REVENUE DEPARTMENT.

The following Notification by the Government of India, is republished for general information:—

"No. 87.

Extract from the Proceedings of the Government of India, in the Financial Department, under date the 11th October 1860.

Read an Extract from the Home (Revenue) Department (No. 2188), dated the 2nd instant, with enclosures, on the subject of a remonstrance from the Director of Public Instruction, Lower Provinces, against deductions made by the Civil Auditor, on account of the Income Tax, from some of the Grants made by Government in aid of private Schools.

Read the Endorsement from this Department (No. 10,010), dated the 4th instant, forwarding the above-mentioned Papers to the Government Solicitor, for the Advocate General's opinion.

Read a Letter from the Government Solicitor (No. 357), dated the 9th instant, forwarding the Advocate General's opinion.

RESOLUTION.—At the instance of the Director of Public Instruction, Lower Provinces, the Government of Bengal refers for consideration the question whether Income Tax should be levied from Grants-in-aid which are not devoted to the payment of Salaries, or from sums assigned by Government for Rewards to the Masters and Pupils of indigenous Schools.

The Advocate General is of opinion that the Grants-in-aid made by the Government in respect of Schools are not subject to the operation of the Income Tax.

With respect to the Rewards paid by the Government to the Masters and Pupils of indigenous Schools, he observes "I am of opinion that neither the Civil Auditor, the Accountant General, nor the Sub-Treasurer has any authority to deduct Income Tax from such Rewards, or to assess the Recipients in respect of them. If a Fund or Book Debt existed, the Interest on which was devoted to the payment of these Rewards, or of the Grants-in-aid, it would be the duty of the Accountant General and Sub-Treasurer to assess and deduct the Duties upon such Interest, without reference to the purposes to which the Interest was to be applied, unless such Interest could be, and were exempted by the Government as devoted to public charitable purposes. But where the payment is made, not from the Interest of any Fund or Book Debt, but generally from the Revenue of India, I do not think the sums paid for the purposes described fall under any of the heads mentioned in Sections 26 and 27 in Schedules 3 and 4, or in Parts 9 and 10 of the Act, or that any Duties can be assessed thereon, or deducted therefrom, in the first instance.

"The Rewards thus paid to the Teachers of private Schools will fall within Schedule 2 of the Act, and the Teacher, unless exempted under Part 13, will have to return the total amount of such Rewards received during the preceding year as part of the profits earned by his employment. So, too, any Rewards, in addition to Salary paid to the Teacher of a Government School, would fall within Rule 3 under Schedule 4, and would be returnable by the Recipient as part of his Income under Part 4.

"But in neither case could Income Tax be properly assessed or deducted, in the first instance, from the sums payable for such Rewards before payment to the Teacher himself.

"Rewards granted by Government to *Pupils* in indigence are not, I think, subject to the provision of the Income Tax at all. The condition of such a Pupil cannot be deemed a profession, trade, or employment within the meaning of the Act, and the payment is not a periodical one, but is made once for all, though the same Pupil may, on several occasions, obtained different Rewards."

The Governor General in Council directs that the above opinion be acted upon.

His Excellency in Council observes that, in forwarding the above reference from the Government of Bengal, this Government, in the Home Department, remarked—"Looking to the general tenor of Section 27,* it seems to the Governor General in Council that the words "Civil Salaries and Allowances" can hardly be held to include Grants made by Government towards the general support of a private Institution, whether Educational or Charitable, or other. This doubt seems to derive support from the words within a parenthesis in Section 26, and also from the marginal Index of Section 27. In this view—namely, that Section 27 and the three following Sections relate only to Salaries paid to Servants of the State,—it may be doubted whether many payments, which are understood to be audited by the Civil Auditor, can be legally assessed by that Officer; *e. g.* Political Stipends which would seem rather to fall under one or other of the payments out of the Public Revenues, in respect of which the Accountant General and the Sub-Treasurer are Assessors, under Section 26 of the Act."

* Income Tax Act.

With reference to these remarks, the Advocate General observes—"With respect to Political Stipends and Pensions payable to persons not in Government employment, I think the Accountant General and Sub-Treasurer under Section 26, and not the Civil Auditor under Section 27, are the proper *ex-officio* Assessors to assess and deduct the Duties. Stipends and Pensions of that kind cannot, I think, be deemed Civil Salaries or Allowances within the meaning of Section 27."

The Governor General in Council directs that, in respect of the Stipends and Pensions above alluded to, the several Accountants, Auditors, Sub-Treasurers, and other Authorities in charge of Public Treasuries, be instructed to act according to the opinion expressed by the Advocate General.

ORDER.—Ordered that a copy of the above Resolution be published in the *Calcutta Gazette*, for the information and guidance of the Officers above alluded to.

Ordered also that a copy of the Resolution be forwarded to the Home Department, with reference to the Extract from that Department noticed above.

Secretary to the Government of India."

Notice to Mariners.

His Excellency the Lieutenant Governor has directed the following Report of Dangers discovered in the vicinity of the Basses, between the line of those Reefs and the Mainland, received from Mr. McDougall, Master, R. N., in charge of the Survey of the South-East Coast of Ceylon, to be published for general information.

By His Excellency's Command,
(Signed) W. C. GIBSON,
Acting Colonial Secretary.

Colonial Secretary's Office,
Colombo, September 17th, 1860.

Galle, September 12th, 1860.

Little Basses Tail is half a mile in length with only 3 fathoms on it. It lies N. by W. 1⅝ miles from the Little Basses Reef. This patch is supposed to be the one on which the Ship "Atlas" struck the *first* time in 1813 (*vide* Horsburgh, page 563).

Atlas Reef, with only 3 fathoms, is about a cable's length in extent, N. E. by N., 1⅛ miles from the Little Basses Reef, and is supposed to be the danger on which the "Atlas" struck the *second* time in 1813. Between it and the Little Basses Tail, anchorage for a light vessel may be obtained in 6 fathoms, sand and stones, with the centre of the Little Basses Reef bearing S. W. half a mile. The reef breaks heavily.

Dædalus Reef.—This dangerous patch was discovered by H. M. S. "Cyclops" striking on it on the 30th July last; it is probably the one on which H. M. Ship "Dædalus" was lost in 1813 (Horsburgh, 562). The "Cyclops," drawing 15 feet, went from 6 fathoms on to the rock, and for several minutes struck heavily, lifting her rudder twice.

The least water obtained all round the Ship was 3¾ fathoms. The rock is evidently a pinnacle, with about 14 feet on it, and having 5, 6, and 7 fathoms close to—(no sign of a break was observed at the time the Ship struck). From it the centre of the Little Basses bears S. 25° E. 3¼ miles; Chimney Hill N. 56° W., and Nipple Peak N. 75° W—it is distant from the nearest shore 1¼ mile.

Cyclops Reef—so called in consequence of the "Cyclops" striking several times, and in different places—consists of a hard, narrow, sandy ridge, with patches of boulders, having only 2 fathoms in some places. It lies E. by N. ½ N. and W. by S. ½ S. for a distance of 3¾ miles, and is from ¼ to ½ a mile in breadth. From its West end in 3 fathoms, Potana Point bears North 2 miles; and from its Eastern end in 4 fathoms, Chimney Hill bears N. ¼ W.; the shore in that direction being distant 3½ miles. Between the reef and the shore is a channel with 7, 9, and 12 fathoms.

Breakers are occasionally seen on shoal patches of this reef.

Potana Patch—breaks very heavily, and appears to be about ¼ of a mile in extent. It lies W. by S. ½ S. from the West end of Cyclops Reef, the distance being 1¾ miles, forming a clear channel with from 8 to 10 fathoms. To sail through, keep Chimney Hill on with the Eastern slope of Potana Point bearing N. by E. ¾ E.

Elephant Reef—also breaks heavily, and lies N. E. ½ E. and S. W. ½ W., 1½ miles long; its N. E. end being 1 mile from Potana Patch. This surposed channel has, however, never been sounded, and should not therefore be tried. The N. E. end is 1½ miles from the shore, with Elephant Hill and Elephant Rock in line, N. W. ¼ N. The S.W. extremity is 1 mile S. W. ¼ W. of the detached rock off Anadowe Point. Between the reef and the shore is a clear channel, with from 8 to 9 fathoms, but should never be attempted by strangers, as the Coast permits of no leading or back mark being given.

Masters of Ships, under *any* and *every* circumstance, should carefully avoid attempting to pass inside the line of the Great and Little Basses.

The foregoing bearings are magnetic.

The current during the S. W. Monsoon sets along the line of Coast, between Point de Galle and the Little Basses, to the East and N. E., at rates varying from 1 to 2 miles per hour.

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons of all stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all *single* cases, for of such only the aggregate is made up.

Bombay, 7th November 1860.

In charge of Mortuary Returns.

Notice to Mariners.

Relating to a supposed Shoal in Torres Strait which is not laid down in the Chart.

On July 19th, 1860, the Ship "King Lear" passed an apparently dangerous Shoal, very narrow, but extending about a mile in a South-Westerly and North-Easterly direction, and seeming as if it would have only from 4 to 6 feet water over it with a smooth sea.

It lies in nearly a direct line between Mount Ernest and Double Island, and is distant from the former about 5¼ miles, and 6¾ from the latter.

It is considered that the position here indicated must be correct within half a mile, though it was not found convenient to determine it with extreme accuracy.

J. B. DUNTERSVILLE, Captain.
Acting Deputy Commissary General.

No. 136.

CONTRACT FOR THE SUPPLY OF GRAIN, CONSISTING OF BAJREE, MUTT, GRAM, AND BRAN, WHEATEN.

Persons desirous of entering into a Contract for the supply of such Grain as may be required by the Commissariat Departments at Bhooj and Mandavee, for the term of one year, from the 1st January to the 31st December 1861, may, on application at this Office, from 11 A.M. till 5 P.M. daily (Sundays excepted), obtain Copies of the Schedule or List of Prices, and such information relating thereto as they may require.

2. No person will be allowed to bid for the Contract unless he deposit in this Office, in cash, the sum of Rupees (200) Two hundred, which will be forfeited in the event of withdrawal of his Tender before the Commissary General, or other authorised person in that behalf, shall have signified to him, by a notice in writing, his refusal to accept such Tender, or in the event of delay, evasion, or refusal, on his

part, to furnish the requisite further Security, and execute the Deed of Contract, when required to do so on his offer being accepted.

3. The further security required is Bonded Security to the amount of Rupees (500) Five hundred, subject to the approval of the Commissariat Agent; and this, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of the Contract.

4. Verbal offers for the Contract will be received at this Office on Friday, the 30th November next, at 12 o'clock precisely, when bidders will be required to bid above or below the prices exhibited in the above List, at which the supply will be made.

5. The articles supplied must be of unexceptionable quality, or of the sort usually supplied, and are to be delivered, in the first instance, at the Commissariat Stores, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may, from time to time, be demanded, being liable to examination and rejection by the Native Commissariat Agent, or by the indenting or receiving Officers, or by a Committee of Officers appointed on the part of Government, in the event of the Contractor being dissatisfied with the decision of the above Officers, or either of them, it being understood that the decision of such Committee is to be final and binding on all parties.

6. In case the said articles, or any of them, shall be rejected by the Committee so appointed, the said Committee shall not be required to assign or give any reason for such rejection, but the decision of such Committee shall be final and conclusive; and it shall not be competent to the Contractor, his Heirs, Executors, or Administrators, to question such decision in any Court of Law or Equity, or otherwise howsoever.

7. The Contractor must comply immediately with emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be rejected or condemned by a Committee as aforesaid, the articles, or such others as may be required in lieu thereof, may be at once purchased by this Department at his risk and cost; and in all such cases, Thirty (30) per Cent. upon the amount of expenses incurred, or a fine not exceeding Rupees (20) Twenty, at the option of the Native Commissariat Agent, shall be levied as liquidated damages for each and every such breach of Contract,—the condemnation of any article by a Committee being held to constitute a breach of Contract, whether the rejected articles be replaced by the Contractor or by this Department. In every such case, the Contract may be cancelled at the discretion of the Commissary General; and if it be so cancelled, the Cash deposit, mentioned in paragraph 2 of this Notice, will be forfeited to Government.

8. Any delay, negligence, evasion, or refusal on the part of a Contractor to make supplies or obey orders, or any attempt on his part, or that of his Agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place appointed, will subject him to be fined to the extent of Rupees (25) Twenty-five by the Native Commissariat Agent; an appeal from his order may be made to the Commissary General, whose decision is to be final; but when any of the penalties provided for in the preceding clause are exacted, no further penalty shall be leviable under this clause.

9. The Contractor, or an accredited Agent on his part, approved of by the Native Commissariat Agent, must attend at this Office during the usual hours of business, *i. e.* from 10 A.M. to 5 P.M. daily (Sundays excepted), also at such other time or place as may be indicated by the Native Commissariat Agent, when it may be considered desirable for the public service to require such attendance.

10. Any party whose offer is accepted, must produce Sureties, such as shall meet the approval of the Commissariat Agent, within Fifteen days from the date of the acceptance of his offer, or the Contract will be resold, and the amount deposited by the offerer forfeited to Government. No reason will be stated for rejecting any Security offered.

11. Bills for articles supplied under this Contract must be preferred for examination within one month from the date of the delivery of the same, or the Contractor will forfeit their full value, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable. Payment of Bills passed in this Office must be claimed within Five days after they are passed, or the amount will be forfeited to Government.

12. The amount of retrenchments made by the auditing authorities on the Contractor's Bills will be recovered from the first sums payable to him; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

13. Any party who, after offering for the Contract, fails to furnish the necessary Security, as provided for in Clauses 3 and 10 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due finding of the requisite Security, and execution by him of the Deed of Contract, on his offer being accepted.

14. Persons intending to offer may, on application, see a statement of the actual annual consumption during the past years; but it is to be distinctly understood that supplies must be furnished to any extent required, without reference to such former consumption.

15. No reason will be assigned for the rejection of any offer.

Native Commissariat Agent.

T. GARRETT,

Bombay Post Office, 11th September 1860.

Letters by Express.—As it is not unfrequently impossible to forward the Express Packets received from England immediately after the arrival of the Mail Steamer at Bombay, the Director General of the Post Office desires to intimate to the Public that he has authorised the Post Master of Bombay to despatch by the Express letters received by the Steamer addressed to persons who may have stated in writing their wish to have their letters so forwarded, and who have engaged to pay the Express Postage of One Rupee for every quarter of an ounce.

If, therefore, any persons desire that their Overland letters should, whenever it is practicable, be forwarded from Bombay by Express, they are requested to address the Post Master of Bombay to that effect, and state that they will pay the Express Postage.

It will be understood that letters not received from England in the Express Bag can only be forwarded by Express from Bombay when the English Express is unavoidably detained, and when its weight will admit of additional letters being despatched.

Sections 25, 26, and 27 of the Covenanted Civil Absentee Rules; it being understood, however, that Section 27 shall not apply to Ministerial Officers acting for Covenanted Officers, who are entitled to Acting Allowance from the date they commence to officiate, and not after the expiration of one month, as in the case of other Uncovenanted Officers of superior grade.

Notification.

No. 16.

In accordance with paragraph 1 of printed Circular No. 1309, dated 12th September 1860, the following decision of the Government of India, is notified for the guidance of Officers in Civil employ, in preferring their Abstracts for audit :—

2. The Rule of the 4th November 1857, which admits full Salary to Officers in Civil employ, acting for others away on leave to Europe, after six months have expired, is applicable to cases of Officers acting for incumbents on *sick leave*, under Section 13 of the New Military Furlough Rules, and *to those cases only.*

3. Therefore, henceforward, Officers in Civil employ, who act for others on leave to Europe on private affairs, will have the full Allowances of the appointments in which they act admitted to them by this Department, *from the dates on which they commence to act.*

4. But if an Officer in Civil employ, acting for another away on sick leave, have himself to quit the appointment after having acted six months without drawing full Allowances, and another Officer be appointed to officiate in his place, this other Officer will not be entitled to draw full Allowances from the date on which he commences to act, on the ground that the Rule respecting six months on half Salary has been already satisfied, but he himself will have to act six months before obtaining full Allowances.

RULE.—Cut off two figures of the Rupees. Multiply those on the left hand by the Tax rate. To the product *add* the tabular amount of Tax corresponding to the cut off figures (or to the *next less*) taken from the proper Rate column.

Example.—Required the Tax on Rupees 1,874, at one and three per cent.

74 =	2	3

2. Paragraph 8 of Notification No. 9, dated 2nd instant, is, to a certain extent, modified as under, viz:—

Warrant and Non-Commissioned Officers of the Medical Department, such as Extra Assistants, Apothecaries, Assistant Apothecaries, Stewards, Hospital Assistants, &c., if serving with any of the Forces of *whatever* branch, are exempt, but not if serving as Assistants to Civil Surgeons.

Warrant Officers of the Commissariat Department, if employed in the proper duties of that Department, are exempt, but not when engaged in Civil duties.

3. Military men in purely Civil employ, other than employment in the Police, are, under Section VII. of Act 39 of 1860, liable *on the whole of their consolidated Allowances*. No exemption which they may claim on their Military pay can be allowed, except under Section 127 of Act 32 of 1860; and it is clearly stated that this Section *does not* extend to Military Officers in Civil employments. To exempt them would, moreover, in the opinion of the Governor General in Council, place them at undue advantage compared with Civil Servants holding like appointments on like pay. This Order repeals paragraph 4 of Notification No. 9, dated 2nd instant.

Supreme Government's letter No. 10455, dated 12th October 1860.

4. The Civil Auditor may remit the Tax on Premiums paid by Officers to Insurance Societies out of their Salaries, provided the persons making such payments support the deductions they make from their Pay on this account, with regular receipts of the Insurance Societies. This Order repeals that of the Accountant General in paragraph 2 of Notification No. 9, dated 2nd instant.

5. When an Officer draws his Pay in two or more Abstracts, the total of *his Salary* is to *be entered in each Salary Bill* as a *foot note*.

6. The amendments of Act 39 are to take effect from and after 31st July, and not from the date on which this Act (39) was received.

7. Allowances as follows—Civil Surgeons, Rs. 30; Sub-Assistant Surgeons, Rs. 20; Native Doctors, Rs. 10 a month,—passed to Medical Officers in charge of Dispensaries, are chargeable with Income Tax, being of the nature of Income, and not of Travelling Allowance.

8. Grants-in-aid, made by Government in respect of Schools, are not liable. Rewards paid by Government to Masters and Pupils of indigenous Schools are not to be assessed by the Civil Auditor, Accountant General, or Sub-Treasurer. If a Fund or Book Department existed, the Interest of which was devoted to payment of these rewards, or of grants-in-aid, it would be the duty of the Accountant General and Sub-Treasurer to deduct the Duties on such Interest without reference to the purposes to which the Interest was to be applied, unless such Interest could be, and were exempted by Government as devoted to Charitable purposes. But when payment is made from the Revenue of India, sums paid for the above purposes do not fall under any of the heads mentioned in Sections 26 and 27, in Sections 3 and 4, or in Parts 9 and 10 of the Act. No duties are to be assessed therefore in the first instance. The rewards thus paid fall within Schedule 2 of the Act, and the Teacher, unless exempted under Part 13, must return the total amount of such rewards as part of the profits he earns by his employment. Rewards, in addition to Salary paid to Government School Teachers, fall within Rule —, under Schedule 4, and are returnable as part of Income under Part 4; but in neither case is Income Tax assessable in the first instance.

9. Rewards granted by Government to *Pupils* in indigence are not subject to the Tax at all.

10. Political Stipends and Pensions, payable to persons not in Government employ, are not assessable by the Civil Auditor, but by the Accountant General and Sub-Treasurer, under Section 26 of the Act.

11. Mechanical Engineers, appointed by Warrant, whose pay is not Rs. 415-6-0 a month, if Naval or Marine Officers, are not liable under Section IX. of Act 39, but not if they were sent out from England for service in the Public Works Department.

12. Remittances made by Officers for their families in England are not exempted.

13. The Audit Office is to deal with each month's salary, &c. by itself, and consider, at the end of the year, such claims to exemption as may then be put forward. Thus, if a substantive appointment be within the taxable rates—Rs. 500 a year,—and the party, by getting an Acting Allowance in addition for one or two months, draws Salary for those months on the whole at a rate above Rs. 500 per annum, he is to be taxed at 4 per cent. for those months; and if he can, at the end of the year, prove that he has not drawn Rs. 500 during the past twelve months, the sum over-deducted will be remitted.

R. W. LODWICK,
Civil Auditor.

Bombay, Civil Auditor's Office, 29th October 1860.

Notification.

No. 18.

In accordance with paragraph 1 of Circular No. 1309, dated 12th September 1860, it is hereby notified, for the information of all Heads of Departments, that the submission of Separate Bills to the Audit Office for sums which can be included in the General Abstracts of Establishments is improper. All Officers are therefore requested to abstain from forwarding such Separate Bills, and to attend to the following Rules:—

1. Ecclesiastical and Medical Officers should include their own pay with that of their Establishments in one bill.

2. Police Commandants should put their own pay, that of their Subordinate Officers, and that of the men, into one General Abstract.

3. Therefore, henceforward, Officers in Civil employ, who act for others on leave to Europe on private affairs, will have the full Allowances of the appointments in which they act admitted to them by this Department, *from the dates on which they commence to act.*

4. But if an Officer in Civil employ, acting for another away on sick leave, have himself to quit the appointment after having acted six months without drawing full Allowances, and another Officer be appointed to officiate in his place, this other Officer will not be entitled to draw full Allowances from the date on which he commences to act, on the ground that the Rule respecting six months on half Salary has been already satisfied, but he himself will have to act six months before obtaining full Allowances.

R. W. LODWICK,
Civil Auditor.

Bombay, 27th October 1860.

Example.—Required the Tax on Rupees 1,874, at one and three per cent.

1,874 =	18	11	at 1 per cent.
18 × 3 =	54	0	
74 =	2	3	
	56	3	at 3 per cent.

2. Paragraph 8 of Notification No. 9, dated 2nd instant, is, to a certain extent, modified as under, viz:—

Warrant and Non-Commissioned Officers of the Medical Department, such as Extra Assistants, Apothecaries, Assistant Apothecaries, Stewards, Hospital Assistants, &c., if serving with any of the Forces of *whatever* branch, are exempt, but not if serving as Assistants to Civil Surgeons.

Warrant Officers of the Commissariat Department, if employed in the proper duties of that Department, are exempt, but not when engaged in Civil duties.

3. Military men in purely Civil employ, other than employment in the Police, are, under Section VII. of Act 39 of 1860, liable *on the whole of their consolidated Allowances*. No exemption which they may claim on their Military pay can be allowed, except under Section 127 of Act 32 of 1860; and it is clearly stated that this Section *does not* extend to Military Officers in Civil employments. To exempt them would, moreover, in the opinion of the Governor General in Council, place them at undue advantage compared with Civil Servants holding like appointments on like pay. This Order repeals paragraph 4 of Notification No. 9, dated 2nd instant.

Supreme Government's letter No. 10135, dated 12th October 1860.

4. The Civil Auditor may remit the Tax on Premiums paid by Officers to Insurance Societies out of their Salaries, provided the persons making such payments support the deductions they make from their Pay on this account, with regular receipts of the Insurance Societies. This Order repeals that of the Accountant General in paragraph 2 of Notification No. 9, dated 2nd instant.

5. When an Officer draws his Pay in two or more Abstracts, the total of *his Salary* is to *be entered in each Salary Bill* as a *foot note*.

6. The amendments of Act 39 are to take effect from and after 31st July, and not from the date on which this Act (39) was received.

7. Allowances as follows—Civil Surgeons, Rs. 30; Sub-Assistant Surgeons, Rs. 20; Native Doctors, Rs. 10 a month,—passed to Medical Officers in charge of Dispensaries, are chargeable with Income Tax, being of the nature of Income, and not of Travelling Allowance.

8. Grants-in-aid, made by Government in respect of Schools, are not liable. Rewards paid by Government to Masters and Pupils of indigenous Schools are not to be assessed by the Civil Auditor, Accountant General, or Sub-Treasurer. If a Fund or Book Department existed, the Interest of which was devoted to payment of these rewards, or of grants-in-aid, it would be the duty of the Accountant General and Sub-Treasurer to deduct the Duties on such Interest without reference to the purposes to which the Interest was to be applied, unless such Interest could be, and were exempted by Government as devoted to Charitable purposes. But when payment is made from the Revenue of India, sums paid for the above purposes do not fall under any of the heads mentioned in Sections 26 and 27, in Sections 3 and 4, or in Parts 9 and 10 of the Act. No duties are to be assessed therefore in the first instance. The rewards thus paid fall within Schedule 2 of the Act, and the Teacher, unless exempted under Part 13, must return the total amount of such rewards as part of the profits he earns by his employment. Rewards, in addition to Salary paid to Government School Teachers, fall within Rule —, under Schedule 4, and are returnable as part of Income under Part 4; but in neither case is Income Tax assessable in the first instance.

9. Rewards granted by Government to *Pupils* in indigence are not subject to the Tax at all.

10. Political Stipends and Pensions, payable to persons not in Government employ, are not assessable by the Civil Auditor, but by the Accountant General and Sub-Treasurer, under Section 26 of the Act.

11. Mechanical Engineers, appointed by Warrant, whose pay is not Rs. 415-6-0 a month, if Naval or Marine Officers, are not liable under Section IX. of Act 39, but not if they were sent out from England for service in the Public Works Department.

12. Remittances made by Officers for their families in England are not exempted.

13. The Audit Office is to deal with each month's salary, &c. by itself, and consider, at the end of the year, such claims to exemption as may then be put forward. Thus, if a substantive appointment be within the taxable rates—Rs. 500 a year,—and the party, by getting an Acting Allowance in addition for one or two months, draws Salary for those months on the whole at a rate above Rs. 500 per annum, he is to be taxed at 4 per cent. for those months; and if he can, at the end of the year, prove that he has not drawn Rs. 500 during the past twelve months, the sum over-deducted will be remitted.
