Notice

Is hereby given, that persons desirous of entering into a contract for supplying Grain, &c. to the European Troops at the Presidency, Indian Naval Department, House of Correction, and County Gaol, and for such other purposes as may from time to time be required by the Commissariat Department, for the service of Government, for the term of one year from the 1st day of July next, may, on application at this Office, from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the Schedule or List of Prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 20th instant,

at 2 P. M. precisely, when intending contractors will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores, if required, and afterwards to the indenting departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees (1,460) one thousand four hundred and sixty, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (5,842) five thousand eight hundred and forty-two, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him, in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty to (300) three hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (1,460) one thousand four hundred and sixty, mentioned in paragraph 3 of this Notice, will be forfeited to Government.

5. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his Agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of twenty-five Rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood that the contractor, or an accredited Agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily, Sundays excepted, also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the Public Service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for the contract, fails to furnish the necessary security, as provided for in Clause 7th of this Notice, will be

interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees 29,210.

12. No reason will be assigned for the rejection of any offer.

NOTICE TO MARINERS.

STORNOWAY LIGHTHOUSE AND BEACON.

The Commissioners of Northern Lighthouses hereby give Notice, that a Lighthouse has been built upon Arnish Point, at the entrance to the Harbour of Stornoway, in the Island of Lewis, in the County of Ross, the Light of which will be exhibited on the night of Saturday, 1st January 1853, and every night thereafter, from the going

away of daylight in the evening, till the return of daylight in the morning.

The following is a specification of the Lighthouse, and the appearance of the Light, by the Engineer to the Commissioners:—

The Lighthouse is in N. Lat. 58° 11' 28", and W. Long. 6° 22' 10". By Compass, the Lighthouse bears from Chicken Head N.W., distant about 3 nautical miles.

The Stornoway Light will be known to Mariners as a Revolving Light, which shows a Bright White Light once every half minute. The Light is elevated 56 feet above the level of high water of ordinary spring tides, and may be seen at the distance of about 10 miles, and at lesser distances according to the state of the atmosphere; to a near observer, in favourable circumstances, the Light will not wholly disappear between the intervals of greatest brightness. It illuminates an arc from about N. N. E. to about N. W. by N. ¼ N., facing the entrance to Stornoway, and an arc from about S.W. ¾ S. to about E.S.E., facing up the Harbour, the intervening arcs being masked.

The Commissioners further give notice that a Beacon has been erected on a Reef running out from Arnish Point, placed about 200 yards from the Lighthouse, on which a Light will be thrown from the Lighthouse Tower; and from the top of the Beacon an *apparent* or Reflected Light of low power will, in favourable states of the weather, be visible to Vessels entering the Bay.

The Commissioners hereby further give Notice, that by virtue of a Warrant from the Queen in Council, dated 11th February 1851, the following Toll or Duty to be levied in respect of that Light shall be as follows, viz:—

“ For every vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to her Majesty, her heirs and successors, nor being navigated wholly in ballast), and for every Foreign Vessel, which, by any Act of Parliament, Order in Council, Convention or Treaty, shall be privileged to enter the Ports of the said United Kingdom, upon paying the same duties of Tonnage as are paid by Vessels belonging to the United Kingdom (the same not being navigated wholly in ballast), which shall pass or derive benefit from the said Light at Stornoway, *one Parthing* per Ton of the burden of every such vessel for each time of passing or deriving benefit from the said Light, if on a Coasting Voyage, and double the said Toll for each time of passing or deriving benefit from the said Light, on an Oversea Voyage, and for every Foreign Vessel navigated as aforesaid not privileged in manner hereinbefore mentioned, double the amount of the respective Tolls hereinbefore specified.”

By Order of the Board,

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

The 15th April 1853.

The following Act, passed by the Governor General of India in Council on the 15th April 1853, is hereby promulgated for general information:—

ACT No. VI. OF 1853.

An Act relating to Summary Suits for Arrears of Rent, to Sales of Putnee Talooks, and other saleable Tenures, and to Sales of Land in satisfaction of Summary Decrees for Rent.

Whereas, by Regulation VIII. 1831 of the Bengal Code, the hearing and decision of summary suits or claims relating to arrears or exactions of rents were transferred from the Judges of the Zillah or City Courts to the Collectors of Land Revenue of the several districts; and whereas by Regulation VII. 1832 of the Bengal Code, the conduct of sales of Putnee Talooks and other saleable tenures, under Regulations VIII. 1819, and I. 1820 of the same Code, and the performance of other acts preparatory to, or connected with, such sales, were transferred to the Collector or Deputy Collector of Land Revenue, or Head Assistant to the Collector or Deputy Collector, subject to an appeal as therein provided; and whereas by Act VIII. 1835 the power theretofore vested in the Judges of the Dewanny Adawlut of selling land in satisfaction of summary decrees for rent was transferred to the Collectors of Land Revenue, and it was enacted that all sales for the recovery of arrears of rent held under Clause 7, Section XV. Regulation VII. 1799, should be conducted by the Collector, his Deputy, or duly authorized Assistant, and that ten days' notice should be given of such sales by advertisement to be stuck up at the Cutcherry of the Zillah Court or local Adawlut, and that of the Collector; and whereas it is expedient that Act XXV. 1850, and Section IX. Regulation VIII. 1819 of the Bengal Code, as modified by Clause 1, Section XVI. Regulation VII. 1832 of the same Code, and as altered by the said Act XXV. 1850, should be extended to sales under Act VIII. 1835; and whereas doubts may be entertained as to who ought to exercise the jurisdiction transferred by the abovementioned Regulations and Acts, where lands situate within the zillah or other district of one Collector form part of an entire estate, paying revenue to the Collector of another zillah or district: In order therefore to avoid such doubts, and also to define who are the proper Officers to exercise such jurisdictions in cases where lands are situate in a district assigned to an independent Deputy Collector, and also in cases where lands held in Putnee, or other tenure, at one entire rent, are situate in two or more Collectorates, and to prevent any such decision or sale already made from being held invalid, upon the ground of its having been made by an Officer of a wrong district; It is enacted as follows:

I. If the lands which may be the subject of any such sale, or to the rent of which any such suit may relate, be all situate in one Collectorate, the Collector of such Collectorate is the Collector to conduct the sale, or to hear and decide the suit. If one Talook or tenure shall comprise lands situate in two or more Collectorates, or if any lands situate in two or more Collectorates be held under one lease or engagement, or at one entire rent, the Collector in whose Collectorate the greater part of such lands shall be situate is the Collector to conduct the sale of such Talook, or tenure, or of such lands, and to hear and decide any summary suit relating to arrears or exactions of rent in respect thereof.

II. If a Collector, to whom application shall be made to exercise any of the powers above mentioned, shall entertain any doubt as to whether the lands or the greater part of them are situate within his Collectorate, he shall report the case for the order of the Board to which he is subordinate, and if ordered by such Board to proceed in the matter, such order shall be conclusive upon the question of his jurisdiction.

III. The word "Collectorate" in this Act means the zillah or other district to which a Collector is appointed, and no lands situate beyond the limits of such zillah or district shall be deemed to be situate within the Collectorate, by reason of their forming part of an estate paying revenue to the Collector thereof.

IV. An independent Deputy Collector may, within his Deputy Collectorate, exercise all the powers and jurisdictions of a Collector with which he may be entrusted, in the same manner and to the same extent as a Collector may do within his Collectorate, and with reference to the exercise of such powers and jurisdictions, his Deputy Collectorate shall be deemed a Collectorate, and he shall be deemed to be a Collector within the meaning of this Act.

V. An independent Deputy Collector is an Officer appointed by Government to act as Deputy Collector, independently of a Collector, whether his office is one for the receipt of revenue or not. A Deputy Collectorate is the district within which an independent Deputy Collector is directed by Government to act.

VI. In cases of sales by an independent Deputy Collector, under the above-mentioned Regulations or Act, any notice thereby required to be stuck up at the Cutcherry of the Collector may be stuck up at the Cutcherry of the Deputy Collector.

VII. An independent Deputy Collector may exercise the powers assigned to him over any part of his Deputy Collectorate in public Cutcherry, in whatever part of his Deputy Collectorate the same may be situate or held.

VIII. Any notice required by the abovementioned Regulations or Act to be given by advertisement to be stuck up at the Cutcherry of the Zillah Court or local Adawlut shall be stuck up at the Zillah Court or local Adawlut within the jurisdiction of which the lands to be sold, or the greater portion of them, as the case may be, shall be situate.

IX. No order, decision, or sale made in the discharge of any of the duties aforesaid under any of the aforesaid Regulations, or under the aforesaid Act, before the passing of this Act, shall be disputed, or deemed invalid, upon the ground that the Collector, Deputy Collector, or other Officer making the same, was not the Collector, Deputy Collector, or Officer of the proper district; or upon the ground that the Cutcherry at which notice of such sale was given was not the Cutcherry of the proper district, unless proceedings shall, previously to the passing of this Act, have been commenced, for the purpose of disputing the validity of such order, decision, or sale upon such ground.

X. Act XXV. 1850, and Section IX. Regulation VIII. 1819 of the Bengal Code, as modified by Clause I. Section XVI. Regulation VII. 1832 of the same Code, except so far as the same has been altered by the said Act XXV. 1850 are hereby extended to all sales under Act VIII. 1835.

J. P. GRANT,
Secy. to the Govt. of India.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

The 15th April 1853.

The following Act, passed by the Governor General of India in Council on the 15th April 1853, is hereby promulgated for general information:—

ACT No. VII. OF 1853.

An Act to extend the Jurisdiction of Magistrates, under the 53rd George 3rd, Cap. 155, Sec. 105 in cases of Assaults, Forcible Entries, and other Injuries accompanied with force, not being Felonies.

Whereas, by an Act passed in the 53rd year of the reign of King George the 3rd, it was enacted amongst other things that it should be lawful for any Native of India resident in the East Indies or parts therein men-

tioned, and out of the Towns of Calcutta, Madras, and Bombay, in case of any assault, forcible entry, or other injury accompanied with force, not being felony, alleged to have been done against his person or property by a British subject, to complain of such assault, forcible entry, or other injury accompanied with force, not being felony, to the Magistrate of the zillah or district where the alleged offender should be resident, or in which such offence should have been committed, and that such Magistrate should have the power and authority therein mentioned: and whereas Natives of India, resident in the East Indies, upon complaints preferred by them under the aforesaid provisions of the said Act, may be prevented from obtaining redress under the same, by reason of their inability to prove the place of their birth: and whereas it is expedient to extend the aforesaid provisions of the said Act as amended by Act IV. 1843, to cases of assaults, forcible entries, and other injuries accompanied with force, not being felonies, committed in any part of the territories under the Government of the East India Company, not being within the said Towns of Calcutta or Madras, or the Islands of Bombay and Colaba, or the settlement of Prince of Wales' Island, Singapore and Malacca, against the person or property of any person whatever, whether a Native of India or not; It is enacted as follows:

I. Notice

Is hereby given, that persons desirous of entering into a contract for supplying such of the Hospital Clothing, &c. as may be required by the Commissariat Department at Poona, to meet demands from the several Stations of this Division, (with the exception of Ahmednuggur,) for the term of two-years from the 1st June next, may, on application at this Office, from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the Schedule, or List of Prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 20th proximo, at 12 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the list above alluded to at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and agreeable to such of the samples as will be shown at the sale; and all articles are to be delivered, in the first instance at the Commissariat Stores if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such numbers or quantities as may from time to time be demanded; and that the said articles are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees (525) five hundred and twenty-five, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (2,100) two thousand and one hundred, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him, in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this department, without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractor or by this department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (525) five hundred and twenty-five, mentioned in para. 3 of this Notice, will be forfeited to Government.

5. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of (25) twenty-five Rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases where it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood that the Contractor, or an accredited Agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sunday excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the Public Service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Collector, within fifteen days from the date of the acceptance of his offer, or the contract will be resold; no reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for the contract, fails to furnish the necessary security, as provided for in Clause 7th of this Notice, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees (10,511) ten thousand five hundred and eleven.

12. No reason will be assigned for the rejection of any offer.
