N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons of all stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.

M. till 5 P. M. daily (Sundays excepted), obtain Copies of the Schedule or List of Prices, and such information relating thereto as they may require.

2. No person will be allowed to bid for the Contract unless he deposits in this Office, in cash, the sum of Rupees (1,000) One thousand, which will be forfeited in the event of withdrawa

of his offer before the Commissary General, or other authorised person in that behalf, shall have signified to him, by a notice in writing, his refusal to accept such offer, or, in the event of delay, evasion, or refusal on his part to furnish the requisite further Security and execute the Deed of Contract when required to do so, on his Offer being accepted.

3. The further Security required is Bonded Security to the amount of Rupees (4,000) Four thousand, subject to the approval of the Government Solicitor; and this, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of the Contract.

4. Verbal offers for the Contract will be received at this Office on Thursday, the 11th proximo, at 1 o'clock precisely, when Bidders will be required to bid a per-centage above or below the prices exhibited in the above List, at which they will undertake to perform the work embraced therein, on the understanding that it must be performed in a satisfactory manner, and that the materials used must be of unexceptionable quality, or of the usual description; that the work must be performed whenever ordered, free of all charges beyond the stipulated price; and that the same is liable to examination and rejection by the Executive Commissariat Officer, or by the Indenting or Receiving Officers, or by a Committee of Officers appointed on the part of Government, in the event of the Contractor being dissatisfied with the decision of the above Officers, or either of them.

5. In case the said work or any of the materials shall be rejected by the Committee so appointed, the said Committee shall not be required to assign or give any reason for such rejection, but the decision of such Committee shall be final and conclusive, and it shall not be competent to the Contractor, his Heirs, Executors, or Administrators, to question such decision in any Court of Law or Equity, or otherwise howsoever.

6. The Contractor must comply immediately with emergent orders and meet others, of less urgency, within the periods stated in the Requisitions made upon him; in failure whereof, or if any work be condemned by a Committee as aforesaid, this Department may immediately cause the work to be executed at his risk and cost; and in all such cases Thirty (30) per Cent. upon the amount of expenses incurred, or a fine not exceeding Rupees (60) Sixty, at the option of the Executive Commissariat Officer, shall be levied as liquidated damages for each and every such breach of Contract,—the condemnation by a Committee of any work performed being held to constitute a breach of Contract, whether the rejected work be completed by the Contractor or by this Department. In every such case, the Contract may be cancelled at the discretion of the Commissary General; and if it be so cancelled, the Cash Deposit, mentioned in paragraph 2nd of this Notice, will be forfeited to Government.

7. Any delay, negligence, evasion, or refusal on the part of a Contractor to perform the work or obey orders, or any attempt on his part, or that of his Agents, to use materials of an inferior quality in lieu of those he is bound to use, or any neglect to perform the work at the time and place appointed, will subject him to be fined to the extent of Rupees (25) Twenty-five by the Executive Commissariat Officer; an appeal from his order may be made to the Commissary General, whose decision is to be final; but when any of the penalties provided for in the preceding clause are exacted, no further penalty shall be leviable under this clause.

8. The Contractor, or an accredited Agent on his part, approved of by the Executive Commissariat Officer, must attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. 9. Any party whose offer is accepted must produce Sureties, such as shall meet the approval of the Government Solicitor, within Fifteen days from the date of the acceptance of his offer, or the Contract will be resold, and the amount deposited by the Bidder forfeited to Government. No reason will be stated for rejecting any security offered.

10. Bills for work performed under this Contract must be preferred for examination within one month from the date of the performance of the same, or the Contractor will forfeit their full value, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable. Payment of Bills passed in this Office must be claimed within Five days after they are passed, or the amount will be forfeited to Government.

11. The amount of retrenchments made by the auditing Authorities on the Contractor's Bills will be recovered from the first sums payable to him; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

12. Any party who, after offering for the Contract, fails to furnish the necessary security, as provided for in Clauses 3 and 9 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due finding of the requisite security, and execution by him of the Deed of Contract, on his offer being accepted.

13. Persons intending to offer may, on application, see a statement of the actual annual work performed during the past years; but it is to be distinctly understood that the work must be performed to any extent required, without reference to such former work.

TENDERS FOR PRIVILEGE OF SELLING LIQUOR AND DRUGS.

Notice is hereby given that the Contracts for the exclusive privilege of selling Arrack and Country Liquor and Intoxicating Drugs (Ganjah, Opium, and Khuskhus) to the Troops and Camp Followers composing the Kutch Subsidiary Force for one year, from 1st January to 31st December 1861, will be put up to Competition at the Office of the Superintendent of Bazars at Bhooj, at 12 o'clock (noon), on Thursday, the 25th day of November 1860.

2. Verbal offers for the Contracts will be received by the abovenamed Officer on the date and hour specified in the preceding paragraph.

3. No person will be allowed to bid or tender for the Contracts unless he deposits with his offer the sum of Rupees (50) Fifty for the Liquor, and Rupees (25) Twenty-five for the Drug Contracts, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary Deed of Contract; and two unexceptionable Securities will also be required from the highest Bidders, to guarantee their fulfilment of the respective Contracts; but each Bidder will be called upon, before the commencement of the sale, to give the names of his Securities.

4. The Troops composing the Kutch Subsidiary Force are—

	Strength.
4th Company 3rd Battalion Artillery, with No. 13 Light Field Battery attached	224
Kutch Levy	310
Camp Followers	80
Total	614

But the Contracts will be sold for the actual number of Troops and their authorised Followers that may be present on the day of sale, which will be duly notified to the Bidders at the time, and the amount of the monthly payment shall not be increased or decreased on account of Troops and their authorised Followers arriving at, or departing from, the Cantonments, unless the strength of such details of Troops and authorised Followers exceeds one fourth the number of Troops and their authorised Followers, for whom the Contracts have been entered into, and that the amount to be paid by or remitted to the Contractors will be determined in reference to the proportion that the number of Troops and their authorised Followers increased or diminished beyond one-fourth of their number specified in the Contracts, bears to the whole number of Troops and their authorised Followers and Camp Inhabitants therein specified.

5. It is, however, to be distinctly understood that any alteration in the number of Camp Inhabitants will not entitle the Contractors to claim any remission in the payment of the stipulated monthly amount of their respective engagements. The departure of Troops from the Cantonment, as above specified, will alone give claim for remission.

6. The conditions of the Contracts shall not be considered binding, or in force in any respect, until the same are confirmed by the superior authority.

7. The person or persons whose Tender may be accepted will be required, ere entering on the performance of their Contracts, to deposit with the Superintendent of Bazars the amount of one month's stipulated payment, as his or their personal security for the due execution of the agreement. This is to be in addition to the monthly payment in advance of the sums tendered for the Contract.

8. Further particulars relative to these Contracts will be made known on application at the Office of the Superintendent of Bazars at Bhooj, from 10 A. M. to 4 P. M. every day, Sundays excepted.

9. The Contractors will have to defray the expenses of maintaining a Preventive Police, when and wherever the Brigadier Commanding may deem necessary, for the suppression of clandestine sale of Spirits to European Troops.

10. No reason will be assigned for the rejection of any offer.
