FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

The 26th August 1853.

The following Draft of a proposed Act was read in Council for the first time on the 26th August 1853:—

ACT No. — OF 1853.

An Act to repeal Regulation VII. of 1816, and to declare the Law which is to be in force in the Tract of Land granted to Maharajah Imrit Rao.

Whereas a tract of land situated near the town of Teroha, in the district of Banda, was granted as an independent Jagheer by the British Government to the Maharajah Imrit Rao; and whereas by Regulation VII. of 1816, of the Bengal Code, it was enacted that from and after the date of that Regulation the jurisdiction of the Courts of Civil and Criminal Judicature, and the operation of the general Regulations, should not extend to the tract of land aforesaid; and whereas Maharajah Benaik Rao, son of the said Maharajah Imrit Rao, died, on the 6th day of July 1853, and it is now expedient to repeal the above-mentioned Regulation; It is enacted as follows:

I. Regulation VII. of 1816, of the Bengal Code, is hereby repealed.

II. The said tract of land being part of the district of Banda, all Laws and Regulations now in force within that district shall be in force in the said tract of land.

III. All cases, Civil or Criminal, in which the cause of action arose, or the offence was committed, within the said tract of land, before the passing of this Act, may be tried and determined by the Courts of the said district of Banda, and the general Laws and Regulations now in force there may be applied and administered by the said Courts in the trial and determination of such cases; but if in any case it shall appear that the application of the said Laws and Regulations would operate unjustly if applied to the trial and determination of any such case, it shall be lawful for the said Courts to try and determine the same according to equity and good conscience.

IV. Provided always, that no Court shall try or determine any case, Civil or Criminal, with respect to which a final decision was pronounced, previously to the said 6th day of July 1853, by any Court or person within the said tract of land, having at the time of the decision lawful power and authority to pronounce it; and that, with the exception of cases within the provisions of Section IV. of the said Regulation VII. of 1816, no act committed within the said tract of land prior to the 31st day of August 1853 shall be deemed an offence punishable under the provisions hereof, if at the time of the commission of such act the same was not contrary to the laws then in force in the said tract of land.

V. Nothing in this Act shall extend to any crime or offence within the provisions of Section III. or IV. of the said Regulation committed before the passing of this Act, but every such crime or offence shall be dealt with and punished as if this Act had not been passed.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 26th day of October next.

11. The amount of retrenchments made by the Military Board on contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted, or such portion thereof, will be refunded to them.

Tenders are hereby invited for the CONVEYANCE of
(2) Two European Convicts, either to Calcutta,
Madras, or direct to Van Dieman's
Land.

By Order of the Commander in Chief Indian Navy,
F. G. BONE, Secretary.

Commodore's Office, Bombay,
27th September 1853.

Notice

Is hereby given, that persons desirous of entering into a contract with this Department for SUPPLYING BREAD to Troops on the march from the Presidency to the Deccan, for the term of one year from the 1st day of December next, may, on application at this office from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the Schedule or list of price, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this office on Tuesday the 18th proximo, at 2 P. M. precisely, when intending contractors will be required to bid a per-centage above or below the price in the above list at which the supply will be made, on the understanding that the Bread supplied is to be of the first quality, and delivered to Troops on the line of march free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same is liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. Offers will be received only from parties residing at, or who have agents in Bombay.

4. The party or parties whose offer may be accepted must supply every detail of Troops proceeding from the Presidency to the Deccan, whose numerical strength may exceed seven, with fresh Bread throughout the march.

5. No person will be allowed to bid for the contract unless he previously deposits in this office, in cash, the sum of Rupees (32) thirty-two, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (130) one hundred and thirty, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

6. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the Bread, or such other article as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (25) twenty-five to (50) fifty, at the option of the execu-

tive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected article be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (32) thirty-two, mentioned in paragraph 5 of this Notice, will be forfeited to Government.

7. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off an article of an inferior quality in lieu of that he is bound to supply, or any neglect to deliver it at the time and place ordered, will subject him, in every instance, to be fined to the extent of (25) twenty-five rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

8. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily, (Sundays excepted,) also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

9. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be re-sold. No reason will be stated for rejecting any security offered.

10. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the article, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

11. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

12. Any party who, after offering for the contract, fails to furnish the necessary security, as provided for in Clause 9 of this Notice, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

13. The annual outlay on the above contract is estimated at Rupees 652.

14. No reason will be assigned for the rejection of any offer.
