pier to the Government water-works, or such other tanks, wells, and reservoirs of water as they think fit; and may dig into any of the public thoroughfares for the purpose of laying or repairing any such pipes, under such restrictions as the Governor in Council shall think fit, for causing as little obstruction as possible to the public thoroughfares: and the Company shall be bound, with as little delay as possible, to restore any thoroughfare to its former state at their own expense.

XIII. The said Madras Pier Company shall be bound to light the said Pier and the approaches thereto, by means of a sufficient number of lamps, to the satisfaction of the Governor in Council.

8. Those Students whose English Exercises, written during the Session, shew a marked want of attention to improvement in Composition, will also be debarred from competing for these Scholarships.

9. Should the written Exercises, required as part of the Examination for the Scholarships, shew a marked want of attention to improvement in English Composition, the writer will be held disqualified for a Scholarship, whatever his qualifications in other respects may be.

Notice

Is hereby given, that persons desirous of entering into a Contract for supplying Country Cloths to this Department for the term of two years, from the first day of December next, may, on application at this Office, from 11 A. M., daily (Sundays excepted), obtain a list of the prices, and such other information relating thereto as they may require.

Verbal offers for the Contract will be received at this Office, on Monday the 29th instant, when persons will be required to bid a per-centage above or below the prices exhibited in the above-mentioned list, on the understanding that the whole of the articles embraced therein are to be of good quality, and delivered in good condition, free of all further expenses, in such number or quantity as may from time to time be demanded by the Indenting Departments, and will be liable to examination and rejection by a Committee of Officers, appointed on the part of Government.

The person or persons whose offer may be accepted, will be required to sign and seal a Contract, stipulating to the above effect, that he or they will comply immediately with all emergent demands for the articles included in the above-mentioned list, and will meet other demands of less urgency, within the periods stated in the requisitions made upon him or them; in failure whereof, or if the supply be condemned by a Committee of Officers, as aforesaid, the articles of Country Cloth, &c., or such other as may be required in lieu thereof, shall be purchased by this Department without reservation, at his or their risk and cost; and in all such cases an advance of Rupees thirty (30) per cent. upon the amount of expenses incurred, or a fine of Rupees fifty (50), at the option of the Executive Officer, as liquidated damages for each and every such breach of Contract, as often as the same may occur; also the Contract may in all such cases be put an end to on the part of the East India Company.

No person will be allowed to bid for the Contract unless he previously deposits in this Office the sum of Rupees (400) four hundred, in cash, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary deed of Contract, should his offer be accepted; in which latter case he must be prepared to give unexceptionable bonded security, to the extent of Rupees (1,590) one thousand five hundred and ninety, to be held by Government for the due fulfilment of his Contract.

It is to be distinctly understood, that Bills for the quantities included in the above-mentioned list, supplied, shall be preferred within or before the expiration of one month from the date of the delivery of the articles, in default of which the Contractor shall be liable to forfeit the value or amount of the supplies for which Bills have not been so preferred, unless it shall clearly appear that the delay was unavoidable.

The amount of retrenchments made by the Military Board on the Contractors' Bills will be recovered from the first Bills presented for payment by the Contractors; but in the event of such retrenchments, or any portion thereof, being remitted, the amount, or so much of the amount as shall be so remitted, will then be refunded to them.

The annual outlay on the above Contract is estimated at Rupees 7,950, or thereabouts.

All further particulars will be communicated at the time of bidding, and no reason will be assigned for the rejection of any offer.

The Honorable the President of the Council of India in Council, with the concurrence of the Most Noble the Governor General, is pleased, under instructions from the Hon'ble the Court of Directors,* to direct that hereafter all European Recruits raised in India for the service of the East India Company, shall be enlisted in accordance with the terms of the Army Service Act of the 10th and 11th of Vic. Cap. 37, as published in G. G. O. No. 132, dated the 7th April 1848.

2. The Bounty payable to Recruits enlisted under the above Act is to be as follows:

| | |
|--|-----------|
| To Recruit on being attested, in Cash..... | Rs. 1 0 0 |
| On intermediate approval, in Cash and Necessaries..... | ,, 3 0 0 |
| On final approval, in Cash and Necessaries..... | ,, 46 0 0 |
| Total, Co.'s Rs..... | 50 0 0 |

3. At the expiration of his period of service under the 10th and 11th Vic. Cap. 37, a Soldier, on re-enlistment for a further period, whether he shall have been actually discharged or not, will be allowed a further Bounty of Company's Rapeses (50) Fifty.

4. The Forms of Attestation to be used for Recruits, and the period within which they are to be taken before a Magistrate, not being an Officer in the Army, to be attested, are laid down in the Annual Mutiny Act. These Forms will be supplied from the office of the Adjutant General of the Army, and copies of them are sub-joined.—(Form A.)

5. The Standards for the age and height at which Recruits are eligible to be enlisted, will be laid down by the Commander-in-Chief.

6. No Bounty is sanctioned to persons who are not eligible as Recruits by the fixed Standards, but who are admitted into the service as an indulgence. In such cases, however, any man re-enlisting after his first period of service has expired, will be entitled to the usual Bounty of Rupees (50) Fifty.

7. Boys of European Parentage, being the Sons of Soldiers in the East India Company's Service, may be enlisted by Special Authority into the Artillery and Infantry, for the purpose of being trained as Trumpeters and Drummers, under the 10th and 11th Vic. Cap. 37, and will be allowed a Bounty of (2) Two Guineas, or Company's Rupees (20-9-1) Twenty, Nine Annas and One Pie each, to provide them with Regimental Necessaries. Twelve years is the prescribed age for the admission of boys, except under very special circumstances. These boys are to be attested for such periods as will be equal to 10 years for the Infantry, and 12 years for the Artillery, counting from the time they will attain the age of 18 years; no further Bounty being payable to them on attaining that age, but the usual Bounty of Company's Rupees (50) Fifty, will be allowed on their re-enlisting after their first period of service has expired.

8. Enlisted boys are to receive as at present Half-Pay and Batta. On attaining their 15th year, they may, if vacancies exist, be brought on the strength of Corps on the full allowances of Trumpeters or Drummers, or, when fit to bear Arms, be enrolled as Privates on the Pay and Batta of that Rank. The period of service, either as regards their claim to discharge or to Pension, will commence from their attaining their 18th year.

9. The number of boys, or Half-Pay Drummers sanctioned, per Troop or Company, at each of the Presidencies, will continue as at present.

10. All Half-Pay Drummers, on attaining their 12th year, are to be enlisted on the terms above directed for boys, but only those of European Parentage, when fit to bear arms, can be enrolled as Privates, all others continuing to serve as Trumpeters and Drummers.

11. No enlisted Half-Pay Drummer can be transferred to a Native Corps.

12. Limited service men, originally enlisted in India for periods of 3 or 5 years, can only be re-engaged under the 10th and 11th Vic. Cap. 37. If they have served under 10 years in the Infantry, or 12 years in the Artillery, they are to be attested for such terms as will complete the above periods. A Bounty of Rupees (50) Fifty, will be allowed to men so re-enlisted.

13. Men who have completed ten years in the Infantry, and twelve in the Artillery, are to be re-engaged for a second term, under the above Act, of 11 years in the Infantry, or 12 in the Artillery, or for such portion of these terms as will complete a total service of 21 years in the Infantry and 24 years in the Artillery.

14. Soldiers who may be discharged from Her Majesty's Army for the purpose of entering the Service of the East India Company, under Special Authority, are to be enlisted under the 10th and 11th Vic. Cap. 37. They are to be attested for such periods as will, inclusive of the time they may have served in India in Her Majesty's Army, and six months previous to arrival, be equal to the terms directed in the Army Service Act.

15. Only men under 30 years of age, robust and healthy, can be enlisted into the East India Company's from Her Majesty's Service.

16. Soldiers so enlisted will be allowed to reckon their Service in India in Her Majesty's Army towards Good Conduct Pay and other advantages while serving, and towards discharge; but with respect to Pension after 21 years, the period of their service in the East India Company's Army must be equal or nearly so, to that passed in Her Majesty's Army in India.

17. No Soldier can demand his discharge until the expiration of his engagement, as a matter of right, either with or without a Pension; but discharge may be granted, as an indulgence, under the conditions specified in the Regulation on this subject.
