Notice

Is hereby given, that persons desirous of entering into a contract for supplying Tools, &c. specified in the List No. 7, to the Grand Arsenal, Indian Naval Stores, and to this Department generally, for the term of two years from the 1st day of September next, may, on application at this office from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the Schedule or List of Prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this office on Friday the 5th proximo, at 2 P. M. precisely, when intending contractors will be required to bid a per-centage above or

below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, according to musters which may be seen in this office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this office, in cash, the sum of Rupees (672) six hundred and seventy-two, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (2,691) two thousand six hundred and ninety-one, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with

all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (30) thirty to (100) one hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (672) six hundred and seventy-two, mentioned in paragraph 3 of this Notice, will be forfeited to Government.

5. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of (25) twenty-five rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be lexible under this Clause.

6. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily, (Sundays excepted,) also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honourable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for the contract, fails to furnish the necessary security, as

provided for in Clause 7 of this Notice, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees 13,457.

12. No reason will be assigned for the rejection of any offer.

Messrs. Holder & Co. have on sale on account of Government, at Rupees 30 each, copies of the New Volume of Morley's Digest of Indian Cases.

Notice

Is hereby given, that persons desirous of entering into a Contract for supplying fresh Bread, Flour, &c. to the European Troops and Hospitals, Commissariat and Indian Naval Departments, House of Correction, and County Gaol, and for such other purposes as may from time to time be required, for the term of nine months from the 1st day of August next, may, on application, at this Office, from 11 A. M. till 5 P. M. daily, obtain copies of the Schedule or List of Prices, and such information relating thereto as they may require.

2. Sealed tenders for the contract will be received at this Office on Friday the 29th instant, at 2 P. M. precisely. These must specify, both in words and figures, the rates per cent. above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, according to musters which may be seen in this Office, or of the sort usually supplied; and are to be delivered, in the first instance at the Commissariat Stores, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded; and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers, appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No tender will be received unless accompanied by a deposit, in cash, of the sum of Rupees (1,419) one thousand four hundred and nineteen, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his tender being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (5,676) five thousand six hundred and seventy-six, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers, as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (50) fifty to (200) two hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee consti-

tutes such a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rs. (1,419) one thousand four hundred and nineteen, mentioned in para. 3 of this Notice, will be forfeited to Government.

5. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of twenty-five Rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding Clause, no further penalty shall be leviable under this Clause.

6. It is further to be understood that the contractor, or an accredited Agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily, Sundays excepted, also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose tender is accepted will be required to produce his sureties for the approval of the Hon'ble Company's Solicitor, within 15 days from the date of the acceptance of his tender, or the contract will be resold; no reason will be stated for rejecting any security tendered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after tendering for the contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from tendering on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees 28,383.

12. No reason will be assigned for the rejection of any tender.

The hire of the Cattle to be paid in arrears on the 10th of each month.

The Cattle to be picketed close to, or rather within the Camel Lines, to enable the Commissariat Warrant Officer to superintend their feeding and grooming; and they should be allowed such ration of Grain as may be deemed necessary by the Commissariat Officer, not exceeding 4 lbs. per diem per head.

The contractor or his agent to attend at the Commissariat Office daily, to receive orders.

The contractor should be bound to supply extra Cattle whenever required for the service of Government, as follows, and for which he is to receive the rate of hire that may be tendered for the 30 Bullocks above alluded to, viz:—

of such breed as may be procurable on the spot, well adapted for the duty required.

The contractor to be paid in advance one and a half month's hire for such extra Bullocks as may be required, and in the event of their being discharged within three months from the date of their entertainment, he will be allowed 3 months' hire for the same.

All the Bullocks furnished by the contractor will be branded in presence of the Committee passing them with the letters S. D. A., of one inch in length, on the off hip, the number of each Bullock, and two last numbers of the year in which they may be supplied.

The Commissariat Officer is authorized to submit for inspection of a Committee of Officers, to be appointed on the part of Government, any Bullocks which he may consider unfit for service; and if condemned, the contractor must replace them. Should he refuse or neglect to do so, or to replace casualties in the Bullocks, or attendants, the Commissariat Officer will do so at his (the contractor's) risk, and recover the amount from the first monthly bills that may become due to him.

Should the Bullocks be in a dirty state, or in bad condition, or should the orders of the Commissariat Officer be disobeyed by the contractor, he is liable to be fined by the Commissariat Officer, in a sum not exceeding (25) twenty-five Company's Rupees for each offence; and in case of any infringement of the conditions of the agreement, it will be optional with Government to put an end to the contract.

As a security for the due fulfilment of the contract, the contractor will be bound to place at the disposal of Government the whole of the Draught Bullocks (30) to be supplied by him, as a guarantee for the exact, regular, and due performance of the agreement, and the same will be forfeited to Government should he fail in any of the conditions of his contract.
