the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, according to musters which may be seen in this office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final and binding on all parties.

3. No tender will be received unless accompanied by a deposit in cash of the sum of Rupees (214) two hundred and fourteen, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his tender being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (856) eight hundred and fifty-six, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any

supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (30) thirty to (120) one hundred and twenty, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General; and that if the contract be so cancelled, the cash deposit of Rupees (214) two hundred and fourteen, mentioned in paragraph 3 of this Notice, will be forfeited to Government.

5. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of twenty-five rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

X. Any such effects, or the proceeds or surplus of such effects of any Officer, Seaman, or other person so dying, when remitted to any person under any order of the Secretary to the Government of Bombay, or to such Secretary, shall not by reason of coming to the hands of such person or Secretary be taken to be assets or effects in the place to which such proceeds or surplus may be remitted, so as to render it necessary that administration should be taken out in respect thereof; and it shall be lawful for the Secretary to the Government of Bombay to order that such effects or the proceeds or surplus of any such effects shall be remitted to any other place in India where the same can more conveniently be paid over to the person or persons entitled thereto, and the obedience to the orders of such Secretary in respect to the payment and disposal of any such effects, proceeds, or surplus of such effects shall be a discharge from all actions, suits, and demands in respect thereof, to any person to whose hands any such effects, proceeds, or surplus shall have come, and which shall have been paid and disposed of under the order of such Secretary.

Tenders are hereby invited for the conveyance of
(2) Two European Convicts, either to Calcutta,
Madras, or direct to Van Dieman's Land.

By Order of the Commander in Chief Indian Navy,
F. G. BONE, Secretary.

Commodore's Office, Bombay,
2nd August 1853.

Notice

Is hereby given, that the contracts for the exclusive privilege of selling Arrack and Country Liquor, and Intoxicating Drugs (Ganja, Opium, Khuskhus, and Tobacco), to the Troops and Camp Followers at Baroda, for one year, from 1st November 1853. to 31st October 1854, will be put up to competition at the Office of the Superintendent of Bazars at Baroda, at noon on the 15th September 1853.

2. Verbal offers for the contracts will be received by the above-named Officer on the date and hour specified in the preceding paragraph; and sealed tenders, accompanied by the requisite cash deposit, will also be received by the Commissary General of the Army at Bombay, on the same date.

3. No person will be allowed to bid or tender for the contract unless he deposits with his offer the sum of Company's Rupees (120) one hundred and twenty for the Liquor, and Rupees (60) sixty for the Drug contract, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary deed of contract; and two unexceptionable securities will also be required from the highest bidders, to guarantee the fulfilment of the terms of the respective contracts.

4. The Troops composing the Baroda Brigade are—

	Strength.
1 Company of Golundauze.....	134
2 Regiments of Native Infantry..	1602
Camp Followers	1867

But the contracts will be sold for the actual number of Troops that may be present on the day of sale, which will be duly notified to the bidders at the time; and the amount of the monthly payment shall not be increased or decreased on account of Troops arriving in or departing from the Cantonment, unless the strength of such Details exceeds one-fourth the number of men for whom the contracts have been entered into. It is, however, to be distinctly understood, that any alteration in the number of Camp Followers will not entitle the contractors to claim any remission in the payment of the stipulated monthly amount of their respective engagements; the departure of Troops from the Cantonment, as above specified, will alone give claim for remission.

5. The conditions of the contracts shall not be considered binding or in force, in any respect, until the same are confirmed by the superior authority.

6. The person or persons whose tenders may be accepted will be required, ere entering on the performance of their contract, to deposit with the Superintendent of Bazars the amount of one month's stipulated payment, as his or their personal security for the due execution of the agree-

ment. This is to be in addition to the monthly payment in advance of the sums tendered for the contract.

7. Further particulars relative to these contracts will be made known on application at the Office of the Superintendent of Bazars at Baroda, and that of the Commissary General of the Army at Bombay, from 10 A. M. till 4 P. M. every day, Sundays excepted.

8. The contractor will have to defray the expenses of maintaining a Preventive Police, when and wherever the Brigadier Commanding may deem necessary, for the suppression of clandestine sale of Spirits to European Troops.

9. No reason will be assigned for the rejection of any offer.

A. CRAWFORD, Captain,
Superintendent of Bazars.
